... Whereupon, the Zelzah Temple Color Guard presented the Colors, followed by the rendering of the Shrine Pledge of Allegiance and the playing of three National Anthems of Mexico, Canada and the United States of America by the Sabbar Temple band ...

DIRECTOR GENERAL LAND: We will now have the Invocation by the Reverend Arnold T. Herbst, our Imperial Chaplain.

REVEREND ARNOLD T. HERBST [Imperial Chaplain]: Let us unite our hearts as well as our minds in prayer.

O, God, who art the creator of the universe and, at the same time, the Father of us all, there is an electrifying experience upon us at this moment as we find ourselves recognizing the greatness of three nations and the pride of citizenship in all of them.

We also find ourselves in an experience that transcends even national boundary lines as we come together in common interests and common concerns.

We pray that as we face the events of the week that that which transpires may strengthen our citizenship, may make us better persons in our own communities and each of us in his or her own way make this a better world in which to live.

Above all, we think of that which we love so much, the work with crippled children and may that always be before us as we go through the ceremonies of these days and thus, when the week is over, may it be that each of us shall feel that you can say to all of us, "Well done, good and faithful servants." Amen.

DIRECTOR GENERAL LAND: The audience may be seated.

It is now my distinct honor to declare the One Hundred Thirteenth Imperial Session now open.

Would you please recognize with me the entertainment provided for us prior to the opening and the assistance given during introductions of the Sabbar Temple band, directed by Noble Paul Grimes, Noble Lang, who sang our National Anthems and the Moslem Temple Chanters.

Imperial Sir, Imperial Sirs, Distinguished Guests, Most Worshipful Grand Masters, Illustrious Sirs, Governor Bryan, Mayor Lurie, Nobles, Ladies, Gentlemen and Guests: As a Past Potentate of Zelzah Temple and Director General of the One Hundred Thirteenth Council Session, may I warmly welcome each of you to this public opening. Thank you so

much for coming. There are nearly 2,000 members of Zelzah Temple and I extend greetings to you on their behalf as well.

To our Imperial Potentate, Imperial Sir Russell H. Anthony, I will everlastingly be indebted for his appointing me as Director General and his selecting the Jewel of the Desert as the site of this superb convention.

Now, we are privileged to have with us today on this dais some very distinguished leaders of government, the Masons and the Shrine.

It is with pleasure that I introduce to you first the Executive Director of the Las Vegas Convention and Visitors Authority, Frank Sain. Will you say a few words, please.

MR. FRANK SAIN: Thank you, Dick, and good afternoon ladies and gentlemen.

I have been waiting approximately five years to welcome you to Las Vegas. That is when I met your Imperial Potentate, Russ Anthony, and we have been working on this Imperial Session ever since.

You know, Russ is one heck of a guy and it has been a picnic working with him to the point of almost losing my job for giving him too much. (Laughter)

So it is indeed my pleasure to welcome you to this One Hundred Thirteenth Imperial Council Session being held in Las Vegas.

You truly honor us with your presence.

Please enjoy yourselves in this city, go home happy and come back and visit us again and again and again.

Thank you. (Applause)

DIRECTOR GENERAL LAND: I, too, would like to thank Frank for being an outstanding guy and working with him throughout this process and, of course, the Convention Authority has given us tremendous assistance and support.

Now, ladies and gentlemen, I take exceeding pride in introducing to you the Mayor of the City of Las Vegas, The Honorable Ron Lurie. (Applause)

THE HONORABLE RON LURIE [Mayor, Las Vegas]: Imperial Sirs, Illustrious Sirs, Grand Masters, Past Masters, Nobles, Ladies and Gentlemen: I want you to know how pleased I am to be here as Mayor to welcome you to this glorious City of Las Vegas.

For those of you who may not know this, let me say that I have been a City Councilman for fourteen years and just, on June 2nd, was elected Mayor and I have the distinct honor of being able to welcome you to our city as Mayor instead of Mayor Pro Tem. So it is a pleasure.

The second part of being able to welcome you is that your Imperial Potentate, Dr. Russell Anthony, presented me with my new Fez as Mayor. This was an extreme honor and pleasure for me. (Applause)

You know, some seventy-five years ago, Las Vegas was just a watering hole stop because we were called No. 14 on the Union Pacific Railroad line. However, some seventy-five years later, we are one of the fastest growing cities in the United States.

We have approximately 600,000 people living in Las Vegas, in our county and by the year 2000 we anticipate we will have one million people here.

Besides that, we are one of the largest, if not the largest convention and tourism center in the United States. We can handle any size of convention, from 100 to over 100,000 and, hopefully, in 1992, we will be able to stand up to welcome you back for your next convention.

This is a tremendous honor because Las Vegas has a lot to offer.

For example, we offer some 60,000 rooms and a million square feet of convention space and I am sure that your stay here is going to be enjoyable and that you are going to want to return at every opportunity.

Therefore, I hope that anything we can do to make your stay more enjoyable, please call on us. We are always available to you.

Anytime that we can be of assistance, you can certainly feel free to call on my office or Dick over here.

Thank you again and it will be a pleasure to see you all during the Convention. (Applause)

DIRECTOR GENERAL LAND: Thank you, Mayor, for your assistance, also.

Now, ladies and gentlemen, I take pride in introducing to you the Governor of the Silver State of Nevada, The Honorable Richard Bryan. (Applause)

THE HONORABLE RICHARD BRYAN[Governor, Nevada]: Imperial Sirs, Distinguished Members of the Nobility on the platform, Nobles everywhere and Friends of Shrinedom: Looking out at this audience this afternoon reminds me of one of my favorite political stories.

Years ago, when Al Smith was first elected Governor of the State of New York, he was invited to go Upstate to speak to the inmates at the penitentiary at Sing Sing. Now, because he was a new Governor and had poor staff work, he accepted that invitation.

He got up that morning and addressed those individuals as he had so many others during the course of his successful campaign. He began by saying—"My fellow citizens." (Laughter)

Well, he could immediately tell by the reaction from the audience that he had grievously erred and, like all Governors, wanted to extricate himself from that awkward moment of embarrassment.

He was a bit flustered and then he began again by saying, "My fellow inmates." (Laughter)

You know, this is not the kind of an association a new Governor likes to make and so finally he concluded by saying, "It is good to see so many of you here today." (Laughter)

Well, as Al Smith said nearly seventy years ago, it is indeed good to see so many of you here today.

Just as our distinguished Mayor who preceded me shared his pride of Las Vegas and the spirit of the State of Nevada in hosting this Imperial Session, so do I and, further, I would add that the work of Shrinedom is legendary throughout North America and we in Nevada are privileged to have two of its finest Temples. We are proud of them. I am proud to be a member of the host Temple.

The good work that is done in our state reflects the good work I am sure that is done in some states throughout the country and throughout North America.

We hope that your Session is going to be a successful one and a productive one but, as Nevada's Governor, I would be remiss if I did not tell you that at the conclusion of each day's Session I would like to invite your attention to our indoor recreational attractions that we have here in Nevada.

Now, as my good friends, Ron Lurie and Dick Land will tell you, there is a misconception. It is said that folks come to Las Vegas and lose money. Well, I am here to tell you that never happens. (Laughter)

You know, Webster tells us that to "lose" is not to know where something has gone. (Laughter and applause) However, you always know, my Brothers, where it has gone here. (Laughter)

I know that you will all want to be aware of the fact that the money that you spend here helps to educate our young citizens in Nevada and I know that you want to return to your business associates, your friends, your fellow Nobles and say, "I was here in Nevada and I did more than my share to help educate the young people in that great state." (Laughter)

Now, both the Mayor and I are good friends and he and I have asked our Sheriff, Sheriff Moran, who is also a Brother of ours, to extend a special dispensation during the course of this Session. As I understand it, each Shriner is given two free misdemeanors. (Laughter)

Now, if I could be serious for a moment, I would ask the Imperial Sir to join me at the lectern.

Now, Russ, I, too, like Ron, received my Fez through the kindness of your office and you, for which I am grateful and I would now like to, as Governor of the State of Nevada, issue a proclamation:

"WHEREAS, the Shriners Hospitals for Crippled Children provides exceptional care to children with severe burns or suffering from orthopaedic problems, and

"WHEREAS, the Shriners Hospital Network has served crippled and severely burned children in North America for more than sixty-five years, and

"WHEREAS, Shriners Hospitals generously provides care and service for crippled children and burn victims at no cost, and

"WHEREAS, the 1987 Imperial Shrine Session is being hosted by Zelzah Temple, Las Vegas, now

"THEREFORE, I, Richard Bryan, Governor of the State of Nevada, do hereby proudly proclaim June 22-26, 1987, as Imperial Shrine Week in Nevada and call upon all of our citizens to join me in welcoming the approximately 55,000 Shriners who will be attending this Session in recognizing the outstanding contributions and philanthropy of Shrinedom."

Imperial Sir, I take great pleasure in presenting this proclamation to you.

... Presentation of proclamation and applause then ensued ...

IMPERIAL POTENTATE ANTHONY: Governor, thank you very much. I accept this in appreciation from all of your great people in the great City of Las Vegas and the State of Nevada. I am certainly very pleased that I have received this proclamation on behalf of our great philanthropic efforts that we in the Shrine are so proud of. Also, I am sure glad I had my glasses on when you called me up here because I thought I was going to get one of these free misdemeanors. (Laughter)

However, thank you very, very much.

As you may have noticed, both of these gentlemen have said that they had both been presented a Fez by myself, which I am extremely honored to do. Now, I have one left to go to Frank Sain and we will get that to you, Frank.

At this time, I will call on Dick Land. I have not looked at the program and so I will ask him as to what is next.

DIRECTOR GENERAL LAND: The next introduction that I have is for me to call on the Imperial Potentate—Imperial Sir Dr. Russ Anthony. (Applause)

IMPERIAL POTENTATE ANTHONY: You know, the next duty that I have to perform is probably the most enjoyable one that will ever happen to me again in this short life span that I am a part of.

This is the opportunity to introduce to you the Year of the Shrine Mason.

My fellow colleagues, my truly great Shrine Masons, the Grand Masters of the respective Jurisdictions, I wonder if you would please stand while I introduce each and every one of you at a time.

... Whereupon, the following Most Worshipful Grand Masters were individually introduced by Imperial Potentate Anthony and individually applauded ...

IMPERIAL POTENTATE ANTHONY: Now, in my introductions, have I left any of you out?

If not, let me tell you right now that in the program script it says that I was supposed to have you, the audience, applaud them at the end but, believe me, by the applause that they have received here individually, we wanted you to know of the great respect that we Shrine Masons of North America have for our Grand Masters. The A.A.O.N.M.S. is proud of every one of you and, again, God bless. (Applause)

It is with honor that I now introduce to you other Masonic dignitaries who are present on the stage with us today.

I would first like to introduce Brother and Noble Robert M. Walker, Deputy Grand Master, Order of the DeMolay. (Applause)

Illustrious Francis G. Paul, Sovereign Grand Commander, Ancient and Accepted Scottish Rite, Northern Jurisdiction. (Applause)

Illustrious C. Fred Kleinknecht, Sovereign Grand Commander, Ancient and Accepted Scottish Rite, Southern Jurisdiction, who, because of unforeseen exigencies, will be leaving us tomorrow. Consequently, I want to give Illustrious Fred the opportunity to say a few words to us now.

ILLUSTRIOUS C. FRED KLEINKNECHT: Illustrious Sir, Illustrious Sirs, Distinguished Masons and Ladies: The Imperial Session of the Shrine of North America is always an exciting and stimulating experience for all of us who are privileged to share this important meeting of Shrinedom. I am grateful to the Imperial Potentate for his kind invitation to attend this Session in my capacity as Sovereign Grand Commander of the Supreme Council, Ancient and Accepted Scottish Rite, Southern Jurisdiction, and also as a Brother Noble in this great Order of men who are doing so much to make the world better for others.

I commend you on your achievements and congratulate you on your accomplishments in all of your Masonic and philanthropic endeavors. All Freemasons and all Americans can take just pride in your work for crippled children and those who have suffered severe burns and all those who have found hope and health through the gifts and labors of Shriners all across this great land of ours.

The Red Fez has come to represent, for many of our fellow countrymen, the true spirit and caring and sharing, which is so much a part of what Freemasonry is all about. We wear the Red Fez with pride as we wear the lambskin apron with honor to Freemasonry and pleasure to ourselves.

It is great to be a Shriner—it is great to be a Mason.

The beautiful relationship of all of the appendant bodies of Freemasonry over these years is something we can all be grateful for. This relationship has given added luster to the theme of making this past year the Year of the Shrine Mason in the work of the Imperial Council and may it ever be so in the future.

There is work to be done, fun to be had, fellowship to be shared and new goals to be set for the tomorrows in Shrinedom as we meet together, and then this Session of the Imperial Council will be history. We share these hours with pleasure but I can assure you that the tomorrows will find us in the Scottish Rite continuing to work for and supporting you in all of your noble endeavors.

We look back over the years and say of our beginnings as Shrinedom—"This our Fathers in Freemasonry have given us," and today we cherish the title Shrine Mason because some Freemasons enlarged the outreach of Freemasonry in the world.

It is great to be with you. Thank you for your kind reception and now let us join hand and heart in our common mission in making Freemasonry always a moving force for good in our world.

Thank you very much. (Applause)

IMPERIAL POTENTATE ANTHONY: Thank you very much for those kind words.

I also wish to present Most Illustrious Companion Bernard Mandlebaum, General Grand Master, General Grand Council Cryptic Masons. (Applause)

Also, Sir Knight Donald H. Smith, Grand Master, Grand Encampment of Knights Templar. (Applause)

Now, with great pleasure and the highest privilege, I introduce to you the number one Mason of the Grand Lodge of Iowa, a member of Abu Bekr Temple, an exceptionally able leader, my good friend, the Grand Master of Iowa, the Most Worshipful Harold R. Barkley. (Applause)

MOST WORSHIPFUL BROTHER HAROLD BARKLEY: Thank you very much.

Imperial Sir Russ, Imperial Sirs, Distinguished Guests, Most Worshipful Sirs, Nobles and Brethren: It is an extreme pleasure for me to have the opportunity to speak before you this afternoon.

Representing the 52,000 Masons of Iowa, I bring you the warmest Fraternal greetings and also think that I can speak for the other Grand Masters of the Grand Jurisdictions of the United States by also extending their greetings to you for everything that you as Masons, as Shriners do for our beloved Fraternity.

We wish for you, Imperial Sir Russ, the most of success during this One Hundred Thirteenth Annual Session of the Imperial Council, A.A.O.N.M.S.

I do wish to extend my thanks to Imperial Sir Russ Anthony, the Imperial Council and the four Temples from Iowa and all Nobles of the Mystic Shrine for the warm hospitality you have given to my wife and myself in our stay here at Las Vegas.

As has been indicated, this year has been designated as the Year of the Shrine Mason. I believe that this places not a new responsibility upon us but it accentuates the responsibility that has always been upon the Shrine.

I have only been a Shriner now for going on to six months and I think I have the responsibility of telling you why I have not been a Shriner for more than that, especially inasmuch as I have been a Mason for more than thirty-five years.

Some eleven years ago, this coming September, I was honored to be Senior Grand Deacon of the Grand Lodge of Iowa in Des Moines. At the end of the Communication, as we were leaving the headquarters hotel, Mid-West Shrine Convention was moving into the hotel as we were moving out and, unfortunately, my wife and I had the bad experience of a few Nobles that came into the convention and being treated very rudely by them as we were trying to leave. At that time I said to myself, "It will be a long, hot day before I become a Shriner."

Now, during the past eleven years, I have watched the Nobles of your Temples of Iowa in relation to their Masonic activities and, in the process, I have not received this type of treatment from one single Noble of our Shrine Temples in Iowa and, as time has gone on, I have always watched everything that you do as Shriners have done for crippled children, for burned children and, in the process, my mind has been changed dramatically. So, at this point in time, I am very, very proud to be a part of the Order. (Applause)

My fellow Nobles, remember that each of us is somebody's impression of Freemasonry.

Imperial Sir Russ has coined this as the Year of the Shrine Mason and I believe that with the things we are projecting throughout our part of the world that Freemasonry, with your help, is going back and repairing the foundation of what our structure is so that Freemasonry cannot help but have a lasting renewable effect on our great Fraternity.

I listened to the Imperial Sir when he gave his address in Calgary and I read his articles in our Masonic publications and I know that he recognizes the same mutual problem that all Grand Masters are facing—that of membership. There is no easy solution to this and, therefore, no one thinks that we can do it but it is all within each of us as we go back to our

Blue Lodges, to our Temples, to display the beauty of brotherly love and friendship and philanthropy that you as Masons and Nobles display to our non-Masonic friends and, by doing that, I am sure that with the help of each of you that we will make our great Fraternal key a vital part of this great society that we are living in today.

Again, Imperial Sir, thank you so very much for your hospitality and your kindnesses and everything that you have done for us. (Applause)

IMPERIAL POTENTATE ANTHONY: Thank you very much, Worshipful Sir. I know those words come from the heart.

I am generally delighted and equally honored to introduce to you, Nobles and Ladies, the number one Mason of the Grand Lodge of Nevada, a member of Zelzah Temple, a superb leader, I call him a friend, the Grand Master of Nevada, the Most Worshipful Ovid A. Moore. (Applause)

MOST WORSHIPFUL BROTHER MOORE: Imperial Sir, Imperial Sirs, Distinguished Guests, Ladies, Nobles and Brethren All: As the Grand Master of Masons in Nevada, it is with great pleasure that I welcome you to Las Vegas and to this Imperial Council Session.

I also bring you the greetings from all of the Masons in Nevada.

May your stay here be as enjoyable as this is certainly a city of great entertainment and I trust that while you attend all of your Shrine functions, that you will still have time to enjoy all of the activities we have to offer here in this great city.

Let us show our appreciation to the Imperial Team that has worked so hard to coordinate this Imperial Council Session. (Applause)

Also, Imperial Sir and Illustrious Sirs, on behalf of all of the Grand Masters present, as well as their Ladies, we thank you for all of the hospitalities and courtesies that are being extended to us. May your Session be successful, beginning and ending in harmony.

Nobles, what we are as individuals so are we as Shriners. Thank you all for coming. Have a wonderful time while you are here. (Applause)

IMPERIAL POTENTATE ANTHONY: Again, Worshipful Sir, thank you for those kind words. I would now like to turn the gavel back to our Director General.

DIRECTOR GENERAL LAND: Thank you, Imperial Sir Russ.

I noticed that a few of you are getting restless back there. However, let me say to you that we are not going to take up much more of your time. We do have some entertainment scheduled for the end of this Opening Session.

Now, before proceeding, I would like to call to your attention a communication that I have received from Congressman James H. Bilbray, member of the Congress of the First District of Nevada. It reads as follows:

"To the Shriners of North America that are here in Las Vegas for the One Hundred Thirteenth Imperial Council Session, for the purpose of conducting their annual business and to participate in two of the largest parades ever held in our city:

"I regret that I cannot be here today to welcome this most distinguished group of citizens to the City of Las Vegas. Our city is proud to host the One Hundred Thirteenth Imperial Council Session for the Shriners of North America.

I have long admired the Shriners for their never-ending compassion, their dedication to helping youngsters across the country. The Shriners are responsible for setting up twenty-two hospitals that care exclusively for the needs of crippled children and children who have been severely burned. Such people who give so much of their time, their concern and their hearts to the cause of helping people can never be commended enough.

"My father was a Shriner and through him I learned the importance of taking the time in life to help people. The reward and satisfaction from the giving of yourself to those in need is unmatched.

"So please enjoy yourselves in our town and again, thank you for your tremendous service to the children of this country . . . our children."

And it is now an honor, privilege and great pleasure to introduce to you the Imperial Officers of the Shrine for North America. Will you please again hold your applause until they are all presented.

Reverend Arnold T. Herbst, Abu Bekr Temple, Imperial Chaplain.

John D. VerMaas, Sesostri Temple, Imperial Outer Guard.

Robert B. Bailey, Orak Temple, Imperial Captain of the Guard.

Burton E. Ravellette, Jr., Sahara Temple, Imperial Marshal.

Richard L. Bukey, Sabbar Temple, Imperial Second Ceremonial Master.

Everett M. Evans, Sharon Temple, Imperial First Ceremonial Master.

Jack H. Jones, Egypt Temple, Imperial Recorder.

Webber C. Harrington, Al Kader Temple, Imperial Treasurer.

John W. Dean, Lu Lu Temple, Imperial Oriental Guide.

Joseph P. Padgett, Islam Temple, Imperial High Priest and Prophet.

George W. Powell, Crescent Temple, Imperial Assistant Rabban.

Edward G. McMullan, Al Azhar Temple, Imperial Chief Rabban.

Voris King, Habibi Temple, Deputy Imperial Potentate.

Now please recognize them. (Applause)

And now, ladies and gentlemen, with high privilege and distinct honor, with a deep sense of love and personal pride, I present to you the number one Shriner in North America, one who has given so much of himself to the Shrine and its magnificent philanthropy for so many years, the Imperial Potentate of the Shrine for North America, from El Kahir Temple, Cedar Rapids, Iowa, Imperial Sir Russell Anthony.

. . . Rising applause ensued as Imperial Potentate Russell Anthony approached the podium . . .

IMPERIAL POTENTATE ANTHONY: Thank you very, very much, Director General Land.

Distinguished Members of the Divans, My Imperial Colleagues on the Imperial Divan, My Imperial Colleagues All, Illustrious Sirs, Shrine Masons All and All of You Lovely

Ladies: I am sure that you can all appreciate the tremendous feeling of exhilaration that I am experiencing now at this great point in my life.

I must confess to you that when you folks all sang the Iowa Corn Song, chills ran up and down my spine because this year the Iowa Corn Song was supposedly the official Anthem of the Shrine and I love you all so much for doing this for me and for my great state which we all love so very, very much.

I must also confess that I am somewhat nervous and I am somewhat like the young priest who had just graduated from the seminar and who was assigned to a parish in Dubuque, Iowa. This city is in the northeast corner of Iowa and is a city on the Mississippi River and the population of this great city is predominately German and Irish Catholic and I am sure that those of you that are of those national origins are quite aware of the fact that particularly if you would happen to be of Catholic faith, you expect a lot of your leaders, and particularly your priests and so as this young priest was about to assume the role of leadership of his parish and was about to give his first sermon, he became extremely nervous.

He called the Monsignor and the Monsignor said, "Now, listen, settle down, young man, I will be over and we will talk this thing out."

When he came over he said, "I will tell you this, that this parish is no different from any other group and so what you first have to do is get their attention.

"Now, when you get into that pulpit on Sunday morning, in order to get their attention you say, 'I am in love with a beautiful woman.' That, coming from the mouth of a priest is certainly going to get their attention. Then you say, 'I think about her every single day.' That, coming from the mouth of a priest is certainly going to keep their attention. You then continue by saying, 'And her name is the Virgin Mary.'"

Well, the young priest thought that was really great and so the Monsignor went on home and as the priest grew nearer and nearer to this particular event, he still became nervous. That Sunday, in the pulpit, he was extremely distraught and so, as he started out his sermon, he said, "The Monsignor is in love with a beautiful woman, he thinks about her every single day and, you know, I am so nervous that I cannot even tell you her name." (Laughter)

Well, I am not quite that nervous but, you know, it was a day quite like this day in 1854, of the fateful Charge of the Light Brigade, when they rode into the Valley of Death. It is a lot easier to quote Tennyson's poem than to remember circumstances of the event which took place in the Battle of Balaclava in the Crimean War. Particularly we remember lines like—"Theirs is not to make reply, theirs is not to reason why, theirs is but to do and die."

Now, it is my firm belief, as I look over this august group of Shrine Masons, as I overlook this fine distinguished group of men who are leading our various Grand Lodge Jurisdictions and our various Scottish and York Rite Jurisdictions, that we well recall this point in our history.

Now, you know, many have asked me, particularly before you all arrived here in this great City of Las Vegas, as to why I chose to bring all of you here and, believe me, I had a lot of great cities in this great state and United States as well to choose from because all of them love us as Shriners. However, I chose Las Vegas because of its tradition of having fun and, really, that is what the Shrine is all about. That is our tradition.

Therefore, I returned all of you here today because I wanted each and every one of you Nobles and each and every one of you ladies to enjoy what this great organization is all about. It is my fervent hope that all of you will have lots of good, clean fun.

You know, too often, even today, we are asked to do things without being given an opportunity to make a reply or to reason why. However, if Shrine Masonry continues to move, in Tennyson's words, "Half a league, half a league, half a league onward," then we had better start asking not only why but where.

I arise here and now to call for a road map. I know you great Shrine Masons and Ladies will supply it for you.

You know, there is an old story about a major league baseball umpire named Bill Klem. Klem was always in charge when he called a ball game.

One day, a batter hit a ball into left field. The third base runner dashed for home plate. In doing so, he collided with the catcher. The players in one dugout shouted, "He is safe."

On the other hand, the other side shouted, "He is out." Now, Klem was standing at the plate when the dust cleared. His fist was raised as he shouted so all could hear, "He ain't nothing until I call it." (Laughter)

You know, there is a profound lesson in that story. The wants of life become significant largely as we ourselves decide them. A circumstance can knock us down and keep us down or we can use that one as a ladder to victory. It depends on how "we call it."

A long time ago, there was a kind and gentle teacher who, for strange and unjust reasons, was brought to trial for his life. When execution seemed inevitable, the man waged no counterattack. He went to his death on a Roman cross with courage and dignity.

Time has exonerated this man of all guilt. Today, despite these efforts to silence him, the voice of that Carpenter from Nazareth is heard to all the ends of this earth. This man stands as an eternal reminder that no want of life need destroy us. Every circumstance is filled with opportunities if we have the will and the courage to call them that way.

Again, it is my fervent hope that all of you will have good, clean fun while attending this Session. After all, the Shrine is devoted to pure, clean fun—the funnier the better.

However, we must never forget we are Shrine Masons while having fun and keep in mind the underlying principles of our Order, which are—"Pleasure without intemperance, hospitality without rudeness, jollity without coarseness."

Thank you very much and I will now return the gavel to our Director General, Dick Land, for the introduction of the entertainment that he has provided for our enjoyment.

... Whereupon, a musical entertainment provided by children and adults of the Las Vegas area then ensued ... (Applause)

DIRECTOR GENERAL LAND: Thank you all very much for coming. This will now conclude our Opening Session. Thank you all for your presence.

... Whereupon, at five-ten o'clock p.m., the Public Opening Ceremony was adjourned ...

AFTERNOON SESSION TUESDAY, JUNE 23, 1987 THREE O'CLOCK P.M.

The One Hundred Thirteenth Annual Session of the Imperial Council was convened at the Las Vegas Hilton Hotel, Las Vegas, Nevada, on Tuesday afternoon, July 23, 1987, at three o'clock p.m., Imperial Potentate Dr. Russell Anthony, D.V.M., presiding.

IMPERIAL POTENTATE ANTHONY: Will you please take your seats.

My Imperial Fellow Representatives, it gives me a great pleasure, at this time, before we endeavor on any great venture, as we are about to do, to call upon our Imperial Chaplain to give us the blessing of the Grand Architect of the Universe. Will you please remove your Fezes.

DR. HERBST [Imperial Chaplain]: Our Heavenly Father, we address Thee with many names and in many ways but regardless of the name we use, it is never quite sufficient to describe your greatness and your goodness.

We have been admonished that we are entering into another venture of life and, therefore, we ought to stop and talk to you about it. That is what we are doing just now.

We have come from all corners of these great nations. We come here because we love each other and enjoy each other's presence and the fellowship of the occasion which is our life.

We have come here because there is business to do and the business is before us.

We come here because of our decisions to be made and soon we will be involved in the decision-making process. However, whatever we do, may it be in the spirit of goodness that we associate with you, our Heavenly Father.

So guide us in these days in whatever we do help us never to lose sight of the precious little ones in our hospitals for that is what brings us here. Amen.

IMPERIAL POTENTATE ANTHONY: Thank you very much, Dr. Herbst.

I now declare the One Hundred Thirteenth Annual Session open for business, waiving forms and ceremonies.

Now, before we get to the business of what we are here to transact today, I would like to ask my Imperial Director General, Dick Land, to present us a few remarks.

DIRECTOR GENERAL LAND: Thank you, Imperial Sir.

Imperial Sir, Imperial Sirs, Grand Masters, Nobles All: Welcome to Las Vegas and the One Hundred Thirteenth Imperial Session. We hope that you have a good time. As a matter of fact, it sounds as though you have had a good time thus far.

Let me say, in relation to those of you who got fouled up at the end of the parade today, that we apologize but apparently somebody kind of fouled up something and so just charge that one up.

Again, please have a good time and if there is anything we can do to help you, please feel free to give us a call.

With that, thank you very much. (Applause)

IMPERIAL POTENTATE ANTHONY: We will now have the report of the Credentials Committee, Roger Murdock, Chairman.

NOBLE ROGER MURDOCK: Imperial Sir, Members of the Imperial Divan, Representatives of this Session of the Imperial Council: I will not read all of the names but I will give you the total figures and the names will be placed on file with the Imperial Recorder.

Imperial Sir, I would move for the adoption of this report.

IMPERIAL POTENTATE ANTHONY: Is there a second?

. . . At this point, it was severally indicated from among the Representatives that the figures given and the total given did not add up . . .

IMPERIAL POTENTATE ANTHONY: Just a moment. I think, in order to save time, we can go ahead and adopt this report. The totals can be corrected later.

Therefore, is there a second to the motion to adopt the report that has been presented to you? Again, we will get it straightened out.

I believe there is a second and so, all in favor of adopting this report, once we get it straightened out, please say aye; opposed. The motion is carried.

. . . Business was transacted in the Colorado Corporation at this time . . .

IMPERIAL POTENTATE ANTHONY: I now proclaim this Session open for business to be transacted in the Iowa, Colorado and all appendant charitable corporations and to remain open until the Session is adjourned.

Now, Fellow Representatives, I would like to call your attention to the annual report that is in the packet of material that you have received.

We are extremely proud of this report and we are expressly proud of the way that the

Public Relations Department, under the guidance of Imperial Sir Everett Evans and Mike Andrews, have performed. They certainly did a most wonderful job in putting together this report for your perusal.

You know, Brother William Wordsworth described a Fraternity best in his famous "The Prelude," back in 1950, when he wrote: "Brothers all in honor, as in one community."

Scholars and gentlemen, I have searched a long time for words that best describe this great body of men which I have had the honor and privilege to lead this year, the "Year of the Shrine Mason."

All of you are truly gentlemen and scholars and I mean that sincerely. I feel very strongly that Brother William was referring to the Masonic Fraternity in his words and could have been referring to Shrine Masons if our great Order had been around at that point in time.

When we assumed the reins of leadership of this great Fraternity last July, we made a serious resolve and that resolve was to promote Shrine and our good works the best way possible and, at the same time, have fun doing it. I hope you will all agree that we have accomplished our goal. At any rate, we darn sure had fun trying and history alone can record whether we were successful or not.

You folks made me feel, and my wife feel so much at home in all of our visitations.

Now, I am going to ask you, at this time, for your indulgence in order that I might show you some video tapes of various interviews we had the pleasure of appearing in and perhaps you, in turn, might, as Potentates and as leaders of your respective Temples, when you get called to go on television or radio or whatnot, gain some ideas from this. I understand it is only about eight and a quarter minutes in length and I would appreciate it if you would give me your attention for that small length of time.

... Whereupon, the above-mentioned video of various interviews conducted by the news media with Imperial Sir Anthony ensued . . .

IMPERIAL POTENTATE ANTHONY: You know, we have an organization of great men. It is a pity, however, that there are not more of us but then, be that as it may because, if it were not for the wearers of the Red Fez, there would not be Shriners Hospitals for Crippled Children.

I love you and the world loves you for all of your great dedication to our great cause which, incidentally, is the world's greatest philanthropy and, I might add, the world's purest.

Now, the most rewarding experience that has happened to me this year and, believe you me, I have had lots of them in my nearly 150 visitations, was to witness the manner in which all of you great Shrine Masons promoted my year, the "Year of the Shrine Mason."

And it was not just a Shrine promotion either. Most all Masonic leaders, Grand Masters of the various Jurisdictions, the Sovereign leaders of both of the Rites, have likewise endorsed the Shrine Mason philosophy and that has resolved itself into a spirit of friendship and brotherly love that has never been surpassed in the 150 year history of our great Order.

I believe that the Grand Master of Utah stated it best when he said—"We in Utah are attempting to eliminate the words 'I' and 'you' from our Masonic vocabularies and substitute the word 'we.' We find that too often 'I' gets all the credit when things go right, while 'you' get all the blame when things go wrong. By substituting 'we' for 'I' and 'you,' much more will be accomplished as no one cares who gets the credit or who gets the blame."

Since coining the phrase "Shrine Mason" back in 1980, we have used it and the symbolic logo to tell the world that Shriners are also Masons. We are fun loving philanthropists with a firm belief in the Fatherhood of God and the Brotherhood of Man.

The Shrine School of Instruction held in Des Moines in March was the highlight of my year, aside from my many visitations.

The compliments I received on the program's content, the way my fellow Iowans treated you as their guests, the nice weather and the sky walks made me feel very proud.

I really must be honest, however, and tell you I had very little to do with it. Imperial Sir Voris King, my Imperial Officers, Illustrious Sirs Ellis Monk and Don Porter, the Za-Ga-Zig musical groups, the program participants and Charlie Cumpstone are the ones who deserve all the credit. You all deserve much credit as well for your being there, listening and learning.

Therefore, I think, at this time, please give yourselves and all of these participants a great big hand. (Applause)

You know, where Noble President, Frank Delano Roosevelt, was renominated for the Presidency on this day in 1936, he sounded a rallying call for his time.

"This generation," Noble Roosevelt said, "has a rendezvous with destiny."

Now, I do not think that generation of 1936 had a monopoly on such a rendezvous because we, too, at this point in time and at this Session, will and should have a rendezvous with destiny as we deliberate upon, discuss and vote upon the important issues confronting us.

You know, President John F. Kennedy told the story of the leader in the French Revolution who said, "There go my people, I must find out where they are going so that I can lead them."

Let me assure you, my Fellow Imperial Representatives and Honored Guests, that I am not that kind of a leader.

It has been said that you judge a leader by the followers. If that is true, and I am sure it is, then I am very fortunate because I have 871 of the best followers in the world in this august body of Nobles.

I and my fellow colleagues upon this stage intend to work with you and guide you as we deal with the crucial legislative proposals in the Call. We will never berate or belittle you. All we ask of you is that you do not try to monopolize any discussion, be you for or against, no matter whether you are a tremendous orator or just so-so on your feet.

Your voice has a right to be heard and I will be as fair as possible, as is humanly possible, to give each of you that want to speak to an issue that opportunity. All I ask is that you limit your comments to one or two minutes at the most. I will not tolerate any filibusters, as that tactic has no place in a conclave of Shrine Masons when voting up important issues.

I am going to ask Mike Andrews to dim the lights again and show you one slide. I show you this slide for its good humor aspects and to impress upon you the need for us to address our membership losses.

... Presentation of slide ensued at this point ...

IMPERIAL POTENTATE ANTHONY: In closing, let me state that I have the utmost confidence that you will make the right decisions as your predecessors have always done in the past. After all, life is full of things that we must cope with—we will cope with in this Session.

Now, borrowing a phrase from that great Shrine Mason, Red Skelton, "May God bless."

Thank you very much. (Applause)

Now, there has been some comment that some of the Representatives could not clearly discern the comment contained on that slide. Perhaps, Mike, you might, at this point, tell them what that caption said.

Well, perhaps someone closer to the slide might read the caption as it was contained on that slide.

Well, the caption on the slide is—"I know, Walter, I am afraid this club is becoming too exclusive."

Now, what it depicts, gentlemen, is the individual seated around the table and around him are the skeletons of individuals that used to be alive and a well thriving organization. I will apologize for that.

I know you get the message of what I am attempting to portray. We do have to address our membership problems and so, when Imperial Sir Tony Bukey comes before you with his proposals, I wish you would give them some thought.

Again, thank you very much for your attention. (Applause)

We will now have the report of the Chairman of the Committee on Transactions of Imperial Officers.

PAST IMPERIAL POTENTATE VAL PRED: To the Representatives of the Imperial Council: Your Committee on Transactions of Imperial Officers, as required by S.208.7(b) of the Bylaws of the Iowa Corporation, has considered the reports of the Imperial Officers.

We call to your attention that certain reports of the Imperial Potentate, Imperial Treasurer and Imperial Recorder have been prepared in advance. These reports were either mailed to you or were included in the registration envelopes given to all Representatives at the time

they registered for this Annual Session. We find them to be comprehensive, well prepared and in fulfillment of their responsibilities. It is our recommendation that these reports and all other reports of the Imperial Officers which require action by the Imperial Council, be referred to the Jurisprudence and Laws Committee and any other committee designated by the Imperial Potentate, for consideration and further report to you.

It is a pleasure for this committee to express gratitude and appreciation to our Imperial Potentate, Russell H. Anthony, D.V.M., for his dedicated efforts expended throughout the year past in the work of our great Fraternity and the world's greatest philanthropy, Shriners Hospitals for Crippled Children. He and his lovely wife, Shirley, have never hesitated a moment in giving of their utmost in their visitations to our Shrine Temples, Hospitals and other Masonic organizations. They each deserve the sincere thanks and appreciation of all Nobles for their dedication to Shrine work and ideals. They have endeared themselves to the hearts of all with whom they have come in contact. Their year of service will long be remembered as one in which the image of our Order grew in not only the minds of all of our Nobles, but also the public as well.

We, the members of your committee, are pleased to have had the opportunity to serve under such a fine Imperial Potentate and are delighted to make this report to the Representatives of this, the One Hundred Thirteenth Session of the Imperial Council, and move for its adoption.

Respectfully submitted,
COMMITTEE ON TRANSACTIONS OF
IMPERIAL OFFICERS

W. W. Bennett

Imperial Sir, I would move for the adoption of this report.

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE ANTHONY: Is there any discussion?

. . . There being no discussion, the motion to adopt the report as presented was voted upon and declared to be unanimously carried . . .

IMPERIAL POTENTATE ANTHONY: I certainly appreciate the presentation of that report and I know that all of your committee and all of you great Nobles meant it when you brought that committee report forward and, of course, you just do not know how humble it makes me feel to have such nice words said about my wife and I. Thank you once again.

Now, insofar as filling committee vacancies is concerned, there will not be any need to do that because we do not currently have any.

Now, with that, we will proceed to refer various items to the various committees.

I now refer matters to be considered by this One Hundred Thirteenth Annual Session to the following committees.

1. TO THE JURISPRUDENCE AND LAWS COMMITTEE:
 - (a) All proposed amendments, resolutions and requests.
2. TO THE GRIEVANCES AND APPEALS COMMITTEE:
 - (a) All matters of controversy, grievance, discipline or appeal.
3. TO THE DISPENSATIONS AND CHARTERS COMMITTEE:
 - (a) The proposal to amend the Bylaws, item 12 of the Call.

- (b) The resolution to change the location of Moolah Temple.
- (c) The resolutions of Beja, Shaddai and Al Shamal Temples for permission to join Shrine Association, items 24, 25 and 26 of the Call.
- (d) Request for Charter by Acacia Temple, U.D., item 23 of the Call.
- 4. TO THE JURISDICTIONAL LINES COMMITTEE:
 - (a) The proposal for change in jurisdictional lines which are items 3, 12, 18, 19 and 20 of the Call.
 - (b) The application for Charter of Acacia Temple, U.D.
- 5. TO THE FINANCE AND ACCOUNTS COMMITTEE:
 - (a) The following proposals to amend the Bylaws: items 1, 13, 14, 15 and 31 of the Call.
- 6. TO THE MILEAGE AND PER DIEM COMMITTEE:
 - (a) All matters concerning the mileage and per diem expenses to be paid at this Session.
 - (b) The proposals for change in the Bylaws, item 1.

I would now like to call on the Chairman of the Jurisprudence and Laws Committee, to explain the procedures governing this Session, Illustrious Sir Walter Pettit.

NOBLE WALTER PETTIT: Imperial Sir, Imperial Sirs and Representatives: I think it is important that, as a reminder to those of you that have been here many times and especially as instructional material for those of you who are here for the first time, to listen to an explanation of the procedures with respect to taking the legislative matters before the Assembly for consideration.

The Jurisprudence and Laws Committee will again, as it has in the past Annual Sessions and meetings, report to you on the form of each proposed amendment to the Bylaws, and upon such proposals consistent with other provisions of the Bylaws and the Articles of Incorporation of the Iowa Corporation or the Colorado Corporation, as the case may be.

Likewise, we will report on resolutions and requests which are lawfully before this Imperial Session.

I would remind you that you are meeting jointly as Representatives of the Iowa and members of the Colorado Corporation. We will do our best to keep you advised regarding which hat you are wearing as we go along in the proceedings.

The reports of the Jurisprudence and Laws Committee are not meant to indicate to you that the committee as such is either in favor of a proposal or against it. In his capacity as a Representative, each of the members of the committee may have strong feelings as to the merits of a particular proposal and any of us, like you, may wish to participate in the debate concerning one or more of the proposed amendments, resolutions or requests. In doing so, he will speak as an individual Representative and not for the Jurisprudence and Laws Committee.

Again this year, when our committee makes a report to you, it will, at the commencement of the report, refer to the appropriate place on the Call where the proposal appears so that you can quickly identify the matter.

We hope you approve the new format for legislation in the Call—the lining out of deleted language. It is the suggestion of Illustrious Sir Harold G. Baker, Jr., Past Potentate and Legal Counsel for Ainad Temple.

We are confident that you have already studied the proposals and are prepared to consider them. If you have not done so, we would urge you to do so promptly.

As you have noticed from the Call, there are several matters for you separately to consider that are of similar nature but separate, in fact. We will make every effort to group those so that the discussion on one may relate to discussions on the other, so that we may act upon those with considered judgment and do them together.

In most instances, pending proposals, resolutions and requests will be considered in the following order:

- 1. Report of the Jurisprudence and Laws Committee.
- 2. Report of any other committee to which the matter is referred.
- 3. Recognition of the sponsor for his motion to adopt and his explanation of the proposal, if any.
- 4. Your consideration, debate and action.

The Jurisprudence and Laws Committee will continue the procedure instituted in the past and coordinate its efforts with other reporting committees so as to eliminate the repetition of reading of the proposals. The proposal will be read only one time into the record unless you require additional readings.

The Jurisprudence and Laws Committee will not ask you to receive our reports as by the very act of listening, you are receiving them. We will, however, answer any inquiries that you may have concerning the report.

We once again solicit the courtesy you have historically shown to your fellow Nobles when it is their turn to speak on a matter under consideration. Please obtain recognition from the Chair and move to the nearest microphone.

Representatives, there will be placed before you a tremendous amount of legislation for your consideration in a four-day Session. Please be sure that what you have to say, for the record, is germane to the issue under discussion. The Chair will give all the opportunity to be heard. The other Representatives will most appreciate your statement when it is concise, brief and to the point at issue.

Finally, we hope that you will understand that the Jurisprudence and Laws Committee is here to serve you, the Representatives of the Imperial Council. The committee is prepared to answer any questions concerning the legal effect of any proposal and to answer any other appropriate questions in our area of expertise.

Are there any questions about procedure?

I would just add then that as each item in the agenda is called by the Imperial Potentate for presentation by the Jurisprudence and Laws Committee, we would ask that the proposer of the amendment come forward to the stage or the closest microphone in order that he may be available to move the adoption of his proposal, answer questions directed to him or make any statement he may deem appropriate.

Thank you, Imperial Sir and Representatives. (Applause)

IMPERIAL POTENTATE ANTHONY: Thank you very much, Illustrious Sir Walter.

I would now like to call upon the Chairman of the Election Tellers Committee to explain the procedures—James Hathaway.

NOBLE JAMES HATHAWAY: Imperial Sir, Imperial Sirs, Officers and Fellow Representatives: It is a pleasure to act as Chairman of your Election Tellers Committee.

Now, when there is a ballot, the number of the ballot to be used will be announced by the Imperial Sir and, after you have voted, the members of the committee will pass among you and pick up your ballots. Please remain seated until all ballots have been taken and then, subsequently, we will tally these ballots and report back to you on the results. Thank you.

IMPERIAL POTENTATE ANTHONY: Thank you very much, Illustrious Sir.

I would now like to call upon Judge Cooper, who will present a report from the Jurisprudence and Laws Committee to you concerning the Imperial Potentate's General Orders.

NOBLE COOPER: To the Representatives of the Imperial Council: The Imperial Potentate's General Orders (Series of 1986–87) were issued pursuant to S.206.5(a)(4) of the Bylaws of the Imperial Council, an Iowa Corporation. Copies thereof were mailed to all Representatives upon their issuance. They have been referred to the Jurisprudence and Laws Committee by your adoption of the report of the Committee on Transactions of Imperial Officers.

Your committee reports that such General Orders were lawfully issued and in all respects are consistent with the Articles of Incorporation and Bylaws of the Iowa Corporation and also that there have been no objections to or appeals from any of such General Orders.

Your committee further reports that the Imperial Potentate's report is in proper and legal form and that it was submitted in compliance with the Bylaws of the Imperial Council. It, therefore, recommends the approval thereof.

Respectfully submitted,
COMMITTEE ON JURISPRUDENCE AND
LAWS

DEPUTY IMPERIAL POTENTATE KING: Is there a second to the motion?

RESOLUTION

BE IT RESOLVED, that the Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America, an Iowa corporation, has the power to, and hereby does, indemnify and hold harmless its members of the Board of Directors, its officers, the Executive Director of Fraternal Affairs, its Chairman of the Jurisprudence and Laws Committee, its General Counsel, Assistant General Counsel and all Associate Counsel and paralegals, its staff members and advisors to the same extent, as to limits, persons insured and coverage, and under the same terms and conditions as previously provided for them by Aetna Casualty and Surety Company comprehensive general and professional umbrella liability policy number 08XS3305SCA which was in effect on October 30, 1985, (as if it had not been short rated, but had been issued on an annual basis) and as provided for them by International Insurance Company Directors and Officers liability policy number 524-025394-2 in effect April 16, 1985, including, without limitation, the obligations imposed on the persons insured hereunder.

BE IT FURTHER RESOLVED, such personnel must promptly notify General Counsel of any litigation involving them which is covered by this resolution, and, thereafter, the General Counsel shall determine whether such personnel would have been covered under either of said insurance policies, and if so, then this corporation shall provide a defense including an attorney for such individual; and

BE IT FURTHER RESOLVED, that no settlement of a claim shall be binding upon the Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America until it has first been reviewed, considered and ratified by its Board of Directors.

BE IT FURTHER RESOLVED, that the Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America reserves the right to amend, modify, revoke or terminate this indemnity resolution at any time hereafter without notice, provided, however, that this indemnity shall not be amended, modified, revoked or terminated as to any occurrence which has already taken place.

RESOLUTION

WHEREAS, it has been the past practice of the Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America, an Iowa corporation, to provide insurance coverage for its property, and also for its personnel while they are conducting the business and affairs for the corporation, including professional liability insurance; and

WHEREAS, the historical exposure of The Ancient Arabic Order of the Nobles of the Mystic Shrine for North America to large liability claims (professional or otherwise) has been much lower than organizations of similar size and function; and

WHEREAS, in recent months full and adequate insurance coverage has been difficult to obtain and, when obtainable, has been extraordinarily expensive; and

WHEREAS, temporary measures have been adopted by your Board of Directors to provide indemnification protection to our personnel in areas previously covered by insurance; and

WHEREAS, it appears in the best interests of the corporation to explore all reasonable methods of providing adequate protection for our property and for our personnel while they are discharging their duties for the corporation.

NOW, THEREFORE, BE IT RESOLVED, that:

1. The Board of Directors is hereby authorized to investigate, analyze and review all appropriate and economically feasible methods of providing adequate protection for our property, and for our personnel while they are discharging their duties to the corporation.

2. The investigation shall include, but shall not be limited to, the formation of a captive insurance company.

3. Upon the completion of its investigation and review, the Board of Directors is authorized to take such action, including the formation of a captive insurance com-

pany, as the Board of Directors, in its discretion, may determine will be in the best interests of the corporation and which will provide adequate and economically feasible protection for our property and for our personnel while they are discharging their duties to the corporation.

RESOLUTION

WHEREAS, Damascus Temple has requested that its location be changed from Rochester, New York to Webster, New York; and

WHEREAS, it appears that Damascus Temple has complied with § 322.5 of Imperial Bylaws; and

WHEREAS, it appears to the Imperial Council that the move would be in the best interests of the Order;

NOW, THEREFORE, BE IT RESOLVED, that the proposal to move Damascus Temple from Rochester, New York, to Webster, New York, be approved and that the charter of Damascus Temple be accordingly amended.

RESOLUTION

WHEREAS, the committee to form a new Temple in the Republic of the Philippines, requested an application for a dispensation from the Imperial Recorder and such application was issued on August 31, 1984; and

WHEREAS, pursuant to Sec. 329.4(c) of the Bylaws of the Iowa Corporation, the application will be void after the passage of 24 months from the date such application was issued, unless specifically extended by appropriate action of the Imperial Council; and

WHEREAS, it appears that the committee to form a new Temple in the Republic of the Philippines, it still active but needs additional time to submit sufficient data to the Dispensations and Charters Committee for its review and report;

NOW, THEREFORE, BE IT RESOLVED, that the validity of such application be extended to July 15, 1987.

June 27-July 1	1988	New Orleans, Louisiana
July 2-7	1989	Toronto, Ont., Canada
July 2-6	1990	Chicago, Illinois

CORRESPONDENCE TO IMPERIAL POTENTATE

The Imperial Potentate's schedule is such as to keep him away from his home and office for weeks at a time. For this reason, it is requested that **COPIES OF ALL CORRESPONDENCE SENT DIRECTLY TO HIM BY TEMPLES AND REPRESENTATIVES BE SENT TO THE EXECUTIVE DIRECTOR AT THE GENERAL OFFICES IN TAMPA, FLORIDA.**

This practice will assure an expeditious handling of all such correspondence.

Temples are reminded that complaints or correspondence from individual Nobles on Imperial Council or Temple matters must be handled in accordance with Article 38 of Imperial Council Law.

SOLICITATION OF DEMITS

It appearing to the Imperial Potentate that the interests of the Order would be well served by the issuance and observance of the following, **IT IS ORDERED:**

That the proselytization of members of other Temples by soliciting them to demit from the Temples to which they belong and affiliate with Temples across state lines pursuant to § 328.6(e) is prohibited; and

It shall be the responsibility of the Potentate and the Recorder of any Temple to which such a petition for affiliation is presented to ascertain that the petitioner was not solicited.

CORPORATIONS

The Recorder of each Temple shall send to the General Offices at the close of each calendar year a copy of the audit report (preferably by a C.P.A.) and a copy of the budget report of the succeeding administration of the Temple. This also should be supplied for each and every Corporation under the Temple's control. This includes all the following types of corporations:

1. Temple Corporations and/or Temple Holding Corporations;
2. Shrine Club Corporations and/or Shrine Club Holding Corporations;
3. Any other appendant or affiliated Corporations of his Temple.

ENDOWMENTS—WILLS AND GIFTS

It appearing that the interests of all Temples, the Nobility, and Shriners Hospitals for Crippled Children would be well served by the issuance and observance of the following in connection with Shrine Hospital benefits and gifts, it is **ORDERED:**

Potentates and Recorders of Temples are directed to immediately notify and send full particulars to the General Counsel's Office in Tampa of all bequests and gifts of which they may obtain knowledge and which have been made to or for the benefit of Shriners Hospitals for Crippled Children, or designate in some manner crippled children or similar charitable purpose.

Potentates of Temples are further directed to inform all Shrine Clubs to follow this same procedure should the Shrine Club itself be designated in some manner as a conduit for the legacy or gift to Shriners Hospitals for Crippled Children. Such information is necessary in order that full and complete records may be maintained and so that the General Counsel may take proper steps to protect the interests of our philanthropy.

All Temples and Shrine Clubs should be aware that the only persons with authority to act for Shriners Hospitals for Crippled Children are the officers of that corporation or its duly authorized representatives. Any acceptance of a distribution from an estate or trust in the form of cash or securities and the signing of a Court Receipt by a representative of the Temple or Shrine Club (which is required in each instance) may prejudice the interests of our charitable organization, as such signing constitutes a written release to the executor or trustee. Such Court Receipts, where our charity is referred to in any manner, should only be executed by authorized officers of Shriners Hospitals for Crippled Children.

Potentates and Recorders of Temples are further directed to see that their Temple counsel reviews for accuracy the subject matter of all articles scheduled to appear in Temple publications relating to ways of making charitable gifts to Shriners Hospitals for Crippled Children.

1987 IMPERIAL COUNCIL SESSION SPECIAL CONVENTION NOTICE

The 1987 Session of the Imperial Council and the annual meeting of the members of Shriners Hospitals for Crippled Children will be held in the City of Las Vegas, Nevada, the week of June 22, 1987. The Director General is Richard B. Land, 3001 Lantern Lane, Las Vegas, Nevada 89107; telephone (702) 295-2050.

Chief Rabbans of Temples have full authority to make plans for attending this Session with the Units of their Temples, and this includes the authority for making contracts for rooms in the Las Vegas area with the Housing Chairman as well as making contracts for transportation incident to this Pilgrimage, provided, however, that such plans have been approved by a vote of the membership of the Temple in accordance with the Temple's bylaws.

The Imperial Potentate desires to bring to the attention of all Temple Officers the following:

HOUSING—Imperial Council Session in Las Vegas, Nevada, in accordance with past and present instructions, to enable the Housing Committee of future Imperial Council Sessions to properly negotiate with hotel authorities of the city in which an Imperial Council Session will be held, instructs all Potentates, Recorders, Shrine Associations, and Nobles, to refrain from making housing arrangements for their units through anyone except the Convention Housing Committee — **CONTACT WITH THE CONVENTION HOUSING COMMITTEE MUST NOT BE MADE THROUGH A TRAVEL AGENCY** — and then only after an official announcement by the Imperial Potentate naming the city in which the next Imperial Council Session will be held, with the further direction that any Temple having made arrangements for housing its units in violation of this order is hereby directed to cancel same forthwith. The following order in compliance with the previous directive and expressly confirming the same, is now issued relating to the 1987 Session in Las Vegas, Nevada.

Potentates, Recorders, and all other Nobles, are reminded that an Imperial Session must house (1) Official Imperial Representatives; (2) Uniformed Units; (3) the General Nobility; and (4) the general public—in that order of precedence. The official Representatives are annually paid mileage and per diem to transact the business of the Imperial Session; the Uniformed Units are present to assure the pageantry, music and color so characteristic of the Shrine. Their housing requirements are paramount. Without the Representatives there would be no business transacted to justify the Imperial Session; without the Uniformed Units there would be no parade.

Hotel room assignments at Las Vegas are to be obtained through the Housing Chairman. The Chairman of the Housing Committee in Las Vegas is Robert Bruce Phillips, Las Vegas Hilton, 3000 Paradise Rd., Las Vegas, Nevada 89109; telephone (702) 732-5631.

The Executive Director will handle the assignment of all public meeting space in the Headquarters Hotel, along with the sleeping room assignments for the Representatives and other Temple Officers who are not Representatives, the distinguished guests, and vendors.

The Director General is requested to report to the Imperial Potentate any violations of the above directive. It is hoped that no disciplinary action will be found necessary in the case of any Potentate, Temple or any Noble violating either the spirit or the letter of this Order.

RESPONSIBILITY OF POTENTATES

The Potentate of each Temple is reminded of his individual official responsibility for the operation of his Temple in accordance with the Bylaws of the Imperial Council.

IMPERIAL POTENTATE VISITATIONS

It will be the desire of your Imperial Potentate to make as many official visitations as are possible. It will also be his desire to fully co-operate with all Temples requesting visitations. The Temples will understand that it is physically impossible to make every official visitation on the requested date, but every effort will be made to accommodate.

The Imperial Potentate wants you to use his official visit for the best interests of your Temple and Shrinedom. He would like to have a short meeting with the Temple Divan and Representatives who are not members of the Divan.

In preparing a program for the official visit of the Imperial Potentate, it is requested that a complete resumé of your Temple program and what you desire the Imperial Potentate to do, be sent to him (copy to the Executive Director) as far in advance as possible. He should be informed at what function you want him to speak and the type of audience he will have; that is, whether Shriners only, Shriners and their ladies, Shriners and Masons and their ladies, or whether he is to talk to the public. This will acquaint him with your plans and also give him the opportunity to advise you on your program.

REQUESTS FOR DISPENSATIONS

IN REQUESTING DISPENSATION FOR CHANGE IN DATE OF STATED MEETINGS OR THE HOLDING OF A CEREMONIAL IN CONCURRENT JURISDICTION, YOUR LETTER SHOULD BE ADDRESSED TO THE IMPERIAL POTENTATE WITH COPY TO THE EXECUTIVE DIRECTOR AND BOTH LETTER AND COPY WITH ANY WAIVERS INVOLVED SHOULD BE SENT TO THE EXECUTIVE DIRECTOR.

PROPER DISPLAY OF 3 NATIONAL FLAGS

Each Temple of the Order is instructed to provide and display at all Shrine parades and Shrine functions the three National flags under which Shrine Temples chartered by the Imperial Council operate (i.e., United States, Canada and Mexico).

These three National flags should also be properly displayed at all Shrine meetings.

A SPECIAL NOTE FOR COLOR SQUADS

IMPORTANT

It is noted that some Color Squads dip the Canadian and Mexican flags in salute at the reviewing stand. THIS IS NOT PROPER. No National flag is to be dipped at the reviewing stand. Please inform your flag bearers so this disrespect to National flags will be eliminated. All flags, other than National flags, may be dipped.

NATIONAL FLAGS SHOULD NEVER BE DIPPED AT ANY TIME.

Information concerning the proper display of these national flags may be obtained from the Office of the Executive Director.

SHRINE PROTOCOL

All Temples are urged to use the provisions of this section of Shrine Law which will be found in the forward pages of your Imperial Council Directory. This is a guide which should be used at all times. It will bring order out of chaos in setting up any Shrine activity, be it parade—meeting—banquet—seating arrangement; or program of any kind. It explains the rank and proper position of officers, organizations, dignitaries, visitors, etc. Please use it and eliminate confusion and embarrassment and hesitation. You can be positive if you study, understand and use this system of protocol adopted by the Imperial Council. If you have any questions, please contact the Executive Director at the General Offices. At Shrine activities, Masonic dignitaries are guests. Therefore, protocol requires that the highest ranking Shrine Officer speak last.

IMPORTANT — CHIEF RABBANS

In order to eliminate problems it is suggested that Chief Rabbans submit their plans and information on their proposed fund-raising and other activities including tours or cruises for their administration to the Temple membership at a stated meeting and proceed in accordance with the vote of the membership.

CEREMONIAL SECOND SECTIONS

§ 335.1 of the Bylaws of the Imperial Council states that Shriners shall not "promote or take part in any engagement or enterprise prohibited by the law of the land."

A number of states or provinces have laws commonly referred to as "anti-hazing" laws.

This matter has been considered by the Board of Directors. The Board unanimously acknowledged that the laws of the land must, at all times, be observed and obeyed.

Therefore, it is hereby ordered that all Temples, Officers, and Nobles scrupulously abide by the laws of their respective jurisdictions. It is possible that these laws might require modification of the "Second Section" of your Temple's ceremonials, and if so, these modifications must be implemented forthwith.

Further, if any Temple, Officer, or Noble has any concern or question concerning the applicability of this Order, that the Potentate or Temple attorney immediately communicate with the General Counsel of the Imperial Council, A.A.O.N.M.S.

TOURS AND CRUISES INSTRUCTION

1. The Potentate of any Temple which intends to sponsor a tour, shall give notice in writing to the Executive Director of such intent; and the notice shall include the proposed dates and itinerary of such tour. This provision shall not apply to those pilgrimages which are limited to Shrine Association Meetings and Imperial Council Sessions, and return.

2. No tour, the itinerary of which includes any point outside the continental United States, Canada, or Mexico, shall be scheduled for dates which will conflict with the dates of either the Imperial Council Session or the Imperial Potentate's tours and cruises.

3. The Potentate of any Temple which intends to sponsor a tour, the itinerary of which includes any point outside the continental United States, Canada, or Mexico,

shall be responsible for seeing that such tour is made in strict compliance with all public laws and governmental regulations, including the regulations of the Civil Aeronautics Board.

4. The Potentate of any Temple which intends to sponsor a tour, the itinerary of which includes any point within or without the continental United States, shall be responsible for seeing that the promotional material for tours shall clearly state the limits of liability of the carrier and/or its insurer for injury to and loss of life of each passenger, the total for each occurrence, and for damage to or loss of personal property. It is recommended that any disclaimers of liability by the travel agent and/or carrier in the promotional material provided to the public also include (in close proximity) the name of the Temple, Shrine Club or Unit, if applicable.

5. All pilgrimage tours and cruises when sponsored by a Temple or otherwise identified with the Order are "public appearances." Such appearances are not permitted in any place until notice of such appearance has been given to the Potentate of the Temple having jurisdiction of the territory where such public appearance is to be made. The notice hereby required shall be given at least ten days in advance of each public appearance.

6. The Potentate of any Temple which intends to sponsor a tour or cruise shall himself have the responsibility to see that the attorney for the Temple is consulted as to the legality and sufficiency of all contracts and other documents required to be executed with respect to such tour or cruise.

7. The Potentate of any Temple which intends to sponsor a tour or cruise shall himself have the responsibility to see the fiscal responsibility of the tour agent handling the tour or cruise; and he may satisfy this requirement by either (1) requiring a performance bond of the tour agent if such agent has exclusive control over withdrawals of the tour account or of tour receipts entrusted to his exclusive care, or (2) making provision for the deposit and withdrawal of tour receipts in an escrow account of which he himself has at least partial control.

8. No tour or cruise may be sponsored by any Temple unless the proposal therefor has been first approved by the members of the Temple at a stated meeting after a full and fair disclosure of all terms of the proposal, including the nature and amount of any personal profit or gain to be realized or enjoyed by any member of the Temple. For the purposes of this paragraph, complimentary or reduced fares, hotel accommodations, or other benefits for himself or any member of his family shall be considered to be profit or gain.

9. The Potentate of any Temple which intends to sponsor a tour or cruise shall himself have the responsibility to see that a full and fair accounting of all receipts, disbursements, and profits or losses realized from such tour or cruise be made to his Temple no later than its second slated session next following the conclusion of the tour or cruise; and a copy of such accounting shall be furnished at the same time to the Executive Director.

10. Tours and cruises sponsored by Shrine Clubs, Units, or other organizations affiliated with or appendant to any Temple shall be considered as having been sponsored by such Temple and shall be subject to all of the terms and provisions of this General Order.

11. Tours and cruises sponsored by Associations of Temples, national or international Associations of Units, and other organizations not affiliated with or appendant to any Temple shall be subject to all of the terms and provisions of this General Order in the same manner as if they themselves were Temples; and the President or other chief executive officer of any such group which intends to sponsor a tour or cruise shall have the same responsibilities as those of the Potentate of a Temple which intends to sponsor a tour or cruise.

INSURANCE

In order to assure compliance by all Temples with the provisions of Section 334.2 of Article 34 of the Bylaws of the Iowa Corporation, and it appearing that the interests of the ORDER and the Nobility would be well served by the issuance and observance of the following, it is ORDERED:

1. Insurance Advisory Committee

That each Temple shall appoint an "Insurance Advisory Committee" which shall consist of at least four members, three of whom shall be skilled and knowledgeable in Property and Casualty insurance matters, and the fourth member shall be the Temple Legal Counsel.

2. Duties and Responsibilities

The Insurance Advisory Committee shall have the following duties and responsibilities:

A. Review all Temple, Shrine Club and Unit operations and activities, including fund-raising events of any kind or nature.

B. Review, analyze and, where appropriate, appraise all Temple properties, whether real, personal, or combinations thereof (including properties held by any holding corporations or affiliated corporations operated in conjunction with the Temple), as well as Shrine and/or Unit properties.

C. Review and analyze the current Temple insurance program and all insurance policies owned by the Temple, its Shrine Clubs, Units, and any holding or affiliated corporations, in order to determine the adequacy and the extent of the coverages afforded compared to the evaluation of the operations, activities and values determined necessary by the Committee in the light of the suggested minimum liability limits and recommended coverages as outlined.

D. Annually prepare a written report to the Potentate and Officers of the Temple setting forth their findings with regard to the sufficiency of limits and adequacy of coverage in the insurance program for the Temple activities and exposures known at that time. The report should also include recommendations with regard to insurance coverages or policies necessary to comply with the suggestions outlined in this General Order and to assure adequate protection of the assets of the Temple, its Shrine Clubs and Units, and should also include the best estimates available of the annual cost of the entire insurance program that is recommended.

This Annual report of the Insurance Advisory Committee shall be completed and submitted to the Potentate, and other elected Temple Officers, in sufficient time for it to be used by the Chief Rabban in preparation of the proposed Temple budget for the following year.

Supplements to this report shall be made in writing during the year as events, activities or exposures change, which may require adjustments in insurance coverage to insure proper protection.

A copy of the Annual Insurance Committee report and any supplements thereto shall be sent by the Temple Recorder to the Executive Director by March 1, of each year.

3. Named Insureds

In all Casualty and Liability insurance policies written for the Temple and its appendant bodies, the following SHALL be included as additional named insureds, only as respects to the operations and activities covered under its policies: "The Imperial Council, A.A.O.N.M.S., an Iowa Corporation, Shriners Hospitals for Crippled Children, a Colorado Corporation and all its affiliated Corporations."

IT IS FURTHER ORDERED that the Potentate of each Temple is charged with the duty and responsibility of personally seeing to compliance with this General Order; and he shall cause to be sent to the Executive Director in our Tampa office Certificates of Insurance on all Workers' Compensation and Liability coverages evidencing compliance with this General Order each time such policies of cancellation or material change to the certificateholder.

THE FOLLOWING, WHILE NOT MANDATORY, ARE INCLUDED AS SUGGESTIONS FOR TEMPLE INSURANCE COVERAGES

The Insurance Advisory Committee shall in their ongoing review and analysis of the current and proposed insurance program for the Temple (including Shrine Clubs, Units, holding corporations, appendant or affiliated corporations) consider all

Temple and affiliated bodies related activities, operations, and fund-raising events. The Committee shall evaluate the Temple and affiliated bodies Insurance Program under the following suggested insurance guidelines:

Note: A voluntary mass-marketed Property and Casualty insurance program is now available to each Temple and Association. The broad liability coverages (similar to Umbrella coverages) are specifically designed for fraternities such as ours. The requirements of the Imperial Council, A.A.O.N.M.S. are automatically included, and in most cases the premiums are lower because of the bulk discounts for Liability and Property insurance that are applied. Contact the Executive Director or the Chairman of the Insurance Committee for further details.

Minimum Liability Limits and Recommended Coverages

A. Comprehensive General Liability insurance, including medical payments for guests and/or members, covering all activities of the Temple, Shrine Clubs, Units, holding corporations, appendant or affiliated corporations and organizations should be purchased with *suggested minimum* Primary limits of \$500,000 per occurrence. Consideration should be given to providing the following coverages:

Liquor Law liability and Host liquor liability insurance covering potential liability related to the sale, consumption, use or dispensing of alcoholic beverages; fire legal liability, including explosion, for real or personal property whether owned or leased; products liability and/or completed operations coverage; blanket contractual liability for all written (oral, if available) agreements; parade and/or spectators liability; carnival show or athletic event liability; etc. Separate policies may also be required for some portions of owned and non-owned watercraft and owned and non-owned aircraft liabilities, and for physical damage insurance on owned items.

B. Comprehensive Automobile liability insurance covering all Shrine activities of the Temple and its Shrine Clubs, Units, holding corporations, appendant or affiliated corporations and organizations should be purchased by the Temple and with *suggested* minimum limits of \$500,000 per occurrence. Coverage should include all Temple exposures for owned vehicles, hired cars or trucks and non-owned vehicles. Physical damage insurance for owned vehicles in order to protect these assets and medical payment coverages should also be considered for purchase.

It is recommended that where Temple Units and Shrine Clubs include Member-owned vehicles used in Temple activities, that certificates of the owner's current liability insurance coverage be permanently on file at the Temple. The decision regarding the minimum amounts of insurance protection required for these Member-owned vehicles rests with the Potentate and/or the Temple, but it is recommended that the highest limits available and economically feasible, up to the Temple's non-owned insurance limit, be secured.

Note: Liability limits in excess of the suggested minimum \$500,000 are recommended in most instances and wherever feasible consideration should be given to the purchase of "Umbrella" or similar coverages for general and automobile liability, etc., protection.

C. Workers' Compensation insurance, as mandated by your state law, including coverage for both paid employees and "volunteer" workers, is required.

D. "Named peril" (Fire, E.C.E., Theft, etc.) or "All-Risk" property insurance should be purchased on either an "actual cash value" or a "replacement cost" basis to protect the physical assets (building, contents, uniforms, etc.) of the Temple, Shrine Club(s) and Units.

E. Fidelity insurance for those persons holding Temple funds or property in trust (including Shrine Clubs and Units) must be purchased in amounts sufficient to cover the immediate and long-term exposures where applicable. Fidelity insurance for others, payable in your favor, should always be considered necessary when those outside the Shrine have access to funds for which you are or could be held accountable.

F. Boiler and Machinery coverage, both for physical damage and legal liability, should be purchased if any exposures exist.

G. Any other insurance coverages warranted by the operations and activities of the Temple, Shrine Clubs and its Units, should be considered for purchase (i.e., medical expense reimbursement insurance for participants, livestock mortality coverages, etc.).

H. Any Temple sponsoring Football Games and other Athletic or Fund raising Event should consider any potential exposure athletes and other participants may have to injury, during events. Proper Medical/Accident Insurance Coverage should be purchased providing sufficient limits of protection for all such participants.

SHRINE CIRCUS & OTHER SOLICITATION IMPROPER IDENTIFICATION WITH SHRINERS HOSPITALS

Recently, complaints have been received at International Headquarters indicating that some temples may be permitting solicitation groups and material to imply the association of Temple circuses and other activities with Shriners Hospitals for Crippled Children where funds are not payable to that charity. An example is publication of letters of governors, mayors or other dignitaries praising the work of Shrine hospitals and/or philanthropies, published in circus programs when the proceeds are locally used.

It is natural to associate the fez with our philanthropy. Therefore, more attention will be required to make certain our hospital image does not suffer by leading contributors to believe their gifts are tax deductible as charitable deductions when such is not the case.

Therefore, it is hereby ordered that all Temple potentates, officers and Nobles responsible in any manner for the promotion and/or operation of Temple circuses and other fund-raising activities meticulously examine all phases of advertising, promotion and solicitation so as to comply completely with §§335.3 and 503.6 of the Iowa and Colorado Corporation bylaws.

Further, the foregoing responsible parties shall screen all such advertising, promotions and solicitations so that none shall directly or indirectly use the name of Shriners Hospitals for Crippled Children, or refer to them in any manner, expressly or impliedly, without the prior written consent of the Imperial Potentate and the Chairman of the Board of Trustees as provided in the bylaws. Each Temple potentate shall be the officer with the ultimate responsibility for enforcement of this General Order.

NOTE: ENCLOSED WITH THIS GENERAL ORDER NO. 1 IS A CAMERA-READY SHEET CONCERNING SHRINERS HOSPITALS FOR CRIPPLED CHILDREN. SHOULD YOUR CIRCUS NOT BE FOR THE BENEFIT OF SHRINERS HOSPITALS FOR CRIPPLED CHILDREN AND YOU WISH TO PROVIDE IN YOUR CIRCUS PROGRAM INFORMATION CONCERNING SHRINERS HOSPITALS FOR CRIPPLED CHILDREN, THE ENCLOSED MUST BE USED IN ITS ENTIRETY. NO OTHER INFORMATION CONCERNING SHRINERS HOSPITALS FOR CRIPPLED CHILDREN WILL BE PERMITTED IN A PROGRAM OR OTHER ADVERTISEMENT FOR A CIRCUS NOT BENEFITTING SHRINERS HOSPITALS FOR CRIPPLED CHILDREN.

SPECIAL PURPOSE FUNDS

Inasmuch as Shriners Hospitals for Crippled Children are the primary charitable concern of the Order, it is necessary that the Imperial Council exert every effort to insure that Shriners Hospitals for Crippled Children are financially stable and have adequate funding for operational needs. The reports of the Special Purpose Funds Committee have indicated to the Imperial Potentate and the Board of Directors that some Temples, either directly or through special purpose funds, have accumulated funds and assets which are in excess of amounts reasonably needed for transportation of patients and could be better utilized for our orthopaedic hospitals and burns

institutes if they were administered together with other endowment funds and accounts of Shriners Hospitals for Crippled Children.

It therefore appearing that the interests of the Order would be well served by the issuance and observance of the following. **IT IS ORDERED:**

1. Neither the Temples nor their Shrine Clubs, nor their Units, nor their membership shall solicit charitable gifts or bequests for any purposes, organizations, or charities other than Shriners Hospitals for Crippled Children; except only that, with the prior written consent of the Board of Directors of the Iowa Corporation, a Temple may maintain a fund for transportation of patients, purchase of braces and prostheses, or like purposes, subject to the following provisions of this General Order.
2. All receipts, disbursements, funds and assets related to charitable activities shall be clearly designated and classified as such in the books of account of all Temples, Temple affiliated corporations, Shrine Clubs, Uniformed Units, committees, boards, or other entities subject to the supervision or control of any Temple; and such books of accounts shall be audited annually in a manner consistent with the requirements of Section 334.5 of the Bylaws of the Imperial Council.
3. The custody and administration of all charitable funds and assets under the control of any Temple, including those of Temple-affiliated corporations, Shrine Clubs, Uniformed Units, committees, boards and other entities subject to the supervision or control of any Temple, shall be the responsibility of the same Temple Officers, committees, or boards who are charged with the custody and administration of the general funds of the Temple.
4. Any Temple may be required by the Imperial Potentate to show cause why any part of its charitable funds or assets not reasonably needed for purposes permitted under Paragraph 1 hereof should not be transferred to Shriners Hospitals for Crippled Children; and the Board of Directors of the Iowa Corporation shall have the power to require the transfer to Shriners Hospitals for Crippled Children of any such charitable funds or assets not reasonably needed for the purposes permitted under Paragraph 1 hereof after the Temple has been given a reasonable opportunity to be heard by the Board of Directors or by a committee thereof with respect to the matter.
5. After a fund-raising event for the benefit of Shriners Hospitals has been held and upon written request to and written authorization by the Imperial Potentate and the Chairman of the Board of Trustees of Shriners Hospitals for Crippled Children, up to one-half ($\frac{1}{2}$) of the net profits of a designated fund-raising activity may be held by a Temple to be used exclusively for transportation, food, lodging or other related expenses directly involving the transportation of a patient and/or parent or guardian to or from a Shriners Hospital for crippled or burned children sponsored by the Temple or one of its members. Such retained funds, including interest earned on those funds, shall be maintained in a separate account designated as the "Hospital Transportation Fund." The aggregate amount of the "Hospital Transportation Fund" shall not exceed twice the amount of the expenditures made from such fund during the preceding year; and any sums in excess of that shall be turned over to Shriners Hospitals for Crippled Children. If for any reason the "Hospital Transportation Fund" should terminate, any and all balances in the Fund revert to Shriners Hospitals for Crippled Children.
6. In the event a Temple is experiencing an undue hardship in meeting the expenses enumerated in paragraph 5, its written request should so specify. When such a request is received, the Imperial Potentate and the Chairman of the Board of Trustees may refer the request to the Special Purpose Funds Committee for review and appropriate action, if any. After review and examination of all the circumstances, this committee shall, when it makes a finding of undue hardship, refer the matter to the Board of Directors. The Board, if it deems it appropriate, may authorize the Temple to retain a percentage in excess of 50% of the net profits of a designated fund-raising activity, solely for the uses enumerated in paragraph 5. This authorization

shall apply only to a specific fund-raising event or activity, and that event or activity can have a duration of no longer than one year.

7. Prior to the granting of authorization to retain funds from fund-raising events, as outlined under paragraph 5 hereof, the Temple must submit its request therefor in writing and must attach to the request:
 - a. Audited statements of its transportation fund for the past three (3) years, such statements to include a statement of receipts and disbursements and balance sheet as of the date of the last audit.
 - b. A statement of all income and disbursements since the last audited statement and a current balance sheet.
8. No permission will be given for the retention of funds or for the use of the name Shriners Hospitals for Crippled Children or any fund-raising event if any activity report for a previous fund-raising event authorized to be held by the Temple or any of its Shrine Clubs or Units is remaining outstanding for more than 120 days after the event was held at the time the request is made.

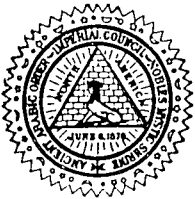

FINANCIAL REPORTING ON CHARITABLE FUNDS AND ACTIVITIES

Within thirty (30) days after the date of this General Order, if you have not already done so, a statement of the financial condition of every charitable fund, § 501(c)(3) corporation; and charitable fund-raising activity sponsored by or related to each Temple shall be furnished to the Imperial Recorder by the Potentate.

The statement shall show all assets, liabilities, and the net worth or fund balance as of December 31, 1985, and shall be accompanied by a statement of operations showing all receipts and disbursements for the calendar year 1985.

The statement or statements of each Temple shall be accompanied by a certificate of the Potentate to the effect that: (1) each of the statements is true and correct; (2) the Temple exercises control over each of such funds, corporations, and other activities; and (3) there are no charitable funds, corporations, or activities sponsored by or related to the Temple other than those for which statements are submitted.

Given under our hands and the seal of the Imperial Council this First day of September, A.D., 1986, and of the Order A.H. 1406.

...

(f) No motion, which, if adopted, would have the effect of stopping debate upon a motion to amend these bylaws, shall be in order until at least 2 proponents and 2 opponents, if there be that many, have had at least 5 minutes, if they desire that much time, to speak in favor of, or in opposition to, the motion to amend these bylaws.

RESOLUTION

BE IT RESOLVED, that Shriners Hospitals for Crippled Children, a Colorado corporation; The Shriners' Hospitals for Crippled Children, a Massachusetts corporation; Shriners Hospitals for Crippled Children, a Canadian corporation; Shriners Hospitals for Crippled Children (Quebec), Inc. a Quebec corporation and Hospital Shriners Para Ninos Lisiados, A.C., a Mexican Civil Association, have the power to, and hereby do indemnify and hold harmless the personnel of their hospitals to the same extent, as to limits, persons insured and coverage, and under the same terms

and conditions as previously provided for them by Aetna Casualty and Surety Company comprehensive general and professional umbrella liability policy number 08XS3305SCA which was in effect on October 30, 1985, (as if it had not been short rated, but had been issued on an annual basis) including, without limitation, the obligations imposed on the persons insured thereunder.

BE IT FURTHER RESOLVED, that said corporations and the Mexican Civil Association, have the power to, and hereby do, indemnify and hold harmless their members of the Board of Directors and Trustees, officers, members of the various Boards of Governors, General Counsel, Assistant General Counsel, all Associate Counsel, and paralegals, staff members, committee members, advisors, whether salaried or not, to the same extent, as to limits, persons insured and coverage, and under the same terms and conditions as previously provided for them by the said Aetna Casualty and Surety Company comprehensive general and professional umbrella liability policy number 08XS3305SCA which was in effect on October 30, 1985 (as if it had not been short rated, but had been issued on an annual basis) and as provided for them by International Insurance Company Directors and Officers liability policy number 524-025394-2 in effect April 16, 1985, including without limitation, the obligations imposed on the persons insured thereunder.

RESOLUTION

WHEREAS, it has been the past practice of Shriners Hospitals for Crippled Children, a Colorado Corporation, to provide insurance coverage for its property, and also for its personnel while they are conducting the business and affairs of the corporation, including, medical and professional liability insurance; and

WHEREAS, the historical exposure of Shriners Hospitals for Crippled Children to large medical and professional liability claims has been much lower than general hospitals of similar size and function; and

WHEREAS, in recent months full and adequate insurance coverage has been difficult to obtain and, when obtainable, has been extraordinarily expensive; and

WHEREAS, temporary measures have been adopted by your Board of Directors to provide indemnification protection to our personnel in areas previously covered by insurance; and

WHEREAS, it appears in the best interests of the corporation to explore all reasonable methods of providing adequate protection for our property and for our personnel while they are discharging their duties for the corporation.

NOW, THEREFORE, BE IT RESOLVED, that:

1. The Board of Directors is hereby authorized to investigate, analyze and review all appropriate and economically feasible methods of providing adequate protection for our property, and for our personnel while they are discharging their duties to the corporation.

2. The investigation shall include, but shall not be limited to, the formation of a captive insurance company.

3. Upon the completion of their investigation and review, the Board of Directors is authorized to take such action, including the formation of a captive insurance company, as the Board of Directors, in its discretion may determine will be in the best interests of the corporation and which will provide adequate and economically feasible protection for our property and for our personnel while they are discharging their duties to the corporation.

GENERAL ORDER NO. 2
SERIES OF 1986-1987

NOV. 26, 1986, TAMPA, FLORIDA
OFFICE OF THE IMPERIAL POTENTATE

*To the Potentate, Officers and Nobility of all Shrine Temples, A.A.O.N.M.S., Es
Selamu Aleikum:*

FUND RAISING ACTIVITIES

It is natural to associate the fez with Shriners Hospitals for Crippled Children. Because of this, meticulous attention must be given to all fund-raising activities, including circuses, to make certain that a contributor is not led to believe that his money will be used for the Hospitals when all or a portion thereof will be used otherwise. The integrity of our charity and of our fraternity must remain above reproach.

Your specific attention is called to the following fraternal and charitable bylaws:

§ 335.3 USE OF NAME "SHRINERS HOSPITALS FOR CRIPPLED CHILDREN." The use of the name "Shriners Hospitals For Crippled Children" or reference to the Hospitals in connection with any fund-raising activity by a Temple or Noble without the written consent of the Imperial Potentate and the Chairman of the Board of Trustees of the Hospitals is prohibited.

§ 503.6 The use of the name "Shriners Hospitals for Crippled Children" or reference to the Hospitals in connection with any commercial product or business enterprise is prohibited unless the written consent of the Board of Directors and Trustees has been first obtained.

Now, therefore, IT IS HEREBY ORDERED:

1. Fund-Raising for Fraternal Purposes:

(a) No Noble (in his capacity as a Shriner), club, unit, organization of Nobles or affiliated or appendant corporations, shall engage in any fund-raising activity without the express written consent of the potentate of the Temple having jurisdiction thereof.

(b) There can be no representation, express or implied, that the proceeds will be for the benefit of Shriners Hospitals for Crippled Children.

(c) The Temple potentate shall carefully examine all phases of the advertising, promotion and solicitation to determine that it complies with § 335.3 and § 503.6 of the fraternal and charitable bylaws.

(d) The Temple potentate must approve the terms and provisions of any contract for a fund-raising activity after receiving the advice of the Temple attorney, and, additionally, as may be required by the Temple bylaws.

(e) A copy of the Temple potentate's written consent shall be mailed to the Imperial Recorder. Further, such written material pertaining to the fund-raising activity, as requested by the Imperial Recorder, shall be promptly mailed to him.

2. Fund-Raising for Charitable Purposes:

(a) No Noble (in his capacity as a Shriner), club, unit, organization of Nobles or affiliates or appendant corporations shall engage in any *charitable* fund-raising activity other than for Shriners Hospitals for Crippled Children and Shrine Hospital Patient Transportation. Permission therefor must be first obtained in writing from the Temple potentate. The Temple potentate must then obtain written permission from the Imperial Potentate and the Chairman of the Board of Trustees .

(b) 100% of the net proceeds received from charitable fund-raising must be given to Shriners Hospitals for Crippled Children except for such portion thereof as may be permitted to be retained for the Temple Shrine Hospital Patient Transportation fund pursuant to the special purpose funds provisions of any existing General Order.

(c) The Temple shall report the result of each fund-raising activity within sixty (60) days of the activity to Shriners Hospitals for Crippled Children on forms provided to the Temple.

(d) This section shall not apply to activities exempt under § 335.4(b) of the Bylaws of the Imperial Council.

(e) Each independent corporation or entity that receives the permission of the Imperial Potentate and the Chairman of the Board of Trustees to raise money for Shriners Hospitals for Crippled Children, and which does not have its financial accounts audited pursuant to § 334.5 of the Bylaws of the Imperial Council, shall have its financial accounts audited by a certified, chartered or registered public accountant and shall submit such audit report to The Imperial Council within 120 days of the activity.

3. Statement of Purpose:

(a) Every fund-raising activity must contain factual information on its solicitation material, tickets, programs and documents regarding the use of the proceeds.

(b) Every fund-raising activity which is not for the benefit of Shriners Hospitals for Crippled Children or Shrine Hospital Patient Transportation funds shall prominently state on the solicitation material, tickets and documents that the "proceeds from this activity are not for the benefit of Shriners Hospitals for Crippled Children."

4. Compliance with Applicable Laws:

It is the responsibility of the Temple potentate, after receiving the advice of the Temple attorney, to determine that there is compliance with all applicable laws in its jurisdiction for the Temple's fund-raising activities.

5. Financial Records:

(a) The Temple shall maintain detailed financial records pertaining to all fund-raising activities involving Nobles, clubs, units, organizations of Nobles or affiliated or appendant corporations. Details of all revenues and disbursements shall be maintained in such financial records.

(b) The Temple must retain such detailed financial records for a period of seven (7) years.

6. Notification to Nobility:

A copy of this General Order shall be printed in the Temple publication at least once every calendar year. If there is no Temple publication, then a copy of this General Order shall be mailed to each Noble in the Temple not later than the last day in March of each calendar year.

7. Discipline:

Any officer, Noble or Temple which violates a provision of this General Order is subject to discipline pursuant to the Bylaws of the Imperial Council.

Given under our hands and the seal of the Imperial Council this 26th day of November, A.D., 1986 and the Order, A. H. 1406.

CALL FOR THE ANNUAL SESSION OF 1987

*To the Representatives of the Imperial Council, Potentates, elected Officers
 of the Subordinate Temples, and the Nobility of the Order:*

"ES SELAMU ALEIKUM"

You and each of you are hereby notified that the One Hundred Thirteenth Annual Session of the Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America will be held in Las Vegas, Nevada, over the dates of June 23, 24, 25 and 26, 1987. The PUBLIC OPENING Session will be held in the BARRON ROOM, HILTON CENTER, at the LAS VEGAS HILTON HOTEL, at 3:00 P.M. on Monday, June 22, 1987. The OFFICIAL OPENING Session will be held in the BARRON ROOM, HILTON CENTER, at the LAS VEGAS HILTON HOTEL at 3:00 P.M. on Tuesday, June 23, 1987. After opening day, the meeting schedule will be determined each day by the Imperial Potentate or Imperial Council. The Imperial Potentate is calling this session as a four-day session, and each Representative attending will receive per diem for four days (i.e. Tuesday, Wednesday, Thursday and Friday).

THE OFFICES OF THE EXECUTIVE DIRECTOR FOR FRATERNAL AFFAIRS AND THE EXECUTIVE VICE PRESIDENT - SHRINERS HOSPITALS will be in CONFERENCE ROOMS 13 & 14, which are located on the 2nd Level, using the appropriate elevator to the left of the Hilton Ballroom, and the Office of the GENERAL COUNSEL will be in CONFERENCE ROOM 11 in the same area.

REGISTRATION

Registration for the REPRESENTATIVES will be in PAVILION #11 and in the HILTON BALLROOM FOYER, which is located on the main floor of the LAS VEGAS HILTON HOTEL starting on Saturday, June 20th through Tuesday, June 23rd at Noon—the hours will be as follows:

Monday, June 22	9:00 A.M.-5:00 P.M.
Tuesday, June 23	7:00 A.M.-Noon

It is suggested that it would simplify the details of registration if the Representatives of various Temples would arrange to register at the same time, if this can be done conveniently.

Attention is called to the fact that each Representative in coming to the Imperial Council Session should not overlook his CREDENTIAL CARD, his CURRENT DUES CARD, his COMPLETED MILEAGE FORM, and his HOTEL CONFIRMATION. If he contemplates using his Directory at the meeting, he should not neglect to bring his individual copy.

IMPORTANT: In order to register for the 1987 Imperial Council Session and receive your Mileage and Per Diem payments, you must bring your completed "mileage reimbursement payment form" and your ORIGINAL return airline tickets and present them to the SPECIAL REGISTRARS who will be working the above hours, and in the same place. After you have completed your work with the SPECIAL REGISTRARS, you may proceed to the regular registration desk for your badge and registration packet. PLEASE NOTE—YOUR RECORDER CANNOT REGISTER FOR YOU. EACH REPRESENTATIVE MUST REGISTER IN PERSON IN ORDER TO RECEIVE MILEAGE AND PER DIEM.

NOTE: Each Representative will receive a ticket book including, among others, Exchange Coupons for the Imperial Potentate's Evening and the Representatives' Ladies Luncheon. These coupons must be EXCHANGED for actual tickets to the two events at the Exchange Desk, which will be located in the Registration Area in the HILTON BALLROOM FOYER on the main floor of the LAS VEGAS HILTON HOTEL. The tickets will be numbered and will be assigned on a first-come, first-served basis. If you want all of the Representatives from your Temple sitting together, you will have to exchange your tickets all at one time. LAS VEGAS BEFORE 9:00 A.M. ON THE 5TH DAY PRECEDING THE NEXT OPENING SESSION OF THE IMPERIAL COUNCIL, IN ORDER TO QUALIFY THE REPRESENTATIVE. THIS MEANS THAT SUCH APPOINTMENT MUST BE RECEIVED BY THE IMPERIAL RECORDER ON OR BEFORE 9:00 A.M. ON THURSDAY, JUNE 18, 1987.

ROLL CALL

The Imperial Potentate advises there MAY be a roll call of Representatives at any time during the session of the Imperial Council.

Please take due notice and maintain constant attendance at all business sessions of the Imperial Council. Mileage and Per Diem are paid for this purpose.

SPECIAL NOTICE

BE SURE TO CARRY YOUR BALLOT BOOK AT ALL TIMES

COMMITTEE REPORTS

There have been occasions when members of Committees of the Imperial Council have informed interested Nobles of the results or probable results of a committee's consideration of a particular meeting. Embarrassing situations have resulted.

I refer you to Section 208.8 of the Imperial Council by-laws which states "All Committee reports shall be made in writing to the Imperial Council or to the Imperial Potentate as may be appropriate under the circumstances. Probable committee action or recommendations with respect to pending matters may not be disclosed to or discussed with persons not members of the Committee, except with express permission of the committee."

The strict observance of this request will make for more efficient functioning by the Committees with respect to the matters referred to them in the carrying out of their important assignments.

OFFICIAL PARADE ORDER

Much time and thought goes into the preparation of Official Parade Orders for Imperial Council Parades at Imperial Sessions, and in order to insure the very best for all concerned these orders must be strictly observed.

No Temple Officers will be permitted in the parades without their Temple Uniformed Units. No floats will be permitted in the parades unless they are approved

by Director General Dick Land, 3001 Lantern Lane, Las Vegas, NV. 89107, a/c (702) 295-2050. The attention of all Potentates and heads of Uniformed Units is again specifically directed to the previous General Orders, with reference to explicit parade regulations quoted below.

POTENTATES PLEASE NOTE

The following instructions are to be given to your Temple Marshal, Parade Marshal and Unit Heads:

PARADES

The **DAY PARADE** will start promptly at 10:00 A.M. on Tuesday, June 23rd. The route of the Parade will be:

The Parade will assemble inside the **EAST EXHIBIT HALL** of the **LAS VEGAS CONVENTION CENTER**, which is located on Paradise Road at Convention Center Drive. The March will go through the **ROTUNDA** at the **LAS VEGAS CONVENTION CENTER** — The Reviewing Stand will be in the Rotunda on the right hand side. The Parade will disband to the right as they come out of the Rotunda. Busses will be parked there.

PLEASE NOTE: NO UNIT OVER 10'6" HIGH WILL BE ALLOWED IN THE DAY PARADE

The **NIGHT PARADE** will assemble along **FIRST STREET** and the side streets adjacent to First in Downtown Las Vegas. It will start promptly at 5:00 P.M. and will go down **FREMONT STREET** for approximately 1.5 miles and disband along **SOUTH SEVENTH STREET**. The Reviewing Stand will be on the Right Hand side, directly across from the El Cortez Hotel.

SPECIAL MESSAGE RELATING TO SHRINE PARADES

I. The purpose of Shrine Imperial Session "parades" is to offer an opportunity for all participating Temples to display in public much of the pageantry and glamour of the Shrine. To effectuate their full purpose, however, the parades should also afford pleasure for all marching units who make a great display possible.

Over the years, there have been very reasonable grounds for dissatisfied criticism by a growing number of Temples. Splendid marching units, and Temples with special display features, located by numerical precedence early in the parade on the actual line of march, have executed spectacular street drills which in themselves add much to the general picture but which **retard** the **forward movement** of the parade as a whole.

As a result, many of our newer Temples, located far back in the line of march, have unquestionably taken punishment: (1) The forward movement of the parading column has been repeatedly halted; (2) There have been exasperating delays; (3) Units have been required to stand in line—not for minutes, but for hours—as a result of the cumulative loss of time due to repeated feature specialties and street maneuvers by units "marching" near the head of the line; (4) Due to repeated delays in the line ahead, units marching numerically nearer the end of the parade, have found themselves weary and disgusted, marching down deserted streets.

The order now issued by your Imperial Potentate, relating to parades in Las Vegas, may prove unpopular or it may approach a reasonable solution; you have his assurance that the decision has been reached only after long and earnest consideration of the problem.

The parades in Las Vegas will be parades throughout, and in no part a pageant. Only so-called "forward marching movement" will be permitted; such a movement may be defined as a marching movement which at no time during the parades causes a following unit, in either the same Temple or any other Temple, to mark time, halt, or cease forward progress. The order is to be complied with not only according to the letter, but also the spirit of the ruling; in other words, units of no Temple are directly or indirectly to violate the order through the subterfuge or expedient of

having undue distances between units. Your Imperial Potentate believes that every Potentate, thus notified in advance, and with the order applicable to all, will graciously comply with the above directive. **Units not desiring to comply with this parade regulation are not to form in line for the parades.** The regulation will be rigidly enforced. Units of any Temple violating the parade regulations will be excluded from the parades; the Potentate of each Temple is responsible and accountable for the conduct of each unit of his Temple on parade, and the commander of each parading Temple unit is accountable for his unit. Your Imperial Potentate has every confidence that the loyal cooperation of the Nobility will permit no violation of any regulation which plainly assures fair play for all, and that no disciplinary action will be necessary.

Any question of whether a given street maneuver is a retarding marching movement should be submitted to the Imperial Marshal at least 30 days before the Imperial Session.

II. Motor Vehicles. There has been criticism relative to the unreasonable number of motor vehicles in recent Shrine parades. The use of large numbers of cars in smaller local communities for the obvious purpose of padding and bolstering a small parade is quite understandable: Not only do Imperial Session parades require no padding, but the constant interruption of spectacular marching features by the unreasonable use of motor vehicles for visiting officers and Divans, adds unnecessary confusion and danger in the initial parade formation and spoils the pageantry from the spectator's viewpoint. In Las Vegas only **ONE CAR for the officers of each Temple with uniformed units in the parades of 50 or more will be permitted.** Regulations issued through the office of the Director General will be enforced.

In no event is any Temple to have more than ONE CAR in the parades—the same to be occupied by the Potentate and Divan of the Temples. No more than five Nobles, including the driver, will be permitted in a car.

III. Marching cadence will be 110 steps to the minute.

IV. Intervals of not over 80 feet between Temples, and 40 feet between units, are to be constantly maintained.

V. At the Reviewing Stand, Temple Divans will give hand salute, but not stop to salaam. Temple Potentates will remain with their Units and not mount the Reviewing Stand.

VI. Appropriate markers, easily distinguishable, will be provided before reaching the Reviewing Stand, to designate points for hand salute.

VII. Special attention is called to the fact that the Imperial Marshal and his Deputies are merely enforcing the directive of the Imperial Potentate; courteous and prompt cooperation is expected of the Nobility.

VIII. Attention of all Potentates, with reference to all Shrine parades, is also called to the requirement that no one shall be permitted to participate but members of the Order. No females or female impersonators shall be permitted to participate in parades. Read Paragraphs 335.11, 335.13 and 336.2 of the Imperial Bylaws (Iowa). A Potentate is personally responsible and accountable for knowingly permitting any violation of this regulation. Proper Shrine policing at successive points of any Shrine parade route should certainly guarantee against any violations of the above rule at an official reviewing stand.

PARADE REGULATIONS

It appearing that the interests of the Order would be well-served by the issuance and observance of the following regulations with respect to all Shrine parades, it is ORDERED:

1. The parade reviewing stand shall be at the right of the parade movement.
2. **No national Flag shall be lowered or dipped when passing the reviewing stand or elsewhere.**
3. Neither candy nor other objects shall be thrown or handed to spectators along the parade route.
4. No vehicle shall be equipped with either flashing lights or sirens.

5. Motorcycle and scooter units shall obey local laws regarding use of hard helmets instead of the Fez.
6. Neither Outhouses, stills, bathtubs nor any other item that is considered to be in poor taste will be permitted in any Shrine parade.
7. Members of participating units shall not drink any intoxicating beverages before any parade, and should be circumspect in the use of soft drinks in public places so as not to give the impression that they are drinking intoxicants.
8. Parade marshals shall enforce all Shrine parade regulations, and shall report any violator to the Potentate of his Temple. Failure on the part of the Potentate to cooperate with parade marshals shall be reported in writing to the Imperial Potentate.

Furthermore, with respect to parades at Sessions of the Imperial Council, it is ORDERED:

1. The Potentate of each participating Temple shall designate an officer of his Temple to meet with the Parade Marshal prior to the day parade, plus one person from each motorized unit that they may have participating in the parade.
2. An appropriate number of experienced deputy parade marshals shall be provided with two-way radios and special transportation so that they can patrol the parade route; and they shall have the authority to remove from the parade any unit which is in violation of Shrine parade regulations or which causes a delay of the parade by failing to maintain its proper interval.
3. Except with express permission of the Imperial Potentate, no Temple shall be permitted to participate in a parade unless it has at least 50 Nobles in its parade display.
4. No Temple shall be furnished an official automobile for use of its Potentate in the parade unless it has at least 50 Nobles in its parade display.
5. No Temple shall have more than one official automobile in the parade; and no empty buses, trucks or trailers shall participate in the parade.
6. No late model automobiles other than the official automobile will be allowed in the parade. This does not apply to recognized antique automobiles or to parade units composed entirely of late model automobiles.
7. Drivers shall not wave, shake hands or call to people along the parade route; and passengers should not call out to friends along the parade route, but simply wave to spectators.

UNAUTHORIZED EQUIPMENT ON MOTORIZED VEHICLES

NO CYCLES, CARS, SCOOTERS OR OTHER MOTORIZED VEHICLES SHALL AT ANY TIME BE EQUIPPED WITH ANY SIRENS, FLASHING OR COLORED LIGHTS (EXCEPT TURN INDICATORS AUTHORIZED BY LAW).

LOTTERIES AND RAFFLES

It has come to the attention of the Imperial Potentate that one or more Temples and several Shrine clubs have recently promoted lotteries or raffles. Federal law in the United States prohibits the use of the mails for lotteries or raffles and the practice is also contrary to state law in most states. Attention is invited to § 335.1 of the Imperial Bylaws which makes such a practice contrary to Shrine law as well.

FINANCIAL REPORTING ON CHARITABLE FUNDS AND ACTIVITIES

Within thirty (30) days after the date of this General Order, if you have not already done so, a statement of the financial condition of every charitable fund, § 501(c)(3) corporation, and charitable fund-raising activity sponsored by or related to each Temple shall be furnished to the Imperial Recorder by the Potentate.

The statement shall show all assets, liabilities, and the net worth or fund balance as of December 31, 1986, and shall be accompanied by a statement of operations showing all receipts and disbursements for the calendar year 1986.

The statement or statements of each Temple shall be accompanied by a certificate of the Potentate to the effect that: (1) each of the statements is true and correct, (2) the Temple exercises control over each of such funds, corporations, and other activities, and (3) there are no charitable funds, corporations, or activities sponsored by or related to the Temple other than those for which statements are submitted.

TOURS AND CRUISES INSTRUCTION

1. The Potentate of any Temple which intends to sponsor a tour, shall give notice in writing to the Executive Director, of such intent; and the notice shall include the proposed dates and itinerary of such tour. This provision shall not apply to those pilgrimages which are limited to Shrine Association Meetings and Imperial Council Sessions, and return.

2. No tour, the itinerary of which includes any point outside the continental United States, Canada, or Mexico, shall be scheduled for dates which will conflict with the dates of either the Imperial Council Session or the Imperial Potentate's tours and cruises.

3. The Potentate of any Temple which intends to sponsor a tour, the itinerary of which includes any point outside the continental United States, Canada, or Mexico, shall be responsible for seeing that such tour is made in strict compliance with all public laws and governmental regulations, including the regulations of the Civil Aeronautics Board.

4. The Potentate of any Temple which intends to sponsor a tour, the itinerary of which includes any point within or without the continental United States, shall be responsible for seeing that the promotional material for such tours shall clearly state the limits of liability of the carrier and/or its insurer for injury to and loss of life of each passenger, the total for each occurrence, and for damage to or loss of personal property. It is recommended that any disclaimers of liability by the travel agent and/or carrier in the promotional material provided to the public also include (in close proximity) the name of the Temple, Shrine Club or Unit, if applicable.

5. All pilgrimages, tours and cruises when sponsored by a Temple or otherwise identified with the Order are "public appearances." Such public appearances are not permitted in any place until notice of such appearance has been given to the Potentate of the Temple having jurisdiction of the territory where such public appearance is to be made. The notice hereby required shall be given at least ten days in advance of each public appearance.

6. The Potentate of any Temple which intends to sponsor a tour or cruise shall himself have the responsibility to see that the attorney for the Temple is consulted as to the legality and sufficiency of all contracts and other documents required to be executed with respect to such tour or cruise.

7. The Potentate of any Temple which intends to sponsor a tour or cruise shall himself have the responsibility to see the fiscal responsibility of the tour agent handling the tour or cruise; and he may satisfy this requirement by either (1) Requiring a performance bond of the tour agent if such agent has exclusive control over withdrawals of the tour account or of tour receipts entrusted to his exclusive care, or (2) making provision for the deposit and withdrawal of tour receipts in an escrow account of which he himself has at least partial control.

8. No tour or cruise may be sponsored by any temple unless the proposal therefor has first been approved by the members of the temple at a stated meeting after a full and fair disclosure of all terms of the proposal, including the nature and amount of any personal profit or gain to be realized or enjoyed by any member of the temple. *The temple potentate is required to obtain a legal opinion from the temple attorney that the tour or cruise is in compliance with the law of the land.* For the purposes of this paragraph, complimentary or reduced fares, hotel accommodations, or other benefits for himself or any member of his family shall be considered to be profit or

gain. Further, inasmuch as complimentary or reduced fares, hotel accommodations, or other such benefits may constitute taxable income to recipients thereof, such persons should consult their personal tax advisors thereon.

9. The Potentate of any Temple which intends to sponsor a tour or cruise shall himself have the responsibility to see that a full and fair accounting of all receipts, disbursements, and profits or losses realized from such tour or cruise be made to his Temple no later than its second stated session next following the conclusion of the tour or cruise; and a copy of such accounting shall be furnished at the same time to the Executive Director.

10. Tours and cruises sponsored by Shrine Clubs, Units or other organizations affiliated with or appendant to any Temple shall be considered as having been sponsored by such Temple and shall be subject to all of the terms and provisions of this General Order.

11. Tours and cruises sponsored by Associations of Temples, National or International Associations of Units, and other organizations not affiliated with or appendant to any Temple shall be subject to all of the terms and provisions of this General Order in the same manner as if they themselves were Temples; and the President or other chief executive officer of any such group which intends to sponsor a tour or cruise shall have the same responsibilities as those of the Potentate of a Temple which intends to sponsor a tour or cruise.

CORRESPONDENCE TO IMPERIAL POTENTATE

The Imperial Potentate's schedule is such as to keep him away from his home and office for weeks at a time. For this reason, it is requested that *copies of all correspondence sent directly to him by Temples and Representatives be sent to the Executive Director at the General Offices in Tampa, Florida.* This practice will assure an expeditious handling of all such correspondence.

Temples are reminded that complaints or correspondence from individual Nobles on Imperial Council or Temple matters must be handled in accordance with Article 38 of Imperial Council Law.

THE IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER OF THE NOBLES

Special Order No. 2
(Series of 1986-87)

October 16, 1986

TO: ILLUSTRIOUS SIR MARLER W. OWEN
PAST POTENTATE, ARABIA TEMPLE

On July 11, 1986, I issued Special Order No. 1 (Series of 1986-87) to the Potentate, Officers, and Nobles of Arabia Temple wherein I ordered an inquiry by the Imperial Auditor or his representatives concerning accounting procedures at Arabia Temple.

I have received the report of Donald M. Jones, Jr., representative of the Imperial Auditor, concerning his audit of Arabia Temple for the years 1983, 1984, and 1985, which he carried out on July 30, 1986. That report indicates that during your term as Potentate of Arabia Temple in 1984, charitable funds belonging to the Crippled Childrens Benefit Fund of Arabia Temple were improperly, unlawfully, and at your direction diverted to a use other than for which they had been intended and contributed, all to the detriment of the Shriners Hospitals For Crippled Children and other local charitable funds.

The report also indicates to me that a subsequent leader of Arabia Temple, perhaps following your lead, sought to make a similar diversion of charitable funds.

THEREFORE, pursuant to the power vested in me by Section 206.5(a)(6) of the Imperial bylaws, you, Illustrious Sir Marler W. Owen, are ordered to:

A. On or before October 31, 1986, SHOW CAUSE to the Imperial Temple Fund Raising Investigating Committee, Imperial Sir Edward G. McMullen, Chairman, in writing, or in person as that Committee may direct, why you should not be disciplined for violation of Imperial Council law and the apparent diversion of funds raised by Arabia Temple for charitable purposes to a purpose other than that for which it was originally intended.

TO: ILLUSTRIOUS W. E. "BILL" SILBER
PAST POTENTATE, ARABIA TEMPLE

On July 11, 1986, I issued Special Order No. 1 (Series of 1986-87) to the Potentate, Officers, and Nobles of Arabia Temple wherein I ordered an inquiry by the Imperial Auditor or his representatives concerning accounting procedures at Arabia Temple.

I have received the report of Donald M. Jones, Jr., representative of the Imperial Auditor, concerning his audit of Arabia Temple for the years 1983, 1984, and 1985, which he carried out on July 30, 1986. That report indicates that during your term as Potentate of Arabia Temple in 1985, charitable funds belonging to the Crippled Childrens Benefit Fund of Arabia Temple were improperly, unlawfully, and at your direction diverted to a use other than for which they had been intended and contributed, all to the detriment of the Shriners Hospitals For Crippled Children and other local charitable funds.

THEREFORE, pursuant to the power vested in me by Section 206.5(a)(6) of the Imperial bylaws, you, Illustrious Sir Marler W. Owen, are ordered to:

A. On or before October 31, 1986, SHOW CAUSE to the Imperial Temple Fund Raising Investigating Committee, Imperial Sir Edward G. TO DON STINER, POTENTATE, EL ZARIBAH TEMPLE, A.A.O.N.M.S., ES SELAMU
ALEIKUM:

It has been brought to my attention that you signed a contract with Encore Productions without permission of the Nobility of El Zaribah Temple and that further this contract was for the production of a children's variety show and that the advertising and tickets for said variety show did not contain the required statement of purpose set out in General Order No. 2.

I further understand that after this matter was brought to your attention by the then Potentate of El Zaribah Temple, Paul N. Younker, you did not cancel the contract as directed but instead continued.

NOW THEREFORE by virtue of the authority vested in me by Section 206.5(a)(5) of the Bylaws of the Imperial Council, A.A.O.N.M.S., I direct that you shall show cause in writing to me at the International Headquarters on or before February 20, 1987, why disciplinary action should not be taken against you for your conduct in this matter. TO THE POTENTATE, OFFICERS AND NOBILITY OF EL MINA TEMPLE, A.A.O.N.M.S., Es
SELAMU ALEIKUM:

In the matter of the *Estate of Ethel T. Witmer* was brought to my attention and to the attention of the boards of directors of The Imperial Council and Shriners Hospitals For Crippled Children on January 13, 1987 by the Special Purpose Funds Committee. The issues were deliberately and carefully reviewed and full discussion was had thereon. It was the considered and unanimous judgment of the boards of directors that all monies in the *Estate of Ethel T. Witmer* which were received by El Mina Temple were the assets of Shriners Hospitals For Crippled Children for the use and benefit of the crippled children in our hospitals; and that El Mina Temple retained the second installment received from the estate which was in the amount of \$11,334.00 and which was received in September, 1983. I concurred in their judgment.

NOW, THEREFORE, by virtue of the authority in me vested by §206.5(a)(5) of the bylaws of The Imperial Council, A.A.O.N.M.S.:

1. El Mina Temple, A.A.O.N.M.S. shall remit to Shriners Hospitals For Crippled Children at its international headquarters in Tampa, Florida, on or before March 1, 1987, the sum of \$11,334.00, plus accrued interest of \$4,647.00, for a total of \$15,981.00.

2. Richard H. Johnigan, P.P. and Richard E. Doornbos, P.P. shall SHOW CAUSE, in writing to me at international headquarters on or before March 1, 1987, why disciplinary action should not be taken against them for their conduct in this matter.

I am confident that the full import, significance and authority of this Special Order will not be misunderstood by the Potentate, Officers and Nobility of El Mina Temple.

TO THE POTENTATE, OFFICERS AND NOBILITY OF ISLAM TEMPLE, A.A.O.N.M.S., Es
SELAMU ALEIKUM:

A review of the financial records of the East-West Shrine Bowl by the Imperial Auditor has revealed that Islam Temple retained \$29,700.00 from the proceeds of the football game in 1985.

The retention was referred to the Special Purpose Funds Committee of The Imperial

Council. The matter was, once again reviewed, and carefully considered. The committee then presented a report to the board of directors.

After due deliberation by the entire board of directors of The Imperial Council, it was determined that no prior written request was made to, or received from, the Imperial Potentate and Chairman of the Board of Trustees of Shriners Hospitals for Crippled Children for the retention of the money, as required by the existing General Order. As a consequence, the board of directors unanimously recommended that an Order be issued directing Islam Temple to remit the sum of \$29,700.00 to Shriners Hospitals for Crippled Children. And, that it was inappropriate for any temple to receive a portion of the proceeds of this football game.

NOW, THEREFORE, by authority in me vested by §206.5(a)(5) of the bylaws of The Imperial Council, A.A.O.N.M.S., it is hereby ordered that Islam Temple, A.A.O.N.M.S., shall remit to Shriners Hospitals for Crippled Children at its International Headquarters in Tampa, Florida on or before June 1, 1987, the sum of \$29,700.00.

I am confident that the full import, significance and authority of this Special Order will not be misunderstood by the Potentate, Officers, and Nobility of Islam Temple.

Now, at this time, I will call on Gerald Davis to present the report concerning the Imperial Potentate's rulings and decisions.

NOBLE DAVIS: To the Representatives of the Imperial Council: The Imperial Potentate's report of his rulings and decisions were issued pursuant to S.206.5(a)(13) of the Bylaws of the Imperial Council, an Iowa Corporation, and summaries thereof were included in the registration envelopes given to all Representatives at the time they registered for this Annual Session. ... The motion was duly seconded ...

IMPERIAL POTENTATE ANTHONY: And now, Ted, you may discuss it if you so desire.

NOBLE CORSONES: The reason for presenting this is that I had a number of calls saying, "Please tell me where in the Bylaws the Potentate may issue an Order so that the members of the Divan, the clubs or units follow the Imperial Bylaws." Therefore, with this thought in mind, I thought it would be nice to put it in place so that says, by adding subparagraph (b) that he may issue Orders to Nobles, clubs, units and organizations within his Jurisdiction to comply with matters over which he has authority.

That is just putting it into a neat little place so that the Potentate can see it and then he has to follow it up by sending it in writing to the Imperial Potentate.

Therefore, it will be there for you and you will not have to call in the middle of the night to find out where it is.

That is the reason for it.

The other portion that was changed is subparagraph (f). If you will look at that, you will see that some Temples have four meetings, some six, some eight and so I suggested a housekeeping measure, that would strike the words "no fewer than four" and meet the requisite, whatever is required.

IMPERIAL POTENTATE ANTHONY: Thank you.

We have to take a vote now.

Is there further discussion on this?

It has been moved and seconded that we adopt this.

... There being no further discussion, the motion to adopt the change as recommended was voted upon and declared to be unanimously carried ...

IMPERIAL POTENTATE ANTHONY: Thank you very much.

I will now recognize Noble Tingle from the Jurisprudence and Laws Committee, to report to you on item 14 of the Call.

NOBLE TINGLE: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws item 14 on the Call of the Annual Session of 1987, located on page 22 of the Call. It is a proposal to amend Section 334.5 of Article 34 of the Bylaws of the Imperial Council, an Iowa Corporation.

With the concurrence of the sponsor, the committee recommends an amendment to the language of the proposal which would delete the word "audit," now the fifty word in subparagraph (b).

The proposal, with the amended language, will read as follows:

ARTICLE 34

Temple Business Affairs and Fiscal Regulations

Section 334.5 Audit.

(a) Every Temple is required to have its financial accounts and those of its affiliated or appendant corporations, including Shrine Club holding companies, audited by a certified,

chartered or licensed public accountant at the close of each year, selected by the Temple. However, if the Temple has fewer than 3,000 members, a review in accordance with U.S. Standards for reviewed financial statements or, if Temple is located in Canada, an audit limited to those procedures normally performed in the conduct of a U.S. review, by a certified, chartered or licensed public accountant shall be acceptable unless an audit is ordered by the Imperial Potentate.

(b) A copy of the report, which shall include a balance sheet, statement of revenue, expense and changes in members equity, statement of changes in financial position, notes to financial statements and supplementary financial information on designated and restricted funds and all funds raising activities, must be filed with the Imperial Recorder before the first day of May following the end of the year reported on, unless such date is extended by the Imperial Potentate for good cause shown upon the written request of a Temple.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Respectfully submitted,

Imperial Sir, if there are no questions or comments on this report, I move that the proposal be amended by deleting the word "audit" which is the fifth word in subparagraph (b) of the proposal as printed in item 14 of the Call.

IMPERIAL POTENTATE ANTHONY: Do I hear a second?

... The motion was duly seconded ...

IMPERIAL POTENTATE ANTHONY: The motion has been duly made and seconded.

Is there any discussion—that is, on the amendment here as presented?

Hearing none, then the Chair will call for the question.

All in favor of the amendment as proposed indicate by saying aye; opposed nay. The amendment is carried unanimously.

NOBLE TINGLE: Imperial Sir, I now recommend that you call upon Illustrious Sir D. Sam Erickson of the Finance and Accounts Committee for its report on the proposal as amended.

NOBLE D. SAM ERICKSON: To the Representatives of the Imperial Council: Your Committee on Finance and Accounts has had submitted to it for a report the proposed amendment to Section 334.5 of Article 34 of the Bylaws of the Iowa Corporation found in item 14 of the Call.

Upon consideration, this committee is of the opinion that this amendment will be beneficial in clarifying reporting procedures which will be fair and equitable to all Temples.

The Finance and Accounts Committee unanimously recommends adoption of this proposal as amended in the Report of the Jurisprudence and Laws Committee.

Imperial Sir, if there are no questions or comments concerning this report and because this is a proposal from the Finance and Accounts Committee, I move the adoption of the proposal as amended in the report of the Jurisprudence and Laws Committee.

IMPERIAL POTENTATE ANTHONY: Do I have a second?

... The motion was duly seconded ...

IMPERIAL POTENTATE ANTHONY: Is there any discussion?

... There being no discussion, the motion to adopt this proposal as amended was voted upon and declared to be unanimously carried ...

IMPERIAL POTENTATE ANTHONY: At this point I am going to call on Noble Corsones to present to you a report from the Jurisprudence and Laws Committee concerning item 15 in the Call for the Annual Session.

NOBLE CORSONES: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, item number 15 on Call of the Annual Session of 1987, located on page 22 of the Call. It is a proposal to amend Section 334.6 of Article 34 of the Bylaws of the Imperial Council, an Iowa Corporation.

With the concurrent of the sponsor, the committee recommends an amendment to the language of the proposal which would change the eighth word in subparagraph (b) from "Audit" to "Report."

The proposal, with the amended language, will read as follows:

ARTICLE 34

Temple Business Affairs and Fiscal Regulations

Section 334.6 Fiscal reports required at Temple meetings.

(a) The Temple Officers must make available to the members at the annual or budget meeting the following documents:

(1) A copy of the latest available audit of the Temple accounts.

(2) An operating statement for the previous year showing in parallel columns the budget items and the actual expenditures related thereto; and

(3) A balance sheet showing the financial condition of the Temple at the end of the previous year.

(b) The Temple Officers must make the Temple report, prepared as required by Section 334.5, available to the members at the first stated meeting following its completion but not later than May 15.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Imperial Sir, if there are no questions or comments on this report, I move that the proposal be amended by substituting the word "report" for the word "audit" as the eighth word in subparagraph (b) of the proposal as printed in item 15 of the Call.

... The motion was duly seconded ...

IMPERIAL POTENTATE ANTHONY: You have heard the motion and the second.

Is there any discussion as it relates to the amendment?

Hearing none, we will vote on the amendment.

... Whereupon, the amendment as presented was voted upon and declared to be unanimously carried ...

NOBLE CORSONES: Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon Illustrious Sir D. Sam Erickson of the Finance and Accounts Committee for its report.

IMPERIAL POTENTATE ANTHONY: I will recognize Illustrious Sir Erickson.

NOBLE ERICKSON: To the Representatives of the Imperial Council:

Your Committee on Finance and Accounts has had submitted to it for a report the proposed amendment to Section 334.6 of Article 34 of the Bylaws of the Iowa Corporation found in item 15 of the Call.

This proposed amendment relates to requirement as to the availability of fiscal reports to the membership.

The Finance and Accounts Committee is of the unanimous opinion that the proposal is in the best interest of all the Temples.

Respectfully submitted,

Imperial Sir, if there are no questions or comments concerning this report, and because this is a proposal from the Finance and Accounts Committee, I move the adoption of the proposal, as amended in the report of the Jurisprudence and Laws Committee.

... The motion was duly seconded ...

IMPERIAL POTENTATE ANTHONY: You have before you the motion and the second to adopt this proposal as amended in the report of the Jurisprudence and Laws Committee. Is there any discussion?

REPRESENTATIVE: Imperial Sir, there is some confusion on my report in reference to items 2 and 3 as read because it is not the same as indicated in the Call.

Will you repeat for me, please, what we are voting on and, in reference to item 2, it says the same thing but that was not the verbiage given to us a moment ago.

IMPERIAL POTENTATE ANTHONY: I will call on the Chairman of Jurisprudence and Laws.

NOBLE PETTIT: If I may answer the question, the Call indicated that these paragraphs were the same as in the previous Imperial Bylaws—that the language had not been changed.

REPRESENTATIVE: Then what you are doing is substituting 2 for (b) and 3 for (c), is that correct?

NOBLE PETTIT: That is correct.

IMPERIAL POTENTATE ANTHONY: Is there further discussion?

NOBLE SLATE [Ainad Temple]: I can appreciate the need to report to our members and we certainly do this as best we can at this time in our Temple and we intend to continue to do so.

However, this Bylaw amendment, if passed, will require us to provide our audit report at the last meeting before May 15, which, in the case of our Temple is going to be in April. We are going to have to have our audit report of the preceding year completed by our April meeting and the auditors in our area are very busily involved in preparing income tax returns.

Very frankly, we cannot get an audit report completed by the 1st of May or the 15th of May and we are going to be fortunate to get it done by the middle of July and for that reason, I would move you, Imperial Sir, an amendment to the amendment—to delete the word "May" in Section 334.6 and substitute the word "July," so that we may have adequate time in which to have our books audited and submit our report.

IMPERIAL POTENTATE ANTHONY: Well, okay now. We have all heard his comment and

before I call for a second, I would like to have Sam—well, we had better first call for a second on the amendment.

... The amendment was duly seconded ...

IMPERIAL POTENTATE ANTHONY: The amendment has been made and seconded. Now I would like to call on Sam for a comment.

NOBLE ERICKSON: If you will refer back to item 14, item 34 in the Call and take under 334.5 item (b), the last two lines—"Unless such date is extended by the Imperial Potentate for good cause shown upon written request of the Temple"—there would be a possibility in this unique situation that this would be an "out" for you. Of course, this will not be the case in connection with all Temples.

IMPERIAL POTENTATE ANTHONY: Is there further discussion regarding this amendment to the motion?

NOBLE SLATE [Ainad Temple]: I appreciate the comments of the committee. I am only suggesting that item 14 authorizes the Imperial Potentate to extend the date but we must submit our report to Tampa for good cause shown. It does not authorize anyone to extend the date by which we will be required to report to our members and if we pass item 15 on the Call without amending it, there would be no authorization to extend or to change that date.

I suggest, on that basis, that ninety percent of the Temples next year are going to be in violation of the Imperial Code.

IMPERIAL POTENTATE ANTHONY: Is there further discussion?

NOBLE ERICKSON: In connection with your concern, Illustrious Sir, I would ask you to note item 15 of the Call, Article 34, the letter (b)—"The Temple Officers must make the Temple audit as required by Section 334.5."

I feel that because, and this was discussed at our meeting, of the reasons back in item 15 in your Call, the last two lines in item 14, 334.5, part (b), that this will still apply—that you will be allowed to show good cause to have an extension.

IMPERIAL POTENTATE ANTHONY: I will call for any further discussion regarding the amendment now.

... The question was severally called for ...

IMPERIAL POTENTATE ANTHONY: The question has been called for.

All in favor of the amendment as indicated please indicate by saying aye; opposed nay. The amendment is lost.

We will now vote on the motion as originally presented.

Is there any discussion regarding the original motion?

I believe Imperial Sir Webb Harrington wishes to propose an amendment.

IMPERIAL SIR HARRINGTON: Imperial Sir, Imperial Sirs and Fellow Representatives: I believe we can clean up this language so that it will be satisfactory to all concerned.

As the Representative from Ainad Temple stated, I am fully aware of the problems that have been brought upon many businesses and accountants this year because of the Tax Reform Act of 1986, which greatly increases the burden on accountants in the first few months of the year.

Therefore, I would propose an amendment to item 15 in the Call as follows—that on the last line, add thereto, the following—"available to the members at the first stated meeting following its completion but not later than May 15"—add the following—"unless such date is extended by the Imperial Potentate for good cause shown on the request of the Temple."

This would make it conform to Article 14 which we have already adopted and I would so move.

... The amendment was duly seconded ...

IMPERIAL POTENTATE ANTHONY: Is there discussion regarding this amendment?

... The question was called for ...

IMPERIAL POTENTATE ANTHONY: All in favor of the amendment please indicate by saying aye; opposed nay. The motion is carried.

We will now vote on the original motion as amended.

Is there further discussion concerning that?

Hearing none, I will call for the vote.

All in favor indicate by saying aye; opposed nay. The motion carries.

It is now my duty to get into the election of an Imperial Potentate.

However, before I do that, I would like us all to realize that we have in our midst today Illustrious Noble Charlie Lembke, who has been an Emeritus Member since 1947 and who is now ninety-eight years young. Let us give him a bit round of applause.

... Rising applause ensued ...

IMPERIAL POTENTATE ANTHONY: I am going to tell you, Illustrious Sir Charlie, that you certainly have the admiration of this entire body and, God, we love you and you represent to us and to the world what Shrine Masonry is all about.

Thank you so much. (Applause)

Now, I believe that Noble Struble has a presentation that he would like to make.

NOBLE STRUBLE: Imperial Sir, Imperial Sirs, Representatives All: I am privileged to come before you today with a sense of deep mixed emotions in relation to the passing of our Past Imperial Potentate O. Carlyle Brock, Imperial Potentate in 1964-1965 of the Shrine of North America.

However, I am glad, by the fact that I represent his widow, to return to the Imperial Council, through your Imperial Potentate, the Past Imperial Potentate's Jewel of O. Carlyle Brock and also the Imperial Shrine Pin.

We are all most happy to have known Imperial Sir O. Carlyle Brock. Therefore, it is with a sense of pride and humility that I present both of these items to Imperial Sir Anthony.

... Presentation of Past Imperial Potentate Brock's Jewel and Pin to the Imperial Potentate ensued ...

IMPERIAL POTENTATE ANTHONY: In behalf of the International Shrine and this august body here assembled, I hereby accept this generous gift to the Imperial Council of the Shrine of North America. I assure you that it will be used in a manner befitting the former wearer of this great Jewel of his office, a great, great Past Imperial Potentate and a great Shrine Mason. We will endeavor to use this in a manner befitting of him and his family and will you please carry to his family our deep appreciation.

Thank you very much. (Applause)

Now, the next order of business is, without a doubt, the greatest honor for me and one that can befall the reigning Imperial Potentate, and that is to pass on the duties and reins of this Office to his successor.

I will now call upon the individual that has been designated to make the nomination for the Office of Imperial Potentate, Illustrious D. Walter Jessen, Potentate of Habibi Temple.

I will now recognize him for the purpose of making a nomination for the Office of Imperial Potentate.

ILLUSTRIOUS SIR WALTER JESSEN [Habibi Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs, Most Worshipful Grand Masters, Representatives All: It is my great pleasure and privilege, in behalf of Habibi Temple, to place in nomination for the high Office of Imperial Potentate, a man whom we have all come to learn to love, admire and respect for his dedication and devotion to this great Fraternity of ours as he moved through the ranks of the Imperial Line.

He has proven himself as he has gone up the Line and so let us allow him the opportunity to work through us and with us for a bigger and better Shrinedom.

Therefore, I respectfully place in nomination the name of Voris King to be our Imperial Potentate for the ensuing year. (Applause)

IMPERIAL POTENTATE ANTHONY: You have heard the nomination, is there a second?

... The nomination was severally seconded ...

ILLUSTRIOUS SIR JESSEN: Imperial Sir, I would move that nominations be closed and that the Imperial Tellers be instructed to cast the unanimous vote for Imperial Sir Voris King to lead us in the ensuing year.

Thank you, Imperial Sir.

IMPERIAL POTENTATE ANTHONY: Thank you, Illustrious Sir Walter.

The next order of business is to call for a vote.

It has been moved and seconded.

All in favor indicate by saying aye; opposed. It is unanimously carried.

Now, Imperial Sir Voris, do you accept?

IMPERIAL SIR VORIS KING: Thank you so very, very much.

Yes, I do accept. I would like to say that I humbly accept.

In 1977, many of you in this room were in New York City when I was elected as the Imperial Outer Guard. That was one of the highlights of my life. At that time, I told you that it was with great humility and with a humble heart that I indeed did accept but that I would work diligently and give you the best that I had if, Lord willing, I was elected to this highest of Offices.

Today, that great day in my life has come and to all of you, I am deeply humbled. I am gratified and I am thankful and I say to all of you that I hope I can give you a year of service, a year of pleasure, a year of fun and that we will all continue the great work that has been started for our crippled and burned children.

I thank all of you so very, very much.

. . . Rising applause ensued . . .

IMPERIAL POTENTATE ANTHONY: What a great organization this is—to have great men in leadership roles like Imperial Sir Voris King.

I will now recognize our Imperial Recorder, Jack Jones, for the purpose of making a motion.

IMPERIAL SIR JONES: Imperial Sir, I have a list to read concerning a membership recap of those present to vote. The list is as follows:

Representatives-At-Large	13
Representatives Ad Vitam	15
Emeritus Representatives	76
Elected Representatives	742
Appointed Representatives	0

And that comes to a total of 846.

846

IMPERIAL POTENTATE ANTHONY: Thank you, Imperial Sir Jack.

IMPERIAL SIR JONES: Imperial Sir, Section 206.2(a) of the Imperial Bylaws provides that the election of the Imperial Potentate shall be the last order of business on the first day of the Session, unless otherwise ordered by the Imperial Council.

Imperial Sir, I move that all Imperial Officers, except for the Imperial Outer Guard, be elected today so that we can commence the next day's business with the election of the Imperial Outer Guard.

IMPERIAL POTENTATE ANTHONY: Do I hear a second?

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE ANTHONY: You have before you the motion and the second, that the balance of the elections, with the exception of the Imperial Outer Guard, be conducted before we recess today.

All in favor of this motion indicate by saying aye; opposed nay. The motion is carried and we will proceed accordingly.

I will next recognize Illustrious Sir Harry Alger.

ILLUSTRIOUS HARRY ALGER [Al Azhar Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs, Worshipful Grand Masters, Fellow Representatives and Nobles All: For several years now, it has been my pleasure to nominate a colleague of yours and mine who has been proceeding diligently up the Imperial ladder.

It is my honor to stand before you today to place in nomination for the high Office of Deputy Imperial Potentate the name of Edward G. McMullan, Past Potentate of Al Azhar Temple of Calgary, Alberta, Canada.

I am sure that all of you are aware that Imperial Sir Ed has given his all for the past nine years and even for a good many years before that, for the goodness of Shrinedom and what it means to thousands of children throughout the northern hemisphere.

We are looking forward to his seeking a further two energetic and aggressive years.

Imperial Sir, I would move you that nominations cease and the Imperial Recorder be instructed to cast a single unanimous ballot in favor of Imperial Sir Edward G. McMullan

for the high Office of Deputy Imperial Potentate of the Imperial Council, Shrine of North America.

IMPERIAL POTENTATE ANTHONY: You have heard the motion, is there a second?

... The motion was duly seconded, was voted upon and declared to be unanimously carried ...

IMPERIAL POTENTATE ANTHONY: Now, Imperial Sir Ed, let me ask you, do you accept?

IMPERIAL SIR EDWARD McMULLAN: Imperial Sir, I most assuredly do accept with gratitude and certainly look forward to be working under Imperial Sir Voris King. If I can get by that, I will be okay.

Thank you very much. (Applause)

... Cries of "roll call" ...

IMPERIAL POTENTATE ANTHONY: There may be a roll call. The Chair has the privilege to exercise that at any time. Also, we may lose our quorum in the process of some of you leaving and so, therefore, please do not leave. Let us go through this item of business because all of these fine Nobles and Masons are working diligently in your behalf and so let us show them the respect that they all deserve. I know you want to be here to do that.

Thank you very much.

Will Illustrious Sir Ross Bayer please approach the podium.

ILLUSTRIOUS SIR BAYER [Crescent Temple]: Imperial Sir, Imperial Sirs, Representatives All: Occasionally, during your Masonic career, a great privilege is offered to you and that privilege has come to me today.

I stand before you as the Potentate of Crescent Temple in Trenton, New Jersey, and I would offer to you our great Past Potentate. I could go on and say much, much more but he has said to me, "Please be brief."

Therefore, with that thought in mind, Imperial Sir, I would offer the name of George Washington Powell, Past Potentate of Crescent Temple, for the Office of Chief Rabban of the Shrine of North America.

Also, if there would be no objection, I would ask that nominations be closed and that a single ballot be cast.

... The motion was duly seconded ...

IMPERIAL POTENTATE ANTHONY: Hearing no further nominations and at the request of the nominator, I hereby call for the approval of this nomination.

All in favor indicate by saying aye; opposed. It is unanimously carried. The nomination is carried and now I will ask Imperial Sir George Powell if he accepts?

IMPERIAL SIR GEORGE POWELL: Imperial Sir and Nobles: After seeing his size and hearing his voice, I think I would be scared not to accept.

Thank you very much. (Applause)

IMPERIAL POTENTATE ANTHONY: Now, will Illustrious Sir Frank Mooney please come to the podium.

ILLUSTRIOUS SIR MOONEY [Islam Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs, Most Worshipful Grand Masters and Representatives All: It is an honor and pleasure to stand up here in behalf of our Illustrious Imperial Sir, Joseph Padgett but then, at this time, I would like to yield to Illustrious Sir Bill Barrineau, Past Potentate of Al Sihah Temple.

NOBLE WILLIAM BARRINEAU: Imperial Sir, Imperial Sirs and Fellow Representatives: Again it is a real pleasure to present a fellow Georgian as your next Assistant Chief Rabban.

For a number of years, it has been my privilege to present a fellow Georgian now living in the San Francisco Bay area of California for nomination to various positions on the Imperial Divan.

For a number of years now, you have truly elected a work horse—not a show horse—and in Imperial Joe Padgett, he really is a worker because I am sure that you have seen him everywhere. He has been at Temples all over North America. He has been to your Conventions, to your clubs and, in essence, he has been wherever you wanted him to be.

He is going to make a great leader.

Therefore, I would like to place in nomination for the position of Imperial Assistant Rabban the name of Joseph P. Padgett of Islam Temple.

Now, Imperial Sir, if there are no further nominations, I move you that nominations be

closed and that the Imperial Recorder, Jack Jones, cast a unanimous ballot for Joseph P. Padgett for the Office of Imperial Chief Rabban.

... The motion was severally seconded ...

IMPERIAL POTENTATE ANTHONY: It has been moved and seconded that the Imperial Recorder cast a unanimous ballot for Imperial Sir Joe Padgett.

All those in favor of the motion indicate by saying aye; opposed nay. The nomination unanimously carries.

Now, Imperial Sir Joe, let me ask you, do you accept?

IMPERIAL SIR JOSEPH PADGETT: Imperial Sir, Illustrious Sirs and Representatives: I do accept.

Thank you very much. (Applause)

At this time I am going to call on Illustrious Sir Jerry Friedrich, Potentate of Lu Lu Temple, to approach the microphone.

ILLUSTRIOUS SIR JERRY FRIEDRICH: Imperial Sir, Imperial Sirs, Right Worshipful Grand Masters, Illustrious Sirs and My Fellow Representatives: My name is Jerry Friedrich and I am the Potentate of Lu Lu Temple.

Having served us well for the last six years on the Imperial Divan and as a member of many committees, it is my distinct honor and privilege to place into nomination the name of Imperial Sir John W. Dean for the Office of Imperial High Priest and Prophet for the ensuing Shrine Year.

Imperial Sir, hearing no further nominations, I move that nominations be closed, the rules be suspended and that the Imperial Recorder be instructed to cast a unanimous ballot for John W. Dean for the Office of Imperial High Priest and Prophet.

... The motion was duly seconded, was voted upon and declared to be unanimously carried ...

IMPERIAL POTENTATE ANTHONY: Let me ask you, Imperial Sir Jack, do you accept?

IMPERIAL SIR DEAN: Imperial Sir, Imperial Sirs, Illustrious Sirs and My Fellow Nobles: I certainly do accept. I shall endeavor to do my best for all of you during the coming year. (Applause)

IMPERIAL POTENTATE ANTHONY: And now will Illustrious Sir Pete Peters please present himself at the microphone.

ILLUSTRIOUS SIR PETE PETERS: Imperial Sir, Imperial Sirs, Grand Masters, Representatives and Nobles All: It is my distinct pleasure, as Potentate of Sharon Temple, to place the name of Imperial Sir Everett M. Evans in nomination for the Office of Imperial Oriental Guide.

He is a Shriner that has done much for the publicity of the Shrine of North America for the last couple of years.

Hearing no further nominations, Imperial Sir, I would move that the Imperial Recorder be instructed to cast a unanimous ballot for Imperial Sir Everett Evans for the Office of Imperial Oriental Guide of the Shrine of North America for the ensuing Shrine Year.

... The motion was duly seconded ...

IMPERIAL POTENTATE ANTHONY: It has been moved and seconded that the Imperial Recorder be instructed to cast a unanimous ballot for the election of Everett M. Evans to the Office of Imperial Oriental Guide.

All those in favor please indicate by saying aye; opposed nay. The motion is carried.

Do you accept, Imperial Sir Evans?

IMPERIAL SIR EVERETT EVANS: Imperial Sir, Imperial Sirs, Representatives, Grand Masters and Nobles All: It is with great honor that I do accept and thank Pete for making my nomination. However, yes, I do accept and shall endeavor to continue to do all the good I can for the Shrine and our crippled and burned children.

Thank you very much. (Applause)

IMPERIAL POTENTATE ANTHONY: I should now like to call upon Imperial Sir Jack Jones to present himself at the microphone.

IMPERIAL SIR JACK JONES: Thank you.

Imperial Sir, Imperial Sirs, Worshipful Grand Masters, Illustrious Sirs and My Fellow Representatives: It is really a great honor and pleasure for me to place this gentleman in

nomination—to place his name in nomination because it just so happens that he was my “creator.” He was the one that was Potentate at the time I came into the Shrine in Portland, Oregon.

Therefore, it is a great honor for me to nominate Webber C. Harrington for the Office of Imperial Treasurer.

Imperial Sir, hearing no further nominations, I move you sir that nominations be closed, that the rules be suspended and that a unanimous ballot be cast for Webber C. Harrington for the Office of Imperial Treasurer of the Shrine of North America for the ensuing year.

. . . The motion was duly seconded, was voted upon and declared to be unanimously carried . . .

IMPERIAL POTENTATE ANTHONY: Let me ask you, Imperial Sir Harrington, do you accept?

IMPERIAL SIR HARRINGTON: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters and My Fellow Representatives: Thank you very much. I do humbly accept and I pledge to you that I will devote all the time and attention that is necessary in carrying out the duties of your Imperial Treasurer.

Thank you again. (Applause)

IMPERIAL POTENTATE ANTHONY: Will Recorder Glenn Aiken please come to the microphone.

NOBLE GLENN AIKEN: Imperial Sir, Imperial Sirs and Fellow Representatives: It is again my pleasure to nominate Imperial Sir Jack Jones, to succeed himself as Imperial Recorder.

Imperial Sir, if there be no further nominations, I move that nominations cease, the rules be suspended and Imperial Treasurer Harrington cast the unanimous ballot of this Session for Imperial Sir Jack Jones to succeed himself.

. . . The motion was duly seconded, was voted upon and carried unanimously . . .

IMPERIAL POTENTATE ANTHONY: Let me ask you, do you accept, Jack?

IMPERIAL SIR JONES: Imperial Sir, I do humbly accept and I thank you all so very, very much. (Applause)

IMPERIAL POTENTATE ANTHONY: I would now like to recognize Potentate John James of Sabbar Temple, to please come to the microphone.

ILLUSTRIOUS SIR JOHN JAMES: Imperial Sir, Imperial Sirs and Fellow Representatives: It is my distinct pleasure and personal honor to nominate Imperial Sir Richard “Tony” Bukey as Imperial First Ceremonial Master of the Shrine of North America for the ensuing year.

Imperial Sir, if there be no further nominations, I move you, Sir, that Imperial Sir Jones be instructed to cast the unanimous ballot for Richard L. Bukey as First Ceremonial Master of the Shrine of North America for the ensuing year.

. . . The motion was severally seconded, was voted upon and declared to be unanimously carried . . .

IMPERIAL POTENTATE ANTHONY: Let me ask you, Imperial Sir Tony, do you accept?

IMPERIAL SIR BUKEY: Imperial Sir, Imperial Sirs and Fellow Representatives of the Imperial Council: I do accept and pledge once again to you to give my best efforts to furthering the best interests of our great Fraternity.

Thank you so very, very much. (Applause)

IMPERIAL POTENTATE ANTHONY: Will Illustrious Sir Lloyd Ramick please present himself at the microphone.

ILLUSTRIOUS SIR LLOYD RAMICK [Potentate, Sahara Temple]: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, Distinguished Guests, Fellow Representatives and Nobles All: It is indeed a pleasure for me, as well as a great privilege, to present the name of Burton E. Ravellette, Jr., a Past Potentate of Sahara Temple, who has served this Fraternity faithfully during this past year, for elevation to the Office of Imperial Second Ceremonial Master.

Imperial Sir, hearing no other nominations, I move that nominations be closed, that the rules be suspended and that the Imperial Recorder cast a unanimous ballot of this Imperial Council for the election of Imperial Sir Burton Ravellette to the Office of Imperial Second Ceremonial Master for the ensuing year.

. . . The motion was duly seconded, was voted upon and declared to be unanimously carried . . .

IMPERIAL POTENTATE ANTHONY: Do you accept, Imperial Sir Burt?

IMPERIAL SIR RAVELLETTE: Imperial Sir, Imperial Sirs, Right Worshipful and Most Worshipful Grand Masters, Distinguished Guests and Fellow Representatives and Nobles All: With a humble spirit and a sincere desire to serve you, I am most anxious to continue in office and to continue to serve you and, if you will allow me to do so, I will be pleased and honored to be your Imperial Second Ceremonial Master for the ensuing year.

I do accept and thank you very much for your consideration. (Applause)

IMPERIAL POTENTATE ANTHONY: I will next call Noble Richard Thistle to the microphone.

NOBLE RICHARD THISTLE [Orak Temple]: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, Illustrious Sirs and Representatives All: It is my privilege, in behalf of Orak Temple of Michigan City, Indiana, and "Sonny" Gossett of Hejaz Temple, to place in nomination the name of Imperial Sir Robert Bailey for Imperial Marshal for the ensuing year.

And now, as is the usual custom, there are a number of presentations to be made. I understand also that there are additional presentations not listed in the program. I will ask those with presentations to please come forward and stand to my left.

The first presentation to be made is by Noble Judge Charles S. King, oldest son of Imperial Sir Voris King, and a member of the Habibi Divan.

NOBLE CHARLES S. KING: Dad, I take a great deal of pleasure in presenting to you the Fez which you will be wearing during your term of office as Imperial Potentate.

NOBLE SANDERS: Now, every Imperial Potentate-Elect has been presented the Imperial Potentate's Flag.

Making this presentation this morning is Imperial Sir Jack Jones, Imperial Recorder.

IMPERIAL SIR JACK JONES: Imperial Sir, Imperial Sirs, Distinguished Masonic Guests, Illustrious Sirs, Representatives, Ladies and Nobles and Guests: This morning I have the distinct honor of presenting this beautifully embroidered, personalized flag to the incoming Imperial Potentate.

Imperial Sir Voris, it gives me great pleasure to present to you, on behalf of the Imperial Council of the Shrine for North America, your Imperial Potentate's Flag, bearing the Shrine's Official Seal as well as your name and title.

As you lead this great Fraternity, let this flag stand with our three National Flags and serve as a symbol of your authority and the importance of your high office. Let it also serve as a reminder of our devotion to the principles of Freemasonry and our commitment of service to mankind through the world's greatest philanthropy, Shriners Hospitals for Crippled Children.

Imperial Sir, representing all Shriners everywhere, I present this Fraternal Flag to you with love, respect and best wishes for an enjoyable productive year.

... Presentation of flag and applause ensued...

IMPERIAL SIR KING: Thank you very much, Jack.

NOBLE SANDERS: For several years, the Canadian Temples have made a presentation to the Imperial Potentate-Elect. This year, the presentation will be made by Imperial Sir Ed McMullan, accompanied by Imperial Sir Jack Streight and the Canadian Potentates.

IMPERIAL SIR MCMULLAN: Imperial Sir, Imperial Sirs, Ladies, Nobles and My Fellow Representatives: In 1980, we made the first presentation from the Canadian Temples to Dr. H'Doubler and we have attempted to carry on this tradition ever since and we are very proud, as a small group of Nobles from Canada, less than four percent of the Nobility of the Shrine of North America coming from the North of you in Canada because we have donated, this year, to the Montreal Unit, last year, an excess of \$2 million. I think you all should be proud of this group (applause), as I am proud of them and as I know that Voris has always been very proud to be associated with the Nobles from the North and throughout North America.

Voris, at this time I would like to present to you the Nobility, Officers, Potentates of the various Temples, starting from Vancouver, British Columbia, on the West Coast, which hosted the 1986-1987 World's Fair, with Gizeh Temple, Dr. L. B. Macdonald, Potentate. (Applause)

From Al Azhar Temple, Calgary, Alberta, Canada, I present its Potentate, J. L. McCook. (Applause)

From Luxor Temple, Saint John, New Brunswick, Canada, I present to you its Potentate, Malcolm G. Dennison. (Applause)

From Philae Temple, in Halifax, Nova Scotia, I present to you its Potentate, Bryce W. Gibson. (Applause)

Imperial Potentate-Elect, in behalf of the Canadian Temples, we would now like to make a presentation to you, Imperial Sir Voris, of the Canadian Flag.

I know you will enjoy the fact that it is a ceremonial flag and you can utilize it in your Temple and, I am sure, be very pleased to display it.

They are going to fully display this flag to you at this time.

... Whereupon, a full display of the Canadian Flag ensued ... (Applause)

IMPERIAL SIR MCMULLAN: Let me say that is the flag that represents my country and I know it is also going to be your country now.

Now, as an Officer in the Courts of Canada, I extend to you a welcome to visit every province in Canada. However, there is one stipulation to that, Voris, and that is that you must bring along your own translator. (Laughter)

Also, in behalf of the Canadian Temples, we also have for you this silver tray. Now, this particular tray is very, very unique and I would like to show you what we have on there.

We have the name of every Temple located in Canada.

/This reads—"Presented to Imperial Sir Voris King, Imperial Potentate, 1987-1988, from the Canadian Temples.

Also, we have exhibited on there the Canadian Maple Leaf. I do not want you to take that out and put it on your Fez. However, that is real gold and I would like to have you

accept this in behalf of all of our Canadian Temples, with our love, respect and the honors that you deserve.

... Presentation of silver tray and applause ensued ...

IMPERIAL SIR KING: Thank you very, very much, Ed.

I am highly honored by you and Jack making these presentations and, of course, I will be highly honored as I will be coming to your various Jurisdictions this year.

Again, thank you for this wonderful presentation. (Applause)

NOBLE SANDERS: And now, from the great State of Hawaii comes Illustrious Sir, Potentate Neil Sutherland, who has a presentation to make at this time.

ILLUSTRIOUS SIR NEIL SUTHERLAND: Imperial Sir, Imperial Sirs, Fellow Representatives, Nobles and Ladies All: It has been traditional in Hawaii, for the Hawaiians to present their leaders and very, very distinguished people with the maile lei. Unfortunately, however, when we bring these leis from Hawaii, they grow on the slopes of the mountains on the Island of Hawaii and they would not be able to stand the rigors of the Las Vegas heat. Therefore, we have brought you some carnation leis and I would like at this time to ask the daughter and sons of our Imperial Sir to stand while my wife and the wife of our Chief Rabban present these leis to these folks.

... Presentation of leis to the members of Imperial Sir King's family then ensued ... (Applause)

ILLUSTRIOUS SIR SUTHERLAND: Let me say, you fellows, if you are not used to wearing these around your necks, you may give them to your wives after we leave the stage. (Laughter)

Now, also, as you all know from viewing the movie a few minutes back, your new Imperial Sir is a great fisherman but it is awfully hard for him to take that moving around with him as he goes to visit all the troops this year and so we thought that we would give him a snapshot of his fishing expertise so that he could prove, as he went around the territory, that when he goes fishing that he catches more than a five or six pound fish.

He was in Hawaii earlier this year and he had the opportunity to catch two fifty-pound fish and we would like to ask our Chief Rabban to make this presentation to him, since he is the one that took the picture.

NOBLE HOWARD LAU [Chief Rabban, Aloha Temple]: Imperial Sir, I know that when you caught this fish it weighed forty-five pounds. However, each time the tale is told, the fish tends to keep getting larger and larger. As a matter of fact, the last report I heard was that it was fifty-four pounds. (Laughter)

However, the picture shows the exact weight and we hope you will enjoy carrying this around.

... The above-mentioned picture was presented to Imperial Sir King ...

ILLUSTRIOUS SIR SUTHERLAND: Imperial Sir, I would also like to present to you an album of pictures depicting your activities for the balance of the time that you stayed with us. We hope that you enjoyed our hospitality as much as we enjoyed sharing it with you.

... Presentation of the above-mentioned picture album then ensued ...

IMPERIAL SIR KING: Thank you both so very, very much. I will always remember what a wonderful trip I had to your wonderful country. This even includes the loss of my clothing. (Laughter)

You know, I went out there and came all the way back home and, when I returned, found my clothes laying there because somehow or other, they did not ship them. However, let me say that when you go to Hawaii they take good care of you. They furnished everything.

Thank you so very, very much for your very cordial hospitality and treatment.

NOBLE SANDERS: Now, from our great neighbor to the South, Mexico, we have Illustrious Sir Pieter Baay, who has a presentation to make.

ILLUSTRIOUS SIR PIETER BAAY: Illustrious Sir, Illustrious Sirs, Distinguished Guests: I am deviating from tradition and instead of a large hat I have brought you another gift and that is a set of spurs.

... Presentation of gift ensued ...

IMPERIAL SIR KING: Thank you so very much, Pieter and, of course, I look forward to coming down and visiting with all of you in Mexico.

NOBLE SANDERS: For a number of years, the renowned Patrol of Al Malaikah Temple has made a presentation to the incoming Imperial Potentate. This year it will be made by the Commander of the Units, Dave Haldeman and the Captain of the Patrol.

NOBLE DAVE HALDEMAN: Imperial Sir, Illustrious Sir, Nobles, Ladies and Guests: For some thirty-five years it has been a tradition of the Al Malaikah Patrol to present a swagger stick to the Imperial Sir, which is emblematic of his Masonic and Shrine Career.

It is now my pleasure and privilege to present to you your swagger stick at this time.

... Presentation of swagger stick and applause ensued ...

IMPERIAL SIR KING: Thank you very much for this lovely honor. You know, I have seen this swagger stick presented to my predecessors for the last ten years and I have anxiously been looking forward to the time when I would be also honored by this type of presentation. It has always been one of the highlights of the coronation of the newly incoming Imperial Sir.

Thank you so very, very much. (Applause)

NOBLE SANDERS: A Potentate who assures us he will answer every roll call this year, Illustrious Sir Gene Moberg, Potentate of Tangier Temple, has a presentation from his unit known as the Boone and Crockett Club.

ILLUSTRIOUS SIR GENE MOBERG: Imperial Sir, Imperial Sirs, Illustrious Sirs and Nobles All: On behalf of Tangier Temple Boone and Crockett Club, I would like to make this presentation to you. Let me say that Voris is a member of our Boone and Crockett Club.

... Presentation of rifle then ensued ... (Applause)

ILLUSTRIOUS SIR MOBERG: Congratulations, Imperial Sir King. May your year as Imperial Potentate be all roses.

IMPERIAL SIR KING: Thank you very, very much for that presentation.

NOBLE SANDERS: Now, Nobles, Ladies and Distinguished Guests, we have a special presentation.

Thirty years ago our Imperial Potentate-Elect, Voris King, served as Supreme Counselor or National President of a fraternal organization—the United Commercial Travelers of America, a fraternal organization dedicated to aiding handicapped children. This prestigious organization will be 100 years old in 1988.

Here with us today is the Chairman of the Board from Victoria, British Columbia, Ken King, accompanied by Dan Martin, a Past International President, to make a presentation.

MR. KEN KING: I bring you greetings from the Board of the United Commercial Travelers of America.

I must say that when you were President of the United Commercial Travelers of America, you became the ideal for all of us who have had the opportunity to serve in that office subsequently because we all wanted to emulate what you did for our organization.

One of the greatest things you did was to get the support of all of our members within the organization. You wanted them to work hard for the programs that we had and, during your year, your main program was entitled, "Dig For King."

Now, those words, "Dig For King" meant a lot to us.

Now, in our memorabilia, we have had the opportunity to have the first flag that was made in relation to "Dig For King" and at this time I would like to restore it to its original owner.

... Presentation of flag and applause ensued ...

MR. KING: Also, at this time, I would like to introduce a gentleman I am sure you know, Dan Martin, a Past International President of our organization, for the purpose of making a presentation to you.

MR. DAN MARTIN: Imperial Sir Kingfish, many years ago you gave me something to do. You said, "Dig For King." Well, I did and I went out and won an award.

Now, some many years later, I would like to return it to you in the form of a scroll and I would like to have you read what has been written on this scroll because I am sure you will appreciate the fact that our feelings go along with that plaque.

I know that you need these plaques because I have been in your home several times and the walls are in bare shape. (Laughter)

However, what this plaque denotes is that we congratulate you on your election to the

Office of Imperial Potentate and wish you success as the Imperial Potentate of the Shrine of North America.

Also, we know that this honor is well deserved. Your many friends in the United States and Canada have signed this scroll with a prayer for your continued good health and happiness and I now wish to present it to you.

Let me add that this particular scroll is signed by over 5,000 members of the United Commercial Travelers of America. It, when unfolded, is seventy feet long. When you get around to having more time again, we hope that you will read the names that are indicated hereon.

... Presentation of scroll and applause ensued ...

IMPERIAL SIR KING: Thank you, Dan. I cannot tell you how much I enjoy this presentation from you.

Also, I know that I am at the apex at this point. As a matter of fact, they tell me it is a short distance between the penthouse and the outhouse. (Laughter)

Again, I wish to thank both of you, Ken and Dan, two of my favorite people. Dan and I have been fishing and hunting together. We have been old friends for some forty-odd years. Also, Ken has been a dear friend of mine for many, many years and I appreciate him coming a long way to make this presentation. My thanks to both of you.

NOBLE SANDERS: We have some additional presentations, the first being from Oasis Temple, Noble Calvin Gaddy, Recorder.

NOBLE CALVIN GADDY: Imperial Sir, on behalf of the more than 14,300 Nobles of Oasis Temple, Charlotte, North Carolina, I would like to congratulate you and extend to you our best wishes for the ensuing year.

One of our Nobles, Joe Vale, of the Red Fez Shrine Club, Charlotte, a collector of Dr. Tom Clark to create a Shrine sculpture.

Dr. Tom Clark has been a master of portrait sculptor for more than twenty-five years, a former Davidson College Professor.

He sculpts in soft clay from which a mold is made. Upon completion, the clay original is destroyed when it is actually dug from the mold itself, because each mold is limited to fifty reproductions and each statue in the collection is in essence one piece of a limited edition of fifty castings. Editions thereafter are changed by resculpting.

Each piece is individually hand cast from an original with a special blend of resins, crushed pecan shells and wood chips and are numbered.

It gives me great pleasure to present to you the first of the Shrine sculptures that Dr. Clark has sculpted, which he has entitled, "Shriner and Hope."

... Presentation and applause ensued ...

IMPERIAL SIR KING: Again, thank you so very, very much and please express my appreciation for this gift to the Potentate, the Divan and Nobles of Oasis Temple. Thank you so much.

NOBLE SANDERS: We next present Habibi Temple's own Clown Unit, represented by Noble John Castillow.

NOBLE JOHN CASTILLOW: Imperial Sir, Imperial Sirs, Illustrious Sirs and Nobles All: This man has meant so very, very much to Habibi Temple. He has also been a member of the Clown Unit for many years but we are so glad to have him in his present capacity, about to assume the Office of Imperial Potentate. This just tickles us all.

... Presentation of gift and applause ensued ...

IMPERIAL SIR KING: Thank you very much, John.

NOBLE SANDERS: I would next like to recognize Noble Walter Fallaway on behalf of the Habibi Mecca Cycles.

NOBLE WALTER FALLAWAY: Imperial Sir, on behalf of the Habibi Mecca Cycles, I wish to present to you this gift, which, after what I saw a little while ago, I believe you are going to need.

... Presentations of a duck call then ensued ...

IMPERIAL SIR KING: Thank you very much. I am sure I will be able to use that.

NOBLE SANDERS: And now, from Jerusalem Temple, I would like to present to you Illustrious Sir Jimmy Powell, Potentate.

ILLUSTRIOUS SIR JIMMY POWELL: Imperial Sir, Imperial Sirs, Illustrious Sirs and Distinguished Guests: We were very honored this year in having Imperial Sir Voris with us at our inauguration. We have always enjoyed your friendship and wish for you a very successful year.

Therefore, I want to present to you this picture, which is one of a kind.

... Presentation of picture and applause ensued ...

ILLUSTRIOUS SIR POWELL: Also, let me say that you honored me this year by giving me the first gavel from the oak trees from the hospital at Shreveport and I felt that was a great honor also. Thank you so very much.

IMPERIAL SIR KING: Thank you and all of the members of your Temple for this gift. You have all been so wonderful to me throughout the year.

NOBLE SANDERS: I believe that Past Imperial Potentate Dr. Dan Bowers, wishes to make a presentation.

PAST IMPERIAL POTENTATE BOWERS: Good morning all.

You know, on Sunday morning, Kingfish presented to various individuals a gavel made from a tree taken from the location of our first hospital Unit at Shreveport, Louisiana.

This morning, however, I would like to present to you, Kingfish, the gavel of your authority for your next year. I hope that you will take it with you.

The inscription on it reads—"To Voris King, Imperial Potentate, 1987-1988, from Dr. Daniel Bowers, Past Imperial Potentate."

... Presentation of large gavel and applause ensued ...

NOBLE SANDERS: You know, it is natural for the family of an Imperial Potentate-Elect to want to express their love and affection for their father. The King family is no exception and I would call on Noble Alvin King to make a presentation from all of the Kingfish's children.

NOBLE ALVIN KING: I would, at this time, ask my sister and brothers to come up here and join me.

On behalf of all of us, Dad, we present this watch to you with the appropriate inscription on the back indicating that we all love you and are proud of you.

... Presentation of watch and applause ensued ...

IMPERIAL SIR KING: Thank you all so very, very much. You know that I deeply appreciate this and will wear it with pride during the coming year. Thank you again. (Applause)

NOBLE SANDERS: Finally, all of the Temples of Louisiana—Acacia, Barak, El Karubah, Habibi and Jerusalem, have a presentation to Imperial Sir Voris King.

As the Illustrious Potentates of these Temples come up, I would ask Illustrious Potentate Walter Jessen of Habibi Temple to speak for them.

ILLUSTRIOUS SIR WALTER JESSEN: Imperial Sir, your five Louisiana Temples represented here this morning by their Illustrious Potentates, are pleased to present to you the keys to a 1988 Cadillac.

We hope that you will enjoy this car as much as we all do in presenting it to you and, Sir, we wish for you a most successful year, as do the more than 500 Nobles and Ladies that have come here to honor you as an indication of how much we love you.

... Presentation of keys and applause ensued ...

NOBLE SANDERS: I will now recognize our Imperial Potentate-Elect, Imperial Sir Voris King, who has a couple of presentations and a few remarks and then I will call on our Imperial Chaplain-Designate, Bill King, to close our meeting.

IMPERIAL POTENTATE-ELECT KING: Thank you all so very, very much and has not he been a good Master of Ceremonies? (Applause)

Let me say that Tom is a very dear friend of mine. He lives in Lake Charles, is a lawyer by trade and procrastinates by night. (Laughter)

I have a few presentations that I would like to make at this time.

First of all, Charles King, at this time, I am pleased to make you an Imperial Aide.

... Presentation of Imperial Aides Fez to Noble Charles King ensued ...

IMPERIAL POTENTATE-ELECT KING: Also, to my young son, Alvin King, I am pleased to make you an Imperial Aide, also.

... Applause ensued as an Imperial Aide's Fez was presented to Noble Alvin King ...

IMPERIAL POTENTATE-ELECT KING: Also, to Couch Ratcliffe, one of my dearest friends and my chief fishing buddy, I am also happy to make you one of my Chief Aides.

... Presentation of Chief Aide's Fez and applause then ensued ...

IMPERIAL POTENTATE-ELECT KING: Also, I wish to make a presentation to my middle son, Bill, who will be my Imperial Chaplain for the next year. I would at this time like to present him with his Imperial Chaplain's Fez.

... Whereupon, presentation of the Imperial Chaplain's Fez and applause ensued ...

IMPERIAL POTENTATE-ELECT KING: Also, to Joe Vita, although it is not the first time you have been presented with one of these, but I am pleased to present to you, as my Imperial Director General, your Fez. I appreciate everything you have done for me all along and I know, of course, we are going to have a great Convention in New Orleans next year.

... Whereupon, presentation of the "Imperial Director General" Fez to Noble Vita ensued ... (Applause)

IMPERIAL POTENTATE-ELECT KING: And now, just a few closing remarks.

First of all, I would seriously be remiss if I did not tell you that this was the greatest day in my life. What a tribute it has been to have all of these great people come here from my Temple. Will you all please say hello to me?

... Cheers and applause ensued ...

IMPERIAL POTENTATE-ELECT KING: And I likewise say "hello" to all of you.

Also, my family, I am so pleased to have them here to share this moment with me.

Also, to the Imperial Family, those who I have had the privilege of serving with for some ten years, what a tremendous honor it has been to serve with men like you for the cause that we are working toward. It has been a great year, it has been a great Shrine Mason year and I hope that we can continue to do the great things in the future that we have done in the past.

Now, of course, I know it is late and I do not want to keep you here too much longer but I can only say to all of you, very humbly, very sincerely and very honestly, that I am looking forward to being with all of you during the coming year.

Thank you all very much.

... Rising applause ensued ...

IMPERIAL POTENTATE-ELECT KING: And now, while you are on your feet, I will ask that our newly appointed Imperial Chaplain-Elect please come forward and offer the Benediction.

NOBLE BILL KING: Let us pray.

Almighty God, dismiss us from this Pageant with your love and mercy. May your presence be with each and every one of us and may we ever be aware of the great goal of supporting the work of our hospitals and burn centers and helping all of our children back to health and further hope.

May thy light and wisdom shine upon all of our Imperial Officers and Trustees and all members of Shrinedom as they pursue their respective responsibilities during the coming year and as we all strive to dedicate our service to the service of others.

In your Holy Name we pray. Amen.

IMPERIAL POTENTATE-ELECT KING: That, ladies and gentlemen, concludes our Pageant and thank you all for coming.

... Whereupon, at ten-forty-five o'clock a.m., the Pageant Ceremony was concluded ...

MORNING SESSION
WEDNESDAY, JUNE 24, 1987
ELEVEN-TWENTY-FIVE O'CLOCK A.M.

The One Hundred Thirteenth Session of the Imperial Council reconvened at the Las Vegas Hilton Hotel, Las Vegas, Nevada, at eleven-twenty-five o'clock a.m., Imperial Potentate Russell Anthony, D.V.M., presiding.

IMPERIAL POTENTATE ANTHONY: If you will please take your seats, we will commence with our regular business.

I would like to start off this session in the right manner and call on our Imperial Chaplain, Dr. Herbst, to give us the Invocation.

DR. HERBST [Imperial Chaplain]: As we go into this business session, may we clear our minds so that we may think without confusion clearly; may we look at our motives so that we may act from honest motives purely; may we examine ourselves, one from the other, so that we may act in brotherly love and may we examine our faith so that we may learn to trust in God. Amen.

IMPERIAL POTENTATE ANTHONY: Thank you very much, Dr. Herbst.

You may be seated.

I would now like to call on our Director General, Dick Land, for a few words.

DIRECTOR GENERAL LAND: Imperial Sir, Imperial Sirs and Nobles All: Yesterday we had a slight snafu in our parade and I would like to again apologize for that happening.

One of the biggest problems we have had in putting this Session together was getting information from the individual Temples as to how many people were going to be in the parade and what the lineup order was. It has been a constant, drag-out battle to obtain that information and I personally have called every Potentate and/or Recorder in this organization begging for parade information.

As of this morning, we had a meeting with the Imperial Marshal's Aides and appropriate transportation staff and there are presently some twenty-one Temples that have never picked up their parade manuals. Therefore, I am not going to wear this whole thing on my shoulders.

We are having another meeting of the Parade Marshals this afternoon at two-thirty in Pavilion No. 9, and I would appreciate it if you would get your Parade Marshals over there and we will do our best to give you a parade downtown on Thursday evening which we can all be proud of.

Thank you very much. (Applause)

IMPERIAL POTENTATE ANTHONY: Thank you very much, Dick.

Now, would the two candidates for the Office of Imperial Outer Guard and also their two nominators please come forward at this time so that we may appropriately be able to handle this particular order of business. When they get up here on the platform, I will introduce all of them to you.

Now, while I am waiting and so that you are thoroughly acquainted with the ground rules, let me say that I plan to recess for luncheon as soon as our nominations and our voting have been completed. Does that meet with your approval?

... Cries of "yes" ...

IMPERIAL POTENTATE ANTHONY: Well, okay now.

We have before us here two outstanding candidates and two outstanding nominators. I am going to read their names as they are here in front of me and, seriously, no other way would be fair.

The first individual is Kenneth Smith from Gizeh Temple, and he is going to be nominated by his Chief Rabban, Leslie R. Peterson.

The second Noble is Illustrious Sir Lewis B. Brantley from Morocco Temple and his nominator will be Illustrious Sir Louis O. Frost, Jr., Potentate of Morocco Temple. Let us also give them a big hand.

... Cheers and applause ensued ...

IMPERIAL POTENTATE ANTHONY: And now I will ask these two candidates to come forward to pick a number. I have placed in my Fez slips containing numbers 1 and 2 and that will be the order in which we will choose the nominating procedure.

... Drawing for nominating positions then ensued ...

IMPERIAL POTENTATE ANTHONY: The first individual I will call on is Noble Leslie Peterson.

NOBLE LESLIE PETERSON: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, Illustrious Sirs, Fellow Representatives and Nobles All: I am indebted to my Potentate, Dr.

Macdonald, for the privilege of placing in nomination Gizeh Temple's outstanding Past Potentate, Kenneth Smith, for the Office of Imperial Outer Guard.

Illustrious Sir Kenneth Smith is one of the most dedicated, one of the most hard working Shriners I have had the privilege of knowing.

He is an individual with a very innovative mind and one who has done great things for our Temple.

Now, what I have to say about him is not based on any reading of a resume and I will attempt to not be repetitive to any great extent. However, my testimony is based somewhat on a personal knowledge of him, mainly due to the privilege I have had of being his neighbor. I have also had the privilege of knowing him through membership in other constituent and concordant bodies in Masonry.

During his year as Potentate of Gizeh Temple, the Temple had one of the most successful years in our history attracting, for example, more than 2,000 participants to our Ceremonials—more than half of our total members; and ending with a substantial increase in net membership. Also, the Temple has been able to give the sum of \$337,000 for the benefit of crippled and burned children to help with their travel.

Ken has, insofar as we in Gizeh Temple are concerned, a track record of accomplishment through leadership. He is sensitive to the problems of the Shrine, be it membership or other problems and, as I indicated, has been innovative in seeking solutions.

His energy and enthusiasm are the envy of all of us who work for him. It is great fun to work with him. It is great fun to be associated with Illustrious Sir Kenneth Smith and I do want to express my thanks to the Nobility for the kindness shown to both Ken and his wife, Shirley, in their travels throughout the length and breadth of this great country in recent months.

You know, earlier this morning, there was considerable talk about fishing and I heard some rumors in the hall as well on that particular subject.

I would like to remind you of the fisherman's epithet—"All fishermen are liars except me and thee and sometimes I doubt thee." (Laughter) However, I do have to say that Ken is a good fisherman—much better as a fisherman than a golfer. He is also a very good runner and did represent Canada in the marathon tournament, international tournament in Australia and with considerable success.

Another one of his favorite sports in addition to fishing is football and, as all of you are aware, Illustrious Sir Ken has taken on full responsibility for recruiting Canadian players to that great game each year in January at San Francisco, the East-West Game, and we are extremely pleased that a few more of our boys are participating in that great Shrine event each year.

Illustrious Sir Ken is also a successful businessmen—much to the delight of our Department of National Revenue and your Internal Revenue Service. He is in the transportation business and I am sure that those of you that read that letter that was mailed to each of you are also sure that we in Canada are never sure that, in connection with what we mail out of Canada, is going to get there. However, those of you that received that particular letter will recall that the Premier of the Province of British Columbia did pay tribute to Ken for all he did with regard to bringing transportation to the hinterlands and smaller communities of British Columbia and those of you who have traveled in our country know that this is no mean challenge, especially because of the mountainous terrain we do enjoy.

However, let me say that our Premier did have some kind words in that letter about Ken Smith, both as to his activities in his church and in the community.

I would also like to bring to your attention a letter that has been received from the Prime Minister of Canada, who indicated that he had heard of Ken's activities from the member of Parliament in the area in which Ken lives and wished him well in this endeavor today.

You know, it is not often that we have both federal and provisional governments in agreement on anything in Canada and this is one of those rare occasions when they are supporting Ken Smith.

Finally, to demonstrate the depth of my own feeling as to the abilities and talents of Illustrious Sir Ken Smith, I can tell you that when I am installed very shortly, in September, as the Chancellor of the University of British Columbia, that one of my first priorities will

be to try and persuade Ken Smith to become a member of our Board of Governors because we need his kind of business acumen, his kind of positive leadership in the academic world, just as we need it in our great Fraternity.

So, my Fellow Representatives, I urge you to support Illustrious Sir Ken Smith. He is a very deserving candidate, a very capable candidate, a grass roots Shriner and a Shriner's Shriner.

I urge you to cast your ballot for Kenneth W. Smith.

Thank you very much. (Applause)

IMPERIAL POTENTATE ANTHONY: Thank you very much, Chief Rabban Leslie Peterson.

I will now call upon Illustrious Sir Louis Frost, who will nominate Illustrious Sir Lewis B. Brantley.

ILLUSTRIOUS SIR LOUIS FROST: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, Imperial Representatives, Divan Members and Nobles All: Two hundred years ago, our forefathers, many of whom were Master Masons, met in Convention assembled in Philadelphia to draft a document which would direct the destiny and future of our beloved country.

Today as Shrine Masons, we meet in Convention assembled in our One Hundred Thirteenth Imperial Session to elect a man who will direct the destiny and the continuous Parade to Glory of our beloved Fraternity.

Fellow Nobles, I am proud and honored to recommend to you for your consideration Illustrious Sir Lew Brantley for the Office of Imperial Outer Guard for the Shrine of North America.

If I were to take a survey and ask each of you what qualities you would want your future leader to possess, you would probably list, among others, honesty, sincerity, experience, reliability, leadership, initiative, patience, perseverance, dedication of purpose and an abiding love for our Fraternity and our great philanthropy. In addition, I believe you would want an independent thinker, a man who would be your spokesman and not your boss.

I submit that Lew Brantley possesses these qualities and is such a man.

You know, Patrick Henry once said, "I have but one lamp by which my feet are guided and that is the lamp of experience. I know of no way of judging of the future but by the past."

Lew Brantley would bring with him a wealth of experience, leadership and dedication of purpose to this high office.

I served with Lew for six years as a member of the appointed and elected Divan of Morocco Temple and I have known him personally for more than twenty-five years, dating back to those days when we were both active in the Jaycees. Throughout our long friendship, I can truthfully say that Lew has always given his best in all of life's undertakings.

His entire record of faithful service to his state, community, business, family, church, Masonry and the Shrine is a living testimony to his honesty, sincerity, leadership, dedication and love.

Time will not permit me to elaborate or recite all of his achievements and accomplishments but I am confident that you, being informed Representatives, are well aware of most of them.

In the time remaining, I would like to share with you another side of Lew Brantley.

Like you and I, he is also human. His life has been coupled with its comforts and its hardships, its successes and its failures, its joys and its sorrows. He, too, has faced the bitter and the sweet of human experience and yet his life has been an inspiration to many. It has been a continuous journey of love and service to his fellow man.

He is a fun-loving guy, who is endowed with vision, courage and a profound faith in the Almighty. He is also a very proud man but not too proud to say that he is sorry or that he made a mistake.

Lew is totally dedicated and committed to the high ideals and principles of our Fraternity and our philanthropy, and although there were times when the going got tough, his interest and zeal in our purposes never waned.

You know, Calvin Coolidge once said—"No person was ever honored for what he received. Honor has been the reward for what he gave." Also, the poet may have said it

best when he said—"You give but little when you give of your possessions. It is when you give of yourself that you truly give."

Lew Brantley is a giver and I am confident that Lew will give us his very best. He loves our Fraternity and will serve us well. You can give him that opportunity.

Fellow Representatives, it is a personal privilege and honor for me to place in nomination for the Office of Imperial Outer Guard, Illustrious Sir Lewis B. Brantley.

Thank you very much. (Applause)

IMPERIAL POTENTATE ANTHONY: Thank you very much.

Now, Nobles, in just a moment I am going to have Illustrious Sir James Hathaway come up here and explain the rules as to balloting for this particular election and also for the entire Session.

I am sure that we are going to have many uses made of this ballot book and, before he explains it, I want each and every one of you to sign your official ballot book. If you would do that for me, I would certainly appreciate it.

With that, I will call on Jim Hathaway.

NOBLE JAMES HATHAWAY: Imperial Sirs, Illustrious Sirs and Nobles All: The ballot that will be used is ballot 1 in your book, the goldenrod ballot. Be careful. Please do not tear off any other ballots because we may be using them shortly for other things during the meeting.

Also, please remain in your seats so that our Tellers can collect the ballot and then, after the Imperial Sir has closed the ballot, we will proceed to count the ballots and give you the results as quickly as we can.

Thank you very much.

... Whereupon, balloting and collection of ballots ensued at this point ...

IMPERIAL POTENTATE ANTHONY: Nobles, it has been called to my attention that a lot of the Imperial Representatives are sitting in the area where the general public and non-Imperial Representatives are sitting. This afternoon, when we reconvene, and I do not want you to worry about it now, but this afternoon, when we reconvene, please be sure that you are sitting in your proper places. There are only Imperial Representatives to be seated in this forward area and, if you are an Imperial Representative, that is where you belong.

now, has everyone balloted? Has everyone balloted? One more time, has everyone balloted who chooses to ballot?

I now declare the balloting closed and I will ask the Tellers to proceed with their work in due form. (Gavel)

We will also, at this time, recess until one-thirty p.m.

... The One Hundred Thirteenth Annual Session of the A.A.O.N.M.S. recessed at twelve o'clock noon to reconvene at one-thirty o'clock p.m. ...

AFTERNOON SESSION WEDNESDAY, JUNE 24, 1987 ONE-FORTY O'CLOCK P.M.

The One Hundred Thirteenth Annual Session of the Imperial Council reconvened in the Las Vegas Hilton Hotel, Las Vegas, Nevada, at one-forty o'clock p.m., Imperial Potentate Russell Anthony, D.V.M., presiding.

IMPERIAL POTENTATE ANTHONY: I now declare the Imperial Council Session again open for business in both the Iowa and Colorado Corporations.

I will ask the Chairman of the Tellers to please come forward and give us the result of the election.

NOBLE HATHAWAY: Imperial Sir, Imperial Sirs, Illustrious Sirs and Nobles All: It is a pleasure to give you the results of ballot 1 for the Office of Imperial Outer Guard.

There was a possible 846 votes. Eight-hundred thirty one actually voted. There were no spoiled ballots.

Necessary for choice, 417, of which Illustrious Sir Smith received 357 and Illustrious Sir Brantley received 474.

... Cheers and applause ensued ...

IMPERIAL POTENTATE ANTHONY: Let me ask you, Lew, do you accept?

Well, just a moment, the Chair will recognize Illustrious Sir Ken Smith.

ILLUSTRIOUS SIR SMITH: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, My Fellow Representatives and Nobles All: At this time I would like to have you support me while I cast a unanimous ballot for Past Potentate Lew Brantley. (Applause)

IMPERIAL POTENTATE ANTHONY: I am judging from the applause that there certainly was a second and so I will instruct the Imperial Recorder to cast a unanimous ballot for Illustrious Sir Lewis Brantley.

With that, Lew, let me ask you to come forward and tell us whether or not you accept.

ILLUSTRIOUS SIR BRANTLEY: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, Illustrious Brother Divan Members and Nobles All: To my friend Ken Smith, let me say that I have seen so many sunbursts that I am reluctant to look East. (Laughter)

However, I would like to say to this august body, if I may, that Ken Smith is truly, truly a Noble's Noble and proud to be one. (Applause)

Imperial Sir, as you know, having experienced what Ken and I have just done, you not only compete with the individual who is running against you but you really get close to him. You become a buddy. You help one another. We have both, during this campaign, helped one another and both of us have gained experience from that. When you are stranded, you attempt to help the other individual to get where he is supposed to go. We have not only been in airports across the country but we have driven in snow and heat and all these things that, I know, each of you on the Line have previously experienced.

However, let me say with regard to Ken, that he is a great asset to the Shrine, has a great family.

Imperial Sir, as you know, I am humble and I am grateful to my Temple, to the state and I am grateful for a lot of other reasons that just happened.

IMPERIAL POTENTATE ANTHONY: However, do you accept?

ILLUSTRIOUS SIR BRANTLEY: I certainly do and if you try to take this away from me, I will break your leg, Imperial Sir.

. . . . Laughter and applause ensued . . .

IMPERIAL POTENTATE ANTHONY: I certainly do want to compliment both of these fine Nobles on what a truly professional campaign they each ran and I think that after hearing from both of these gentlemen that we can truly be proud that the Shrine is in good hands. Congratulations to both of you. (Applause)

. . . Business was transacted in the Colorado Corporation at this time . . .

IMPERIAL POTENTATE ANTHONY: It now gives me a great deal of pleasure to call to the microphone a very good friend and a great Shrine Mason, a Past President of Kalurah Temple and who presently holds the esteemed Office of Sovereign Grand Commander of the Ancient and Accepted Scottish Rite, Northern Jurisdiction, Francis G. Paul. (Applause)

Will you please present yourself to the podium?

ILLUSTRIOUS SIR FRANCIS PAUL: Thank you, Imperial Potentate, for the privilege of being able to address this great Shrine group here for just a moment or two.

Illustrious Sirs, Grand Masters (and I see so many of them here), Representatives of your Temples and Nobles All: As I look out here and I am looking right down at four members of Kalurah Temple, I am very proud to see you are in the first row.

That was started three or four years ago. At that time, I was a Representative myself and was very privileged to be here and vote on the very important work and laws that are being changed and considered and being changed here by the Shrine.

However, as a guest today, I want to say, representing almost 450,000 Scottish Rite Masons in our Jurisdiction, I am certainly very pleased and privileged to be here and thank you for the opportunity to be with you as a guest today rather than as a Representative.

Now, I would just like to take an additional thirty seconds or so to tell you that my background has been all in business and I learned long ago, as I think most of you know, that to know what is going on you had better get out in the field where the rubber meets the road. I have been doing that this year and I am very pleased to say that our Valleys are working very hard in relation to what I would call some of the basics and which is something we all had better work hard on before we get into trouble.

Now, one of the things we are talking about is long range planning in relation to our

facilities, our long range planning with programs, etc. We have to improve our programs, our education, our community activities and our membership.

In talking about our membership, I can say this—that I do not have our final numbers as yet but there is one state in the Scottish Rite that has more Scottish Rite Masons this year than last year. I wish I could say it for all of the states within our Jurisdiction but, presently, I can only say it for one of fifteen.

Of course, I know that everybody is working hard to level off.

We have the opportunity in the Scottish Rite to invite Masons to come with us and learn more about Masonry and share in the fellowship that we have in the Scottish Rite.

I have been very privileged to be a Mason and I have enjoyed every step of the way. I have particularly enjoyed my associations with the Shrine, getting through being a Potentate just last year and I am very pleased that you are using the term "Shrine Mason."

I am also very proud, and I find our Scottish Rites out there to also be proud of being Scottish Rite Masons—very proud to be Masons and certainly very proud to be Shriners.

Thank you very much. (Applause)

IMPERIAL POTENTATE ANTHONY: Thank you very much.

We certainly concur, I am sure, that you likewise exemplify all of the attributes of a Shrine Mason in relation to your Masonic and Scottish Rite endeavors.

I would like to call on another Noble who also has many of these attributes and he is Noble Robert M. Walker, Grand Master of the Order of DeMolay.

Would you, sir, address this august body of Shrine Masons, please?

NOBLE ROBERT M. WALKER: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, Representatives to this Imperial Council and Nobles All: I am going to tell you in advance as to how you can keep track of how long I am going to speak. I have three propositions I want to present to you today and, I might add, I present them in the name of the many, many Nobles and other Masons throughout this country and Canada who devote so much of their lives to working with the young men of DeMolay.

Proposition one. Some people think that our generation, your generation and mine, is leaving a poor legacy to the next generation and, in a way, they are right.

I have with me a cartoon which came from a newspaper that has more writing than pictures in it but I will take just a moment to read it to you.

It is captioned, "The Reading of the Will," and it reads: "Dear Kids, We, the generation in power since World War II, seem to have used up pretty much of everything ourselves. We have kind of drained all of the resources out of our manufacturing industry so that there is not much left there. The beautiful old buildings that were built to last for centuries were torn down and replaced with characteristically inexpensive structures and you can have them. We did build a Social Security and pension system but that was just not for us. In fact, the only durable thing we did build was toxic dumps."

Now, this goes on and enumerates quite a bit more but I think there is some truth to this.

Proposition two. These people are only partly correct for we, the inheritors of our civilization and especially we as Masons have another legacy to leave—it is a legacy which says to our young people that we are creatures of God, that we are not all powerful; that because we are creatures we are brothers one with another and we have moral values that are important in life—moral values like reverence for parents and for saner things—courtesy, fidelity, patriotism—and I think most of you know where that particular aspect enters into it.

You know, we as Masons have a heritage to pass on which says that these moral values are important in life.

Proposition three. To do the most effective job of passing on that heritage we not only have to reach out to the generation that Dr. Anthony has been talking about so clearly all year, the generation of those in the age group from twenty-five to forty-four years of age, but we have to reach through them to the young men here in their teenage years.

I told some individuals the other day that DeMolay is the Shrine's future. I think there is some truth in that. I think there is some truth in the proposition that the DeMolay is the future of the Craft but then that is not the important reason why we need your support in relation to DeMolay.

The important thing is that the business of Masonry, right down from the earliest of days, has been to teach our young people how to build a good, moral life—not just how to build buildings such as they did back in the 1300s, but where they taught them to live as well.

The modern day equivalent for that, as you know as Masons, is the Order of the DeMolay.

I cannot close without expressing, in behalf of my brethren, in behalf of the Supreme Council, to our advisors throughout the country, our deep and profound appreciation to the Imperial Shrine for the constant, steadfast and major support they have given us over the years and, of course, we are most profoundly grateful for that.

Now, we would extend to all of you in your local Shrine Temples the challenge to take part in and to follow the example of the Imperial Shrine.

Our teenage youth today are the most vulnerable and also the most open to good moral leadership. We can provide it, we are providing it. We need your help back home to continue with that.

Thank you very much. (Applause)

IMPERIAL POTENTATE ANTHONY: Thank you very much.

Now, let me say that in the interest of time or under no circumstances are we going to cut off the presentation of any of our program participants and the presentation of reports but I am going to ask our next participant, Imperial Sir Jack Jones, if he would now first make a few announcements that are very important to us all and then follow that with his DeMolay and Masonic Development report.

... Whereupon, brief program announcements were made by Imperial Sir Jones at this point ...

IMPERIAL POTENTATE ANTHONY: Will you please, Jack, continue with your report on Masonic, DeMolay and Shrine Development.

IMPERIAL SIR JONES: Imperial Sir, Imperial Sirs, Distinguished Masonic Guests, Illustrious Sirs, Representatives and Nobles: As General Chairman of Masonic, DeMolay and Shrine Development, I am pleased to have the opportunity at this time, to give a few remarks concerning an organization that is very important to all of us, the Order of DeMolay.

First let me report on the membership status of DeMolay.

In 1986, DeMolay in the United States, had a net loss of 5,391 and closed 171 Chapters. Their present membership of 59,900 is down considerably from its peak of over 165,000 in 1965.

Canadian DeMolay is in a similar situation, with their current membership standing at less than 1,000 in all of Canada.

However, let me emphasize at this point that the decline in membership is not a result of the DeMolay leadership sitting on their hands doing nothing. The Officers and Supreme Council members are working very hard to reverse the trend but they cannot do it alone. They need the help of all Masonic Family organizations. Their greatest need is adult leadership at the local Chapter level. In some areas, they also have financial and other needs.

I realize that many Shrine Temples are providing a tremendous amount of help to the DeMolay within their Jurisdictions and that, of course, is very much appreciated. Please keep up the good work.

Last April, Imperial Potentate, Dr. Russell Anthony, sent a letter to each Potentate strongly urging his Temple to support a DeMolay assistance program that would encourage Shrine Clubs to become actively involved with the DeMolay Chapter or Chapters in their respective communities.

The Imperial Sir's letter further stated that he is aware of the extremely busy schedule a Potentate has during his year in office and recommended that the Assistant Rabban be appointed as coordinator for the Temple. This would maintain Divan prestige and emphasis on the project. The letter contained more specifics, which I will not cover at this time. However, I am delighted to report that I have heard numerous encouraging remarks about the program.

Some of you may be wondering why so much emphasis on DeMolay lately. Well, I suppose you would have to say there are several reasons and I will just mention a couple.

First, let us look at it from a rather selfish standpoint—where is there a greater source of raw material for future Shrine Masons?

Second, DeMolay, along with the Rainbow for Girls and Job's Daughters, are Masonic youth organizations and so they are very much a part of our Masonic Family.

Third and most important, it is a character building organization. It teaches all those things that are good—love of God, love of parents, love of country. It teaches brotherhood and to be clean in thought, word and deed. We all know that most of today's young people need more of this type of teaching.

A good reason for that remark was very well stated last February at the Conference of Grand Masters of North America, held in Calgary, Alberta. In his presentation to the Grand Secretaries, Brother Carl Stenberg, Right Worshipful Grand Master of Masons in Pennsylvania and a Director for the National Masonic Foundation for the Prevention of Drug and Alcohol Abuse Among Children, brought some rather startling information into focus. He reported that according to the 1986 issue of Prevention Parent Line, the top seven discipline problems in public schools in the 1940s were: Talking, chewing gum, making noise, running in the halls, getting out of turn in line, wearing improper clothing and not putting paper in waste baskets.

The top seventeen discipline problems in the 1980s are: Drug abuse, pregnancy, rape, assault, arson, murder, vandalism, gang warfare, venereal disease, alcohol abuse, suicide, robbery, burglary, bombings, absenteeism, extortion and abortion.

Gentlemen, that is a vast change in two short generations and there is no way to know where we will be in the next generation. Today there is a lot of competition for a boy's time and interest and so DeMolay has to bid for both.

The existence of a healthy DeMolay organization is important not only to our Fraternity but to the future of our country's as well. The formative years of a young person are very critical. Youth, properly influenced, is our nation's and our Fraternity's greatest asset. Improperly influenced, it can, without a doubt, become one of our greatest liabilities.

DeMolay can provide that proper influence. If your Temple is not already involved with DeMolay in your area, please contact your state or province Executive Officer or local DeMolay official and if you cannot get in touch with either, contact me in Tampa.

Imperial Sir and Representatives, that concludes my report and thank you for your kind attention. (Applause)

IMPERIAL POTENTATE ANTHONY: Thank you, Imperial Sir Jack.

Do you move for its adoption?

IMPERIAL SIR JONES: I would move for its acceptance.

... The motion was duly seconded and, there being no further discussion, was voted upon and unanimously carried ...

... Business was conducted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE ANTHONY: Now I am going to call on Imperial Sir Edward McMullan for a report of the Fund Raising Committee.

IMPERIAL SIR McMULLAN: Thank you very much, Imperial Sir.

Imperial Sir, Imperial Sirs, Illustrious Sirs, Worshipful Grand Masters, Distinguished Guests and Nobles: I am very pleased to have this opportunity to report on the activities of your Imperial Temple Fund Raising Committee since our Session, when this committee was originally formed. A great many things have happened since then but time will not allow me to cover every item.

Most of you were in attendance at the Seminar School of Instruction last March held in Des Moines, where I gave a rather extensive presentation on fund raising requirements for both fraternal and charitable purposes. During the next few minutes, however, let me briefly reemphasize some areas covered at that time and bring you up to date on recent developments.

First, let us define the two types of fund raisers—charitable and fraternal.

Charitable fund raisers are where the proceeds benefit Shriners Hospitals for Crippled Children or Shriner Hospital patient transportation funds.

Fraternal fund raisers are where the proceeds benefit the Temple which, in turn, may distribute them as it sees fit. For example, profits may be disbursed to the Temple general

fund, a building fund, to clubs and/or units, to Shriners Hospitals for Crippled Children, to local community or Masonic related projects just as DeMolay, Masonic Homes, etc., or any combination thereof. I am sure all of you are familiar with Sections 335.3 and 503.6 of the Imperial Bylaws relating to the use of the name Shriners Hospitals for Crippled Children. However, it is possible that you may not be as familiar with the law of the land, that is, the laws of the jurisdiction where the activity takes place, which includes national, state or provincial and local laws that may apply to any type of fund raising.

Make no mistake about whose responsibility it is to ensure compliance with Shrine Law and the law of the land. This heavy burden rests squarely on the shoulders of the Temple Potentate. He should seek counsel from the Temple Attorney but the ultimate responsibility rests with the Potentate.

[Slide]: In order to assist the Temple Potentates in carrying out their responsibility concerning fund raising, a pamphlet was developed entitled, "Shrine Fund Raising—Policies and Procedures." The pamphlet elaborates on General Order No. 2 issued last November and contains complete details for conducting charitable and fraternal fund raisers, including examples of tickets, ads, etc., and checklists for both types of fund raisers.

A copy of this pamphlet was placed in your packet and every Temple will be mailed a copy for each member of the elected Divan. I strongly recommend that you order sufficient copies for each Officer of all of your clubs and units and for any Nobles responsibly involved with fund raising activities. However, please do not order any more than you reasonably require.

The back page of the pamphlet contains two check lists.

[Slide]: This slide shows "The charitable fund raiser check list." It asks:

1. Has written permission been obtained from the Temple Potentate and the Imperial Potentate and the Chairman of the Board of Trustees?
2. Has the Temple Potentate reviewed and approved any necessary contracts?
3. Has the appropriate insurance been obtained?
4. Has the Temple Potentate examined all solicitation and promotional material to assure compliance with Shrine law?
5. Have national, state/province and local laws been complied with?
6. Has a Statement of Purpose been included on all tickets, solicitation and promotional materials, including newsletters to the Nobility?
7. Has the charity activity form been completed and returned to Headquarters within sixty days of the activity?

[Slide]: And here is the fraternal check list, which is somewhat similar to the charitable list.

1. Has written permission been obtained from the Temple Potentate?
2. Has a copy of the approval been sent to the Imperial Recorder?
3. Has the Temple Potentate reviewed and approved any necessary contracts?
4. Has the appropriate insurance been obtained?
5. Has the Temple Potentate examined all solicitation material to assure compliance with Shrine Law?
6. Have all national, state/province and local laws been complied with?
7. Has a Statement of Purpose and the Hospital Disclaimer been included on all tickets, solicitation and promotional material, including Temple publications?

The pamphlet also shows examples of tickets properly marked with the Statement of Purpose for both types of fund raisers.

[Slide]: This slide shows an example of a ticket for a charitable fund raiser. Note that it has the statement of purpose which denotes that proceeds are for the hospitals and the editorial without words—a Shriner carrying a child—which implies that proceeds are for Shriners Hospitals for Crippled Children.

[Slide]: This slide shows an example of a ticket for a circus as a fraternal fund raiser. Note the Statement of Purpose and Hospital Disclaimer. If the proceeds from this circus were for a Shrine Club or a building fund, etc., it should so state. But, most importantly, if the proceeds are not 100 percent for the hospitals, it must have the disclaimer.

While on this slide, I would also like to bring to your attention the size of the printed

statement of purpose and hospital disclaimer. General Order No. 2, paragraph 3(b) states that every fund raising activity which is not for the benefit of Shriners Hospitals for Crippled Children or Shriner Hospital Patient Transportation Funds shall prominently state on the solicitation material, tickets and documents that the proceeds from this activity are not for the benefit of Shriners Hospitals for Crippled Children.

Some tickets and other regular size promotional material that I have seen contained print so small you can hardly read it without a magnifying glass. This will not be acceptable.

[Slide]: This next slide shows a good example of a page insert, sometimes called a "filler," for any type of program book for a fraternal fund raiser. This and other stories about our hospitals containing the disclaimer are available through the Public Relations Department in Tampa.

In closing, I would like to bring to your attention one other item covered in the new pamphlet that applies to any type of fund raising activity. It simply says that ads and/or announcements in Temple publications must include a statement indicating the major entity benefitted by the proceeds of an activity.

For example, a Shrine Club puts on a circus and retains the proceeds for its building fund. Naturally, in this case, the Shrine Club would be indicated as the beneficiary of the proceeds and the statement should read—"Proceeds from this event benefit XYZ Shrine Club building fund and not Shriners Hospitals for Crippled Children."

If you ever have any questions regarding the proper procedures for fund raising, please communicate with our Executive Director, Charlie Cumpstone, in Tampa, or Imperial Sir Jack Jones. His address and phone number are listed in the pamphlet.

Thank you for your kind attention.

Imperial Sir, I would move for the adoption and receipt of this report.

... The motion was duly seconded and, there being no discussion, was voted upon and declared to be unanimously carried ...

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE ANTHONY: It is now my duty and pleasure to call upon the Chairman of the Imperial Membership Committee to make his report to you at this time.

Imperial Sir Tony Bukey, will you please make your report to this body at this time?

IMPERIAL SIR BUKEY: Imperial Sir, Imperial Sirs, Worshipful Grand Masters, Representatives and Nobles of the Imperial Council: Your Membership Committee has, for the last year, been working on ways and means to reverse the trend that started in 1979, of escalating membership loss.

Our net losses in the period 1979 through 1986 have been just under 100,000 or slightly more than ten percent in those eight years. The only conclusion we can draw from this is that we have a serious problem in our Fraternity.

The problems we have of gaining and holding members are many and varied, some of which we, as an organization, cannot control.

I, as Chairman, met with the Imperial Divan in August and discussed plans to lead the Membership Committee in a new direction than it had taken in the past. On August 6th, I sent a memo to all Imperial Officers, Past and Present, and all Trustees, outlining my plans and asking for their input. Several offered suggestions that were considered by your committee.

Imperial Sir John VerMaas and I conferred with Imperial Sir Burton Ravellette, former Membership Chairman, and Jack Jones, Imperial Recorder and Chairman of Shrine Development, to select the members to serve on this committee. On August 18, 1986, a letter was sent to those members advising them of their appointment and asking for their participation. They all accepted except one. He, after seeing the direction of the committee, expressed a desire to help, which was accepted.

Over the next several months, the committee reviewed and analyzed information that had been gathered by past committees. We also went to outside sources, such as the Harris Poll Report done for the Shrine several years ago. We also solicited and received information from some other organizations. We had our own Data Processing Department develop additional information we felt we required.

Imperial Sir Jack Jones, Imperial Recorder, supplied us with the information he had

developed over the past several years. The Executive Director, Charles Cumpstone, furnished information from his files that was helpful.

Having gathered the information necessary, a meeting of the Membership Committee was held on October 10, 1986, at Headquarters in Tampa. Goals were set and a plan was developed to achieve them.

It was decided that the committee would take a more aggressive role in trying to implement a plan of affirmative action. A Position Paper on Shrine Membership Crises was distributed to the Regional Directors. It was decided that if our plans were to develop, it should be presented to the Representatives at an early date so they could consider it and offer their suggestions.

The committee decided to present the plan to the Representatives at Des Moines, at the Seminar School of Instructions, on March 2nd, as it would allow time for the final proposals to be drawn for consideration at this session.

I met with the Jurisprudence and Laws Committee and the Chairman of the Jurisdictional Lines Committee, Dr. Rudy Posey, on March 13th and asked for their help in drawing legislation that would create an atmosphere in which we can grow without seeking accommodation from any other body and not at the expense of any Temple. The proposed changes to our Bylaws that are the result of your committee's efforts this past year are in the Call as items 3, 6 and 12.

Again, realizing that these are important changes, I felt it necessary to send each Representative a letter on April 24 to outline the proposals. A letter was also sent on May 24, as well as an article inserted in the latest copy of "Between Sessions."

Since arriving in Las Vegas, I have appeared before the Jurisdictional Lines Committee and the Dispensations and Charters Committee to discuss these changes. The Membership Committee feels that these changes are the necessary first step to rebuilding our Fraternity and I hope you will join me in voting in favor of these changes.

In addition to the changes proposed by your Membership Committee, there are other very important proposals in the Call that require your careful and objective consideration that will have profound impact on the future of the Shrine.

We challenge you to be the generation of leaders that make the decision to take charge of our own destiny. It requires all of your courage, love, dedication, sacrifice and wisdom because we have to become competitive and grow again.

Thank you.

Imperial Sir, I would move for the adoption of this report.

... The motion was duly seconded, was voted upon and declared to be unanimously carried ...

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE ANTHONY: I will now turn the microphone over to Illustrious Sir Walter Pettit, Chairman of the Jurisprudence and Laws Committee.

NOBLE WALTER PETTIT: Imperial Sir, Imperial Sirs, Representatives and Nobles: It is my pleasure now to present to you for your consideration the membership package of the Membership Committee of the Imperial Council.

I would direct your attention first to item 12 on page 20 of the Call.

I will now proceed with the reading of the report of the Jurisprudence and Laws Committee concerning this item.

To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, item number 12 on Call of the Annual Session of 1987, located on page 20 of the Call. It is a proposal to amend S.329.3 of Article 29 of the Bylaws of the Imperial Council, an Iowa Corporation, so that it will read as follows:

ARTICLE 29

Dispensation and Charter for New Temple

§329.3 Required Signatures and Effect on Other Temples.

(a) General. The petition must be signed by 1,000 Nobles and the membership of any Temple in the same Jurisdiction or the nearest Temple in another Jurisdiction must not be reduced to less than 3,000 members by the withdrawal of the petitioners for dispensation.

(c) Exceptions. Notwithstanding the requirements of subsection (a), dispensation may be granted;

(1) In any state in which there is no Temple or in the capital city of Canada or in unoccupied territory, upon a petition signed by 300 Nobles.

(2) In any state in which the petition is approved and supported by all other Temples in the state or the Dispensations and Charters Committee, upon a petition signed by 500 Nobles.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Respectfully submitted,

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon Graves Trumbo of the Dispensations and Charters Committee for its report.

IMPERIAL POTENTATE ANTHONY: The Chair recognizes Illustrious Sir Graves Trumbo.

NOBLE GRAVES TRUMBO: To the Representatives of the Imperial Council: There has been referred to your Committee on Dispensations and Charters item 12 which appears on pages 20 and 21 of the Call. It is a proposal to reduce the number of Nobles needed to petition for a new Temple, as recited to you in the report of the Committee on Jurisprudence and Laws which was just read to you.

A hearing was held before your committee on June 21, 1987. As a result of the hearing, your committee was able to make several findings with regard to membership in general and this proposal in particular. We hereby share them with you.

For several years, membership in the Shrine has been declining. Voices have been raised to reverse the alarming trend, but no voice has articulated a significant proposal to accomplish this end. Past efforts at increasing membership have involved jingles, baubles and prizes. The results were dismal. Now, for the first time, a substantive proposal is being offered to the Representatives.

At the outset, your committee wants you to know that the proposal in the Call, though substantive, is not revolutionary. The 500 signature requirement has been in effect for many years in Canada. It has resulted in the gradual introduction of new Temples into our Order. Now, the Membership Committee of the Imperial Council is asking you to expand this concept to the rest of Shrinedom. Your Dispensations and Charters Committee unanimously endorses and supports the proposal.

The proposal will allow areas with a strong Masonic population to offer new Temples for your consideration, in a step-by-step manner. We emphasize step-by-step because this committee is satisfied that there will be no more than one to two proposals for new Temples a year. Obviously, the areas with strong Masonic populations will first have to be identified. Then, an analysis will be made to determine what effect a new Temple will have on the "mother" Temple. Finally, a careful review will take place to determine whether a new Temple will be in the best interest of all Shrinedom.

Your committee has also considered whether the gradual addition of new Temples under this proposal will have a significant impact on the Iowa budget. We are satisfied that it will not inasmuch as there will be no dramatic increase in Temples in any given year. As a result, as each new Temple is brought into our system an ongoing fiscal evaluation can be made by the Finance and Accounts Committee.

In summary, Nobles, keep in mind that this proposal allows for the creation of a new Temple in a state or province on a petition signed by 500 Nobles ONLY WHEN:

1. The petition is supported by all Temples in the state or province; or
2. The petition is supported by the Dispensations and Charters Committee of the Imperial Council.

However, in the final analysis, each recommended petition for a new Temple must be presented to you, the Imperial Representatives, for consideration. No new Temple can ever be formed unless you grant your approval to it.

All members of the Imperial Committee on Dispensations and Charters encourage your support of this proposal.

Respectfully submitted,
COMMITTEE ON DISPENSATIONS AND
CHARTERS

Imperial Sir, if there are no questions concerning this report, I recommend that you now call upon Illustrious Sir Howard E. Smith for the report of the Jurisdictional Lines Committee.

IMPERIAL POTENTATE ANTHONY: The Chair now recognizes Illustrious Sir Howard Smith of the Jurisdictional Lines Committee.

Just a moment, I believe we have a Representative at the microphone on the floor.

NOBLE PETTIT: Let me ask, for what purpose does the Representative rise?

ILLUSTRIOUS SIR J. D. BOWMAN [Potentate, Al Amin Temple]: I would like to ask a question of the Dispensations and Charters Committee.

Can the word "or" be changed to "and"?

... Cheers and applause ensued ...

ILLUSTRIOUS SIR BOWMAN: I ask that because what you do with this is that you disenfranchise other Shriner Associations and, after all, we know what is best in our own particular areas.

IMPERIAL POTENTATE ANTHONY: Just a moment, Illustrious Sir. The Chair will rule you out of order, at least for the time being and we will get back to you at the proper time.

I will now call on Howard Smith.

NOBLE HOWARD SMITH: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisdictional Lines, a proposal to amend item 12 in the Call of the Session which has been previously read to you.

Your committee met in joint session with the Committee on Dispensations and Charters and later in Executive Session. After a full discussion, your committee concurs in the report of the Dispensations and Charters Committee which was just read to you and unanimously recommends that the proposed amendment be adopted.

If there are no questions concerning this report, I suggest you call on Imperial Sir Tony Bukey for an appropriate motion.

IMPERIAL POTENTATE ANTHONY: The Chair will recognize Imperial Sir Tony Bukey.

IMPERIAL SIR BUKEY: Imperial Sir, I would move the adoption of item 12 in the Call.

IMPERIAL POTENTATE ANTHONY: Is there a second to the motion?

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE ANTHONY: The matter is now properly on the floor and, if he would like to do so, I would like to first extend an opportunity to Imperial Sir Bukey to speak on this mainly because he is the Chairman of the Membership Committee.

IMPERIAL SIR BUKEY: Yes, Imperial Sir, I would like to speak to this proposition.

First of all, let me say that you just cannot charge the membership of your Imperial Divan to set the course.

Now, in an effort to become effective in the marketplace and to grow, we have attempted and done a lot of research—attempted to bring the results of our research before this body in relation to a proposition that we feel is fair.

For example, the one little change that was just requested here, changing the word “or” to the word “and,” that really does not change one little thing and, further, if that were done, it would make the whole thing absolutely worthless.

What we are saying to you as a responsible group of Representatives of the Shrine of North America, is that you have a challenge to do something through some responsible legislation being presented here today and, further, the two committees that have been involved with this and which have just reported out, have endorsed this legislation without opposition as being in the best interest of the Fraternity.

Now, we are suggesting that rather than people who have a subjective point of view and who will defeat things as they have done for many years, we are suggesting you look at this whole item on an objective basis and act in the best interest of the organization.

Therefore, Imperial Sir, I would hope that this proposal would pass as it is.

IMPERIAL POTENTATE ANTHONY: Thank you.

And now, in the interest of fairness, I am going to recognize, at this time, Illustrious Sir Duke Bowman from Al Amin Temple mainly because I declared him out of order just previous to this and so I am going to put him back in order at this time.

ILLUSTRIOUS SIR BOWMAN [Potentate, Al Amin Temple]: For clarification, Fellow Representatives, my proposal is that the word “or” be changed to “and” because you do disenfranchise the state organizations and you do not take into consideration, so many times, as to what it is going to do to another Temple. Of course, I know you think you do but you are not out on the ground and you do not understand what we are faced with today on the ground.

Of course, you get all kinds of stories when these people come up here but, in some cases, they are not telling the truth.

I know, for example, that this particular thing came about last year with us.

Our problem is that we have a membership to the point that if this is exercised, it will take away from us one-quarter of our membership and, therefore, we do not think it can be worked, at least in our area.

Therefore, Imperial Sir, if I may be permitted to do so, I would like to propose an amendment to this—namely, that the word “or” be stricken and the word “and” substituted therefor.

IMPERIAL POTENTATE ANTHONY: Is there a second to the motion?

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE ANTHONY: The motion has been seconded and is therefore now in order to be discussed.

Let me ask, is there anybody at the microphone who would care to discuss the pro and con with regard to the amendment that has just been proposed?

First of all, is there anybody in opposition?

IMPERIAL SIR BUKEY: I would like to speak in opposition to this amendment as offered by the Potentate of Al Amin Temple.

If we do this and continue presenting more amendments to the Bylaws, then this will give us absolutely no potential to ever grow. What we have created up to this point is something that has existed for many years.

What this is saying is that once a Temple gets started, our research reflects that when a Temple gets started, they will have a vitality about them—they will have a nucleus that will permit them to grow.

Now, I submit to you that the organization within which we are now sitting, the Imperial Council of the Shrine of North America, I submit to you that supersedes our responsibility to our individual Temples to make the Shrine as a whole healthy and put it back on the road to growth.

Therefore, on that basis, I strongly oppose the amendment. Thank you.

IMPERIAL POTENTATE ANTHONY: Thank you, Imperial Sir Tony.

Now the Chair will call for discussion from a proponent of the amendment.

ILLUSTRIOUS SIR GILBERT L. MARTIN [Potentate, Omar Temple]: Imperial Sir, I must agree and be in support with the amendment because, if passed with the word "or" therein, then this piece of legislation has the potential for sounding the death knell for Omar Temple.

We certainly, of course, support the growth and expansion of the Shrine of North America and we have worked very hard to that end. We have been working very hard in order to enable our Temples to expand and grow. However, we must be in opposition to the word "or" and in support of the word "and" and, further, if the amendment is passed as presented, then my Temple stands ready to support the legislation.

Thank you, Imperial Sir. (Applause)

IMPERIAL POTENTATE ANTHONY: Now, is there anybody who wishes to speak in opposition to the amendment?

If not, there is a Representative here who wishes to speak in the affirmative.

Please proceed.

ILLUSTRIOUS SIR DAVID ESANCY [Potentate, Aleppo Temple]: I would just like to say, Imperial Sir, that Imperial Sir Tony Bukey feels that the Temples do not know what is best for Shrinedom and I would personally oppose anything which would take away local rights. I believe that the Shrine could best be served if this amendment were adopted and so I speak in favor of it.

Thank you. (Applause)

IMPERIAL POTENTATE ANTHONY: Now, I would like to ask—are there any opponents to the amendment as stated by Illustrious Sir Duke Bowman?

I will recognize the Representative at microphone 1.

NOBLE CARL GARNY [Chief Rabban, Tripoli Temple]: I would like to ask the Jurisprudence Committee for clarification.

If that word, for example, is changed to "and," does it allow a state to control its destiny in that it must have unanimous support before the Dispensation and Charters Committee can act in that manner?

IMPERIAL POTENTATE ANTHONY: I will call on Illustrious Sir Walter Pettit to answer that.

NOBLE PETTIT: That is the ruling and perception of the Chairman of Jurisprudence and Laws.

IMPERIAL POTENTATE ANTHONY: Thank you for those comments.

ILLUSTRIOUS SIR E. N. BLAKE [Potentate, Abba Temple]: I believe our Temple could be adversely affected the same as the Potentate of the Temple in Texas indicated, if this legislation passes as written. However, with the insertion of the word "and," I feel we could live with it.

Now, as I understand it, the way the question was answered just previous to this, it is not necessary to have a unanimous vote, I would say, for all Temples in our state to approve the establishment of a new Temple in our territory, did I understand that correctly?

IMPERIAL POTENTATE ANTHONY: Yes, that is correct.

ILLUSTRIOUS SIR BLAKE: Then, in that case, Abba Temple would be in favor of the legislation provided the amendment is approved as presented by Duke Bowman.

Thank you, sir.

IMPERIAL POTENTATE ANTHONY: I believe that Judge Cooper from the Jurisprudence and Laws Committee would like to make a comment.

NOBLE COOPER: Imperial Sir and Imperial Sirs, I normally do not take the microphone for any purpose other than as a member of the Jurisprudence and Laws Committee. However, on this occasion, I am speaking as a Representative primarily because the impression that one or two people are leaving with you.

It does not become automatic if "or" is left in there and after consideration by the Dispensations and Charters Committee, a recommendation is made for issuance of a Charter, then that final decision rests with you and not with any committee. Therefore, if there are any people in a state that have information they consider to be of importance, the Dispensations and Charters Committee is available to them at any time.

That is the purpose of it—the purpose of having you come before the committee—in other words, to make you search your soul to see whether what you are doing is a matter that is purely selfish or one in the interest of the entire Nobility.

However, please do not forget that you as Representatives have the final decision as to whether any Charters are ever granted or not granted and not the Dispensations and Charters Committee and not even whether all of the Temples in a state decide that this should be done. In the final analysis, all of this still rests with you.

IMPERIAL POTENTATE ANTHONY: Thank you very much.

. . . At this point, the question was severally called for . . .

IMPERIAL POTENTATE ANTHONY: The question has been called for. What I would like to do is that inasmuch as this is such an important item that we are voting upon, I would like to have you all, inasmuch as this is the Year of the Shrine Mason, vote your convictions as you have often done here and before in your various Blue Lodges, Scottish and York Rite bodies, by voting by the sign of a Mason when voting, raising your right hand.

Therefore, let me ask that all those in favor of the amendment as presented, please now raise your right hands. It is only the amendment we are voting on and not the original motion. This is the amendment that was presented by Illustrious Sir Duke Bowman, to change the word from "or" to "and." Down hands. Now, down hands, and those in opposition to the amendment now please raise your hands. I will declare that the amendment carries by the necessary required majority.

We now have before us for a vote the original motion as amended.

Again, is there any discussion on what is before us, either pro or con?

. . . The question was again severally called for . . .

IMPERIAL POTENTATE ANTHONY: The question has been called for and so we will again vote as Masons when voting.

All those in favor of the motion as amended please raise your right hand; all those opposed now please raise your right hand. I will declare the motion as amended carried by the necessary two-thirds majority. (Gavel)

The Chair will now call on Illustrious Sir Ted Corsones from the Jurisprudence and Laws Committee.

ILLUSTRIOUS SIR CORSONES: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, item number 3 on Call of the Annual Session of 1987, located on page 16 of the Call. It is a proposal to delete S.208.9(b)(1) of Article 8; amend subsection (a) of S.323.4 and delete the remaining subsections of S.323.4 of Article 23; amend subsections (a), (b) and (c) of S.328.2, delete S.328.4, create a new S.328.4, amend subsection (a) and (b) of Section 328.6, delete subsections (e) and (f) of S.328.6, all of Article 28, so that the remaining sections and subsections, as amended, will read as follows:

ARTICLE 23 Temple Membership

§323.4 Residence. A petitioner need not be a resident in the Jurisdiction of the Temple to which he applied.

ARTICLE 28

Temple Jurisdiction and Waivers

§328.2 Extent.

(a) Unless otherwise determined in Part IV of these Bylaws, the territorial jurisdiction of each Temple, for all purposes except the initiation of new members, extends in all directions to one-half the distance by direct line between itself and the nearest Temple.

(b) In no case can jurisdiction extend beyond the limits of the state in which the Temple is located unless there is an agreement between it and the other Temples affected, or upon the vote of the Imperial Council in accordance with S.328.3(d).

(c) Temples in the same state may agree upon concurrent jurisdiction within the state or an equitable division of their territory for all purposes except the initiation of new members.

§328.4 Waivers. No waiver is required from any Temple for the initiation of any petitioner for membership.

§328.6 Where petitioner must apply.

(a) A petitioner may petition any Temple of the Imperial Council, A.A.O.N.M.S. for initiation.

(b) A Temple retains jurisdiction over a petitioner until his initiation, but no longer than one year.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon Illustrious Sir Doug Mayes of the Jurisdictional Lines Committee for its report.

IMPERIAL POTENTATE ANTHONY: The Chair will recognize Illustrious Sir Doug Mayes of the Jurisdictional Lines Committee.

NOBLE DOUG MAYES: To the Representatives of the Imperial Council: There has been submitted to your Committee on Jurisdictional Lines, item 3 in the Call. It is a proposal by the Membership Committee of the Imperial Council to delete Section 208.9(b)(1) of Article 8; amended subsection (a) of Section 323.4 and delete the remaining subsections of Section 323.4 of Article 23; amend subsections (a), (b) and (c) of Section 328.2, delete Section 328.4, create a new Section 328.4, amend subsection (a) and (b) of Section 328.6, delete subsections (e) and (f) of Section 328.6, all of Article 28; be adding and deleting certain language so that such Sections and subsections, as amended, will read as presented to you in the report of Jurisprudence and Laws. The sole purpose of the proposed changes is to permit the initiation of new members in the Temple of the initiate's choice, without changing other aspects of any Temple's jurisdiction.

Your committee met with the Imperial Sir Richard L. "Tony" Bukey, Chairman of the Membership Committee. After a full discussion of the proposal, your committee is of the opinion that the proposed amendments set forth in item number 3 are in the best interest of Shrinedom and unanimously recommends that item number 3 be approved.

Imperial Sir, if there are no questions concerning this report, I recommend that you call on Imperial Sir Tony Bukey for an appropriate motion.

IMPERIAL POTENTATE ANTHONY: The Chair recognizes Imperial Sir Tony Bukey for an appropriate motion concerning this item.

IMPERIAL SIR BUKEY: Imperial Sir and Representatives to the Imperial Council: I move the adoption of item 3 as indicated in the Call.

... The motion was severally seconded ...

IMPERIAL POTENTATE ANTHONY: It has been moved and seconded that item 3 as presented in the Call be adopted.

Is there discussion?

I would first like to call on Imperial Sir Tony Bukey for his comments.

IMPERIAL SIR BUKEY: Again, Representatives, this is item 3 and I would like to speak to this item.

In relation to the first meeting of the Membership Committee back in October of last year, we met for about eight hours at Tampa and we considered all of the options open to the committee and to the Shrine itself and, further, in order to stimulate growth in our membership, once again we studied a lot of facts and we looked at a lot of options.

Now, we had a program that we presented to you at the Seminar held in Des Moines and, after some discussion, you sent out a very positive statement in opposition to what we had proposed at that point. Well, we then took it back to the committee and rethought the whole thing in relation to how exactly we could accomplish all of this without putting you at risk or putting your Temple at risk.

This, I believe, is an opportunity to enable us to accomplish the goals that we have and to be able to do it without putting you, the Temples, at risk.

Simply stated, we are saying to a person who wants to become a Shriner, "Welcome, friend, where do you want to go in?"

Through this procedure, it costs you nothing—you give up nothing because you have the same opportunity as every other Temple in North America to solicit that individual for membership.

If you do not and someone does, then you, in turn, should not put a barrier in front of this potential member.

I submit that it is a good compromise to a question that we are all concerned with and I would urge you to adopt it.

Thank you.

IMPERIAL POTENTATE ANTHONY: Are there any comments in relation to this?

ILLUSTRIOUS SIR BOWMAN [Potentate, Al Amin Temple]: I have a question, Imperial Sir.

In relation to Temple Jurisdiction and waivers, Article 28, Section 328.2(a), it says—"Unless otherwise determined, the territorial jurisdiction of each Temple, for all purposes except the initiation of new members, extends in all directions to one-half the distance by direct line between itself and the nearest Temple."

Now, my question is this—that I have a Shrine Club 150 miles away—the nearest Temple is 150 miles away. I only have jurisdiction for seventy-five miles and so now what do I do?

IMPERIAL POTENTATE ANTHONY: Imperial Sir Tony, would you care to answer that?

IMPERIAL SIR BUKEY: Well, what you are referring to at this point is not a part of our amendment. This is not a part of our proposal. This is just stating the Bylaws as they exist. What you are asking about does not relate to this amendment.

Am I not right in that sense, General Counsel or Jurisprudence and Laws?

NOBLE PETTIT: As the legislation suggests and I hope we made it clear to you, there certainly and absolutely is no change in your jurisdictional lines from that which you have

now to that which you would have if this amendment is passed. You are right where you were before.

IMPERIAL POTENTATE ANTHONY: I would now like to have microphone 3 turned on and I will ask the Representative there to state his name and Temple.

ILLUSTRIOUS SIR R. C. EISENMANN [Potentate, Zor Temple]: My question is this—what do we tell a current Noble who is near a Jurisdictional Line when he requests a demit from your Temple so he can reapply to the Temple that is closer to him—if we allow a candidate to come from any area and apply to that particular Temple?

NOBLE PETTIT: Again, it is not our perception of this legislation that it would change in any way, shape or form a Noble's right to demit or to deny other things.

It simply is a matter which is directed to those Masonic members not now members of any Temple Jurisdiction—is directed to those who already have the requisite for membership in the Shrine.

Your Nobles will not have any change in relation to this proceeding, nor would your Temples with respect to this.

ILLUSTRIOUS SIR EISEMANN: Well, I guess you have not answered my question.

My point is this—if you allow a member to come from any Temple or area and then you turn around and tell the Noble he cannot demit to come to this Temple, you need some reason for it.

NOBLE PETTIT: If you move from Tucson to some other part of the country and you want to affiliated with that Temple, you have then the right to seek a demit and to go with that new Temple. However, at that point, you do not have a right to affiliate with that Temple while you are still living in the Jurisdiction in which you became a member.

IMPERIAL POTENTATE ANTHONY: I would like to make a comment, if I may.

This is at least my interpretation of this and, of course, you can take it for whatever it is worth.

I think that the point that Imperial Sir Tony is trying to make and also Walter Pettit, is that this will have no bearing on the Nobles that are already a member of your Temple at the present time. This affects only those new members that want to join our Order.

ILLUSTRIOUS SIR EISENMANN: I do not understand that.

My question is that if they are under Jurisdictional Lines, why should not they have the opportunity to demit and go to the closer Temple? You are giving the candidate that same option.

IMPERIAL POTENTATE ANTHONY: Well, that question I am going to refer back to my esteemed colleague.

IMPERIAL SIR BUKEY: This proposition simply creates an opportunity for saying to a new man who might want to join our Shrine, that we are not going to tell him where he has to join. He can join, for example, where his friends are. It does not matter. However, with respect to all other matters, the Jurisdictional Lines as defined in the Bylaws currently are still in existence. We have not taken one thing away from you. You still have the same opportunity to try to recruit that man to your Temple.

IMPERIAL POTENTATE ANTHONY: I am going to move back to microphone 2.

Again, for the record, would you state your name and Temple.

NOBLE JAMES T. SINGLEY [Hamasa Temple]: First of all, let me say that I am against the proposal.

As you well know, I think by virtue of our past association together, I have, for many years, tried to tell you and these people that when you have no jurisdiction in your Charter, you have nothing to carry to the bank.

Further, when you have no jurisdiction; you have no control over anything.

By virtue of the fact that this amendment would take away from the Temple's control of its members, it is in effect saying to the Temple, "You no longer have exclusive jurisdiction within your territory—the only thing you have is the right maybe to charge some poor fellow with some alleged misconduct because of those Jurisdictional Lines and you do not have anything else."

As a matter of fact, under these circumstances, you are just a housekeeper down there now and, further, if you pass this thing, you become a janitor for that area.

... Laughter and applause ensued ...

IMPERIAL POTENTATE ANTHONY: I am going to ask you to limit your discussion but I do not want to cut you off.

NOBLE SINGLEY: However, let me go just a little bit further. (Laughter)

When you gave these Temples Charters that were exclusive, that was in reality a contract, a wholly documented one, where you agreed that the Temple you gave that Charter to, if they were to go into that territory, spend their monies, build a Mosque, do all of the things they-do to promote Shrinedom, they would have exclusive jurisdiction therein.

It has been, ever since I can remember, inviolate. It is a contract. It takes both parties to cancel it.

Now, without the consent of that Temple, you cannot change that contract and I would almost say that you cannot change it until you can show that the Temple breached it by not carrying out its responsibilities.

IMPERIAL POTENTATE ANTHONY: Again, Illustrious Sir, I do not want to cut you off and so I am going to give you fifteen more seconds.

NOBLE SINGLEY: Please, sir, I have to say one further thing and I think the Parliamentary will give me the right to complete my argument.

I have, in my own personal life, had occasion to have clients who had businesses where they had exclusive jurisdictions and the grantor of that exclusivity wanted to break it and our codes have long provided that he cannot do that unless he wants to sue that franchisee and, further, that is what the Temple is, a franchisee and it has the right to itself to enforcement of its contract and so you just cannot change it by something like this.

... Applause ensued ...

IMPERIAL POTENTATE ANTHONY: Thank you very much.

Let me say, gentlemen, I certainly appreciate all your comments but we must remember here that if we take too much time, we are not going to be able to get everything in.

Now, are there any proponents who wish to speak?

Just a moment, microphone 3.

PAST IMPERIAL POTENTATE WARREN WECK: Imperial Sir and Imperial Sirs and Representatives, you have retained the right to amend these Bylaws and change them as you see fit with regard to Jurisdictional Lines. However, the point that I want to make is this, that things have changed over the years—you no longer can force an individual to join a particular Temple, especially if he has a friend, relative or business associate at a particular Temple that he wants to join.

The idea in relation to all of this is to attempt to create more Nobles. You just cannot force an individual to join a particular Temple. As a matter of fact, time and time again I have seen this in my own area where, for example, you say, "He has to belong here, he cannot get a waiver." When you say that to him, he says, "Well, forget it."

Thank you. (Applause)

IMPERIAL POTENTATE ANTHONY: I believe we have Illustrious Sir Ed Maag here at the microphone and he wishes, I believe, to ask a question. Therefore, I will recognize him.

NOBLE EDWARD G. MAAG [Past Potentate, Ainad Temple]: Imperial Sir, at this point, I am neither a proponent nor an opponent concerning this legislation. However, let me say that I have listened to this debate up to this point and I think it would help the assembled Representatives if the Chairman of the Jurisprudence and Laws Committee would please answer this question.

Let me ask you, Walter, if this legislation is adopted, would any Temple in Shrinedom be entitled to come into my Temple's Jurisdiction by a mass mailing of Masons and solicit the Masons in my territory in Southern Illinois to belong to, for example, Al Aska, Al Malaikah or Aloha Temples? (Applause)

NOBLE PETTIT: The answer to the question is "yes."

ILLUSTRIOUS SIR MAAG: Thank you, sir.

IMPERIAL POTENTATE ANTHONY: Well, okay.

I would now ask that microphone 1 be again turned on at this point.

ILLUSTRIOUS SIR MCLYNN SHARPE [Potentate, Kazim Temple]: Imperial Sir, I am against the amendment.

We have a very unique situation in our Temple.

For example, being Potentate, I live 220 miles away from the Temple. I am closer to three other Temples than I am to my own Temple but they are not within the State of Virginia.

My question is this—that it seems to me that 328.2 is in conflict with 328.4.

IMPERIAL POTENTATE ANTHONY: The Chair at this time recognizes Imperial Sir Bukey.

IMPERIAL SIR BUKEY: Imperial Sir, I would like to make a motion to table for further study.

... Cheers and applause and cries of "no, no" ensued ...

IMPERIAL POTENTATE ANTHONY: Please be in order.

A motion to table is always in order and there is no discussion.

Therefore, when I put the question, you can either vote for or against the motion to table.

I am going to ask you all to vote by the voting sign of a Mason.

Just a moment, was there a second to the motion to table?

... The motion was duly seconded ...

IMPERIAL POTENTATE ANTHONY: We have the motion to table, which has been seconded. Now, those in favor of tabling please raise your right hand; now those opposed. The motion to table has lost.

We will now go to microphone 3.

NOBLE JAMES FULGHUM [Oasis Temple]: Imperial Sir, I speak in opposition because primarily, in most of my Shrine life, I have spent most of that in fund raising for our hospitals, as has our Temple, and I believe we have done a great job in relation to the Carolinas.

Of course, I realize that the change does not authorize multiple solicitation within a Temple's Jurisdiction but, certainly, I do not see how it can be controlled. It appears to me that if we have multiple membership soliciting the same public, we are going to send a confusing image to the public, at least in my opinion. Therefore, the cure that we are attempting to engender will be far more deadly than the disease.

... The question was, at this point, severally called for ...

IMPERIAL POTENTATE ANTHONY: The question has been called for and I am going to put the question.

... Cheers and applause ensued ...

IMPERIAL POTENTATE ANTHONY: Again, there has been a call for the question and so I am going to recognize it.

All in favor signify by raising your right hand.

... Cries of "In favor of what?" ...

IMPERIAL POTENTATE ANTHONY: We are talking about the proposed amendment.

All against the proposed amendment raise your right hand.

... Cries of "no, no" ...

IMPERIAL POTENTATE ANTHONY: The motion fails.

Well, we are going to make sure you understand and so I would like to read item 3.

What you have just voted down is item 3, which reads as follows.

... Whereupon, item 3 was again read ...

IMPERIAL POTENTATE ANTHONY: That is it.

Now, all right, there seems to be some confusion here. Do I hear a point of order?

REPRESENTATIVE [Hasan Temple]: I have a question, Imperial Sir.

Can the presiding officer call for the question without the affirmative vote of the delegates?

... Cries of "no, no" ...

IMPERIAL POTENTATE ANTHONY: The body had already called for the question. There was a real loud call over in this (indicating) section. (Laughter)

REPRESENTATIVE: However, does that have to be voted affirmatively by the delegates?

IMPERIAL POTENTATE ANTHONY: No.

The answer to that question is "no"—they can call for the question at any time and we can shut off debate.

The Chair did not think he should have any more debate because all the debate that was presented was all on one side and not on the other.

... At this point, the question again was severally called for ...

IMPERIAL POTENTATE ANTHONY: Just a moment, microphone 1.

ILLUSTRIOUS SIR KENNETH LIBBY [Potentate, Kora Temple]: I would like to refer to what Imperial Sir Bukey said, namely about the dramatic presentation made at Des Moines, Iowa. Also, I asked this question in Des Moines.

IMPERIAL POTENTATE ANTHONY: Excuse me. Will you repeat what you said?

ILLUSTRIOUS SIR LIBBY: I have a question that I would like to ask of Imperial Sir Bukey.

IMPERIAL POTENTATE ANTHONY: On this legislation?

ILLUSTRIOUS SIR LIBBY: Yes.

IMPERIAL POTENTATE ANTHONY: However, it has already been defeated.

ILLUSTRIOUS SIR LIBBY: However, I do have a question and I would like to be heard. It has to do with the bricks as given out at Des Moines.

I would like to know what the cost of those were?

. . . Cheers and applause ensued . . .

IMPERIAL POTENTATE ANTHONY: Just a moment, Illustrious Sir. The Chair rules you out of order on this point at this time. If it is germane to a certain issue, well then, yes, we will call upon you. If it is germane, we certainly will.

We are attempting to be fair to everybody but, on the other hand, if you are going to refer to something like that, then it must be presented at the proper time. However, I cannot tell you that this is the proper time.

Now, with that, the Chair will recognize the Representative at microphone 2.

REPRESENTATIVE: Imperial Sir, a point of clarification.

Do I understand that we just defeated the item as presented in the Call?

IMPERIAL POTENTATE ANTHONY: That is correct.

REPRESENTATIVE: Well, then if it is defeated, let us move on to something else.

. . . Cheers and applause ensued . . .

IMPERIAL POTENTATE ANTHONY: Well, all right, we will. I am on your side. (Laughter)

I am now going to call on Judge Cooper for the presentation of item 6. Well, first of all, I am going to turn the microphone over to the Chairman of the Jurisprudence and Laws Committee.

NOBLE WALTER PETTIT: Imperial Sir, Imperial Sirs and Representatives: Again, this is the report from the Jurisprudence and Laws Committee and is addressed to the Representatives of the Imperial Council: I have before me a written request to withdraw item 6 which appears on page 18 of the Call for the Annual Session. It reads as follows:

"I hereby request the permission of this Imperial Council Session to withdraw item 6 on the Call for the Annual Session of 1987."

It is signed by Imperial Sir Tony Bukey, Chairman of the Imperial membership Committee, on behalf of all its members.

Imperial Sir, the request to withdraw requires the unanimous consent of the Representatives. Therefore, I recommend that you ask the Representatives whether or not they grant their unanimous consent to the withdrawal and, if they do, I move that the Jurisprudence and Laws Committee and any other committee to which this proposal has been referred be discharged from further report.

/S/ Walter S. Pettit, Jr.

Chairman, Jurisprudence and Laws Committee

IMPERIAL POTENTATE ANTHONY: We are going to call for a voice vote on that issue.

First of all, was there a second to the motion?

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE ANTHONY: Very well.

All those in favor of withdrawal of this item signify by saying aye. Is there anyone in opposition? Very well, I will declare it unanimously carried and the item will be therefore withdrawn.

I am now going to call on Noble Buckaway to present the report from Jurisprudence and Laws concerning item 9 on the Call.

NOBLE BUCKAWAY: To the Representatives of the Imperial Council: There has been

referred to your Committee on Jurisprudence and Laws, item number 9 on Call of the Annual Session of 1987, located on page 19 of the Call. It is a proposal to amend S.325.4 of Article 25 of the Bylaws of the Imperial Council, an Iowa Corporation, so that it will read as follows:

ARTICLE 25

Officers; Their Election or Appointment

§325.4 When elected. Each Temple may elect its Officers and Representatives at its stated meeting in December, installation to take place at its Annual Meeting in January. It must elect such Officers and Representatives no later than its Annual Meeting in January.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Respectfully submitted,
COMMITTEE ON JURISPRUDENCE AND
LAWS

Walter S. Pettit, Jr., Chairman
Robert E. Cooper
Theodore Corsones
Robert C. Lake
William A. Buckaway, Jr.
Gerald L. Davis
J. M. Tingle

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon the proposer, Illustrious Sir H. Jim Lemmon, for the appropriate motion.

IMPERIAL POTENTATE ANTHONY: The Chair recognizes Illustrious Sir Jim Lemmon for an appropriate motion.

ILLUSTRIOUS SIR LEMMON: Imperial Sir, I would move for the adoption of Section 325.4 as it pertains to the Officers, their election or appointment.

IMPERIAL POTENTATE ANTHONY: Is there a second?

... The motion was duly seconded ...

IMPERIAL POTENTATE ANTHONY: We have a second to the motion and at this time I will again recognize Illustrious Sir Lemmon.

ILLUSTRIOUS SIR LEMMON: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters and Representatives: This change in the Bylaws does not change the current requirement that a Temple elect its Officers and Representatives no later than its Annual Meeting in January. What this change does, however, is it gives the Temple the option of electing their Officers and Representatives in December and installing them at the Annual Meeting in January.

Again, I repeat—that this change in the Bylaws gives the Temple the option to elect in December. It does not require any Temple to elect at that time.

There are many reasons why a Temple might choose to elect in December but primarily to provide for a smoother transfer of the Officers elected into the ensuing year and that would be such preparation as identification of the new Oriental Guide, photography publication, letterheads, etc. Additionally, it gives the Chief Rabban time to complete his budget and to consider his appointments during the thirty-day period after he has been elected and prior to his installation.

As I said, the election does not change the tenure of time for the sitting Potentate.

Now, if there are no further questions, Imperial Sir, I would move that Section 325.4 of Article 25 as it pertains to Officers their election or appointment, be adopted as it appears in the Call.

... The motion was duly seconded ...

IMPERIAL POTENTATE ANTHONY: The motion has been duly made and seconded.

Is there any discussion?

... The question was severally called for ...

IMPERIAL POTENTATE ANTHONY: Do you want to hear discussion?

I will recognize microphone 2.

ILLUSTRIOUS SIR EVERETT W. LARSON [Potentate, Sesostri Temple]: I would like to offer an amendment to this.

Instead of the installation taking place at the Annual Meeting in January, I would like to have it amended to have the installation take place during the month following January. This, in turn, will allow the Temples who desire a separate installation to have one rather than having it handled at a stated meeting, as this change would indicate.

I make that as an amendment.

IMPERIAL POTENTATE ANTHONY: Is there a second to the amendment?

... The amendment was duly seconded ...

IMPERIAL POTENTATE ANTHONY: Is there discussion on the amendment?

NOBLE PETE GRIFFIS [Hamasa Temple]: Imperial Sir, I am speaking against the amendment because I also had an amendment that I wanted to make which would read like this. (Laughter)

I think all of you Recorders know that you like to get things out of the way as soon as possible so that you can get started with your new year and not wait until February to install the Officers because, at that time, two months would have gone by and they will not have had an opportunity to start their policies.

Therefore, I hope you will defeat this amendment and I will make an amendment at that time to install them the night of the election in December, effective to take office January 1.

... Cries of "no, no" ...

NOBLE GRIFFIS: Well, I know all of you are courteous (laughter) but let them be installed right after they are elected.

You know, we follow that same procedure here at the Imperial Council Session. We also do it at the Dixie Shrine Association and at other Associations. You have your election and then you immediately install them.

I believe that the Recorders would like to have an opportunity to be able to install in December. On that basis, they can get their policy set. Further, the Potentate of the Temple generally has things he wants to do in January.

Also, if you want him to wait until February, then you ought to give him a ten-month year.

I do not think the amendment before us is fair and I hope that you vote against that amendment. If you do, then I would like to make this other amendment.

... The question on the pending amendment was then severally called for ...

IMPERIAL POTENTATE ANTHONY: The question has been called for on the amendment and so we are going to vote upon the amendment itself.

NOBLE PETTIT: In order to clarify, the amendment is in relation to the words "Annual Meeting," that they be changed to read "To take place during the month of January." This is the amendment upon which you are now voting.

IMPERIAL POTENTATE ANTHONY: Apparently, Walt, there seems to be some confusion here. Do you wish to present that again?

NOBLE PETTIT: The wording would then read as follows:

"When elected, each Temple may elect its Officers and Representatives at its stated meeting in December, installation to take place during the month of January. It must elect such Officers and Representatives no later than its Annual Meeting in January."

That is the wording that you have before you.

IMPERIAL POTENTATE ANTHONY: Well, okay.

Now the Chair is going to request a vote on the amendment.

ILLUSTRIOUS SIR LEMMON [Hella Temple]: Let me say that that is acceptable to me.

IMPERIAL POTENTATE ANTHONY: The maker of the original motion said that he will accept the amendment.

All those in favor of the amendment signify by saying aye; opposed please say nay.

Well, I guess I am going to have engage in a little hand raising here.

All of you in favor of the amendment as stated by Illustrious Sir Pettit and proposed by the Illustrious Noble at microphone 2, please raise your right hand. Now those opposed to the amendment please raise your right hand. I will declare it passed by a simple majority because that is all that is required. (Laughter)

Thank you very much.

Now, we have to vote on the original motion as amended.

... The question was again severally called for ...

IMPERIAL POTENTATE ANTHONY: Just a moment, Nobles, it appears as though we are in trouble because our Parliamentarian wants to ask a question.

NOBLE LAMDIN [Past Potentate, Boumi Temple]: I would like to ask this question of the Chairman of Jurisprudence and Laws—namely, if what we have just done is not already covered in Section 328.3, which reads, "The Officers shall be installed immediately after election or at the first succeeding meeting for the Temple in accordance with the Ceremony of Installation."

NOBLE PETTIT: Let me say that those are separate provisions of the Bylaws. I think they can be separately interpreted and the interpretation is correct and, therefore, that may be an option for the Temple, even upon the passage of this amendment.

NOBLE LAMDIN: Just a moment.

IMPERIAL POTENTATE ANTHONY: I am not clear—I do not understand what is going on here. (Laughter)

NOBLE LAMDIN: Well, Imperial Sir, I understand. However, I would again like to read the first line here which says—"The Officers shall be installed immediately after the election."

Now, as I interpret this, you can elect and install in the same month.

IMPERIAL POTENTATE ANTHONY: Thank you.

I will recognize our General Legal Counsel, Ted Corsones.

NOBLE TED CORSONES: The reason that the amendment is before you in the first place is because the proponent of the amendment wanted the discretion for those Temples in North America that wish to have their election in December, that they may have this discretion. That is the meaning of the proposal.

Therefore, the proposal as amended and which is presently before you is in proper form—and that is to allow, if you so vote by the required two-thirds vote, to allow the election to take place in December with the installation to take place in January because, as Sewell just said, you do the installation in January anyway.

However, the proposal is valid.

NOBLE LAMDIN: I accept your explanation.

General Counsel has explained it but as Bob Turley has often said, "I can explain it to you but I cannot understand it for you." (Laughter)

IMPERIAL POTENTATE ANTHONY: Well, I am going to be frank with you. I just do not understand it but I do have to understand it.

Is there any further discussion?

Well, all right, my fellow Nobles and Shrine Masons, let us vote for this with a raising of your right hand.

All in favor of the motion as amended please raise your right hands; now, those opposed to the motion as amended raise your right hands. I will declare it carried by the necessary two-thirds vote.

Now, Nobles, I believe that our Imperial Recorder, Jack Jones, has an important announcement concerning the Parade Marshals.

... Whereupon, Imperial Sir Jones announced the time and place of a meeting to be held concerning the Parade Marshals on the following morning ...

IMPERIAL SIR JONES: Also, Imperial Sir, a report of the Shrine Rooms-East and a report of the Shrine Rooms-West Committees have been received. I move you, Sir, that you ask this Imperial Council Session to grant you permission to print their reports into the Proceedings of this Session rather than to read them at this time.

June 1987
REPORT OF THE SHRINE ROOMS EAST COMMITTEE
Las Vegas, Nevada

TO THE IMPERIAL POTENTATE, IMPERIAL DIVAN AND IMPERIAL REPRESENTATIVES TO THE 113TH IMPERIAL COUNCIL SESSION, A.A.O.N.M.S.

Your committee is pleased to submit its report on the administration of the Shrine Rooms East, located in the George Washington Masonic Memorial for the year June 01, 1986 through June 01, 1987.

The Committee met twice during the year, October 13, 1986 and June 01, 1987. Both meetings were held in the North Room of the George Washington Masonic National Memorial, they were well attended and all business was properly discussed and appropriate action taken as required.

Items notable of reporting are as follows:

A complete inventory of items both on display and in storage along with the annual report was forwarded to Shrine Headquarters by Chief Custodian Frank L. Dority on June 01, 1987. All displays and memorabilia are in excellent condition.

The dioramas of the Orthopaedic Hospitals in Tampa, Florida and Cincinnati, Ohio would be a welcome addition and dioramas of any of the Hospitals being remodeled or built would be welcomed.

On February 09, 1987, the old slide projector equipment in the Hospital Room was replaced with an RCA 45 inch diagonal color trak 2000 projector TV, model PRC 500 with an RCA wireless remote control VRS video recorder, model VLT 270 and newly built electronic and mechanical controls necessary to operate the new unit. It is a tremendous improvement compared to the old equipment and the updated data makes a much better presentation to the public.

On April 27, 1987, the Robert Shaw Controls Company made a complete maintenance inspection of the air conditioning system and found it to be in good working condition.

During the past year we were pleased to receive caravans from Acca, Al Chymia, Alhambra, Bahia, Jaffa, Melha, Palestine and Zembo Temples. 388 Nobles and their Ladies represented the eight Temples and we are of the opinion that the efforts of the Public Relations Office in Tampa is partly responsible for this increase and we trust that this will be a continuing program.

A total of 46,973 people signed our visitors register during the period of this report. This is an increase of 3,734 over the same period last year.

Our Fez case now displays 189 jewelled Fezzes. The most recent addition was received from Acadia Temple, U.D., Baton Rouge, Louisiana in October 1986. The display is representative of each Shrine Temple in North America and is a most impressive display.

Expenditures which are now reported on a calendar year basis, were \$44,655.00 for 1986.

The Committee concludes this report by conveying to the Custodial Staff our sincere thanks for the effective and efficient manner in which they present the Shrine Rooms East to the public and by expressing to the Imperial Potentate our appreciation for permitting us to serve in this capacity.

Respectfully submitted,

INTERNATIONAL SHRINE ROOMS WEST

TO THE IMPERIAL POTENTATE, IMPERIAL DIVAN AND THE IMPERIAL REPRESENTATIVES.

Your committee is pleased to report for the year June 6, 1986 to June 4, 1987.

Many items have been added to the Museum this past year.

Two cases are filled with memorabilia from the state of Alaska and Al-Aska Temple to mention a few.—A 5 million year old Mastodon Tusk, 5000 year old Fishing Spears and Sinker, made from Walrus Tusk and a beautiful Seal Skin. Past Imperial Potentate Gene Bracewell's cannon is on display in the East Room. Also, a Fez from each of our 188 Temples, four Binders on a shelf with a picture of each Fez, the name and meaning of the name of each Temple.

Two beautiful Tapestries, one of Past Imperial Potentate Frank S. Land and the other of Past Imperial Potentate Barney W. Collins.

The Slide Projector was put into operation showing pictures of Shrine parades and hospital research and patient care at five second intervals.

In the library will be found many books on Masonic, Shrine Scottish Rite and York Rite History, and Imperial Sessions Proceedings.

In two cases will be found plates with nursery rhymes used when the San Francisco Shriners' Hospital for Crippled Children was opened in 1923.

Figurines made by the patients in our hospital, with the aid of the hospital staff.

The Model Train was converted to a transistor operation and two trains can be operated at the same time by children from the hospital by remote control.

Imperial Potentate Russell H. Anthony D.V.M. visited the Museum on May 31, 1987. One of the items of interest to the Imperial Sir was the map of North America; by pushing buttons, lights show the location of our Eastern, Central and Western Shrine Temples. Other buttons show the 19 Orthopedic Hospitals, the three Burn Centers and the three Spinal Cord Injury Clinics.

An Altar, in the East Room, with the Holy Bible, the Koran and the Veda on display. By the Altar are the three flags of North America—United States, Canada and Mexico. Also, two Manikins in ceremonial robe.

Many items relating to Masonry, Scottish Rite and York Rite are in the Fraternal Room. In a niche in the West Room will be found a Potentate's Fez from the 19 Temples in the Western Shrine Association.

In one of the small rooms off the West Room will be found scrap books from 1888 to 1958 that have pictures and newspaper clippings of Shrine affairs of bygone years.

Three cases with memorabilia from Past Imperial Potentates; and two saddles, one that belonged to Past Imperial Potentate Barney Collins and the other to Past Imperial Potentate Peter Valpreda; a beautiful carved teak wood table and a redwood burl table, a redwood burl plaque with a crescent mirror. Goblets from 1895 to 1908 from Syria Temple for Imperial Sessions of the Shrine. A carving on a 100 year old acacia wood from the Philippine Islands with caricatures of Masons going up the Masonic ladder into the Shrine and a football player with a little child, the East West game motto "No Man Stands So Tall as When He Helps a Crippled Child."

The Museum is interesting to young and old, Masons and the general public.

The above are just a few of the hundreds of memorabilia in the Museum. Please visit your Museum during the East West Football Classic on January 16, 1988.

Fraternally,
Lee L. Aslanian
Chairman

IMPERIAL POTENTATE ANTHONY: Is there a second?

... The motion was duly seconded ...

IMPERIAL POTENTATE ANTHONY: Is there any discussion?

... There being no discussion, the motion was voted upon and declared to be unanimously carried ...

IMPERIAL POTENTATE ANTHONY: Now, Nobles, will you please take your seats. I do want to have us stay here a little bit longer. We do have a certain amount of items that must be taken care of.

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE ANTHONY: Now, I believe there is one final announcement to be made by our Imperial Marshal.

... A brief announcement by the Imperial Marshall ensued ...

IMPERIAL POTENTATE ANTHONY: I will now recess this Session until nine a.m. in the morning.

... The One Hundred Thirteenth Annual Session of the Imperial Council A.A.O.N.M.S., recessed at four-fifty o'clock p.m. to reconvene at nine o'clock a.m. on the following morning ...

MORNING SESSION
THURSDAY, JUNE 25, 1987
NINE O'CLOCK A.M.

The One Hundred Thirteenth Session of the Imperial Council reconvened at the Las Vegas Hilton Hotel, Las Vegas, Nevada, at nine o'clock a.m., Imperial Potentate Russell Anthony, D.V.M., presiding.

IMPERIAL POTENTATE ANTHONY: Will you please take your seats so that we can get our session started.

In relation to every venture we undertake in our International Shrine and in relation to anything of importance in Shrine Masonry, we always start by asking the blessing of the Grand Architect of the Universe. I will now call upon our Imperial Chaplain, Dr. Herbst, to give the Invocation.

DR. HERBST [Imperial Chaplain]: Let me say that at the training session held at Des Moines, I prefaced one of my Invocations with a quotation from "A Cowboy's Prayer," written by Badger Clark. Now, since coming here, a few of you have asked me for copies of it. However, I have no written material on this with me but I would like to, with your permission, share a part of it with you again.

"O, Lord, I have never lived where churches grow;
I love creation better as it stood so long ago,
When you looked upon your work and called it good.
I know that others find you in the light
That is sifted down through the tinted window pane,
But somehow I seem to feel you near tonight,
In the dim, quiet starlight on the plain."

Heavenly Father, even as we feel your presence in the glorious deeds of nature, may we also feel your presence in this room.

As we look at the business before us, help us to share our opinions with love and openness but also make room for our opposing views.

May we feel free to speak but also be willing to listen and to hear each other.

Help us to contemplate issues and not personalities; help us to guard against hostility by binding us to the truth; help us to practice the fine art of being able to disagree without being disagreeable and in an atmosphere of open mindedness, may we come to decisions which will strengthen the Order and thus be for the greater good of all.

Finally, when the last vote has been taken, may adversaries leave as friends. Amen.

IMPERIAL POTENTATE ANTHONY: Thank you, Dr. Herbst.

Now, by way of an announcement, let me say that the picture taking sessions with Imperial Sir Voris King will continue right now.

Also, I would like to compliment the Representatives in your being so kind to honor my request that when you do smoke, that you be sure and go out into the hallway so that you will not offend anybody.

Now, I would like to ask Ellis Monk, Imperial Sir Voris King and Don Porter to please present themselves at the podium here.

While we are waiting a bit here, let me say that those of us in attendance at the School of Instruction held at Des Moines, Iowa, during the first week in March, realize that there were many participants on that program and there was an awful lot of work and effort put into the preparation, planning and presentation of that program at that particular meeting of the august leaders of the International Shrine.

Now, if we were to honor all of these individuals, it would be impossible to do so. However, there were three individuals involved with that program who were very important in making it a success, the success it was, and I want to present them to you today.

First of all, I wish to present to you Illustrious Sir Ellis Monk, Past Potentate of Za-Ga-Zig Temple; Illustrious Sir Donald Porter, present Potentate of Za-Ga-Zig Temple and certainly, last by not least, my very good friend and colleague, soon to be your Imperial Potentate, Imperial Sir Voris King.

I wish to present each of them with their plaques that we have here for them, which I am not going to take the time to read but we will take time out so that they can have their pictures taken with their plaques.

... Picture taking and applause ensued, followed by business being transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE ANTHONY: I would like to move around just a little bit in connection with the agenda.

Now, having witnessed this great spectacle that we have just witnessed in relation to what Shriners Hospitals for Crippled Children is all about, I think it is now appropriate that we tie that in with a report from our esteemed colleague, the Chairman of the Public Relations Committee, Imperial Sir Everett Evans.

Therefore, would you, Everett, please give us your report at this time.

IMPERIAL SIR EVERETT EVANS: Imperial Sir, Imperial Sirs, Distinguished Masonic Guests, Illustrious Sirs, Fellow Representatives and Nobles: Since I last addressed you in Los Angeles, an awful lot has happened. We have been through an extremely trying time together and thanks to all of you, we have come through it in better shape than probably any of us would have predicted some twelve months ago.

I cannot thank you enough for all you have done in your own local communities and hometowns to help us weather the storm. However, it has not been easy and nobody knows how much we had to do, how hard we have had to work to overcome the adverse publicity of the last year better than all of you.

Believe me, we never took for granted for our minute your efforts.

As Chairman of the Imperial Public Relations Committee, I spent many long hours returning phone calls to reporters all across North America and I would be lying if I did not tell you that I spent more than a few sleepless nights.

I even had some bad dreams one night. I sat straight up in bed and this blinding light was shining right through my bedroom window. I looked into the light and there stood our Imperial Potentate, Dr. Anthony, in front of me in a long flowing red robe trimmed in gold and silver, wearing his brand new five-star Fez.

I said, "Oh, yes, most exalted Imperial Sir, what is it that I can do for you—what is it that you desire?" Well, without batting an eye, he looked down on me and said, "Evans, if you do not get the Orlando Sentinel off of me by June, I am calling you home." (Laughter)

Therefore, in lieu of that, let me say that I feel fortunate to be here today since it did take us a little while to accomplish his bidding.

Over the course of this past year, I have heard from a lot of you. Many of you called and some wrote to express your concern over the situation we found ourselves in.

Further, Ann Landers sure did not help when she decided to let the entire nation in on our dilemma. However, as I told many of you that I talked to or who wanted to know why we did not reply to her column a second time, after she had printed what she called the "Other Side of the Story," it became like a game that I used to play with my three daughters when they were little. I would tell them to get in bed when it was time for them to go to sleep and not dare to get out. Well, they would subsequently run out, tag me and say that I was "it." Then I would run in and say, "Gotcha," and it would start all over again. (Laughter)

How long would we have been forced to go on debating the validity of our organization if we had responded to Ann Landers?

You know, we did not think, and I still do not think, that using the media as an open forum to debate the validity of our organization or to justify what we do is very wise.

I think our record stands for itself and the sooner we got back to doing what we do best, namely, taking care of crippled and burned children, the better off we would be.

Of course, time and time again we saw "Letters to the Editor" and editorials in newspapers all across America in defense of our great organization. The general public came to our defense and all of the hard work that all of you did in the past, helping to educate and inform the people about who we are, what we stand for and what we do, paid off. All the good will that we created over the years served us, like a savings account, to see us through our "rainy day."

However, we have borrowed heavily against that public trust in the past year and just like borrowing from a savings account to get you through a rough financial time, you have to put back what you borrow to rebuild.

Believe me, we have not been sitting still this past year. In fact, we have been actively planning and mapping out a strategy to improve our image as Shriners and continue to make people aware of our Shriners Hospitals, the World's Greatest Philanthropy.

One of the things we have on the drawing board is a project with the Disney people, which I think by now most of you are at least aware of. However, what you probably do not know is how you and your Temples and Shrine Clubs will fit into the program.

First of all, let me say that the Walt Disney Company is the largest producer and distributor of children's educational films and film strips in the world.

Disney produces material to educate kids on just about any topic you can think of.

Now, back in about September, the head of the Disney Educational Company came to us, and we did not approach them, they came to us and asked if they could help us on a project that would be aimed at educating young school aged kids.

All of you know, I am sure, as to how successful our burns program has been and how our Burns Institutes are saving the lives of children burned over ninety-five percent of their bodies. However, the leading edge of technology that has allowed us to save many more lives than would have ever been imagined a few short years ago, also creates concerns about the lives of these children when we return them to their hometowns and schools and subject them to the stares and cruel comments of other youngsters and classmates.

The problem is primarily one of education, one of getting to young people at a very early age and teaching them that although the outward appearance of a friend or classmate may have been changed by an accident or fire, that friend or classmate is still the same person inside and that a person's outward appearance is really so unimportant when it comes to relating to a burn victim.

We asked the Disney people if they might consider doing something along these lines as a part of our joint effort. They were not only excited about the idea but they feel, with our expertise in the burns field and their expertise in producing and distributing educational films and videos, that a Shrine-Disney video aimed at educating children in this area would quickly become the definitive educational video on children's self-esteem.

Now, with this in mind, what we have planned is to make a video tape of the final product, which will involve the group of puppeteers you saw perform in Des Moines in relation to "The Kids On The Block." This, in turn, will be made available to every Shrine Temple free of charge and allow you to personally take it to your local School Board, wearing your Fez, and present it to them as a good will gesture—hopefully, again, establishing Shriners as caring, concerned citizens in your own local communities.

The Disney people, who are recognized by educators and schools systems all around the world, will help us to notify schools, teachers, PTAs and local School Boards about the project.

Hopefully, you will be able to interest your Shrine Clubs in taking part in this effort and we can have literally thousands of these video tapes being shown and presented to School Boards all across North America.

In addition to the Shrine-Disney project, we have a major national patient recruitment campaign planned for early next year.

This campaign will be the focal point of our patient recruitment efforts in 1988 and will involve not only a major effort at recruiting patients for Shriners Hospitals, but will have as a secondary objective the improved image and awareness of the Shrine, in association with Shriners Hospitals.

Elements of the campaign will include direct mailing to physicians, a major public service television and radio campaign, window posters and bus cards. This campaign will also involve research into just how people perceive Shriners Hospitals and will, hopefully, result in some findings which will help us to "fine tune" our patient recruitment efforts.

As I said, this campaign should be implemented early next year.

Another project that we are excited about involves sharing the good news that is reported across North America almost on a daily basis about Shriners and our hospitals.

You know, it recently became apparent to me that we do not share this good news among our own membership as much as we should. The media is very much interested in telling our story—the positive side of the Shrine.

I think your Nobility should see what is being said about us in a positive vein and so we have put together a series of video tapes which we are referring to as our "Good News Video Newsletter."

Let me emphasize that this is not Shriners saying things about ourselves for self-gratification but this is what the media is saying about us.

Our summer video newsletter is complete and at this time I would like to show you a little sample of what it looks like.

... Video presentation then ensued ...

IMPERIAL SIR EVANS: Now, the actual summer video newsletter is almost twenty minutes long. What you have just seen is a sample and I have a one-half inch video cassette here in Las Vegas for each of your Temples, along with a thirty-page compilation of "Good News" newspaper articles that we have put together from newspapers across North America which are yours free of charge.

We hope, however, you will not just take these home and put them in a drawer or keep them to yourself. We want you to share these with your Nobility because they need to see the positive things that are being said about us as Shriners.

If each Temple Potentate will visit the Public Relations Office here in the Hilton, which is in the Board Room on the first floor of the Convention Center, you can pick up this material now.

Now, with the Disney project slated for the fall and the National Patient Recruitment Campaign scheduled to begin early next year, you might say, "What do we do in the meantime?"

Well, what we have planned is a four-part campaign which will be launched beginning later this summer and the goal of this campaign is to improve the Shrine image and increase the awareness of the Shrine in connection with Shriners Hospitals.

Part I involves a highly sophisticated public relations approach utilizing the latest electronic satellite technology.

Now, all that sounds very high tech and complex but basically what it involves is placing a Shrine spokesperson or spokesman in a television studio or possibly a location such as Shriners Hospitals, and allowing new people the opportunity to interview them live via satellite.

In effect, what we would be doing is touring the country without ever leaving a television studio or on-site location.

We are targeting the top fifty television markets for this unique satellite television tour and with the high cost of health care in the United States today, we fell, and have been told, that there would be a great deal of interest on the part of broadcasters to carry an interview like this live by satellite.

The potential exists for us to reach fifty to seventy-five percent of the American viewing public with this sophisticated satellite interview approach.

And, if you feel so inclined, it would not surprise me one bit if one of the major television network morning shows picked up on the fifty-city live interview portion of the campaign and provided us with national network exposure also.

Part two of our four-part campaign picks up where the satellite tour campaign leaves off and allows us to place our own news features on television news programs all across North America.

I know you have all seen the three-part or five-part news series on topics from the elderly to education in our school systems. What we are currently working on is a special multi-part news feature series on Shriners Hospitals and the uniqueness of the expert medical care we provide, which we would produce ourselves and then distribute to television news rooms nationwide.

It is called an electronic press kit and we will produce and package this news series with the help of a nationally respected production company that has had outstanding results in producing and placing similar features for such clients as McDonalds, Apple Computers, Warner Brothers and Hallmark, among others. You may have seen them here taping the public opening on Monday.

It is an innovative approach but one, when implemented along with the satellite television tour, would allow us to potentially reach eighty to eighty-five percent of the television viewers in the United States again.

Part three involves a high profile celebrity public service campaign.

Now, some of our most successful public service campaigns of the past have involved the use of celebrities. Celebrity PSAs are more likely to receive air play and more effectively communicate a message.

I do not want to mention any names today but I guarantee we will utilize stars with instant recognition and credibility.

Our public service campaign is targeted for release in the fall.

The fourth part of our strategy consists of a test market paid advertising magazine campaign and we are working on a series of paid magazine ads promoting the Shrine of North America as the guiding force behind Shriners Hospitals.

Our plan is to place them in a selected market and then measure their ability to assist our membership, fund raising and patient recruitment efforts. If successful, we might want to undertake a paid advertising magazine campaign on a broader basis.

In addition to these projects, something we already have in place is an effort to put positive information about the Shrine and Shriners Hospitals into the hands of local suburban newspaper readers across the United States—utilizing the services of a company called, "The North American Precis Syndicate." They are working with our public relations staff in developing and distributing a series of twenty-four newspaper articles on the Shrine and Shriners Hospitals, which are being sent to over 3,800 suburban weekly newspapers over the course of this year.

One thing that has been brought to our attention in public relations over the past few years has been the need for Temples and hospitals to have something they could take into their own individual local communities to use in telling the story—not only of the Shriner Hospital system but the local story of your Shriner Hospital, the hospital you support, so that when you take a program out to one of your local service clubs or other organizations, the people you show the presentation to will be able to identify with the hospital they drive by every day, rather than merely seeing and hearing about the Shrine Hospital system.

What we came up with was a slide presentation which includes the standard Shrine and Shriners Hospitals information that applies to all locations, but with a three to four minute piece inserted in the middle talking about Los Angeles or Twin Cities or Montreal Shriners Hospital. They are in effect custom designed slide shows and by the end of this year, each Shrine Hospital should have one available for your use. Los Angeles, Spokane and Tampa already have theirs and ten hospitals to date are in production.

The concept is so unique that we wanted to take a few moments to show you one that we just recently completed.

... Video presentation concerning this concept ensued ...

IMPERIAL SIR EVANS: In closing, Nobles, I think you can see that the Shrine of North

America is not standing still. Quite the contrary, we are moving ahead on several fronts to effectively replace any of the public trust which we may have borrowed against over the course of the past twelve months and I would urge you to return to your Temples and to your hometowns and do the same.

Remember, the public trust we have all worked so hard to gain is what has seen us through a most difficult time. It is the savings account we borrowed against to see us through a rainy day.

Now, before closing, I have to take a moment to thank somebody who has been very helpful to us every time we engage ourselves in these projects and he is Past Potentate Doug Mayes from Oasis Temple, a professional broadcaster in Charlotte. You will be seeing a lot of him in the months to come. Let us give him a big hand for his help and cooperation. (Applause)

Also, please note that the Public Relations Department is there for your use and there are things we can do for you. I know that Mike Andrews, head of that Department in Tampa, stands ready, as do the other members of the Department, to furnish you with anything you want or answer any of your questions. So please do not hesitate to call on them.

That concludes my report, Imperial Sir, and I would move for the adoption of this report.

... The motion was duly seconded ...

IMPERIAL POTENTATE ANTHONY: Thank you very, very much, Imperial Sir Everett. We are so proud of you and the work you are doing and, likewise, we are very proud of Mike Andrews and of all your public relations staff and of all the great Nobles that represent us. God love you for all of your efforts.

Now, we have before us the motion to adopt the report.

Is there any discussion?

... There being no discussion, the motion to adopt the report was voted upon and declared to be unanimously carried ...

IMPERIAL POTENTATE ANTHONY: I would now like to have Past Imperial Potentate Peter Val Preda and his committee members on Nomination of Emeriti Members, please present themselves over at the side of the stage there and while that is being handled, I would like to call on another great Shrine Mason here at this time, Hugh Hinman. I will ask him to come forward here to the podium.

He is probably an individual who many of you located in the Midwest already know. He is the Athletic Director Emeritus of Ohio State University and it is because of men of his stature that Ohio State University and all the Big Ten Universities as far as that is concerned, are held in high regard all over this great country of ours and Canada, especially in relation to what he is doing for athletics.

However, Hugh also is a man of very many, many talents. He once told me, as a member of my Imperial Athletic Committee, that he would be at my beck and call at any time.

Now, as I started out the year, one of the goals that I had in mind was the making of a recruitment movie to be made available to our Grand Lodges and Temples which was intended to take the place of "Symbol of Pride." Believe me, this production is getting old now and we need something new to replace it.

I went to our Imperial Public Relations Department and said, "Everett, I need some money for this." He replied, "Well, we do not have money in the Iowa Corporation and so you have to find it some other way."

Well, at that time, I called on my good friend Hugh and he accepted the challenge. He is now in the process of compiling a twenty to thirty minute video movie which will be half computer animation and the other half will identify the Shrine and Masonry, together with the outstanding sports figures involved in it.

Now, the movie is not yet completed. However, hopefully, it will be completed by the time of the Conference of Grand Masters.

I have all the confidence in the world in my good friend, Hugh Hinman, accomplishing that deadline date, which is the first of February and, when that is completed, we are going to have something that is going to be just outstanding for you to use toward bringing in those badly needed candidates into Shrine Masonry.

With that, I wish to recognize Hugh Hinman with the presentation of this plaque which

says, "The Shrine of North America does hereby honor and recognize Noble Hugh Hinman, Jr., for his outstanding service, support and contribution to Shrine Masonry in the Year of the Shrine Mason."

... Presentation of plaque to Noble Hinman and applause ensued ...

NOBLE HUGH HINMAN: Imperial Sir, Imperial Sirs, Illustrious Sirs, Worshipful Grand Masters, Representatives and Nobles: You know, this takes me back to Miami University where I played football for Sid Gillman, who happens to be a member of my Lodge in Columbus, Ohio.

Now, during the days of football practice at that time, it was very quiet in the town of Oxford, Ohio. Those of you who have been there know how quiet it can be. At any rate, at that time, we used to get our milk shakes in a little place down the street and back on the wall of that shop there was a sign that says, "As you travel on through life, whatever be your goal, keep your eye on the doughnut and not on the hole."

I think that as you begin to think about that, you realize the many significant things that you are often faced with in life. For example, that little gal that walked down the aisle here before is the "doughnut" and not the "hole," which is, after all, what we are all about. That is, in reality, what I am attempting to do and I guarantee you it will be done.

Again, thank you very much for this honor. (Applause)

IMPERIAL POTENTATE ANTHONY: Thank you very much, Hugh.

And now it becomes my duty to call on another very distinguished Shrine Mason. As a matter of fact, I had every intention of calling upon this gentleman yesterday afternoon but you folks had other ideas, namely, that you were not going to listen any further to me or to anybody else at that time and so we decided to put that off until this morning.

I would like to have this fine Shrine Mason come to the podium to say a few words.

NOBLE KEN SMITH: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, Fellow Representatives and Nobles All: I would like to thank all those Representatives who supported me yesterday and I would like to tell you that with the continued support of my Temple and my family, I will be a candidate again next year in New Orleans.

Thank you all so very, very much. (Applause)

IMPERIAL POTENTATE ANTHONY: Thank you very much, Ken. You certainly have a tremendous number of friends out there.

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE ANTHONY: I would now like to tender the gavel to my Imperial Chief Rabban, George Powell at this time, and I would like to call on Imperial Sir Peter Val Preda for the report of the Nomination of Emeriti Members.

... Imperial Sir Powell then assumed the Chair ...

IMPERIAL SIR POWELL: I would like to call upon Past Imperial Potentate Peter Val Preda.

IMPERIAL SIR VAL PREDa: Possibly what is going to happen here will involve me in maybe messing it all up. However, Imperial Sir, Imperial Sirs and Representatives, before I start with this honor, I would like to call to the stage the recipients of these Emeriti certificates.

... Whereupon, the designated recipients of the certificates presented themselves on the stage ...

IMPERIAL SIR VAL PREDa: Imperial Sir, Imperial Sirs, Illustrious Sirs and Fellow Representatives: I stand here today as Chairman of the Emeriti Committee on Emeritus Members. Standing with me are the members of my committee.

I shall now ask all of those Representatives who have been notified of their eligibility for emeritus membership to come forward.

Now, let me remind you, Representatives, that in previous years you have requested that the biographical data submitted on each one of these outstanding Representatives not be read here but, rather, subsequently placed in the record. If that is still your wish and desire today, the committee will honor your request.

... Cries of "yes" ensued ...

IMPERIAL SIR VAL PREDa: As you know, Imperial Council Law, Section 203.4, reads as follows:

Section 203.4 Emeriti Representatives. Upon the recommendation of the Committee on

Emeriti Representatives and by a majority vote of the Representatives registered at any Session, the Imperial Council may elect as an Emeritus Representative any Noble who is a Representative to that Session and who has been a Representative for at least fifteen years, including that Session.

Now, I will ask the various members of my committee standing on the stage here to place the names of these Representatives in nomination.

... Whereupon, the following Emeriti nominees were placed in nomination ...

IMPERIAL SIR VAL PREDA: Imperial Sir, all of these Representatives have been placed in nomination for Emeriti membership, as you have already heard. I would request that you now take the vote concerning the acceptance of these individuals as Emeriti members.

IMPERIAL SIR POWELL: Representatives, you heard the nominations made. Do I hear a second?

... The nominations were severally seconded and the question called for ...

IMPERIAL SIR POWELL: Hearing the question called for, all in favor of making these individuals, as nominated, Emeriti members, please indicate by saying aye; those opposed. You have unanimously elected these Nobles as Emeriti members.

IMPERIAL SIR VAL PREDA: With that, Imperial Sir, I would like to have my committee members present these individuals with their certificates.

... Presentation of certificates to these individuals then ensued, following which the gavel was returned to Imperial Potentate Anthony ...

IMPERIAL POTENTATE ANTHONY: Imperial Sirs, Illustrious Sirs and Nobles: I am extremely delighted to have this opportunity to announce the results of the 1986 Membership Programs. The first creation goal program; whereby each Temple was given a goal based on five percent of its membership to create a specific number of new Nobles. As a result of the hard work and dedication of the leadership and Nobility of five Temples, I am proud to present the Imperial Membership Trophy to the five Temples that reached or surpassed their assigned goals.

But before I announce the names of those Temples, I would like to read the inscription on this handsome, forty-six inch trophy.

"Imperial Membership Award presented to Illustrious Sir (name of 1986 Potentate) and the Nobility of (name of Temple) in recognition for achieving their 1986 creation goal, presented at the 1987 Imperial Council Session."

The appropriately inscribed Imperial Membership Trophy has already been mailed to each Temple; however, for the purpose of taking photos and giving proper recognition, I would like to ask the following Potentates and, if present, the 1986 Potentates to please come forward.

Al Shamal Temple; 1987 Potentate William Davies, 1986 Potentate John Pedden. Creation goal, thirty-four; actual creations, fifty-five.

Beja Temple; 1987 Potentate John Martinez, 1986 Potentate Floyd Meyer. Creation goal, fifty five; actual creations, fifty-seven.

Mazol Temple; 1987 Potentate Douglas Waterfield, 1986 Potentate Gerald Hewitt. Creation goal, twenty-four; actual creations, seventy-two.

Shaddai Temple; 1987 Potentate Roy Bobo, 1986 Potentate W. C. Hales. Creation goal fifty-four; actual creations, fifty-eight.

Zamora Temple; 1987 Potentate Pokey Forester, 1986 Potentate Jim Morton. Creation goal, 272; actual creations, 366.

Nobles, please join me in congratulating these Temples on this outstanding achievement and tremendous contribution to the future of our beloved Fraternity. (Applause)

Now, I would like to announce the results of the second membership program. This program was based on the percentage of net gain for the year ending December 31, 1986. The Temples were divided into five categories according to size and the Potentate of the Temple that achieved the highest percentage of net gain in each category will receive a one week trip for two. The Temple achieving the overall highest percentage of net gain will receive a two week trip for two.

Before I announce the winning Temples, I would first like to express our appreciation to the travel agents who so graciously contributed to this program. Gentlemen, if you are in the audience, as I call your name, please stand and be recognized.

Hal Engler of Vantage Travel.

Jim Tarr of Trans Continental Travel.

Marty Marcus of Trans National Travel.(Applause)

And now I would like to announce the winners and ask if the 1986 Potentate is present would he please stand and be recognized.

There were no Temples in category one that had a net gain.

Category 2: Zamora Temple, 3.6 percent net gain, 1986 Potentate Jim Morton.

Category 3: Anah Temple, 2.5 percent gain, 1986 Potentate Larry Hersom.

Category 4: Sahib Temple, 2.4 percent gain, 1986 Potentate Ned Jaworowski.

Category 5: Luxor Temple, 1.2 percent net gain, 1986 Potentate Ronald Cornell.

The overall highest percentage of net gain for 1986 was achieved by Mazol Temple with twelve percent, 1986 Potentate Gerald Hewitt.

Those Past Potentates will soon be receiving information from the Tampa Office concerning their trip.

Nobles, please help me congratulate these Temples for a tremendous year. (Applause)

In closing, let me say that it is important to remember that our Fraternity's strength comes from the interest, ambition and dedication of you, our leaders. I feel certain that you will all continue to face the membership challenge and achieve tremendous success through your untiring efforts.

It is now my duty and pleasure to have you receive the report of the Grievances and Appeals Committee, Sewell Lamdin, Chairman.

NOBLE SEWELL LAMDIN: Imperial Sir, Imperial Sirs, Worshipful Grand Masters and Fellow Representatives: Let me say that in connection with one incident that happened here this morning, that it also reminds me of what happened in court one day.

I was holding court up in the western part of Maryland one day, in the hills, and they brought in a fellow whom they had charged with possession of a still. I know that some of the lawyers present here know that the mere possession of a still is sufficient to convict a person.

So they put on this case and finally I turned around to the individual and said, "Do you have anything to say for yourself?"

He replied, "Well, Judge, that still has been in our family for over 100 years. My father had that still, my grandfather had that still but nobody used it out there. As a matter of fact, while that still has been in our family, it has never been used during all that time."

I replied, "Well, I am sorry, you are charged with possession of the equipment. You have the equipment and so the fine is \$500."

He then walked over to the clerk, counted out \$500 and then counted out a second \$500. I happened to be looking up as he was counting out the second \$500 and I said to him, "Sir, what is that for?"

He replied, "Judge, that is for rape."

I replied, "But you have not been charged for rape."

He replied, "I know, Judge, but I still have the equipment." (Laughter)

Noble, despite the Orlando Sentinel, what I saw here indicates that Shriners Hospitals for Crippled Children still have the equipment.

Let me say that your Grievances and Appeals Committee works all year long. Fortunately, this year, however, we only had one matter referred to us and also a few waivers.

The committee is made up of Judge E. Gale Robinson from Nashville, Tennessee; Warren Upton, who is an attorney in Charleston, West Virginia; Gerald Groat, who is a Prosecuting Attorney in Detroit, Michigan; Jack Streight, who is a member of the Queen's Court way up in British Vancouver; Jim Singley, who is an attorney down in Meridian, Mississippi; and then the new kid on the block, Robert Hughes, who is an attorney down in Albany, Georgia.

To the Representatives of the Imperial Council: There was referred to your Committee on Grievances and Appeals, an appeal filed by Noble Donald L. Katz of Mahi Temple, appealing the action of the Imperial Potentate, Russell H. Anthony, upholding the ruling of the Potentate of Mahi Temple, in removing Noble Donald L. Katz from the Office of President of the Hollywood Shrine Club. A motion for stay of disciplinary action relevant to this cause until the next Session of the Imperial Council was filed at the same time.

The appeal and the motion for a stay were both timely filed. Noble Katz was fully advised as to the procedure of such appeals and decided, in writing, on September 3, 1986, to submit the matter for determination on the basis of the written material furnished you.

Committee on Grievances and Appeals. Said written material was forwarded to each member of your Committee on Grievances and Appeals, via first-class mail, by the Chairman, for their study and recommendation.

After due consideration of all the documentary evidence furnished and the applicable Imperial Council By-Law provisions, your Committee on Grievances and Appeals was of the unanimous opinion that the action of the Imperial Potentate in upholding the action of the Potentate of Mahi Temple in removing Noble Donald L. Katz from the Office of President of the Hollywood Shrine Club should be sustained under Article 37, Section 337.3 of the Imperial Council By-Laws; and, in that the motion for stay of disciplinary action should be denied.

In view of the above, your Committee on Grievances and Appeals recommends that the action of the Imperial Potentate be sustained and the appeal of Noble Donald L. Katz be denied, and that the action of your Committee on Grievances and Appeals in denying the request for a stay of disciplinary action be ratified.

Respectfully submitted by the Committee on Grievances and Appeals,

E. Gale Robinson, Al Menah Temple
Warren Upton, Beni Kedem Temple
Jack Streight, Q.C., Gizeh Temple
J. B. Hopkings, Hadji Temple
Robert Hughes, Hasan Temple
Gerald Groat, Moslem Temple
I. Sewell Lamdin, Boumi Temple, Chairman

Imperial Sir, I would move for the adoption of this report.

... The motion was severally seconded ...

IMPERIAL POTENTATE ANTHONY: It has been moved and seconded that this report be adopted.

Is there discussion?

... There being no discussion, the motion to adopt the report was voted upon and declared to be unanimously carried ...

NOBLE LAMDIN: Imperial Sir, that concludes our report and I would urge all of you to behave yourselves for the rest of the time you are here.

IMPERIAL POTENTATE ANTHONY: We are now going to change the agenda here a little bit and at this time I am going to call on Sam Erickson to give the report of the Finance and Accounts Committee.

NOBLE ERICKSON: To the Representatives of the Imperial Council: Your Committee on Finance and Accounts submits to you for approval the following reports with respect to income and expenditures for the Imperial Council Session (Iowa Corporation).

1. Report for the year 1986
2. Report for the adjusted budget for the year 1987
3. Proposed budget for the year 1988

REPORT FOR THE YEAR 1986

The report for 1986 has been reported to you in the Book of Reports which you have already received. No inquiries having been received, your committee recommends ratification and approval of this report as shown in the Book of Reports.

Imperial Sir, I move the approval and adoption of the report for the year 1986 as submitted.

... The motion was duly seconded, was voted upon and declared to be unanimously carried ...

REPORT FOR THE ADJUSTED BUDGET—1987

AND PROPOSED BUDGET FOR THE YEAR 1988

Included within your registration package, you have a breakdown of the operating expenditures showing amounts appropriated for the year 1987, including the adjustments made by the Joint Boards and the proposed figures for the year 1988. The committee recommends an accounting change related to the date that the per capita tax is assessed and accrued annually to the Imperial Council. This committee further recommends that this date of assessment and accrual be changed from that of December 31, annually to January 1, annually, effective for the year ending December 31, 1987.

The adoption of this recommendation will result in a restatement of the fund balance of the Imperial Council as follows:

Beginning balance, 1/1/87	\$6,467,232
Less adjustment to eliminate annual per capita dues accrued at 1/1/87	2,365,770

Fund balance as restated at 1/1/87 \$4,101,462

For the proposed budget for 1988, we are showing revenues of \$2,835,000 for the Iowa Corporation, total expenses of \$3,494,000; which would result then in a deficit for the year 1988 of \$659,000.

Beginning on page 2 of the report would be the detail of each category. These items are separately stated and they do total out to the total of \$3,494,000.

In addition, with the material from the registration package, you are shown the 1987 adjusted budget.

In the second column on page 1 of this report, we are showing total revenues of \$2,835,000, total expenses of \$3,157,000 and so the deficit over revenues is \$322,000.

This may change, however, because they are currently working with the air far computation and we will not have those numbers until later today. So that could be changed and with the deficit proposed for 1988, we have to assume at this point that we will not have the favorable air fares we have had in the past. As you will recall in relation to Los Angeles, we were able to reduce it because of the favorable air fares that were in effect.

Now, if you will look at page 2 for a moment, for the 1987 adjusted balance, the change under category 2, which is "Executive Director—Fraternal Affairs Office," a person could be on board this year at the Tampa Headquarters effective in April and he will be working with you as a Director of Temple Accounting and will work in the Temple accounting area and also be involved in furnishing information to you for your 990 reporting forms because of the charitable organization aspect.

The balance of the items, other than going to the third page, which says "General and Administrative Expense," there is one item there of \$58,000 and, in relation to this figure, let me say that the State of Florida has an intangible tax which is based on investments and there was an amnesty program and that is a one-time fee that has to be paid—a tax to the State of Florida, of \$58,000.

The third category, on page 3, concerns "Other Fraternal Expense," and, there, the item that shows an increase is the Recorder's Manual and this was a new manual prepared for all of the Recorders of the Temples. It is being prepared for 1987 and that takes care of that increase.

The last item on page 4, "Mileage and Per Diem," that was estimated at this point as a reduction of \$678,000 and this computation is made sixty days before the Session. Final numbers will be given to you later.

We shall give you a summary of the total figures which will be followed by detail, by classification, of the proposed items of the budget for the year 1988 so as to provide funds for the incoming Imperial Potentate. The proposed budget will be more accurately presented for your approval at the subsequent Imperial Council Session.

Imperial Sir, if there are no questions, I move the ratification, approval and adoption of the adjusted budget for the year 1987 and the proposed budget for the year 1988, with the proposed accounting change as noted, be approved as submitted.

Respectfully submitted,
COMMITTEE ON FINANCE AND
ACCOUNTS

D. Sam Erickson, Chairman
William Sibley
Gene B. Lock
Keith G. Collins
Clinton Joerding
Palmer D. Burde
Robert F. Wilson

IMPERIAL POTENTATE ANTHONY: Is there a second to the motion?

... The motion was duly seconded ...

IMPERIAL POTENTATE ANTHONY: Is there any discussion?

Microphone 1. Please give your name and Temple.

NOBLE DAVID LIBBY [Kora Temple]: Imperial Sir, I attempted to ask a question yesterday and I would like to ask it today and this concerns the budget for last year.

Now, it seems that when we were in attendance at Des Moines, we had a load of bricks dropped upon us. (Laughter)

I previously asked the question as to what was the cost of those bricks and I did not receive an answer.

Well, I did receive an answer in the mail but I think it needs to be brought out to the group here which, again, is something that I tried to bring out while we were in Des Moines.

IMPERIAL POTENTATE ANTHONY: Thank you very much for paying attention to my ruling as of yesterday because, at that time, I ruled that your particular question was not germane to the issue then before us. However, it is germane today and so, I will ask Illustrious Sir Erickson, if he will, to address that question.

NOBLE ERICKSON: Thank you, Imperial Sir.

Let me say that I will attempt to give you the answer to the nearest dollar.

The bricks were \$14,000. The audiovisual expense was \$26,000, for a total of \$40,000. Well, I am sorry, the audiovisual was \$7,000. Please accept my apology.

The only thing that related to Des Moines was the figure of \$14,000 for the bricks and the audiovisual expense of some \$7,000, which is a total of \$21,000.

NOBLE LIBBY: I also have one other question here.

The word came out to this group here from the stage at that time that, "Do not worry about it, I will pay for the bricks."

I would like to know if anybody up there paid for the bricks. (Laughter)

NOBLE ERICKSON: The bricks were paid for by the Iowa Corporation—in the amount of \$14,000.

NOBLE LIBBY: Thank you very much.

IMPERIAL POTENTATE ANTHONY: I believe Imperial Sir Bukey wishes to comment at this point.

IMPERIAL SIR BUKEY: I would like to clarify the issue, especially if we are going to be talking about it. I would just like to clarify a couple of points concerning the "load of bricks" distributed at the Des Moines meeting.

First of all, the decision to drop that load of bricks on the Representatives in Des Moines was made by me acting alone and without the advice and consent of my committee. I did it because I felt that in order to get the body to act with regard to membership and taking action to solve our problem with regard to membership, that it was necessary to get your attention. I saw this as an effective way to do it.

However, it did not go the way I thought it would. I am sorry for that.

In retrospect, it was a mistake but the motives behind it were good. As I said, I did it to get your attention. I also think I succeeded in that. I did not do it to aggravate you. (Applause)

With respect to the person who jumped to his feet in a moment of passion and made an offer to pay for it out of his own pocket, I think it was simply that. It involved a heated discussion at the time. We seemed to be in an adversarial role between the stage and the body, which should not have been the situation and which was not our intent. It was not our intent for that session to develop into an adversarial type of role.

After all, we are you—you are us—we are all one body hoping to solve the problem we face regarding membership. However, sometimes there is created, through the situation in existence, an adversarial role between the body and the stage and that, of course, should not occur.

I think that what I was trying to prevent by presenting the information to the Representatives early was so that they would not get into that kind of situation. I thought that if I gave the facts to all of you early enough that you, in turn, would have time to fully consider them, to assess what impact they might have on your Temple and, also, time to search out your motives and see if you could find a reason to support something that may cause some type of rise from you as a Temple, that might cause some type of sacrifice from you as a state. However, I thought about all of the good we could do for the organization if we could deal with it in an effective manner. I thought it would help greatly if you had the information and so I tried to provide that to you.

I believe I got your attention in Des Moines. Since then, I might add, I have sent out four mailings that contain exactly the same information after we went back through and rethought the proposition.

We took the information which we presented in Des Moines and, after your discussion regarding it, we reworked it and the packet we presented should have, once again, presented the information in an intelligent manner.

Also, one more thing and that is in relation to the printouts on the wall, they are all in alphabetical order. Now, if somebody from each Temple will take them home and endeavor to study them, then perhaps next year we can come back and make some more decisions to try to resolve our membership problems.

Thank you. (Applause)

IMPERIAL POTENTATE ANTHONY: I will recognize microphone 1.

NOBLE EDWARD MAAG [Ainad Temple]: Imperial Sir, I am a Representative from Ainad Temple.

Imperial Sir and Illustrious Sirs: I have heard your report on the Iowa budget for last year and for this year and I am distressed by the fact that for two years running, as I read it, we have had deficits of \$761,000 on the Los Angeles budget and a projected deficit of \$659,000 in the 1988 budget.

Let me ask you, Sam, is that correct?

NOBLE ERICKSON: That is correct, yes.

NOBLE MAAG: Well, all right.

Now, I think that the Nobility ought to realize that the Iowa Corporation does not have a deep well of finances. We are a poor corporation—we cannot long afford a \$700,000 annual deficit in the Iowa Corporation. The money is not there and, accordingly, I would also like to ask this of Sam.

Sam, has your committee done any studies at all with respect to the means by which the Iowa Corporation, within two fiscal years, can avoid any deficit at all?

NOBLE ERICKSON: Illustrious Sir Maag, let me say that we have discussed this at the committee level and, obviously, per capita comes into play, does it not, an increase in per capita?

The other item that is hurting the Imperial, as it is your own Temples, would be the membership losses and creation of new members within the Shrine Temples and as we lose members and you have a decline in membership, your per diem decreases. Now, at this point, we have looked at that and we have discussed expenses, as we always do, and, on the part of the Finance and Accounts Committee, we believe that expenses seem to be fair and equitable.

NOBLE MAAG: I have one more question for you, Sam.

The methods by which the Iowa Corporation earns money are extremely limited, is that not correct?

NOBLE ERICKSON: That is correct, yes.

NOBLE MAAG: And our investments are small in the Iowa Corporation? In other words, what are we worth?

NOBLE ERICKSON: Well, you can see the reconciliation of the fund balance at the bottom of page 1.

There is a small dollar amount to invest and if you will notice, the projected income is very small because of the limited funds available to invest by Imperial.

NOBLE MAAG: Let me ask you, Sam, how many years, at a \$700,000 annual deficit—how many years before we do not have any vested reserve in Iowa?

NOBLE ERICKSON: Excuse me. In relation to your statement of \$700,000, we have to be careful of that statement, sir, because if you will notice, the 1987 adjustment is \$322,000. Also, I realize that 1988 shows \$365,000 and so that is your \$700,000.

NOBLE MAAG: However, the 1988 projected shows \$659,000, does it not?

NOBLE ERICKSON: That is correct and, in connection with that projection, we have to wait and see what happens again with air fares for the next year.

NOBLE MAAG: However, has your committee considered how long it will be concerning the deficits of the size which you project for 1988 before we have no invested reserve?

NOBLE ERICKSON: Well, of course we do have some reserve.

NOBLE MAAG: How long will it be, Sam?

NOBLE ERICKSON: Would you believe that with a fund balance at the end of the year of \$3 million and the projection of \$700,000, it would be five years?

NOBLE MAAG: Thank you so much.

Also, when was the last time we had an increase in per capita tax?

NOBLE ERICKSON: Well, I do not remember the year but it was some time around 1984.

NOBLE MAAG: And now, Imperial Sir, may I speak with you?

IMPERIAL POTENTATE ANTHONY: Certainly.

NOBLE MAAG: Tell me, Imperial Sir, have you, as Chairman of the Board of Directors of the Iowa Corporation, appointed any committee to study the question of an increase in per capita tax or any committee especially commissioned to address the continuing deficits in the Iowa Corporation?

IMPERIAL POTENTATE ANTHONY: I am certainly pleased to be able to address your question to me, Illustrious Sir Ed, because this body, as Shrine Masons, is entitled to know answers as to just what your leaders are doing with respect to the situation that is so pronounced due to our declining membership and due to failure to have a large enough per capita to take care of it.

There has been no official committee formed at my request. I did, however, at the beginning of the year, consult with our Imperial Treasurer, Webber Harrington, and suggested to him that an ad hoc committee be formed under his Chairmanship to investigate just what you are talking about.

However, it was determined—and, of course, I realize that it is my responsibility and not his—but he and I together agreed that now was not the proper time, especially with all of the problems that were confronting us insofar as the Orlando Sentinel was concerned, to appoint that committee. However, we actually had the names of the people we were going to ask to serve on that ad hoc committee to investigate per capita improvement. On the other hand, I have no doubt in my mind whatever that my successor will address this and address it promptly, as you have the right to ask and are asking.

NOBLE MAAG: To you, Imperial Sir, may I say I would hope you and Imperial Sir Voris King would address that problem at an early moment because I do not think we can afford to wait very long.

You know, according to the statement made by Sam, we have five years.

IMPERIAL POTENTATE ANTHONY: You are so right and I certainly want to agree with everything you have said and I am also sure that Imperial Sir Voris King will agree with you.

NOBLE ERICKSON: Excuse me, Ed, just a minute, but when I look at the Book of Reports for 1986 and because of the airline change, which I said to you earlier we do not know what that number will be for 1987 or 1988, but in the Book of Reports, because of the adjustment made for the Session in 1986, we end up with a net income in the Iowa Corporation of \$122,000 and at this point I think we should wait and see what the report will be from the Treasurer.

NOBLE MAAG: Well, again, I would agree with that. We are dealing with a 1986 figure and it has been indicated that we will have approximately a \$659,000 loss for the year 1988.

IMPERIAL POTENTATE ANTHONY: You know, I do not wish to belabor this issue but the issue you have brought forth is certainly a very valuable one and we are on top of it or my successor soon will be.

Is there any other discussion? Microphone 2. Please state your name and Temple.

ILLUSTRIOUS SIR DAVID ESANCY [Potentate, Aleppo Temple]: Imperial Sir and Representatives All, I just wanted to bring to your attention something which we voted yesterday, which was to allow, under certain conditions, 500 Nobles from your Temples to petition to form a new Temple.

Now, there is one point that I think everyone should very well be aware of, particularly with the deficit we are now having, and that is that it cost, last year, and I am sure it will also this year, \$1,000 per Representative to send these Representatives to the Imperial Session—roughly \$1,000.

Now, when you take 500 Nobles out of a Temple to support a new one, you have incurred a cost of \$3,000 to send Representatives to the Imperial Session. The per capita tax they would get from a Temple would be \$1,500 and so you are \$1,500 behind already.

I think we should be seriously considering this issue also, especially when we are allowing

new Temples to be formed and I would suggest that fiscal responsibility is something we should all bear in mind.

IMPERIAL POTENTATE ANTHONY: Thank you for those very appropriate comments.

Is there any further discussion before I call for the question?

If not, all in favor of the motion indicate by saying aye; are there any in opposition? It is unanimously carried.

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE ANTHONY: I am now going to call on Imperial Sir Webber Harrington, our Imperial Treasurer, to give us the Treasurer's report in relation to the Iowa Corporation alone, just the Iowa Corporation.

IMPERIAL SIR HARRINGTON: Imperial Sir, Imperial Sirs, Illustrious Sirs, Grand Masters and Representatives: The Imperial Treasurer's annual report, printed in the Book of Reports, contains more information than has ever previously been submitted in such a report. I hope every Imperial Representative will review it carefully.

Among other things, there is a ten-year spread sheet in there showing the operations of the Iowa Corporation over a ten-year period. I believe it is easy to read and understand and I would urge you to do so.

In the next to last paragraph of that report, I stated that I hoped that the Committee on Finance and Accounts would be able, after review of current information (particularly with respect to mileage and per diem) to propose a reduction of the 1987 budgeted deficit. I am pleased to advise you that such review was made immediately preceding this Imperial Session and that the 1987 adjusted budget now shows an estimated deficit of \$322,158, as shown on the schedule included with your registration packets.

You will note that despite the substantial improvement in the 1987 budget project, we still estimate an excess of expenses over revenues and that the 1988 proposed budget projects a deficit of \$659,083. In both years the deficit is principally due to estimated cost of the Imperial Council Session. It is probable that the 1987 deficit will be reduced if the final tabulation shows the same kind of outstanding cooperation from the Representatives that we enjoyed in 1985 and 1986 with respect to transportation costs.

However, let me say that I do not think that the adjustment will be enough to overcome the deficit but I think we will make a substantial reduction from the \$322,000.

However, I caution you that our revenues are declining slightly, but our expenses overall are increasing steadily. This increase is shown rather graphically as follows:

	Amount	Increase Over Preceding Year
Actual expenses—1985	\$2,423,714	
Actual expenses—1986	2,706,126	11.65%
Revised budgeted expenses—1987	3,157,158	16.67%
Proposed budgeted expenses—1988	3,494,083	10.67%

The actual and projected increases in expenses shown above obviously give us cause for concern in our financial planning.

There is one other item that should be mentioned. In the adjusted 1987 budget, we have provided for the possibility that the Iowa Corporation may be liable for as much as \$58,575, for Florida intangible tax on the per capita tax receivable accrued at December 31, of each year for the last several years.

On June 18, 1987, the Iowa Budget Committee recommended that the Iowa Corporation change the date of assessment and accrual of the per capita tax from December 31, to January 1, effective for the year ended December 31, 1987. This recommendation was approved by the Finance and Accounts Committee at a meeting last Sunday, June 21, 1987. Our General Counsel has approved the procedure recommended by the two committees.

The adoption of this recommendation will result in a restatement of the fund balance of the Iowa Corporation to eliminate the accrual of per capita tax receivable at January 1, 1987, of \$2,365,770, as shown in the Budget Statement of Revenues, Expenses and Change in Fund Balance for the years ended December 31, 1987 and 1988, included in your registration packets. This change has also been reviewed and approved by the Imperial Auditor.

This change does not result in a cash loss but merely changes by one day the date of assessment and accrual of the per capita tax.

Let me say that I sincerely want the members of the Iowa Corporation, the Representatives at this Session, to understand what is in the financial statements. I hope that they have been presented in a manner that is interesting and that you do understand.

I will be happy to answer any questions that you may have regarding them.

Imperial Sir, I move the receipt of this report.

... The motion was duly seconded ...

IMPERIAL POTENTATE ANTHONY: It has been moved and seconded that we receive this report.

All in favor signify by saying aye; opposed no. The motion is unanimously carried.

I would now like to call upon the Chairman of the Committee on Mileage and Per Diem, Imperial Sir Jack Dean.

IMPERIAL SIR JACK DEAN: To the Imperial Potentate, Officers and Members of the 1987 Imperial Council: As provided in Article #5, Sections 205.1 and 205.5 of the Bylaws and Code for the Imperial Council, your Committee on Mileage and Per Diem, in keeping with the law, recommends for those entitled to receive pay, mileage allowance of a round-trip comparable to, but not in excess of, the lowest unrestricted discount air fare or, if such is not available, the lowest coach or most economical air fare, from the departure airport to the destination airport for himself and his spouse if she accompanied him. If a Representative lives outside the state in which his Temple is located and nearer the place of the Session, the departure airport shall be that airport nearest his place of residence. He shall also be paid per diem expenses of seventy-nine dollars (\$79) room rate, plus twenty dollars (\$20) for meals, for each day he attends the Session.

All members of the Committee on Jurisprudence and Laws shall receive seventy-nine dollars (\$79) plus twenty dollars (\$20) per day for four extra days. All members of the Committee on Finance and Accounts shall receive seventy-nine dollars (\$79) plus twenty dollars (\$20) per day for two extra days. All members of the Committee on Dispensations and Charters shall receive seventy-nine dollars (\$79) plus twenty dollars (\$20) per day for two extra days. All members of the Committee on Jurisdictional Lines shall receive seventy-nine dollars (\$79) plus twenty dollars (\$20) per day for two extra days. All members of the Committee of Grievances and Appeals shall receive seventy-nine dollars (\$79) plus twenty dollars (\$20) per day for two extra days.

I might add, Imperial Sir, that according to the provisions of the Imperial Code, those Temples who do not have their portion of per diem paid on March 31, are not entitled to have their Representatives paid at this Session. Your committee examined the records at Tampa and found, for the first time, all Temples were in compliance and, therefore, there are no Temples who are to be denied their Representatives being paid.

Again, gentlemen, this is a provision contained within the Code that most individuals are not aware of and which we have had trouble with before.

Imperial Sir, this report is respectfully submitted by your Committee on Mileage and Per Diem consisting of John Dean, Chairman, Webber C. Harrington, Imperial Treasurer and Imperial Sir Robert B. Bailey.

Imperial Sir, your committee recommends the adoption of this report and I would so move.

... The motion was duly seconded ...

IMPERIAL POTENTATE ANTHONY: Is there any discussion?

... There being no discussion, the motion was voted upon and declared to be unanimously carried ...

IMPERIAL POTENTATE ANTHONY: With that, Fellow Shrine Masons, I am going to declare a recess until one-thirty and thank you for all of your kind attention this morning.

... The One Hundred Thirteenth Annual Session of the A.A.O.N.M.S. recessed at twelve o'clock noon to reconvene at one-thirty o'clock p.m.

AFTERNOON SESSION

**THURSDAY, JUNE 25, 1987
ONE-FORTY O'CLOCK P.M.**

The One Hundred Thirteenth Annual Session of the Imperial Council reconvened at the Las Vegas Hilton Hotel, Las Vegas, Nevada, at one-forty o'clock p.m., Imperial Potentate Russell Anthony, D.V.M., presiding.

IMPERIAL POTENTATE ANTHONY: Fellow Shrine Masons, if you will take your seats, we are going to commence now.

We are going to proceed with the report of the Necrology Committee. However, before we do that, I am going to call on the Committee of Jurisprudence and Laws, Walter Pettit, to explain the afternoon.

NOBLE PETTIT: Imperial Sir, Imperial Sirs and Representatives: You have at your seats a report of your Jurisprudence and Laws Committee.

This came about by reason of the amendment which took place yesterday and for the purpose of the record, I will read the report so that you may all hear and understand that this is simply a matter of housekeeping. This is one that you already considered and approved and it will save us all, you and the Committee on Jurisprudence and Laws, substantial time and trouble in the ensuing year.

Also, I will tell you, those of you that have already inquired, that item 4 will be taken up and considered immediately following the report of the Necrology Committee. (Applause)

To the Representatives of the Imperial Council: Early this morning, your Committee on Jurisprudence and Laws met with the proponent of item number 9 as well as the movant of the amendment thereto, and all other persons interested in meeting with us. The original proposal is located on page 19 in the Call.

You will recall that concern was expressed by several of you of a potential conflict with Section 326.3 of the Bylaws after the adoption of item 9 yesterday.

As a consequence, your committee met last night and again early this morning to draft a clarifying proposal for you. I am pleased to inform you that this clarifying proposal has the unanimous support of the proponent of item 9 (Illustrious H. Jim Lemmon), as well as the movant of the amendment and all other persons who have discussed this matter with us. Now, therefore, in an effort to have our Bylaws speak with as much clarity and simplicity as possible, your committee, pursuant to its authority under Section 101.5, proposes the following:

Amend Section 325.4 and Section 326.3(a) so that such Sections, as amended, will read as follows, with new language underlined and the language which is presently in your Bylaw book which is being deleted emphasized in brackets.

Section 325.4 WHEN ELECTED, Each Temple must elect its Officers and Representatives at its Annual Meeting in January unless its Bylaws allows the election to occur at the Temple's stated meeting in December.

Section 326.3 INSTALLATION.

(a) The Officers shall be installed [immediately after election or at the first succeeding meeting of the Temple] at the Annual Meeting in January, or on such other date in January as prescribed in its Temple Bylaws, in accordance with the ceremony of installation prescribed by the Imperial Council.

The committee reports that the foregoing proposal is now in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Respectfully submitted,
COMMITTEE ON JURISPRUDENCE AND
LAWS

Walter S. Pettit, Jr., Chairman

Robert E. Cooper

Theodore Corsones

Robert C. Lake

William A. Buckaway, Jr.

Imperial Sir, if there are any questions, I will be glad to answer them.

If not, I would move for the adoption of the report and the amendment.

... The motion was severally seconded ...

IMPERIAL POTENTATE ANTHONY: It has been moved and seconded that the report be adopted as amended.

Is there any discussion?

Microphone 1.

NOBLE SKELTON [Past Potentate, Hamasa Temple]: Imperial Sir, Imperial Sirs and Representatives, before you fire a bullet into me like you did yesterday, please hear me out.

I have an amendment that I would like to offer to what has just been presented.

I talked to some Recorders who said they would like to get this business out of the way in December. Now, it absolutely affects you in no way as to what you want to do but it does give you an opportunity that your Temple Bylaws read that way or, if you so see fit, to amend your Temple Bylaws you can do it.

My amendment is this.

Section 326.3, Installation:

"The Officers shall be installed immediately after election in December, if prescribed by the Temple Bylaws, or at the first succeeding meeting of the Temple, at the Annual Meeting in January, or on such other dates in January as prescribed by the Temple Bylaws."

Now, it left out one thing. If you are installed in December, the amendment should read, "subject to assuming office on January 1."

Now, am I right in asking that if your Temple wants to change its Bylaws, you can elect and install in December or elect and elect and install in January, or elect in December and install in January?

As I see it, it is no real problem. It just gives that Temple an opportunity to do what it would like to do, which is to get on with its business concerning its new Officers, especially if they are elected in December and take office on January 1. Otherwise they have to wait, such as in the case of my Temple, until the third Tuesday night in January. At that time they have lost three weeks in relation to which they can start putting things in order.

I would like to offer that as an amendment.

NOBLE PETTIT: Just a moment, I believe I am a little bit confused here in relation to the language of your amendment. Can you give that to us again?

NOBLE SKELTON: This refers to Section 326.3, Installation.

"Officers shall be installed immediately after election in December if prescribed by its Bylaws, subject to assuming office on January 1."

What I am trying to do is give the Temples an opportunity to do that if they so desire.

IMPERIAL POTENTATE ANTHONY: Just a moment, I believe that was made as an amendment. Is there a second?

... The amendment was duly seconded ...

IMPERIAL POTENTATE ANTHONY: Is there discussion on the amendment?

Microphone 2.

ILLUSTRIOUS SIR BOWMAN [Potentate, Al Amin Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs and Representatives: According to this amendment that we have in hand, you would be able to install your Officers on the very first day of January.

Suppose, however, my Recorder decides he wants to get his business through in December? I think what we want to do here is, as I see it, that we want to be able to elect ahead of time in order to allow the incoming Potentate time to do his thing, to prepare for his year and to get his budget put together so he can present it in February. Thank you.

IMPERIAL POTENTATE ANTHONY: Is there any other discussion?

Microphone 3. Please give us your name and Temple and also indicate whether you are a proponent or opponent.

ILLUSTRIOUS SIR DERYL SAFFORD [Potentate, Korein Temple]: I am an opponent.

I am sorry to have to disagree with the proposer of the amendment but we in Wyoming, being so far from everything, have learned one thing, one word and that is KISS.

I think the Temples should have some flexibility in relation to what they want to do concerning this whole issue.

Now, in the event some of you do not know what KISS means, it means Keep It Simple, Stupid.

As I see this, if you want to do it, I think it is very plain, in that you are going to have to go back to your individual Temples, change your Temple Bylaws and then you will be permitted to make your installation anytime in January or December that you so desire.

IMPERIAL POTENTATE ANTHONY: Thank you.

I will now go over to microphone 2. Will you identify yourself and your Temple before you speak, please.

ILLUSTRIOUS SIR REYNOLD MATTHEWS [Potentate, Kena Temple]: Imperial Sir, just a point of parliamentary inquiry.

I have never yet heard where anybody can be installed and still have a lame duck period in between. In other words, if you are in fact elected and installed, you are it as of that time and I cannot see how they can wait a period of time in relation to when it will take effect.

I ask that as a parliamentary inquiry, Imperial Sir.

IMPERIAL POTENTATE ANTHONY: We are going to have our Parliamentary answer that for you.

NOBLE LAMDIN: What the Illustrious Sir says is so true because if you go to Article 36.3(b), they can assume the duties of their respective offices upon installation.

... The question was then severally called for ...

IMPERIAL POTENTATE ANTHONY: I am going to recognize one more microphone and then we are going to stop the debate.

Microphone 2.

NOBLE JAMES SKELTON [Past Potentate, Hamasa Temple]: I have one question. Does this Imperial Council operate under Robert's Rules of Order?

IMPERIAL POTENTATE ANTHONY: Yes.

NOBLE SKELTON: Then I am assuming that all organizations that operate under Robert's Rules of Order have to assume office when they are installed because I do know some that do not assume office at the time they are installed. However, I go along with what you just said and so I will withdraw my amendment.

... Cheers and applause then ensued ...

IMPERIAL POTENTATE ANTHONY: All right, the maker of the amendment has withdrawn his amendment.

Does the seconder likewise withdraw his second?

... The seconder likewise withdrew his second ...

IMPERIAL POTENTATE ANTHONY: Then that is officially withdrawn and we will not have to act on the amendment.

We are back to the report as presented.

All in favor of the report as presented indicate by saying aye; opposed no. The motion is unanimously carried.

I am now going to turn the meeting over to the Chairman of the Necrology Committee, Illustrious Sir Roy T. Lord.

NOBLE ROY T. LORD: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, Fellow Representatives from all the Temples that are present: This is the report of your Necrology Committee and we shall proceed with it. It is not a very long report and with your indulgence we will present it to you at this time.

Imperial Sir, Imperial Sirs, Fellow Representatives and Guests: A poet once said:

"One by one we miss the voices of friends we love to hear.

One by one their gentle faces in the darkness disappear.

No one hears the door that opens, Thus then pass beyond recall,

Soft as fragrant leaves of roses, One by one our loved ones fall."

In rendering this report and out of respect to our deceased Nobles, we ask that you uncover and observe strict silence for the next few minutes while Reverend Arnold T. Herbst, our Imperial Chaplain, opens the memorial report with prayer.

DR. HERBST [Imperial Chaplain]: Our Heavenly Father, you welcome us into this world; you lead us to its valleys and up its mountains and when at last the end of life comes, you take us by the hand and we move on.

We have learned that life is a strange mixture of tears, joy and sorrow and somehow we believe that through it all you are with us in our sorrows as well as in our days of happiness.

Today we pause, as we ought to, to remember in love and appreciation those who sat with us a year ago and who have now made the great adventure. We dare to believe that they are now in your loving care and see life from different dimensions.

We pause to give thanks for what they have meant to us; the trail they broke for us; the good advice they gave us and the love they offered us.

We thank you for them and pray that at a moment like this our resolve shall be that we should show our gratitude not only by what we say here today but in greater dedication to the remainder of our days. Amen.

NOBLE LORD: We, your Necrology Committee, sadly report that during the past year, 23,479 distinguished Nobles of our beloved Shrine have passed to "The Great Beyond" where in peace and tranquility they rest away from the mundane things of life. We pause during this busy Annual Session to pay a lasting tribute to those Nobles who lived among us and who worked so diligently to advance the cause of the crippled and burned child.

Among those who passed to the Unseen Temple during the past year was our beloved Past Imperial Potentate O. Carlyle Brock on March 26, 1987, after more than eighty-seven years of a useful life. He was a great Shrine Mason having joined his Blue Lodge at the age of twenty-one and for many years served as Chairman of this Necrology Committee.

Having served all branches of our beloved Masonry including DeMolay and as a Thirty-Third Degree in Scottish Rite, we remember him also as a true family man highly religious and a great success in the business world. Rest assured those in these areas join with us in expressing our great loss at his passing.

In all of Imperial Brock's expressions and thoughts, particularly as he worked for many years on our Imperial Line, we remember him best for his philosophy and saying that "For Freemasonry and the Shrine, God is the first truth and the final reality." May he with the others "Rest in Peace."

God has blessed us in our endeavors and to express our thanks to him in song, we will now be favored with a hymn by Moslem Temple's famed Chanters, directed by Noble Bill Rich.

... An appropriate hymn was then presented by the Moslem Temple Chanters ...

NOBLE LORD: My fellow Nobles, in the midst of life we are in death, and the wisest cannot know what a day may bring forth. We live but to see those we love passing away into the silent land.

Think of those Brethren who, but for a few days since, were among us in all the pride and power of life; bring to your minds the remembrances of their wisdom, their strength and their beauty; and they reflect that "to this complexion have they come at last;" Think of yourselves, thus will you be when the lamp of your brief existence has burned out. Think how soon death, for you, will be a reality. Man's life is like a flower, which blooms today and tomorrow is faded, cast aside and trodden underfoot. The most of us, my Brethren, are fast approaching or have already passed the meridian of life; our sun is setting in the West, and oh, how much more swift is the passage of our declining years than when we started upon the journey, and believed, as the young are too apt to believe, that the roseate hues of the rising sun of our existence were always to be continued. When we look back upon the happy days of our childhood, when the dawning intellect first began to exercise its power of thought, it seems as but yesterday, and that, by a simple effort of the will, we could put aside our manhood and seek again the loving caresses of a mother or by happy in the possession of a bauble; and could we now realize the idea that our last hour had come, our whole earthly life would seem built as the space of time from yesterday until today.

And now, let us be reminded that when God sends his angels to us with the scroll of death, let us look upon it as an act of mercy, to prevent many sins any many calamities of a longer life; and lay down our heads softly and go to sleep. To bear grief honorably and temperately and to die willingly and nobly, are the duties of a good man and a true Shriner.

Prior to closing this memoriam, we think again of the bereaved families, their friends and the unknown poet who phrased it best in these words:

"Beautiful life is that whose span is spent in duty to God and Man;
Beautiful calm when the course is run,
Beautiful twilight at the set of sun,
Beautiful death with a life well done."

As a final poem, let me say that life is a story in volumes three, the past, the present and the yet to be. The past is finished and hid away; the present we are living day by day; the third and last of volumes three is locked out of sight and God has the key.

He has the key to your life, to my life.

We now close this Necrology report with the rendition of "The Lord's Prayer" by Moslem's fine Chanters. Then a final tribute with Echo Taps.

... Whereupon, the rendition of The Lord's Prayer by the Moslem Chanters and the playing of Taps ensued ...

NOBLE LORD: Imperial Sir, this Necrology service has been presented by the Necrology Committee consisting of Reverend Arnold T. Herbst, William L. Barrineau, Jr., Thomas C. Yantis, William H. Wood and your Chairman, Roy T. Lord.

Imperial Sir, I would move for the acceptance of this Necrology report.

... The motion was duly seconded, was voted upon and declared to be unanimously carried ...

*To the Representatives of the Imperial Council, Potentates of Subordinate Temples, and
the Nobility of the Order:*

Like a ship that has left its moorings
And sails bravely out to sea,
So someone dear has sailed away
In calm serenity.

But there's promise of a greater joy
Than earth could have in store,
For God has planned a richer life
Beyond the Unseen Shore.

Past Imperial Potentate O. Carlyle Brock, 87, died on March 26, 1987, at Hamot Health Center in Erie, Pa. The loss of Imperial Sir Brock brought great sadness to the family, friends, Brothers and fellow Nobles who filled Brock's life. The Shrine's 76th Imperial Potentate, Brock was Representative Ad Vitam and Emeritus of the Imperial Council of the Shrine of North America at the time of his death. He was also an Emeritus Chairman of the Board of Governors of the Erie Unit Shriners Hospitals for Crippled Children.

Imperial Sir Brock was born on Jan. 10, 1900, in Glen Sutton, Quebec, Canada. After being graduated from Sutton Academy, he studied at Stanstead Wesleyan College, Macdonald College, McGill University and Cornell University. Brock led a fast-paced, exciting life that many only dream about. He was a successful businessman, world traveler, sportsman, scholar, naturalist, writer, lecturer, and big-game hunter.

Brock spent his career in the dairy industry as owner and manager of several dairy farms in the Erie area and of Brockvale Farms in Glen Sutton. Brock's success in business was equalled by success in all other facets of his life. A great lover of the outdoors and a man filled with the spirit of adventure, Brock, accompanied by his wife, took numerous safaris in Africa, shikars in Asia, and expeditions to the Arctic.

As Imperial Potentate of the Shrine in 1964-65, Brock helped achieve many major advancements in the Shriners Hospitals system including the groundbreaking and dedication of the three Shriners Burns Institutes. He was also instrumental in bringing the Erie and

Houston hospitals—independently operated by single Shrine Temples—into the Shriners Hospitals system.

Imperial Sir Brock became a Mason when he was 21 years old. In 1930, he became a Noble of Zem Zem Temple in Erie and served as its Potentate in 1951. A life member of several Masonic bodies, Brock held many positions in the various Masonic organizations including Master, Commander, High Priest, Sovereign and Grand Monarch. He was a member of the Supreme Council of the Order of DeMolay and a 33rd degree Scottish Rite Mason.

Throughout his life, Brock was driven by an ambition to succeed. His slogan for his Imperial Year—"God, Family, Fraternity, Charity, Country"—reflected his belief that a man's life can never be too full.

Imperial Sir Brock is survived by his wife, Emily Ann; three sons, Omar Carlyle III, Stuart, and Hubert; and his daughter, Grachia Carolyn Brock Minton.

Masonic and religious services were held on March 29 at the Cathedral of St. Paul Episcopal Church in Erie, with burial services on March 30 in Memorial Gardens, also in Erie.

*Love, like the ocean, is vast and forever,
And sorrow, but a shadow that moves over the sea.*

His many friends in the Imperial Council and in all Shrinedom join with the Imperial Potentate in expressing sincere condolences to his lovely wife, Emily, and his loved ones.

There was a friend whose heart was good.
He walked with men and understood.
His was a voice that spoke to cheer,
And felt like music on the ear.
His was a smile men loved to see;
His was a hand that asked no fee
For friendliness or kindness done.
And now that he has journeyed on,
His is a fame that never ends—
He leaves behind uncounted friends.

IMPERIAL POTENTATE ANTHONY: We certainly want to compliment you and your committee and Moslem's most excellent Chanters and, last but not least, my Imperial Chaplain,

Dr. Herbst, for a very impressive ceremony. Again, this is what Shrine Masonry is all about.

I would now like to get into the legislative portion of the agenda again and I would like to call on Noble Davis for the report of the Committee on Jurisprudence and Laws concerning item 4 on the Call of the Annual Session for 1987.

NOBLE DAVIS: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, item number 4 on Call of the Annual Session of 1987, located on page 17 of the Call. It is a proposal to delete Article 10, Prerequisites For Membership, entirely, and to delete the present Section 323.8 and subsection (d)(1) of Section 323.11 and to amend and renumber Section 323.3 and subsequent Sections of Article 23 of the Bylaws of the Imperial Council, an Iowa Corporation, so that Section 323.3 to Section 323.11, as amended, will read as follows:

ARTICLE 23 Temple Membership

Section 323.3 Qualifications for membership. A candidate for membership shall believe in the existence of God, be a male, have attained the age of majority and be of good moral character.

Section 323.4—No change.

Section 323.5 Investigation

(a) Each petition for membership shall be presented to the Recorder of the Temple and he shall immediately deliver it to the Potentate.

(b) The Potentate shall appoint an investigating committee of three members of the Temple to review the petition, interview the candidate and conduct an investigation of the candidate's qualifications for membership.

(c) The Investigating Committee shall return the petition to the Recorder within thirty days with a report of its findings and with a recommendation as to whether the candidate should be accepted or rejected.

Section 323.6 Balloting—No change in content.

Section 323.7 Candidate; when initiated. No change in content.

Section 323.8 Associate membership—No change in content.

Section 323.9 Suspension or Termination of Membership—No change in content.

Section 323.10 Demit—No change in content.

Section 323.11 Suspension for nonpayment of dues.

(a)–(c) No change.

(d) One who has been suspended for nonpayment of dues may be restored in the following manner:

(1) Without vote of the Temple upon terms authorized by the Temple.

(2) The restoration must be reported to the Temple at its next stated meeting and recorded in the minutes.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Respectfully submitted,

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon the proposer, Illustrious Sir Raymond E. Palange, for an appropriate motion.

IMPERIAL POTENTATE ANTHONY: Will Illustrious Sir Raymond E. Palange present himself at the podium.

NOBLE RAYMOND E. PALANGE: Imperial Sir, Imperial Sirs, Illustrious Sirs, Most Worshipful Grand Masters, My Fellow Delegates and Nobles: I am here to talk to you about survival of the Shrine. It is not easy for me to talk to you about this and I come to you after a lot of deep, thoughtful consideration.

It is as hard for me to bring this to you as it is difficult for you to accept. However, I believe that if the Shrine is to survive, we must make a change and we must make that change now.

This is a difficult and emotional issue, one that can be most easily misunderstood. Let me say, however, that in no way does this change even suggest that we abandon Masonry.

Let me show you some cold, hard facts which will prove to you that this change is essential.

[Slide]: To survive, we must take responsibility for our future and that responsibility lies in the problem of membership.

[Slide]: We have two choices—continue on our course to oblivion, losing our pride in the Shrine or turn this around and take responsibility for our future and chart our own course.

[Slide]: Now, let us take a look at Masonry.

On the left are numbers in the millions and from 1960 to 1985—well, in 1960, there were more than four million members in Masonry. In 1985, the figure had shrunk to less than three million, a decline of twenty-nine percent. This decline has continued for more than twenty-eight years. Do you think it is going to change?

[Slide]: On the left here are the members in thousands. At the bottom we have the years 1978 to 1986.

In 1978, we had more than 900,000 members in the Shrine. In 1986 the figure is 847,000.

Also, in 1986 alone, the loss was over 20,000, which is twenty-four percent greater than the 1985 loss.

That is more than an average four Temples and, even more important, is the age of these Shriners.

[Slide]: On the left of this slide you see the Shrine members in thousands. On the bottom line there is the ten-year age groups with the members in each age group.

It is very easy to see, from this slide, that approximately twenty percent are below the age of fifty and eighty percent are over the age of fifty.

Further, the average age of the average Shriner today is sixty-two years of age.

Now, still more important are the candidates.

[Slide]: A mere twelve years ago, for example, we had over 45,000 candidates and now, in looking at what it was in 1986, we see a number less than 20,000. That, my fellow Nobles, is disastrous.

[Slide]: If we do not stop this disastrous trend now, look what can happen to us.

In 1990, Shrine membership, at this rate, will be 759,000; in the year 2000, Shrine membership will be less than 500,000. That is a forty-four percent drop in Shrinedom, which is a short twelve years away.

This declining change changes from a disaster to a catastrophe.

[Slide]: It was asked if the Shrine will continue to follow the Masonic Codes? Well, of course it will.

Will we have to give up either the Scottish or York Rites? Absolutely not. Further, we will continue to work for Masonry after the change is made.

[Slide]: Another question—who can become a Shriner? Any man who has a belief in God, must be a male, must have attained the age of majority and be of good moral character.

The Shrine of North America will continue to support Masonry. The Shrine of North America must keep its pride, vitality and respect. The Shrine of North America must take responsibility for its own future.

[Slide]: And, my fellow Nobles, you know in your own hearts that this must be done. The Shrine can and will survive by your “yes” vote on item 4.

Imperial Sir, we request a paper ballot.

Thank you.

IMPERIAL POTENTATE ANTHONY: We have not as yet had any type of motion made concerning this issue.

NOBLE PALANGE: I would move that we adopt this proposition.

IMPERIAL POTENTATE ANTHONY: Is there a second to that?

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE ANTHONY: The motion has been made and seconded and we are now ready for discussion.

Microphone 3. Please give your name and Temple and first indicate whether you are a proponent or opponent.

NOBLE RODERICK ROBERTSON [Philae Temple]: Let me first say, Imperial Sir, that I am against this motion. I have two points that I would like to make.

First of all, let me say that I am involved with the Boy Scouts up in Canada and we have a movement up there right now to make the Boy Scouts and the Girl Scouts coed.

Now, if we pass this motion, all that we have to do is to be a male. When that happens, I am sure that either somebody here in the states or up in Canada, a female, is going to want to be a member. That is the first point I would like to make.

My second point is that in 1872, thirteen Masons got together with a dream and their dream was to form this great organization and do not you think they did not have a hard time doing it. However, we in this room today, in my opinion, have a legacy, we have a history.

Further, Walter Fleming, who founded this Order, was just a Master Mason himself when it was founded and I would implore the Representatives in this room to vote "no" for this motion.

. . . Cheers and applause ensued . . .

IMPERIAL POTENTATE ANTHONY: I would now like to call on microphone 3 again.

I am going to switch from proponent to opponent.

I will go to microphone 3.

NOBLE FORD LONG [Islam Temple]: Imperial Sir, Imperial Sirs, Most Worshipful Sirs, My Fellow Representatives and Nobles: You know, it is not easy to discuss this without being emotional about it but if we are going to be objective, let us put the motion aside and be objectively reasonable.

Let us not, for example, have it said of us that we have looked without seeing; that we have heard without hearing.

My fellow Nobles, this morning you heard that perhaps financially, within a matter of five years, we will be bankrupt.

You can see by the membership charts hanging there on the back wall, if you have looked at them at all, that each one of us is suffering a decline in membership. Let us put aside our emotions concerning this issue. We are not asking anybody to give up Masonry. I am a Past Master of my Lodge; I am a former District Inspector; I am a former Drill Master of Bethel No. 37; a former member of the Officer Development and Training Committee and I am a current member of the Grand Master's Committee of Panel Speakers to go out throughout the entire Jurisdiction and talk about Masonry. I fully intend to do that.

Nobody is asking anybody to make a choice between Shrinedom and their Blue Lodge Masonry. However, what we are asking you is to be objective without emotion.

Take a look at what is happening to our membership and then, after looking at those figures, if you do not come to the decision that we must change our course, then we are in difficulty.

You know, I am a traditionalist and I believe in that but I also am a survivalist. I believe in the Shrine, its purposes and motives and I would also like to support those and if we do not get members, we are not going to have a Shrine.

Therefore, I would urge you to vote for proposition 4. (Applause)

IMPERIAL POTENTATE ANTHONY: I am now going to switch over to microphone 1.

ILLUSTRIOUS SIR M. S. JONES [Potentate, Zelzah Temple]: I am against this motion.

Imperial Sir, Imperial Sirs and Nobles, it is at this point in time that in relation to items 4 and 5 that we tend to become a little confused.

Now, perhaps some of us should go back and read about the meager belongings of

Shrinedom by Blue Lodge Masons. Members of the appendant bodies did not want to see the new Shrine organization fail. They gave of themselves to support the Shrine.

Today you may survive without Masonry, but, on the other hand, I can assure you that all of Masonry and its appendant bodies is facing the same problem, even in areas that we never thought of before.

You know, Nobles, it was recently said by a Grand Master that Masonry is the best kept of secrets—that we do not even talk about it among ourselves.

Changes must be made and we can make them by passing some of these proposals.

Now, the passage of these resolutions is not the answer because, first of all, they are being presented for all the wrong reasons. It is time to create coordination among all Masonic bodies. It is time to talk with the Masters, the members of your Lodge. It is time for new changes to be discussed.

The Grand Lodges do not run the Masons, just as the Imperial Shrine does not run the Temples, unless we wish them to do it. However, changes are not going to happen unless you are ready for them to happen.

Therefore, I would like to close this presentation with this statement—that change just for the sake of change does not solve anything.

As a Past Master of my Lodge, I ask you to vote “no” on this particular resolution.

Thank you very much.

IMPERIAL POTENTATE ANTHONY: Thank you very much.

I am next going to recognize microphone 2.

First of all I would like to ask if you are a proponent of the amendment?

ILLUSTRIOUS SIR LYLE MALDOON [Potentate, Damascus Temple]: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, Illustrious Sirs and Fellow Representatives: To speak in favor of this resolution should not be considered anti-Masonic in word or thought.

This Session here today is considering the future of Shrinedom. The Grand Lodge meetings are held annually to consider the future of the Blue Lodge Fraternity. We must separate these meetings and, please remember, we are here today doing Shrine business. The future of Shrinedom is at stake. We today must control our own destiny. We must vote with our minds to keep the Shrine in existence.

Children with broken bodies all over North America are counting on us to perpetuate our philanthropy. Remember, when you vote, you are voting to continue this care.

Shriners have always felt that a strong and growing Blue Lodge membership meant we would always have a strong and growing Shrine. However, at least for the past twelve years, that has not proven to be true. Our membership, as you have been told, is rapidly dwindling. Blue Lodge membership has been dwindling for some twenty-eight years and now we must make the decision to make the Shrine grow strong again. This, in turn, will make the Blue Lodges stronger.

We must be the catalyst for a strong Freemasonry movement. It is not working the other way. Masonry does not any longer seem to be the catalyst for the other bodies to build upon.

Now, when this resolution passes, it will be necessary to pass a further resolution to provide the following—investigation of new members must be restricted to keep the quality of the membership where it is today. Also, I believe all elected Officers of the Temple must be Scottish Rite or York Rite members in good standing. This will, in turn, preserve our long and proud heritage.

Vote with your minds and, secondarily, with your hearts, in favor of this resolution in order to first make Shrinedom strong again and stay strong; to make Masonry strong again and stay strong and to keep our beloved philanthropy, our hospitals full of those unfortunate children, to keep them going very strong so that these broken bodies may be made whole again and, in turn, might lead a more normal life.

We owe this to humanity and this can only happen if we stop the decline in our membership, which can be done by voting “yes” in relation to this resolution.

Also, please remember that if the Shrine goes down, so also will our philanthropy. Again, in relation to the graphs hanging on the back wall, I would urge all of you to go take a look at them. They will make you sick.

More than sixty-five years ago, our predecessors voted to form our hospital corporation.

We have an opportunity, in 1987, to keep them growing or witness the beginning of the end of them.

You are a very important part of a historically milestone in Shrinedom. Let your conscience direct your ballot. Thank you very much. (Applause)

IMPERIAL POTENTATE ANTHONY: Now, my fellow Shrine Masons and Nobles All: I would like, in the interest of fairness, to lay down a couple of ground rules, if I might.

I thought that perhaps we could keep this on an even keel without having you go to separate microphones but then I now find out that I was wrong. Therefore, I would appreciate it if all of those who desire to speak in favor of the amendment, of item 4 in the Call, if they would please all proceed to microphone 3. All of those who are against item 4 in the Call, please go to microphone 1.

I am sorry for those of you that have lined up on microphone 2 because you are on the wrong side and I apologize.

Also, there is another thing that I would like to ask of you and that is that in relation to all of this discussion, while it is all very, very worthwhile, please try to minimize the length of time that you are responding at the microphone. What is happening here is that we are spending way too much time in going over the same thing. Of course, I know you all want to be heard and that is only fair.

Therefore, I will now recognize somebody who desires to speak in opposition and, therefore, will recognize the first individual at microphone 1. Please identify yourself and your Temple.

ILLUSTRIOUS SIR L. R. THOMAS, JR. [Potentate, Sudan Temple]: Let me first say, Imperial Sir, that I also serve as the District Deputy Grand Master of the Grand Lodge of North Carolina.

Now, I have before me a resolution from the Grand Lodge of North Carolina which I should like to share with this body.

Now, I can read all of the whereas clauses but, in the interest of time, I will not do that but present merely the final resolving clause which reads:

“BE IT RESOLVED, that the Board of General Purposes of the Grand Lodge of North Carolina give full support to the Grand Master of Masons of North Carolina to express a strong opposition and objection to this proposed legislation.”

IMPERIAL POTENTATE ANTHONY: Thank you very much.

We will now go to microphone 3 and I will recognize the first Noble to speak in favor of the proposal. Please give your name and Temple.

... Whereupon, Illustrious Sir Henry Pearce, Past Potentate, Salaam Temple, presented a brief resume of the difficulties being experienced by his Temple and other appendant bodies of Mason concerning so-called dictatorial rulings made by the Grand Master of Masons of New Jersey ...

IMPERIAL POTENTATE ANTHONY: Thank you for those comments. They will be received as a matter of information although, in my estimation, not particularly pertinent to what is before us.

We will go over here to this microphone and, again, please give your name and Temple.

NOBLE OTIS BAXTER [Chief Rabban, Abba Temple]: First let me say that I am up here speaking against this proposal. I think, at least in my view, it would damage Masonry. I also think it would damage the Shrine and the Scottish Rite and the York Rite.

I think that what has happened is that we have more or less gotten lazy down through the years. Our Blue Lodges, in my estimation, are not doing their job. They are not seen—they are not heard.

I think, perhaps even more than attempting to get petitions for the Blue Lodge, that we need to get our Grand Masters to go back to their respective states and ask their Lodges to get Masonry into the communities where it can be seen. Really, how in the world can Masonry have a good effect and be appropriately seen if it does not show up in relation to community activities.

I think we must be united in our efforts toward membership and, Imperial Sir, I think I would drop out from the Shrine if we were to separate ourselves from our Blue Lodges.

IMPERIAL POTENTATE ANTHONY: The Chair will now go next to microphone 3. Again, state your name and Temple.

IMPERIAL SIR GEORGE POWELL [Crescent Temple]: Imperial Sir, Imperial Sirs, Worshipful Grand Masters and Representatives: You know, I am here seeking more light because, as I discussed this issue informally with those who are in favor of this resolution and likewise those in opposition to it, it occurred to me, at least in my opinion, that no one seemed to be considering one of the most important things to all of our Temples and that is money.

Now, it seems as though each time I come before you, I seem to be talking about money and how it affects our future. You know, the other things we have are great and all of these things we do are wonderful but unless we pay our bills, we are going to be in trouble and, as a matter of fact, some of the Temples are already in trouble. Some are going to get into trouble subsequently.

However, I think we have an obligation to try and straighten out these Temples that are weak from a financial standpoint.

Now, I have here a chart that I made up concerning revenue loss caused by membership loss from the years 1979 through 1986.

I will not take up your time by reading or further amplifying on these figures but I would like to have them become a part of the record.

Now, let me say that after the survey made and the loss in membership experience we have had from the years 1979 through 1986, I am sad to inform you that we, the Shrine, are poorer to the tune of \$2,642,220. If we had not had the membership loss through these years that we have had, you would have that amount of money, perhaps give or take a few dollars one way or the other, to use for the operation of your Temple.

Now, I thought it was an excellent question that was asked here today concerning the future of the Iowa Corporation and its income and expenditures.

Now, during that same time, the total amount of money that the Imperial Council has lost in income is \$223,862. Also, during that same time, in relation to hospital assessments, the Colorado Corporation has lost \$411,000.

Now, what we have before us provides one method of remedying that situation and, therefore, I would support the motion.

... The figures for the years 1979-1986 as mentioned by Imperial Sir Powell are included on the following pages ...

... The question on the motion was severally called for ...

IMPERIAL POTENTATE ANTHONY: We have had a call for the question and so, to have it clear in all of your minds, I am going to put the call for the question. Essentially, this is a motion to close debate.

Now, all of those in favor of closing debate indicate by saying aye; those opposed. I will declare it carried by the necessary two-thirds majority.

Therefore, at this point, we will continue and vote concerning item 4.

NOBLE W. C. VAUGHAN [Past Potentate, Kazim Temple]: Imperial Sir, may I be permitted to ask a question?

IMPERIAL POTENTATE ANTHONY: Please proceed.

NOBLE VAUGHAN: Did not, for example, the 1987 report indicate that we raised more money last year for our hospitals than ever before?

IMPERIAL POTENTATE ANTHONY: Just a moment, that is a question that is not germane to the issue before us.

NOBLE VAUGHAN: However, Imperial Sir, did we not receive an answer from up there on the stage a short time ago that a man would not have to be a Scottish or York Rite Mason if this passed?

IMPERIAL POTENTATE ANTHONY: That is true.

Now, we are going to use ballot 6 in your ballot book.

Now, before I ask you to mark your ballots, let me call on Illustrious Sir Walt Pettit to explain exactly what you are going to be voting on.

NOBLE PETTIT: Fellow Nobles, the ballot is regarding the amendment as proposed. If you vote "yes," you are voting to amend the Bylaws as they now stand. You would then be voting in favor of proposition 4. If you vote in the negative, then you vote against proposition 4.

Are there any questions concerning that? Again, to recap, you vote "yes" if you are in favor of proposition 4 and, if not, you vote "no."

... Voting and collection of ballots ensued ...

IMPERIAL POTENTATE ANTHONY: I will recognize Illustrious Sir Lamdin at microphone 1.

NOBLE LAMDIN: Let me say that there are two eventualities that must take place under our Bylaws.

First, there must be a two-thirds majority and, secondly, there must be at least 400 on the side of the two-thirds and so in order to get those two figures, the Chair has ruled that this type of ballot is the best way to do it.

Another factor here is that when you take a standing vote, we up here are not sure that everybody who stands up is a valid Representative.

IMPERIAL POTENTATE ANTHONY: With that, let me ask, has everyone voted who cares to vote concerning this ballot? Is there anybody who has not voted on this ballot? Again, is there anybody who has not voted? Again, for a third time, is there anybody who has not voted? Hearing no comment, I now declare the ballot closed. (Gavel)

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE ANTHONY: While we are waiting for the ballot results here, I would like to recognize Illustrious Sir Walt Pettit, Chairman of the J and L Committee.

NOBLE PETTIT: Imperial Sir, Imperial Sirs and Representatives: There is one item we can get out of the way while we are waiting for the return on the ballots concerning item 4 and this is a supplement to our legislative procedures statement made earlier in the Session.

It is our intention today to entertain the application for Charter for Acacia Temple. This is item 22 in the Call.

I think it is important for you to realize that for three days preceding this Session a great deal has been done by your standing committees.

We have gotten the procedure down so that, as last year, we will be able to entertain applications for Charters by a simple procedure which will require but one vote.

The procedure that was established last year and which we will follow today is, first, that the standing Committee on Dispensations and Charters, having received the application,

will present a report to you. If the report is in the affirmative, then, next, the Jurisdictional Lines Committee will take a look at the application and will make their report to you and then the Jurisprudence and Laws Committee will report to you and make the appropriate motion to the Imperial Sir with respect to the Charter.

There will be three reports, one from Dispensations and Charters, one from Jurisdictional Lines and one from Jurisprudence and Laws. However, only one motion will require a vote.

I merely wanted to explain that to you and thank you for your attention.

IMPERIAL POTENTATE ANTHONY: We will now hear from another one of our distinguished guests, the Grand Master, Grand Encampment, Knights Templar, Sir Knight Donald H. Smith.

SIR KNIGHT DONALD SMITH: Imperial Sir, Imperial Sirs, Imperial Representatives, Distinguished Guests, My Brothers All: I bring you the cordial fraternal greetings of the Officers and members of the Grand Encampment of Knights Templar of the United States of America and of the 1,500 Commanderies in this great country and nine countries abroad.

We wish you a great One Hundred Thirteenth Imperial Council Session.

Thank you, each and every one of you, for all the courtesies and hospitality that has been extended to me and to my wife.

Last August, Imperial Sir Russ Anthony, D.V.M., which, I understand, stands for "Distinguished Veteran of Masonry" (laughter), invited several international and national Masonic leaders to a meeting held at Tampa to discuss the problems we are encountering in Freemasonry and what might be done to solve these problems. We spent two days behind closed doors in a meeting room and a lot of hair was let down during those discussions.

These problems we discussed are not problems only with the Shrine or only of Freemasonry, they are problems of fraternal organizations all over the world.

Now, these have been encountered because we missed a generation. The generation that we missed we call the Viet Nam generation and after they came back, we thought like other people did, namely, that we have to go out and get them and speak to them. These are the individuals between the age of thirty-five and fifty.

I will bet you that there are not twenty-five men in this room who are Viet Nam veterans but I will bet you that there are 400 men in this room who are World War II veterans.

Let us think in terms of picking up and bringing into our great organization these men that we missed during the Viet Nam generation.

As Knights Templar we are able to do something to give Imperial Sir Anthony a platform nationally to bring ideas of this meeting to everyone's attention. We did that by giving him an opportunity to prepare articles for the Knights Templar magazine, which is the only national magazine that goes to all fifty states. Many pages of that magazine this year have been covered with ideas that were presented at that great meeting.

Now, many of you may not agree with these ideas but I hope that all of you who received the magazine did take the opportunity of reading them.

I am glad to report to you that most of the articles that I have read and the letters I have read about them have been favorable in relation to the suggestions that were made.

I offer to our new Imperial Potentate, Imperial Sir Voris King, the same type of cooperation we have enjoyed with Sir Knight Russ Anthony.

Thank you, Imperial Sir, for doing something about Masonic cooperation and I thank you for your enthusiastic leadership of Freemasons.

God bless you and thank you all. (Applause)

IMPERIAL POTENTATE ANTHONY: Thank you very much, Sir Knight Smith.

I am now going to call upon the Chairman of the Tellers Committee, James Hathaway.

NOBLE JAMES HATHAWAY: Imperial Sir, Imperial Sirs, Most Worshipful Sirs and Representatives: It is a pleasure to give you the results of ballot 6 on item 4 in the Call.

There were a possible 847 votes; 796 actually voted. There were no spoiled ballots and necessary to pass was 531.

The votes were distributed as follows: Yes, 272; no, 524. Therefore, I am going to declare proposition 4 as having failed.

. . . Business was transacted in the Colorado Corporation at this time . . .

IMPERIAL POTENTATE ANTHONY: Now we will move on and I will recognize Illustrious Sir Bill Barrineau of the Dispensations and Charters Committee to present their report concerning item 23 which appears on page 26 of the Call.

NOBLE BARRINEAU: To the Representatives of the Imperial Council: There has been referred to your Committee on Dispensations and Charters item 23 which appears on page 26 of the Call. It is a proposal to grant a Charter to Acacia Temple, U.D.

A hearing was held before your committee on June 21, 1987, at which time the proponents were present. No person appeared in opposition thereto.

Your committee finds that the application for dispensation by Acacia Temple was granted by the 1986 Imperial Council and that it has been under dispensation for a period of at least the time elapsing between two Annual Sessions of the Imperial Council. We further find that this Temple has provided itself with a proper place of meeting and the necessary paraphernalia for ceremonials and that it has shown a satisfactory increase in membership.

In fact, this new Temple has shown a thirteen percent increase in membership during its first year of operation. All of us share the pride of Acacia.

Your committee is pleased to report to you that it is our unanimous opinion that it will be in the best interest of our Order to grant a Charter to Acacia Temple.

Respectfully submitted,

Imperial Sir, if there are no questions concerning this report, I recommend that you call upon Illustrious Joe Morris of the Jurisdictional Lines Committee for their report.

IMPERIAL POTENTATE ANTHONY: The Chair will recognize Joseph Morris of the Committee on Jurisdictional Lines.

NOBLE JOSEPH MORRIS: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisdictional Lines, item 23 which appears on page 26 of the Call. It is a proposal to grant a Charter to Acacia Temple, U.D.

There being no changes in territory of said Temple while under dispensation, your committee recommends that Article 65 of the Bylaws of the Iowa Corporation remain as it presently exists as to territorial jurisdiction.

Respectfully submitted,

Imperial Sir, if there are no questions concerning this report, I recommend you call upon Imperial Sir Bob Turley for the report of the Committee on Jurisprudence and Laws.

IMPERIAL POTENTATE ANTHONY: I will now call on Imperial Sir Bob Turley for the report of the Committee on Jurisprudence and Laws.

IMPERIAL SIR TURLEY: To the Representatives of the Imperial Council: Your Committee on Jurisprudence and Laws, by virtue of the authority of Section 101.5(a) of the Bylaws of

the Imperial Council, an Iowa Corporation, hereby proposes that Section 463.1 of Article 63 of such Bylaws be amended by deleting therefrom the letters "U.D." which presently follow the designation of Acacia Temple.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Respectfully submitted,

Imperial Sir, if there are no questions or comments on this report, I move the adoption of the amendment and the granting of a Charter to Acacia Temple.

... The motion was duly seconded ...

IMPERIAL POTENTATE ANTHONY: It has been moved and seconded that a Charter be granted to Acacia Temple.

All in favor say aye; opposed. It is unanimously carried.

Congratulations to Acacia Temple. Will the Officers please come forward at this time.

... Whereupon, the Officers of the Temple then approached the podium ...

IMPERIAL POTENTATE ANTHONY: We are indeed very happy to present to the Officers of this Temple their Charter.

... Presentation of Charter, applause and picture taking ensued ...

IMPERIAL POTENTATE ANTHONY: The Chair will recognize the Chairman of Jurisprudence and Laws, Walt Pettit.

NOBLE PETTIT: To the Representatives of the Imperial Council: I have before me a written request to withdraw item 1 which appears on page 15 of the Call for the Annual Session. It reads as follows:

"I hereby request the permission of this Imperial Council Session to withdraw item 1 on the Call for the Annual Session of 1987."

It is signed by Illustrious Sir Gilbert Martin, the proponent of the proposal.

Imperial Sir, the request to withdraw requires the unanimous consent of the Representatives. Therefore, I recommend that you ask the Representatives whether or not they grant their unanimous consent to the withdrawal and, if they do, I move that the Jurisprudence and Laws Committee and any other committee to which this proposal has been referred be discharged from further report.

/S/ Walter S. Pettit, Chairman
Jurisprudence and Laws Committee

NOBLE PETTIT: I would ask you, Imperial Sir, if you will call on Illustrious Sir Gilbert Martin, the proponent of this matter, for a second and a statement he wishes to make with respect to withdrawal.

IMPERIAL POTENTATE ANTHONY: I will recognize Illustrious Sir Gilbert Martin at microphone 2.

NOBLE GILBERT MARTIN: Imperial Sir, Imperial Sirs and Fellow Representatives: First of all, I wish to second the motion made.

Now, as to the reason for withdrawal, let me say that I am withdrawing my proposal as stated in the Call because it does not do what I had intended for it to do.

My original proposal was changed and was changed in such a way that it becomes strictly a money proposal. However, that was not my intent at all.

My intent was to elevate the level of courtesy and cooperation between the Grand Lodges up at the Imperial level because I believe that the Shrine's ties to Symbolic Masonry should

be strengthened rather than weakened and I believe that some of the other proposals do or would have done this had they passed.

Also, we heard this morning that the Iowa Corporation was projecting a significant deficit for 1988 and I certainly do not wish to add to that in any way.

IMPERIAL POTENTATE ANTHONY: Now, Representatives, as you have been informed, this requires your unanimous vote and so I am going to call for the vote at this time.

All in favor say aye; are there any nays? I do not hear any and so this has unanimously passed.

I will now call upon Noble Lake to present item 5 on the Call for the Annual Session of 1987.

NOBLE LAKE: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, item number 5 on Call of the Annual Session of 1987, located on page 18 of the Call. It is a proposal to amend subsections (e) and (f) of Section 323.8 of Article 23 of the Bylaws of the Iowa Corporation so that such subsections as amended, will read as follows:

ARTICLE 23 Temple Membership

Section 323.8 Retention of Membership.

(e) If a Noble loses his membership in a prerequisite body for any reason other than non-payment of dues, the loss of membership in his Temple is effective when it becomes final in the prerequisite body unless he shall file an appeal with the Imperial Recorder within thirty days after the loss of his membership in the prerequisite body. The Imperial Recorder shall immediately forward the appeal to the Grievances and Appeal Committee and it shall proceed, insofar as practical, as provided in Section 208.9. The committee shall determine whether the loss of membership was for conduct in violation of Shrine Law and make a report thereon to the Imperial Council with its decision. If the appeal is sustained by the Imperial Council then the loss of membership in the prerequisite body will not result in the Noble's loss of membership in his Temple.

(f) Except as herein provided, a Temple must honor an official written notice from a prerequisite Masonic body concerning the loss of membership in that body by a member of the Temple.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Respectfully submitted,

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon the proposer, Illustrious Sir Anthony E. Parisian, for an appropriate motion.

IMPERIAL POTENTATE ANTHONY: The Chair recognizes Illustrious Sir Anthony E. Parisian for an appropriate motion.

ILLUSTRIOUS SIR ANTHONY E. PARISIAN: Imperial Sir, Illustrious Sirs, Most Worshipful Grand Masters and My Fellow Representatives and Nobles: I am Tony Parisian, Potentate of Al Malaikah Temple and a Past Master of Van Nuys Lodge No. 450, the second largest Masonic Lodge in the State of California, with over 1,200 members.

I am proposing on the Call an amendment to Section 328.8 of Article 23, known as item 5, page 18.

In support of the proposal is our entire Divan which consists of five Past Masters, two Past Potentates, two Thirty-Third Degree Scottish Rite Masons, one KCCH Scottish Rite Mason, one Past Venerable Master, one Past Wise Master Chapter Rose Croix, one Past High Priest, two former Grand Lodge Officers, one former Grand Lodge Committeeman and one Grand Lodge Committeeman.

Also in support of this resolution is the entire Board of Trustees of our Temple. We have surveyed our membership with a random poll and find that among our Shrine Clubs and Units that approximately ninety percent of our members favor this resolution.

This resolution will give all Shriners of North America an equal opportunity for judgment by their peers in the Shrine of North America—the same right each person receives under the United States Constitution.

It also allows the Imperial Shrine Grievances and Appeals Committee the right to render the final decision as to the retention of a member in the Shrine, even though he may have been suspended from the York or Scottish Rite bodies for some conduct or act which is declared un-Masonic or against his Grand Lodge Code, even though sanctioned by the vast majority of Grand Lodges in North America.

We are therefore submitting this legislation to create a Uniform Code of Action for all Shrine Temples in our organization.

It in no way deletes, alters or changes any of the rules or regulations. It does, however, add the right for a Noble to request a trial in the Shrine if he so desires.

I am proud to be a Shriner, as I know you are. I am also proud to be a Mason, as I likewise know you are.

I have the greatest respect for my Grand Lodge and I would never willingly or knowingly conduct myself in a manner which I would consider a breach of Shrine Law or of un-Masonic conduct. However, therein lies a problem of growing concern for thousands of Shriners in many areas of North America.

It is difficult, very difficult to legislate Codes of Conduct but we do have a great deal of such legislation. We have it from governmental bodies at all levels. We have it throughout our fraternal organizations, including the Shrine, where they are promulgated by the Imperial Potentate and/or the Imperial Council.

However, my fellow Nobles, all such codes, edicts and laws are uniform. The First, Fifth and Fourteenth Amendments of the Constitution of the United States help keep it so nationally. Also, in the Shrine, all codes set forth by the Imperial apply uniformly to every Shrine in the world.

Unfortunately, however, my fellow Nobles, such is not the case among our Symbolic Lodges, particularly with respect to charges of un-Masonic conduct.

Each Grand Lodge is an island unto itself. Each Grand Master and his Grand Lodge have total independence and autonomy over Masonry within the areas under their jurisdiction.

Many of us are appalled at the inconsistencies in interpretation of un-Masonic conduct between Grand Masters and Grand Lodges among the states and provinces. Some of these inconsistencies might be considered humorous were it not for their horrendous effect upon a very large number of our Shrine Temples.

Actions which are perfectly permissible in one state will bring immediate charges of un-Masonic conduct in another state.

Temples in one state can conduct bingo, raffles and Reno Nights if and in conformity with Shrine and state laws. In others, a Temple cannot, by Grand Master ruling, even encourage the sale of circus tickets in their own publication.

IMPERIAL POTENTATE ANTHONY: I would like to ask you if you might finish up in the next minute and a half.

ILLUSTRIOUS SIR PARISIAN: Imperial Sir, I believe this is important.

IMPERIAL POTENTATE ANTHONY: When you do, at the same time, make a motion, if you would.

ILLUSTRIOUS SIR PARISIAN: I believe, Imperial Sir, that my resolution is most important for Shrinedom.

IMPERIAL POTENTATE ANTHONY: Also, you have been speaking out of order for the past five minutes. There is no motion on the floor and so, if you would, why do not you make a motion now so that we make it a little more legal.

ILLUSTRIOUS SIR PARISIAN: I would make a motion this be approved.

IMPERIAL POTENTATE ANTHONY: Is there a second to the motion?

... The motion was duly seconded ...

IMPERIAL POTENTATE ANTHONY: It has been moved and seconded that this be approved.

ILLUSTRIOUS SIR PARISIAN: Let me ask you, Imperial Sir, does that entitle me to two more minutes?

IMPERIAL POTENTATE ANTHONY: Yes.

ILLUSTRIOUS SIR PARISIAN: The list of unbelievable inconsistencies is endless and many of our Temples sit like coveys of quail, never knowing when a Grand Master will take pot shots at them.

Every Potentate present would be interested to know that as Potentate of my Temple, I am now standing on the brink of a precipice in terms of pending action in my own Temple.

Our Auditorium Company was incorporated in 1921 in the State of California as a Civic and Shrine Auditorium Company and is operated as a profit organization. California Masonic Code does not allow the selling, giving away, use or storing of alcoholic beverages on property considered to be owned by a Masonic related body. This law has not been enforced by the previous Grand Masters when the facility has been leased to non-Masonic organizations.

The present Grand Master is enforcing the Code to the letter of the law—no deviations per his interpretation. Also, the Deputy Grand Master, Senior Grand Warden and the Junior Grand Warden have stated that they will basically follow the same policy.

Our Auditorium Company has five or six long time international lessors who account for more than fifty percent of the yearly income of the Auditorium Company. They usually have a private elegant dinner with cocktails only for the sponsors and entertainers.

You may have seen the American Academy of Music Awards, the Grammy Awards, the Tribute to Hollywood and the Movie Industry on television. We will lose all of the programs if they cannot have their private banquets and cocktail parties. These are repeat customers every year and if we lose them, we stand a great probability of losing our Shrine Temple with all of its magnificent features.

Now, to my situation.

Our Auditorium Company as incorporated in the State of California is managed by a Board of seven Directors as provided in the Articles of Incorporation and of the seven, four are elected by our members and the other three are the Potentate, Chief Rabban and Treasurer. The Recorder acts as Secretary for the corporation but has no vote.

Even though we have explained the situation several times to all of the elected Officers of the California Grand Lodge, they will not recognize the Board of Directors as the managers of the property and the Grand Master compelled me to sign a document forbidding the Board of Directors to sign any future contracts allowing alcoholic beverages to be served by the lessors of the auditorium or exposition hall for their private parties. Now, it is impossible to enforce this requirement for I have only one vote on the Board and the Board may overrule me and sign future contracts allowing alcoholic beverages to be served, rather than lose our great edifice which is listed as a historical building in the National Historical Register in Washington, D.C.

Now, if I had not signed this document, I was informed of the following penalty:

1. I would be suspended pending a Masonic trial.
2. The Grand Master would write a letter to all Masons in California saying that they would not be allowed to join Al Malaikah Temple.
3. No meetings were to be held by the Temple, Shrine Clubs or Units and, if anywhere held, the members attending would also be subject to discipline.
4. The letter stated that the disagreement between the Grand Lodge and the Shrine was a fraternal problem and not a civil problem, and he did not intend that it include any of the employees of the Temple or Auditorium Company.

5. If the Auditorium Board members disobeyed my instructions, they, too, would be suspended.

Prior to this edict, I was directed to remove all of the Temple Unit's alcoholic beverage lockers, even though it was permitted by the California Masonic Code since 1968.

It was also directed that circus tickets be sold only to Shriners, not to Nobles' relatives, friends or neighbors. We are not allowed to advertise either in our newspapers, radio, television or any other means.

Well, Imperial Sir, I could go on for a long time explaining our problem but then many states have the same problem. Ours is not unique.

Some of our Temples in the several states are being ordered by their Grand Lodges to operate in a manner which is inconsistent throughout Shrinedom.

1. Not to advertise in their Bulletins.
2. Not to have any commercial projects which ask for public support.
3. Not to meet in any hotel or public building which contains a bar.
4. Cannot have liquor in our facilities.

5. Cannot lease our property to anyone who might serve alcoholic beverages during refreshment hour or dinner. The California Grand Master demanded that all contracts be reviewed and approved by him before proceeding.

6. We must submit our Shrine Hospital fund raisers to the Grand Lodge for approval.

Nobles, these are only some of the items which restrict us from operating and to function as Shriners and under the control of the Imperial Council.

Gentlemen, if our Shrine is not important, then what is? I firmly urge you to keep the door ajar so that we can still have control under the Imperial Officers of our Shrine and not someone perhaps that may not even be a member of our great organization tell us what we can do.

For all the years that I have been coming up the Line in the Shrine, I have heard talk about how we are going to change things in the Grand Lodge but it never happens. To no avail, the same rules and regulations prevail that existed in 1978.

Although attempts have been made to alleviate these conditions, not one single item in the California Masonic Code since 1979 has been changed for the betterment of Shrinedom and Masonry. Not even the Past Imperial Potentate from Al^o Malaikah Temple could influence the thinking of the Grand Masters of the Grand Lodge of California.

We are only using California as an example of the happenings of this year but I have heard from many other Temples in other Grand Lodge Jurisdictions with similar problems.

We are not asking you to resign from the Grand Lodge or disobey the Masonic Code in your state. We only want the right of review by our own Fraternal organization.

We ask for your approval of this proposal for in the words of that great American and Grand Master of Masons in the State of Pennsylvania, Benjamin Franklin, "We must all hang together or assuredly we shall all hang separately."

Thank you very much. (Applause)

... At this point, the question on the motion was severally called for ...

IMPERIAL POTENTATE ANTHONY: Now, okay, Nobles, so that you understand what the Chair is going to do, let me say that according to my legal advisor here behind me, we just cannot shut off debate until at least two individuals have spoken in favor of the proposition and two in opposition and so, at this time, I am going to call on any opponents to get in line behind microphone 1 and the proponents to be in line behind microphone 3.

Now, I am going to call on microphone 1, Noble Thomas C. Yantis, Past Potentate and Representative of Suez Temple.

NOBLE YANTIS: I am speaking in opposition to item 5 on the Call.

I want to make this brief and yet we must remember that this has been discussed many times on this floor.

Some of the Representatives present here today may not have been present here in the past but let me say that this same resolution was brought up in 1976 at Kansas City. I was the Grand Master at the time and violently opposed to it then. It was tabled.

We then went to New York in 1977, where it was heard again, discussed and again

soundly defeated. In 1978 the Imperial Potentate, admitting later he was wrong, called for five proponents and then the question and that happened and we did not have a single individual speaking in opposition and it was passed.

Now, it came back again in 1979 and, at that time, Past Imperial Potentate Fred Morrison admitted he was wrong and changed his vote and asked that it be put back the way it was. It was passed by a two-thirds majority.

Now, in spite of all of that, we again find it on the Call for this Session.

Also, we just had a vote on a similar piece of legislation.

... Cries of "no, no" ...

NOBLE YANTIS: At any rate, we had a vote of two to one to stay under Masonry, was that not right? In other words, we voted to retain the Masonic part of Masonry.

Now, let us think about this for a moment.

Each of you as a Master Mason took a solemn obligation and that obligation included obeying all of the Bylaws, Rules and Regulations of the Lodge and Grand Lodge to which you belonged or in whose Jurisdiction you might be.

Now, I feel that California has a problem but, by the same token, I think they must solve their own problem.

For example, I know that we have had some Grand Masters in my own state that I did not agree with but we had to live with them until they were out of office and then we changed the law wherever it was necessary.

Also, let me point this out—that this is the two hundredth year of the founding of our Constitution and, as we all know, Benjamin Franklin was very active in getting that Constitution for us. Also, we know that this states that the powers of government are derived from the consent of the governed and these Grand Jurisdictions have not given a cent to this body to govern it. Therefore, we are not an Appeal Board, not even an Appellate Board in relation to the laws governing Grand Jurisdictions.

We cannot summarily decide that just because a law is out of order, that we do not obey it. Also, we cannot even agree among ourselves how we are going to standardize some sixty Grand Jurisdictions.

Therefore, I would say that we had better leave this alone. Follow your Masonic Obligation—do the best you can and change it where you can but leave in there the necessity of being a member of the Grand Lodge.

You know, we put on the Fez and the Masonic Apron at the same time and, as I say, each Grand Lodge has different laws.

Therefore, I would ask you to vote against this proposal because if you do not, some Grand Masters here are going to say it is a Masonic thing to belong to the Shrine and we will then get right back into the same question.

Thank you.

IMPERIAL POTENTATE ANTHONY: I will now go to microphone 3. Please give your name and your Temple.

IMPERIAL SIR WARREN WECK: Imperial Sir, Imperial Sirs, Illustrious Sirs and Nobles and Fellow Representatives: You may recall that I was Imperial Potentate in 1978–1979 at the time this legislation was passed.

I am going to make my remarks brief but then I do want to go back into history just a little bit for you because I am sure that many of you were probably not Representatives at that time.

You know, if we do not profit by history, we are going to be doomed to make the same mistakes again and so I would just like to review a little bit of what I said in Minneapolis at that time.

First, let me remind you that when the Shrine was organized, it was Representatives such as you who voted to approve our Bylaws, which required membership in the requisite bodies. These are Shrine Bylaws, not the Bylaws of any Grand Lodge. Therefore, at all times, we retained the right to modify them or repeal them without any force from any individual organization.

Now, I am not going to recite all of the factors involved at that time but I do want you to know that during that year that I was Imperial Potentate, I was threatened with everything

from soup to nuts. Also, they threatened to suspend all of the Shriners in the area if they did not repeal that legislation at the next Session. I have reference here to several Grand Masters.

Now, I, in turn, wrote to them and told them what the problems were and that these were Masons also and, therefore, if they suspended them, they would not get their dues.

Now, another thing that I would like to tell you about is at that time I appointed a committee of Bob Turley and Dick Olfene to go with me to visit the Grand Master in California. The Grand Master reluctantly agreed to meet with us.

At that time, Bob Turley was Chairman of the Jurisprudence and Laws Committee and he, Dick Olfene and I traveled to San Francisco and met with the Grand Master, the Deputy Grand Master and the Senior Grand Warden.

Every proposal that we submitted was stonewalled and the Grand Master even refused to present any changes to the Grand Lodge Representatives, even though he had the authority to do so.

Needless to say, with that type of reaction, our meeting was a complete failure. It was, in fact, concluded with a statement by the Grand Master that he did not even think the matter was important enough to discuss with us. However, we thought it was important enough to travel across the country to try and avoid a confrontation between the Shrine and the Grand Lodge.

This, up to the present time, has not changed.

Therefore, fellow Nobles, I would urge you to vote in favor of this amendment. (Applause)

IMPERIAL POTENTATE ANTHONY: We will next go to microphone 1.

IMPERIAL SIR JACK DEAN: Imperial Sir, Imperial Sirs, My Fellow Representatives: I realize the mood of the Representatives at this point in time and realize also that I have this opportunity to speak when maybe most of you have made up your minds.

Now, while I do not want to take up a lot of your time, I think there are some facts that need to be pointed out.

First of all, the passage of this resolution will not solve the problem in relation to Al Malaikah Temple. It will not get liquor into their building, will not allow them to rent their building, as they point out and will not solve the problems in California and also will not solve the problems that they have in other areas.

The point that I would like to make is that when I first came on to the Imperial Divan, the very first meeting I attended, Imperial Sir Randolph Thomas brought to the Board of Directors of the Iowa Corporation the proposal that we create a position called the Masonic Relations and Development Coordinator and that position was subsequently approved and Jack Jones, our Imperial Recorder, was hired to fill the job.

At that time, we only had good Masonic relations in one or two Masonic Jurisdictions. However, since that time, we have made great strides.

Your Imperial Potentate has been invited to be a speaker at the Conference of Grand Masters, where, previously, we were only treated as outsiders.

Also, I can tell you, as I have traveled around the country, that our relationships with our Grand Lodges have been greatly improved.

Now, if you think technically about what this amendment is doing, it is saying, "Grand Master, if you take action we do not agree with, we do not recognize your Masonic Obligation that you have a right to do that."

I would submit to you, gentlemen, that what we are doing here is a lot more dangerous than what we just passed or we refused to pass.

We are really standing here and saying, "Grand Masters, we are going to determine what is right for our body and not yours."

... Cries of "no, no" ...

IMPERIAL SIR JACK DEAN: Well, Representatives, I am merely submitting here my own opinion and that is why I came down from the stage.

God bless you all.

IMPERIAL POTENTATE ANTHONY: We are now going to go back to microphone 3.

ILLUSTRIOUS SIR L. A. PREMIER [Potentate, Isis Temple]: Imperial Sir, Imperial Sirs, Worshipful Grand Masters, Representatives: I will certainly agree in what the first gentle-

man that talked said—namely, that we certainly did indicate and vote we wanted to be Masons—that we all believe in the Masonic Order. However, I think that with the passage of time, many things have changed and what we are essentially trying to do here is to be able to run our own show without somebody telling us that we cannot do it.

For example, in our State of Kansas, we have been very, very fortunate. We have had a super bunch of Grand Masters but I do not understand a Grand Master being able to conduct our business when, as the Shrine, we are not even recognized as a Masonic body in the State of Kansas. I urge this for your passage.

. . . Applause and cries of “vote, vote” ensued . . .

IMPERIAL POTENTATE ANTHONY: The question has been called for. Is there a second to the calling of the question?

. . . The motion was duly seconded . . .

NOBLE I. C. SLATE [Ainad Temple]: A point of personal privilege.

IMPERIAL POTENTATE ANTHONY: We have before us a motion to stop debate and we have to act on that.

NOBLE SLATE: However, does not a point of personal privilege take precedence over that?

IMPERIAL POTENTATE ANTHONY: No, it does not.

Now, there is a motion on the floor.

All those in favor of stopping debate indicate by saying aye; those opposed nay. The motion is carried by the necessary majority. (Gavel)

And now, sir, if you want to state your name and Temple—

NOBLE SLATE [Ainad Temple]: Imperial Sir, I would like to ask a question concerning interpretation to Jurisprudence and Laws or to General Legal Counsel, whichever the Chair may deem appropriate.

As I understand it, the amendment proposed states that one who has his membership in a requisite body may submit an appeal through the Imperial Recorder to the Appeals Committee and then, at the following Session, it will be determined whether or not the suspension stands insofar as the Shrine is concerned.

Now, does that mean that during the interim the individual is a member of this organization or does it mean he is not until he is reinstated?

NOBLE PETTIT: The question is in relation to what occurs during the interim following an appeal.

Now, the proposal provides that insofar as practical, the Grievances and Appeals Committee shall proceed in accordance with Section 208.9—that the Imperial Bylaw permits the Grievances and Appeals Committee to assess the situation and stay the proceeding until the following Imperial Council Session.

That would be the scenario involved. The Grievances and Appeals Committee would be given time to consider that appeal and, in turn, that Noble could remain a Noble until the next Imperial Council Session.

IMPERIAL POTENTATE ANTHONY: All right, we will proceed with the vote on this issue.

We are going to use ballot 7.

. . . Cries of “voice vote” . . .

IMPERIAL POTENTATE ANTHONY: Well, if we can determine it by voice vote to be the necessary two-thirds, then we will do that. However, if we cannot determine that, we will use the ballot.

Now, when we take a voice vote, I do not want any of you fellows in the back yelling at the top of your lungs. I want you to handle it in an honorable manner.

Well, let us first vote by hands—let us do it that way. Well, perhaps standing would be better. We will do it by standing.

Now, before we proceed along here or do anything further, I would like to have the Chairman of Jurisprudence and Laws tell you exactly what you are voting for and how you are voting.

NOBLE PETTIT: You are voting on item 5 in the Call for the Annual Session. A “yes” vote would be in favor of the proposition as stated—to amend the Bylaws. A “nay” vote would be in opposition.

IMPERIAL POTENTATE ANTHONY: Let me ask that all those in favor of the amendment please now stand. Now those in opposition.

I will declare that the proposal passes by the necessary two-thirds majority.

. . . Cheers and applause ensued . . .

IMPERIAL SIR DEAN: I challenge the decision of the Chair and demand a written ballot.

. . . Cries of "no, no" . . .

IMPERIAL POTENTATE ANTHONY: The Chair is going to have a little consultation on this one. (Laughter)

Well, first of all, I need a second to his motion.

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE ANTHONY: Also, it takes a majority vote for his motion to pass.

Now, again, in order that you be sure what you are voting on, I am going to have Walt Pettit explain it to you.

NOBLE PETTIT: You are voting on whether you wish to affirm the ruling of the Chair regarding the decision and doing it by written ballot. A vote in the affirmative would be in favor of taking a written ballot; a vote in the negative is against a written ballot. A majority only is required for passage.

IMPERIAL POTENTATE ANTHONY: There will be no further discussion on this point.

REPRESENTATIVE: Imperial Sir, a point of order.

Let me say that interpretation is correct. If you will read verbatim from Robert's Rules of Order, I believe you will find that it takes fifty people or whatever that amount is to do that.

IMPERIAL POTENTATE ANTHONY: No, it is a simple majority.

REPRESENTATIVE: Well, as I understand it, this is not a motion, this is a request.

IMPERIAL POTENTATE ANTHONY: Again, we are going to be fair if it is humanly possible to do so.

Now, all those in favor of a written ballot indicate by saying aye; opposed. This decision only calls for a majority vote and more than a majority does not favor a written ballot and so we are going to continue with our program. (Applause)

Well, before we continue, let me recognize our Parliamentarian, Sewell Lamdin.

NOBLE SEWELL LAMDIN: For clarification purposes, let me say that you are voting on a motion for a written ballot. If you vote "aye," you sustain Imperial Sir Dean and you will have a written ballot. If you vote in the negative, you sustain the ruling of the Chair when he previously declared it passed.

IMPERIAL POTENTATE ANTHONY: Well, again, the way I understand it, it is that if you are for me, you vote "no"; you do not stand up the first time.

Now, with that, all those who want to stand up the first time, sustaining Imperial Sir Dean, do so now.

. . . Cries of "do not understand" again ensued . . .

IMPERIAL POTENTATE ANTHONY: There still appears to be confusion here and so I will again call on our Parliamentarian.

NOBLE LAMDIN: I will try to make it simple.

Those of you who want to sustain Imperial Sir Dean and have a written ballot will rise. Will you please stand. Now all of you who want to sustain the Imperial Sir, who has declared it passed, and you do not want a written ballot, you please rise.

The request for a written ballot is defeated. (Applause)

IMPERIAL POTENTATE ANTHONY: And, for the record, the Chair rules that this was defeated by the necessary two-thirds majority. Thank you very much.

The Chair will next recognize Dick Olfene.

IMPERIAL SIR OLFENE: My fellow Representatives, we have had quite an afternoon here with some of this legislation.

Now, it is quite apparent that, as in the past, there is a desire to be connected with Masonry and I also do know that in the past, Imperial Potentates have done their very best to improve and work toward a better Masonic relationship but I want to reconfirm that by saying this to the incoming Imperial Potentate, and I place this in the form of a resolution or motion, if you will agree with me—that, Imperial Potentate-Elect, I urge that you take

all actions you deem necessary to work with Masonic leaders by holding meetings and otherwise to improve the Masonic relations and, in particular, to improve the question of our declining membership and make a progress report to we, the Representatives, at the next Imperial Council Session. I place that in the form of a motion.

... The motion was duly seconded ...

IMPERIAL POTENTATE ANTHONY: Is there any discussion on the motion?

... There being no discussion, the motion was voted upon and declared to be unanimously carried ...

IMPERIAL POTENTATE ANTHONY: Now, at this point I am going to declare a recess. We will now stand in recess until nine a.m. tomorrow morning.

... The One Hundred Thirteenth Annual Session of the A.A.O.N.M.S. recessed at four-thirty-five o'clock p.m. ...

MORNING SESSION
FRIDAY, JUNE 26, 1987
NINE O'CLOCK A.M.

The One Hundred Thirteenth Annual Session of the Imperial Council reconvened at the Las Vegas Hilton Hotel, Las Vegas, Nevada, at nine o'clock a.m., Imperial Potentate Russell Anthony, D.V.M., presiding.

IMPERIAL POTENTATE ANTHONY: Will you please take your seats. It is now nine o'clock and we are not going to get through on time if you do not take your seats and we are permitted to commence up here.

Now, once again, I would like to lay the ground rules for this particular session and that is, for example, if you desire to smoke, we have no quarrel with that. All we ask of you is that you go out into the outer lobby. Smoking in the lobby only, please.

With that, we are going to call on our Imperial Chaplain, Dr. Herbst, to start the session. We cannot wait any longer. Please find your seats.

DR. HERBST [Imperial Chaplain]: Imperial Sir, if I might take just a moment of personal privilege.

This will be my last Invocation as your Imperial Chaplain. I want you to know that Shrinedom has given me one of the greatest years of my life. I will never forget this year. God has been good to me.

I have served great churches, I have done teaching in college and at the graduate level. I am now the Assistant to the President of a college but this year will be one of the greatest in my life and I can assure you that no one will wear the Fez with any greater sense of pride than I.

I just wanted this opportunity to thank you. (Applause)

And now, Nobles, let us pray.

We have come to you, Lord, in so many ways.

By thinking of our relationship to our boys and girls, the term "father" does come into sharp view and so we call you our Heavenly Father this morning.

As we find the business of this Session winding down and the end comes in sight, we ask that we be given the right to rejoice in those things which we have done that we have accomplished but, at the same time, may we have that sense of humility and willingness to know that there still remains a lot to be done—that there have been successes and there have been failures and that is what life really is.

However, above and beyond it all, may it be that some little boy or some little girl somewhere will have a brighter tomorrow because we met here these days.

Now, we may never see that boy or that girl but help us to dare to believe that such has been the case.

So, with that in mind, we come to these closing moments, thanking you for this opportunity to be of service.

We have been assured that children are special to you and we dare to believe that you depend upon us in some measure to take good care of them. Amen.

IMPERIAL POTENTATE ANTHONY: At this time, I would like to call on Kenneth R. Barron, Past Potentate, Sharon Temple.

NOBLE K. R. BARRON [Sharon Temple]: Imperial Sir, thank you for this recognition. I would like to give a report of the events of this Session one more time in rhyme.

IMPERIAL SESSION 1987

Las Vegas

Saved up our money, said "Come on, Honey"
 We're heading for the City of Sin.
 The plane was some late, come to the wrong gate,
 No big deal, we're bound to win.
 Nobles and Ladies arrived, fun, fellowship derived,
 The Shriners were again in Las Vegas.
 The gavel did sound, time to settle down,
 Dr. A said time to earn our wages.
 All the Nobles will win, said the candidates best friends,
 If you vote for our good man.
 We chose Brantley, Kisselburgh, Nobles and Turley,
 To the others "So sorry,
 But come back again, if you can."
 Move up, we sez, and the Potentate's Fez,
 Was given to the one and only Kingfish.
 Habibi's Pageant was great, Folks from the Bayou State,
 Granted our each and every wish.
 By video we say, His sons in the the Law,
 And toured the lovely Kingwood.
 While the morning grew longer, our need grew stronger
 Our bladders stood all this they could.
 Then a little girl came, Helena by name,
 And Sir Gene her story did tell.
 Through our tears we could smile, as she walked down the aisle,
 Life saved, from the very jaws of Hell.
 And Sir Nobles you pay, knowing now that someday,
 She'll again live a full, normal life.
 With no shame now to hide, she'll become someone's bride,
 And one day walk that aisle as a wife.
 Our budget was met, and so we set
 Out to wind down and go back home.
 Being Shriners and all, we sure had a ball,
 And next to New Orleans we'll roam.
 . . . Applause ensued . . .

IMPERIAL POTENTATE ANTHONY: Thank you very much.

Now, I would like to recognize our Imperial Treasurer, Imperial Sir Webber Harrington.

IMPERIAL SIR HARRINGTON: Imperial Sir, Imperial Sirs and My Fellow Representatives: I am indeed pleased to tell you this morning that our first run on transportation costs for this Session indicate that thanks to you and the wonderful conscientious job you have done with respect to getting the lowest air fares you could to come to this Session, our deficit will be \$125,000 less than shown in the 1987 figures.

Thank you. (Applause)

IMPERIAL POTENTATE ANTHONY: Thank you very much for that news.

I will next call on Noble Tingle of the Jurisprudence and Laws Committee to address item 10 in the Call. Will you please present yourself to the microphone.

NOBLE TINGLE: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, item number 10 on Call of the Annual

Session of 1987, located on page 20 of the Call. It is a proposal to amend S.325.12 of Article 25 of the Bylaws of the Imperial Council, an Iowa Corporation, so that it will read as follows:

ARTICLE 25

Officers; Their Election or Appointment

Section 325.12 Vacancies. An office becomes vacant in the event an Officer of Representative dies, resigns, is suspended, is expelled, is adjudged mentally incompetent, is physically incompetent, is convicted of a felony or any criminal offense involving moral turpitude; or if he changes his actual residence to a place outside the territorial jurisdiction of the Temple, unless the Imperial Potentate, for good cause shown, waives this disqualification.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Respectfully submitted,
COMMITTEE ON JURISPRUDENCE AND
LAWS

Walter S. Pettit, Jr., Chairman
Robert E. Cooper
Theodore Corsones
Robert C. Lake
William A. Buckaway, Jr.
Gerald L. Davis
J. M. Tingle

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon the proposer Illustrious Sir R. W. Deffenbaugh, for the appropriate motion.

IMPERIAL POTENTATE ANTHONY: I will next recognize Illustrious Sir R. W. Deffenbaugh for an appropriate motion.

ILLUSTRIOUS SIR DEFFENBAUGH [Potentate, Ansar Temple]: Imperial Sir, Imperial Sirs, Worshipful Grand Masters and Maçons All: We have a problem in our Temple and you may have the same problem.

One of our Board members, last September, moved to Florida permanently and has not been back for a Board meeting since that time. We requested that he resign. However, he has not done so and he has a three-year term to serve and, therefore, our Board is not at its full strength.

IMPERIAL POTENTATE ANTHONY: Let me please interrupt first, Illustrious Sir. Will you first present your motion and then we can have you discuss it?

ILLUSTRIOUS SIR DEFFENBAUGH: I am sorry, Imperial Sir.

I would move for the adoption of this amendment.

. . . The motion was severally seconded . . .

IMPERIAL POTENTATE ANTHONY: You have before you the motion and the second for the adoption of this amendment.

Please continue.

ILLUSTRIOUS SIR DEFFENBAUGH: Originally, Imperial Sir, when I presented this amendment, and discussed it with Legal Counsel, Ted Corsones, he stated that in his opinion, the matter should be not be addressed by the Temple Bylaws. He said if it is, then our Executive Director will always have to refer to the Temple Bylaws when he receives his appointment. He also indicated that, in accordance with our experience, these are not always the easiest documents to keep track of and, therefore, for that reason, the wording was changed to the present form that you see in the program.

IMPERIAL POTENTATE ANTHONY: Thank you.

Is there further discussion?

Microphone 2. Please state your name and Temple.

ILLUSTRIOUS SIR DICK MATTHEWS [Potentate, Kena Temple]: Imperial Sir and Representatives: While I understand what the Illustrious Sir is saying, you should also recognize that there are many Temples that are on border lines of jurisdictions.

For example, at my Temple, Kena Temple, in Northern Virginia, we cooperate very easily with Almas Temple and with Boumi Temple in Maryland and we have many members of our Temple who are from the Jurisdiction of Maryland and from the District of Columbia, one of whom is on my Divan.

Now, if this were to pass, his position automatically becomes vacant because he was elected as a resident of Maryland and waived by Boumi to become a member of our Temple.

I think we should consider the entire ramifications of this rather than to solve the problem of one out of 189 Temples by changing our Imperial Bylaws. (Applause)

IMPERIAL POTENTATE ANTHONY: I next go to microphone 2.

NOBLE W. H. LATIMER, JR. [Syria Temple]: Imperial Sir, I would like to discuss this, if I may be permitted to do so.

You know, I have retired and I now live in Florida. I think there are also probably other Representatives here who are in the same category.

On that basis, would that mean that I would no longer be a Representative?

IMPERIAL POTENTATE ANTHONY: I am going to ask my Chairman of J and L to answer that, please.

NOBLE PETTIT: As I understand the purpose of the motion and I would interpret it, it would not affect the Office of Representative of a Temple.

NOBLE LATIMER: However, it does say, "Representative" in there, in that language.

NOBLE PETTIT: It does say "Officers or Representatives." This would then require, as I would interpret it, a special dispensation from the Imperial Potentate.

NOBLE LATIMER: I would make a motion to table.

NOBLE DEFFENBAUGH: Imperial Sir, I would accept an amendment to this provision as it was originally presented, which leaves the Section as it was, with this addition—"Notwithstanding any of the provisions of this Section, a Temple may, by its Bylaws, provide that if an office becomes vacant in the event an Officer or Representative moves or resides permanently outside of the specific Jurisdiction of the Temple."

IMPERIAL POTENTATE ANTHONY: Well now, actually my Parliamentarian tells me he did not hear that, neither did I.

At the moment there is a motion on the floor to table. Was there a second to that motion?

... The motion was duly seconded ...

IMPERIAL POTENTATE ANTHONY: It has been moved and seconded and since that takes precedence, we are going to take a vote on that.

All in favor of tabling this at this time indicate by saying aye; opposed. The motion to table is carried by the necessary two-thirds majority.

I would now like to call on the Chairman of the Jurisprudence and Laws Committee, Walter Pettit, for item 8 on the Call.

NOBLE PETTIT: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, item number 8 on Call of the Annual Session of 1987, located on page 19 of the Call. It is a proposal to amend S.324.3 of Article 24 of the Bylaws of the Imperial Council, an Iowa Corporation, so that it will read as follows:

ARTICLE 24

Temple Meetings and Ceremonials

Section 324.2 Special meetings. Special meetings may be called by the Potentate at any time, but notice must be given to each member stating the business to be considered and no other business than that specified in the Call may be transacted. Except, however, the Potentate may, at a stated meeting of the Temple, issue a Call for a future special meeting for the single purpose of receiving and balloting on candidate petitions, without any further notification to the Temple members.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Respectfully submitted,
COMMITTEE ON JURISPRUDENCE AND
LAWS

Robert E. Cooper
Theodore Corsones

Gerald L. Davis
J. M. Tingle

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon proposer Illustrious Sir E. C. Pelfrey, for an appropriate motion.

IMPERIAL POTENTATE ANTHONY: The Chair recognizes Illustrious Sir E. C. Pelfrey.

ILLUSTRIOUS SIR E. C. PELFREY [Potentate, Antioch Temple]: I move, Imperial Sir, that item 8 of the Call be adopted.

... The motion was duly seconded ...

NOBLE PELFREY: Imperial Sir, Imperial Sirs and Representatives: We discovered when we were working on candidate petitions and getting a few more than we had expected, that we were unable to call a special meeting for the sole purpose of voting on petitions. That is why we ask for this proposed wording to be added to this Section.

As you know, if you were to call a special meeting, you would have to notify your membership, which involves a fairly large amount of money if you have 8,000 members.

IMPERIAL POTENTATE ANTHONY: Is there any further discussion?

If not, the Chair will put the question.

All in favor of the adoption of this amendment indicate by saying aye; opposed nay. I will declare the motion unanimously passed.

I am now going to call on Noble Lake for the presentation of item 7 on the Call for the Annual Session.

NOBLE LAKE: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, item number 7 on Call of the Annual Session of 1987, located on page 19 of the Call. It is a proposal to amend subsection (c) (1) of S.324.1 of Article 24 of the Bylaws of the Imperial Council, an Iowa Corporation, so that it will read as follows:

ARTICLE 24

Temple Meetings and Ceremonials

Section 324.1 Stated meetings.

(a) ...

(b) ...

(c) (1) Not more than two stated meetings of the Temple during a calendar year may be held elsewhere than the location of the Temple but within the exclusive or concurrent Jurisdiction of the Temple. If the stated meeting is to be held in concurrent Jurisdiction, and the Temple is not located therein, then a written consent therefor must be secured from all other Temples in the concurrent Jurisdiction.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Respectfully submitted,

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon the proposer Illustrious Sir R. W. Deffenbaugh for an appropriate motion.

IMPERIAL POTENTATE ANTHONY: I will now call on the proposer of the amendment, Illustrious Sir Deffenbaugh.

ILLUSTRIOUS SIR DEFFENBAUGH: Imperial Sir, Imperial Sirs and Representatives: First I would move for the adoption of the amendment.

... The motion was duly seconded ...

IMPERIAL POTENTATE ANTHONY: You have before the motion to adopt the amendment, which has been seconded.

I will again recognize the proposer.

ILLUSTRIOUS SIR DEFFENBAUGH: We have in our state concurrent jurisdiction with specific jurisdiction only in one county.

I might say we have one Temple to the south of us and another immediately to the north of us and we have an excellent relationship with these two Temples.

We also have some Shrine Clubs that reach from one end of the state to the other and we have ceremonials in the cities at each end of the state. We would like to take Shrine Masonry to those Shrine Clubs when we have ceremonials and further our cause.

IMPERIAL POTENTATE ANTHONY: Is there further discussion?

If not, I will put the question.

All in favor of this amendment indicate by saying aye; those opposed nay. I will declare the motion carried by the necessary two-thirds majority.

ILLUSTRIOUS SIR DEFFENBAUGH: Imperial Sir, I have a resolution that I would like to present at this time.

IMPERIAL POTENTATE ANTHONY: You are in order, please proceed.

ILLUSTRIOUS SIR DEFFENBAUGH: The resolution reads as follows:

"WHEREAS, Ansar Temple of Springfield, Illinois, and nineteen other Temples from such places as the Canal Zone, Canada, Maine, New York, Delaware, Virginia, Florida, Wisconsin, Colorado, Texas and California were deprived of the opportunity to participate in the Imperial Day parade on Tuesday, June 23, 1987 at Las Vegas, Nevada; and

"WHEREAS, the Director General has apologized for this action and stated it was not his decision; and

"WHEREAS, irrespective of who made the decision to call off the parade, even though the Temple Units were at the proper place at the time designated in accordance with the issued parade orders, the Temples have been severely damaged by such action; and

"WHEREAS, Ansar Temple Units have not participated in an Imperial Session since 1980 and this year determined not to participate in the Great Lakes Shrine Association spring or fall sessions so that they might participate in the Imperial Session; and

"WHEREAS, Ansar Temple contributed \$6,000 to the Imperial Convention Corporation as a non-refundable deposit and \$1,000 to Imperial Sir Anthony's Souvenir Program; and

"WHEREAS, Ansar Temple brought approximately 450 persons to Las Vegas and fourteen of its thirty-three units, including the twenty-five man cycle, dune buggies, skeeters and mini mule hitch, all of which require special vehicles for transportation; and

"WHEREAS the special vehicles were brought to Las Vegas at great expense to the Temple; and

"WHEREAS, the logistics of the charter airlines necessitated a departure from Las Vegas on Thursday, June 25, 1987, thus depriving Ansar Temple the opportunity to participate in the night parade; and

"WHEREAS, many of the other nineteen Temples deprived of participation in the day parade on June 23, 1987 may be in the same situation as Ansar Temple; and

"WHEREAS, normally there are funds remaining after the expenses of the convention have been paid;

"NOW, THEREFORE, BE IT RESOLVED, that any funds remaining at the end of the convention be paid by the Imperial Council Session of 1987, Incorporated, the convention corporation, to Ansar Temple and any other Temple making a claim on a pro rata basis in proportion to the contribution made to the convention by each Temple, but not to exceed the amount of the deposit made by the aggrieved Temples."

IMPERIAL POTENTATE ANTHONY: I would like to call General Legal Counsel for his opinion as to the effect of what this would do, if anything.

NOBLE CORSONES: Imperial Sir, Imperial Sirs and Representatives: The resolution before you has no legal or binding effect on the Imperial Council. It is a request for expression of how you feel concerning Ansar's problem.

Ansar Temple is addressing its problem to the Imperial Council Session of 1987, Incorporated. This is the convention corporation. It has nothing to do with the Imperial Council.

It is an appropriate effort to vent the feeling of Ansar Temple and so when you vote aye or nay, it has no legal or binding effect on anything. It is just whether or not you are sympathetic to the plight of Ansar Temple.

IMPERIAL POTENTATE ANTHONY: Thank you very much.

Well, Nobles, permit me to just say something at this point in time.

We have a tremendous amount of legislation here in front of us. We must have at least 400 Imperial Representatives present in order to vote on this and in order to maintain a quorum.

Now, if we continue in the vein that we are going this morning, we are not going to get out of here and I know that you desire to finish all of this up. I will let you go just as soon as we can but I would suggest that you minimize your discussions on these motions.

I will recognize the Noble at microphone 4 or 3, I believe it is.

NOBLE ROBERT SAARINEN [Abou Saad Temple]: I ask only that the Temple in the Canal Zone be deleted. We paraded.

IMPERIAL POTENTATE ANTHONY: I do not believe there is any other discussion and so all in favor of the adoption of this resolution indicate by saying aye; opposed nay. I am going to declare it did not pass.

... Cries of "no, no" ...

IMPERIAL POTENTATE ANTHONY: All that it requires is a simple majority.

I will now recognize Noble Corsones to present item 13 on the Call.

NOBLE CORSONES: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, item number 13 on Call of the Annual Session of 1987, located on page 21 of the Call. It is a proposal to amend Article 32 of the Bylaws of the Imperial Council, an Iowa Corporation, by adding a new Section thereto, to be known as S.332.9 which Section will read as follows:

ARTICLE 32

Initiation Fees; Dues; Hospital Assessment; Assessment

332.9 Annuity Membership in Temples.

(a) A Temple may adopt in its Bylaws a provision that any member in good standing (Regular or Associate Member) may thereafter be exempt from payment of annual dues provided said member pays a sum of money in cash, not less than an amount representing the present value of an immediate life annuity on his life, computed in accordance with an Experience Table of Morality in common use by the Life Insurance Industry, in an amount equal to the yearly dues of the Temple on a single life at five and one-half percent (5½%) interest. The Temple Recorder may request a copy of the Experience Table from the Imperial Recorder.

(b) All payments made, as provided in this paragraph, shall be placed in a separate fund to be designated as the "Annuity Membership Fund" and no part of this fund, or the income derived therefrom, shall be used except that for each member who shall have made payment, if living, a sum equal to the annual dues of the member at the time of annuity payment, may be withdrawn annually as long as his membership continues.

(c) Temples may allow a member who elects to purchase an annuity membership, up to five (5) years for making the total payment. The minimum during each of the five (5) years must be at least one-fifth of the total due.

(d) Payments made to the Annuity Membership Fund are not refundable for any reason. However, the Potentate may call for an actuarial review to determine if the assets of the fund are in excess of the amount required to satisfy the obligation of the fund to those members who are participants. If an excess is determined, the Temple may, with the approval of its membership, withdraw from such fund that excess amount and use the excess for Temple needs.

(e) The Annuity Membership Fund may be liquidated when the purpose for which it was created has been fully served.

(f) Any fund previously accumulated for the purpose of creating a right of exemption from the payment of dues, such as Life Membership, is not affected by this provision.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon Illustrious Sir Sam Erickson of the Finance and Accounts Committee for its report.

IMPERIAL POTENTATE ANTHONY: The Chair will next recognize Noble Sam Erickson.

NOBLE ERICKSON: To the Representatives of the Imperial Council: There has been referred to your Committee on Finance and Accounts, item number 13 on the Call of the Annual Session.

This proposal would provide for annuity membership in our Temples.

Your committee has considered this proposal. It would establish procedures to follow in providing for annuity membership, which is complex in application as well as regulation.

Your committee is not able to accurately assess the impact of the proposal upon the financial well-being of the Temples. The committee also notes that this proposal leaves intact the provision providing for Life Membership under Article 23, Section 323.12 and under Article 32, Section 332.6 of the Bylaws of the Iowa Corporation.

Under this proposal, a Temple would be burdened with the administration of two separate trust funds.

Your committee reports that this proposal is not in the best interest of the financial well-being of our Temples throughout Shrinedom and recommends against this proposal.

Respectfully submitted,

Imperial Sir, if there are no questions or comments concerning this report, I recommend that you now call on the proponent, Illustrious Sir E. C. Pelfrey, for an appropriate motion.

IMPERIAL POTENTATE ANTHONY: I will next call on the proponent of this legislation for an appropriate motion.

NOBLE E. C. PELFREY: Imperial Sir, I would move for the adoption of item 13 in the Call. . . . The motion was duly seconded . . .

IMPERIAL POTENTATE ANTHONY: We have a motion and a second to adopt item 13 on the Call for the Annual Session.

I will let the proponent continue.

NOBLE PELFREY: You know, my wife is involved in a weight reduction program called "Tomorrow."

Now, this membership program that we are concerned about and which, as we all know, has to do with our membership, I hope is not called "Next Year."

Now, for those who are not familiar with the new membership program, I would like to explain it a little bit.

Under the present rules for Life Membership, in order to become a Life Member, a member of the Temple must pay twenty times the annual dues to become a Life Member. If you are age sixty you are not too interested.

Now, under the Annuity Membership Program, the member would pay based on his age which relates to the mortality tables, the life insurance mortality tables, and I am sorry we do not have those particular tables here.

For example, when you use the age of sixty-one, which is the average age of our Temple, in the table you would refer to the attained age column and look at the life annuity factors.

In that case, at age sixty-one, you would look at \$10.78 and so, in order to determine the amount that the member should pay for an annuity membership, you would multiply the \$10.78 times \$35, if those are your annual dues and in that case it would be a little over \$377.

Now, under the present Life Membership program, the Temple cannot use the principal of those funds, only the interest.

Now, if you had a suspension program for nonpayment of dues in effect, and, by the same token, you would, for example, have eighty percent of your membership as Life Members, you would be hurting for funds. You could not touch these funds except the interest on those funds. However, under an annuity membership program, you could withdraw each year the amount that member bought into for that year.

For example, if he bought in at \$35, then, each year, you would withdraw \$35 for as long as he is a member. Then, when he passes away, that money is no longer withdrawn from the fund.

The program that I have presented and we discussed in the committee is the same program that has been in effect for many years in the Northern Masonic Jurisdiction.

I checked with the Valley of Dayton membership of some 70,000 last year and they had brought in \$95,000 in 1986 and after making a payment of \$100,000 in 1987, it is now a losing proposition. However, it is an excellent tool for retaining those folks who, in their later years, may elect to be suspended for nonpayment of dues.

Now, I would suggest we have some provision in here that would entice that member to make the payment up front rather than extend it over five years.

I trust that you will understand what we have in mind here. Thank you.

IMPERIAL POTENTATE ANTHONY: Is there further discussion?

The Chair will recognize microphone 1.

NOBLE MAHLON HESSEY: My name is Mahlon Hessey and I am a member of the Board of Trustees and also Chairman of the Budget Committee.

Now, the Finance and Accounts Committee has made a comment on this issue and I rise to speak to you in opposition to the proposal—not because I am opposed to an annuity method but because of defects present in the inherent legislation, the present legislation.

For example, the payment over five years needs further clarification. In other words, is the payment made initially and then for the next four installments?

Also, there is some difficulty here because the compounding period is not specified as to whether it is monthly or continuously.

Further, the proposal is based on actuarial principles and yet permits pay-outs over five years. Also, the deferred payout should be adjusted to reflect the net present value of the deferred payment.

According to my calculation, payment should be increased by approximately eleven percent, assuming, of course, that you use five installments over four years.

Also, there is no adjustment for inflation. For example, in relation to my Temple, in 1930 the dues were \$10 and now they are \$30 and they should be higher. That may, of course, be accounted for by appropriate investments, if they are successful.

Further, actuarial review called for in the legislation is not subject to any constraints. The outcome of such review necessarily depends upon the assumptions made. By making the correct assumption, the correct result is obtained.

Also, the percentage rate for the actuarial assumption should be specified in the proposed legislation, in my judgment. It is easy to create artificial surpluses without it.

Actuarial assumptions must be made to find some acceptable standard. Also, the liquidation provision in the proposed legislation is inadequate.

Also, who makes the determination that the "purpose" for which it was created has been fully serviced? Why were revolving funds of this type liquidated in any instance, particularly where a transfer of the excess is permitted?

Experience with the fund concept leaves me to believe that at the first time of financial distress, the money will be invaded. When Temples are in distress, often the first source of funds used are trust funds which have been previously created.

Now, one possible determinant may be to impose personal liability on those persons authorizing transfer of any excess. This would make most people think twice, but not all.

Also, the name of the fund should be changed from an annuity membership fund to some other fund, perhaps to use the word "trust," to make sure everyone ascertains they are dealing with trust funds.

Also, no provision is made for how the money is to be invested.

Now, these were the comments that I submitted to the Chairman of the Finance and Accounts Committee and I believe that while the legislation is properly drafted, it needs substantial revisions. It would be impossible to correct this within a short period of time.

... The question was severally called for ...

IMPERIAL POTENTATE ANTHONY: I have a Noble over here at this microphone. Please identify yourself.

NOBLE CARL GARNY [Tripoli Temple]: Imperial Sir, Imperial Sirs and Representatives: In line with what has just been said by the previous speaker and the fact that this is, nevertheless, a good basic idea, I would move that this motion be tabled until the 1988 Imperial Session to allow time to properly draw up the papers.

... The motion was severally seconded ...

IMPERIAL POTENTATE ANTHONY: It has been moved and seconded that further action on this proposal be tabled until the 1988 Imperial Session in order to allow proper time to come back with a proposal in more detail.

Is there any discussion?

If not, I will put the question.

All in favor of this motion indicate by saying aye; opposed. The motion is unanimously carried.

I will now recognize the Chairman of the Jurisprudence and Laws Committee for presentation of item 16 on the Call of the Annual Session.

NOBLE PETTIT: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, item number 16 on Call of the Annual Session of 1987, located on page 23 of the Call. It is a proposal to amend S.335.2(a) of Article 35 of the Bylaws of the Imperial Council, an Iowa Corporation, so that it will read as follows:

ARTICLE 35

Prohibited Practices

Section 335.2 Improper Advertising

(a) The use of the word "Noble" or "Shrine" or any variation thereof, or any term, sign or symbol of the Order for commercial or other business enterprises is prohibited unless

specifically approved by a majority vote of the Representatives present during the Annual Session of the Imperial Council.

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon the proposer Illustrious Sir Gilbert Martin, for an appropriate motion.

IMPERIAL POTENTATE ANTHONY: I will ask Illustrious Sir Martin to present himself at the podium for the purpose of making the appropriate motion.

ILLUSTRIOUS SIR GILBERT MARTIN [Potentate, Omar Temple]: Imperial Sir, Imperial Sirs and Fellow Representatives: I would move for the adoption of this proposal.

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE ANTHONY: It has been moved and seconded that this proposal be adopted.

Again, I will recognize the proposer of the item.

ILLUSTRIOUS SIR MARTIN: Imperial Sir, Imperial Sirs and Representatives: As we all know, the term "fund raising" is becoming more and more difficult. My purpose for the introduction of this resolution is to allow Temples to participate in programs such as many of us probably have been permitted to do—such as credit card programs. I see this as an easy and painless way to increase our fund raising for our Fraternal side of our Temple.

Thank you, Imperial Sir.

IMPERIAL POTENTATE ANTHONY: Is there further discussion on the adoption of the proposal?

If not, all in favor of adoption of the proposal indicate by saying aye; opposed no. It is adopted by the necessary two-thirds majority.

ILLUSTRIOUS SIR MARTIN: If it is in order then, Imperial Sir, I would move that we specifically authorize at this Session the participation with the credit card programs that are being offered by Vantage and Transnational Financial Services.

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE ANTHONY: It is in order. The motion is in order.

Is there any discussion?

If not, I will call for the question.

All in favor signify by saying aye; opposed nay. The motion carries.

NOBLE PETTIT: Imperial Sir and Representatives, I do not want there to be a misunderstanding about the use of the credit card program as it is now structured.

Each of the Temples received a directive or an informational letter from the Office of the Executive Director of Fraternal Affairs.

What that said was that there were two present credit card programs which were structured in a manner which were approved by the Board of Directors. The motion might indicate to you, but unfairly, that those two credit card programs are the only ones that are approved.

The directive also indicated to you that at your option, if your present banks or other organizations in the credit card business had a program properly structured so as not to violate the other Bylaws of the Imperial Council with respect to this issue, that you were authorized to use those with the approval of the Chairman of Jurisprudence and Laws and the Imperial Council.

I do not want you, by your vote, to indicate that those two bank credit card programs are approved by the Imperial Council or are the selected pair. Is that understood by all?

I am not sure you have gotten to the place where you want to go, to authorize, if you wish, the use of the symbol and name of the Temple on your credit card. A motion or resolution to that effect had been presented to you for your consideration.

IMPERIAL POTENTATE ANTHONY: I wonder, Walt, if you can clarify that just a little bit more. There apparently still seems to be some confusion here. The Nobles seem to be concerned about using the name of the Temple on their credit card.

NOBLE PETTIT: What you have done by this amendment—

NOBLE MAAG: A point of order.

NOBLE PETTIT: May I make a statement first, Illustrious Sir?

NOBLE MAAG: Well, this is a point of order.

NOBLE PETTIT: Well, all right.

NOBLE MAAG: What I am trying to do here, Walt, is to help you.

Imperial Sir, I rise to a point of order.

It is my understanding of the Imperial Code that to the Jurisprudence and Laws Committee shall be referred all resolutions which shall come before the Imperial Council. I believe that the resolution which was presented there a moment ago and voted upon had not been submitted to the Jurisprudence and Laws Committee and, therefore, I respectfully suggest that it may have been unlawfully adopted.

I rise to that point of order, Walter, and may I have a ruling from your committee?

NOBLE SEWELL LAMBIN: Imperial Sir, Imperial Sirs and My Colleague, Ed Maag, you did not adopt any legislation. That was merely a motion to indicate that these two plans were in compliance and that is all it is. You did not approve them. That is why the Chairman of Jurisprudence and Laws explained that, to make it perfectly clear to you.

You did not adopt any legislation on the last motion. He merely said those two are in compliance. Actually, you did not add anything. While it was approved and adopted, I do not see where it does anything.

IMPERIAL POTENTATE ANTHONY: I would like to call upon microphone 3. Please state your name and your Temple.

ILLUSTRIOUS SIR MARTIN: I am the proponent of this resolution and I do not know what I did but I can tell you what I intended to do. (Laughter)

What I intended to do was, by my motion, to authorize every Temple here, if they so choose, to participate in one of the credit card programs currently being offered by the two organizations and those two credit card programs could use the symbols and signs of the Fraternity immediately. That is what I intended. I do not know whether it is legal or not but that is what I intended to do.

IMPERIAL POTENTATE ANTHONY: Well, okay, that is different and, in accordance with a discussion from my Parliamentarian, I am going to have to rule that out of order.

NOBLE PETTIT: Let me interject and say that what you have done is authorized the use of the signs and symbols of the Order, if you at any Session of the Imperial Council so recommend. That is now law.

Therefore, if you wish to make the recommendation and approval, it must be made in the form of a motion or resolution. It will be appropriate at this time but that is the procedure by which you would have to accomplish that.

ILLUSTRIOUS SIR MARTIN: That is what I did. After we adopted the resolution, the legislation, I moved that this Council specifically authorize these two credit card programs to use the symbols.

NOBLE PETTIT: Well, Noble, I do not recall that being in your motion.

ILLUSTRIOUS SIR MARTIN: Yes, sir, that is exactly what I said.

NOBLE PETTIT: To use the signs and symbols of the Order?

ILLUSTRIOUS SIR MARTIN: Yes.

NOBLE PETTIT: Would you, by your motion, restrict its use by any other? If so, I think that is inappropriate.

I would make it cover any approved credit card program.

ILLUSTRIOUS SIR MARTIN: If it will clarify anything so that we can move on, I will certainly withdraw anything I have done up to now and make that the motion.

NOBLE PETTIT: Thank you.

IMPERIAL POTENTATE ANTHONY: Is there a second to that?

... The motion was duly seconded ...

IMPERIAL POTENTATE ANTHONY: All in favor signify by saying aye; opposed nay. It is carried and thank you very much for your patience.

We will now proceed with item 19 on the Call for the Annual Session of 1987.

NOBLE LAKE: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, item number 19 on Call of the Annual Session of 1987, located on page 24 of the Call. It is a proposal to amend S.456.1 of Article 56 of the Bylaws of the Imperial Council, an Iowa Corporation, so that it will read as follows:

ARTICLE 56

Section 456.1 Aloha Temple

IMPERIAL POTENTATE ANTHONY: The Chair will recognize Illustrious Sir Rudy Posey.

NOBLE POSEY: Imperial Sir, before making the report, I would like to say something. (Laughter)

IMPERIAL POTENTATE ANTHONY: You certainly may.

NOBLE POSEY: During this Session, your Committee on Jurisdictional Lines has had a long session. Each member of this committee has worked diligently and I would like to have the committee stand. I am not going to take the time to call their names.

Would the Committee on Jurisdictional Lines please stand and would you join me in giving them a round of applause for their diligent work? (Applause)

As a matter of fact, they just finished up about thirty minutes ago.

Now, to the report.

To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisdictional Lines, item number 19 in the Call. It is a proposal to amend Section 456 of Article 56 of the Bylaws of the Iowa Corporation so that the Islands known as American and Western Samoa be included in the exclusive jurisdiction of Aloha Temple, Hawaii.

Your committee met with the Potentate of Aloha Temple. There was no opposition insofar as these Islands are not in any other Temple Jurisdiction.

After consideration, your committee recommends that the amendment is in the best interest of Shrinedom and recommends its adoption.

Imperial Sir, if there are no questions concerning this report, I recommend you call on Illustrious Sir Neil S. Sutherland, Potentate and Representative of Aloha Temple for an appropriate motion.

IMPERIAL POTENTATE ANTHONY: I will now call on Illustrious Sir Neil Sutherland.

ILLUSTRIOUS SIR SUTHERLAND [Potentate, Aloha Temple]: Imperial Sir, Imperial Sirs and Representatives: I move the adoption of this proposal.

... The motion was duly seconded ...

IMPERIAL POTENTATE ANTHONY: The motion has been made and seconded, please proceed.

ILLUSTRIOUS SIR SUTHERLAND: I will give you three reasons why I believe this amendment should be adopted.

Aloha Temple has looked at this very closely.

One is that our hospital, our Shriners Hospital in Honolulu is the second oldest in our chain. It draws its patients from the Pacific rim area.

These patients come from as far south as Samoa, some 2,500 miles south of us. We have been bringing the children into the hospital from these islands since about 1970. We have 270 children brought in from that area. We have clinics going on in these areas on an ongoing, regular basis.

The second reason that I would like to bring forth concerns the Grand Lodge of New Zealand, who has jurisdiction over the Master Masons in those two countries.

About three years ago, at the rest of the Master Masons in the area, they received permission from the Grand Lodge to send the men up to the Orient and Hawaii to receive their Thirty-Second Degrees in the Scottish Rite.

During this period of time, we have had about twenty to twenty-five men come up and become members of the Scottish Rite in Hawaii and they have gone on to become Shriners and members of Aloha Temple.

The third reason is that we need a Shrine Club in the Samoan Islands so that we can have more organizational effort for patient procurement.

The problem is that we do not have a Shrine Club there if we do not have any jurisdiction.

So, because of these factors, we made this proposal and, again, I would call for the adoption of this proposal at this time.

IMPERIAL POTENTATE ANTHONY: Is there any further discussion?

Seeing none, all in favor of the adoption of this proposal indicate by saying aye; opposed nay. It is adopted by the necessary two-thirds majority.

We will next proceed to item 18 on the Call of the Annual Session of 1987 and I will call on Noble Davis to present this legislation from the Jurisprudence and Laws Committee.

NOBLE DAVIS: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, item number 18 on Call of the Annual Session of 1987, located on page 23 of the Call. It is a proposal to amend S.446.1 of Article 46 and S.492.3 of Article 92 of the Bylaws of the Imperial Council, an Iowa Corporation, so that they will read as follows:

ARTICLE 46
Alaska

Section 446.1 Al Aska Temple
Has exclusive jurisdiction in the State of Alaska

ARTICLE 92
Washington

Section 492.3 Nile Temple

Has jurisdiction over that portion of the State of Washington north of a line running east and west equidistance from Seattle and Tacoma and west of the 121st degree of longitude.

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon Illustrious Sir Glenn McMennamy of the Jurisdictional Lines Committee for its report.

IMPERIAL POTENTATE ANTHONY: The Chair now recognizes Illustrious Sir Glenn McMennamy.

NOBLE McMENNAMY: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisdictional Lines a proposal to amend Section 446.1 of Article 46 and Section 492.3 of Article 92, which is item number 18 on page 23 of the Call and was just read to you by the Jurisprudence and Laws Committee.

The effect of the proposal would give Al Aska exclusive jurisdiction in the State of Alaska where it is now concurrent with Nile Temple, in that part of Alaska south of Cape Fairweather.

Your committee met with Representatives of both affected Temples and after a full discussion of this proposal, your committee feels that the proposed amendment is not in the best interest of Shrinedom and, therefore, recommends against the passage of the proposed amendment.

Imperial Sir, if there are no questions or comments on this report, I recommend that you call on Al Kendrick, Assistant Rabban of Al Aska Temple for an appropriate motion.

IMPERIAL POTENTATE ANTHONY: I will next recognize Noble Al Kendrick, Assistant Rabban of Al Aska Temple for an appropriate motion.

NOBLE AL KENDRICK [Al Aska Temple]: Imperial Sir, Imperial Sirs and Fellow Representatives: I would move for the approval of this proposal.

... The motion was duly seconded ...

IMPERIAL POTENTATE ANTHONY: It has been moved and seconded that the proposal be approved.

Please proceed with your presentation.

NOBLE KENDRICK: : Imperial Sir, Imperial Sirs and Representatives: I think I should preface my remarks with some of the things that have happened in Al Aska Temple since its Charter and then I leave it to you to decide whether we should have sole jurisdiction within our state.

In 1974, at the great City of Atlantic City, New Jersey, we requested from you, the Representatives of this great Fraternity of ours, the privilege of becoming a Temple. You granted that request.

The following year we received our Charter. We only had 550 members when we asked for our dispensation and today we have some 1,400-plus Nobles, a growth of some 243 percent in Southeastern Alaska.

In the area we are now asking exclusive jurisdiction over, we have some thirty-five members.

Now, when exclusive jurisdiction was given to us as a Temple and subsequently, we agreed at that time, being a new Temple, we could not handle everything within our great state. We agreed with Jurisdictional Lines that we would be working with other Temples to bring our Fraternity together.

However, in this connection, let us look at some figures.

There are 600 Masons, approximately, in Southeastern Alaska. Of those, 135 are Shriners. Approximately 100 of those belong to Nile Temple and the Shrine Clubs there. We do not have any Shrine Clubs in Southeastern Alaska.

However, I can tell you this that, today, seventy-five percent of all Masons in our Grand Lodge are Shriners. In our exclusive jurisdiction, one out of every six in the Southeastern are Shriners. We say, give us the opportunity to go throughout the southeastern and we will bring a stagnant area back into the fold.

Now, let me further add that I would not be appearing before you to make this presentation if I did not feel in my own heart that it was for the benefit of Shrinedom.

Now, understand one other thing and that is our association with Nile Temple has been excellent. Unfortunately, it has deteriorated over the last few years and I do not know why but I think this may be the reason why we should try and resolve it. It is not going to help to have people knocking off themselves.

All I ask is this, fellow Representatives, that you bear with us, give us a chance to have Southeastern Alaska now—not for the benefit of Al Aska, not for the benefit of Nile, but for the benefit of Shrine and Masonry.

Thank you very much.

IMPERIAL POTENTATE ANTHONY: Is there further discussion?

Microphone 2.

NOBLE DONALD ANDERSON [Nile Temple]: Imperial Sir, Imperial Sirs and Fellow Representatives: I represent the other Temple involved in this situation, Nile Temple, and I would request that I be permitted to speak from the podium.

IMPERIAL POTENTATE ANTHONY: You are certainly welcome to approach the podium.

... Whereupon, Noble Anderson approached the podium ...

NOBLE ANDERSON: Again, I am standing here representing Nile Temple and the Nobles in Southeast Alaska. I am asking you to vote "no" on this request and let the situation in Southeast Alaska remain in the status quo for concurrent jurisdiction for the following reasons:

Because of an illness, our Potentate's letter concerning this Call was sent to his home. Nile Temple did not see it until approximately the 22nd of May. At that time, I called every Shrine Club President in Southeast Alaska—Juneau, Ketchikan and Sitka. All of them were totally amazed.

Now, we have some 167 Nobles of Nile Temple in Southeast Alaska. Also, there are

twenty-nine and not thirty-five Nobles of Al Aska Temple in Southeast Alaska. Also, there are some seventeen Nobles of other Temples represented.

Now, every one of these Shrine Clubs asked me to represent them here today.

Now, since that time I have had an opportunity to speak with the Vice President of the Ketchikan Shrine Club, who was in Seattle on business; with the Treasurer of the Juneau Shrine Club and the President of the Sitka Shrine Club, who were in Seattle attending Grand Lodge.

Masonically, Southeastern Alaska is 100 percent affiliated with the outside or State of Washington.

When the Grand Lodge of Alaska was formed in 1981, five Blue Lodges in Southeast Alaska and one in Anchorage elected to keep their Masonic ties to the State of Washington and to this day they belong to District 3 of the Grand Lodge of Washington.

Just for clarity, Southeast Alaska is an isolated sector. It is accessible only by air and water transportation.

The three Shrine Clubs involved are from 675 miles to 910 miles from Seattle. They are 575 miles to 810 miles from Anchorage.

Also, Southeast Alaska is totally dependent on the Puget Sound area for everything it uses or consumes, with the exception of seafood, drinking water, firewood and hydroelectric power. Therefore, virtually all commerce is to the south or the Seattle area and very little to the west or the Anchorage area.

For example, there are three flights a day from Juneau to Anchorage and nine to Seattle.

Now, the Jurisdictional Lines Committee, who spent an hour and ten minutes with us and I do not know how long in relation to making their recommendations, recommends that, Masonically as a Shrine, we should stay in concurrent jurisdictions and that being the case, that is simply all we are requesting.

Therefore, I suggest that you vote "no" on this proposal and that the situation remain in the status quo or in concurrent jurisdictions.

IMPERIAL POTENTATE ANTHONY: Is there further discussion?

NOBLE JOHN WILLIAMS [Cairo Temple]: Let me say that in my State of Vermont we have concurrent jurisdiction with Mount Sinai Temple. We have never had a problem with waivers of any kind.

I would like to address a question to the individual from Nile Temple and ask him if there has ever been a problem with Nile Temple granting waivers to Al Aska Temple? Has Nile Temple ever granted any waivers to Al Aska Temple?

NOBLE ANDERSON d[Nile Temple]: I do not know as I understand the question because in concurrent jurisdiction there would never be any need for the granting of a waiver.

IMPERIAL POTENTATE ANTHONY: Does that satisfy the gentleman?

Are there other speakers?

. . . At this point, the question was severally called for . . .

IMPERIAL POTENTATE ANTHONY: The question has been called for.

We are going to vote on the question, which is to close debate.

All in favor indicate by saying aye; those opposed. The motion is carried by the necessary two-thirds majority.

We are now going to vote on the proposed amendment.

All in favor of the amendment indicate by saying aye; those opposed nay. I will rule that it did not receive the required two-thirds majority and, therefore, failed of passage.

. . . Business was transacted in the Colorado Corporation at this time . . .

IMPERIAL POTENTATE ANTHONY: We will now move to Ted Corsones who will, for the Jurisprudence and Laws Committee, address item 20 in the Call of the Annual Session for 1987.

NOBLE CORSONES: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, item number 20 on Call of the Annual Session of 1987, located on page 24 of the Call. It is a proposal to amend S.487.2 and S.487.4 of Article 87 of the Bylaws of the Imperial Council, an Iowa Corporation, so that such Sections will read as follows:

ARTICLE 87
Tennessee

Section 487.2 Alhambra Temple
Has:

(a) Exclusive jurisdiction in the county of Polk and all territory lying West of the Counties of Scott, Morgan, Roane, Loudon, Monroe and Polk at present coming within the jurisdiction of Alhambra Temple, except the Counties of Jackson and DeKalb in Alabama.

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon Illustrious Sir Aurie J. Thompson of the Jurisdictional Lines Committee for its report.

IMPERIAL POTENTATE ANTHONY: I will next call upon Aurie J. Thompson of the Jurisdictional Lines Committee for its report.

NOBLE AURIE J. THOMPSON: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisdictional Lines item 20 which appears on page 24 of the Call. It is a proposal to modify territorial jurisdiction, as recited to you in the report of the Committee on Jurisprudence and Laws which was just read to you.

A hearing was held before your committee on June 21, 1987 and, for all practical purposes, on each succeeding day thereafter. The official Divans of both Temples were in attendance at the meetings. We are pleased to inform you that a spirit of brotherhood prevailed at all times.

After exhaustive negotiations between the Temples and guidance from the Jurisdictional Lines Committee, Alhambra Temple and Kerbela Temple executed a written agreement. A true copy thereof is appended to this report and made a part hereof by reference thereto.

For your information, the agreement reads as follows:

This agreement is made and entered into this 26th day of June, 1987 between Alhambra Temple, A.A.O.N.M.S. and Kerbela Temple, A.A.O.N.M.S.

WHEREAS, on May 26, 1937, Alhambra and Kerbela entered into an agreement which provided for concurrent jurisdiction in the Counties of Scott, Morgan, Roane, Loudon and Monroe, and which further provided for additional terms and conditions as set out therein; and

WHEREAS, Alhambra and Kerbela, by this agreement, desire to terminate that agreement and enter into a new agreement.

NOW, THEREFORE, in consideration of the foregoing premises and the mutual covenants hereinafter contained, Alhambra and Kerbela Temples agree as follows:

1. Kerbela Temple, A.A.O.N.M.S. shall have concurrent jurisdiction with Alhambra Temple, A.A.O.N.M.S. in the Counties of Scott, Morgan Roane, Loudon and Monroe in the State of Tennessee.

2. Kerbela Temple, A.A.O.N.M.S. and Alhambra Temple, A.A.O.N.M.S. hereby confirm and recognize the validity of the Charters issued to the respective Shrine Clubs in the concurrent jurisdiction Counties of Morgan, Scott, Roane, Monroe and Loudon.

3. Upon prior notification, the Divan and Nobility of either Temple shall have visitation rights to any club located within the aforesaid concurrent jurisdiction counties unless, for good cause shown, the visitation is denied. The visitation shall be for the purpose of carrying on their respective Temple activities which are not prohibited by the provisions of Article 37 of the Bylaws of the Iowa Corporation. Alhambra Temple, A.A.O.N.M.S. recognizes the valid interest of Kerbela Temple Nobles who are members of the Roane County Shrine Club to attend monthly Temple Unit and stated meetings at Kerbela Temple, A.A.O.N.M.S.

4. Kerbela Temple, A.A.O.N.M.S. shall have the right to solicit circus ticket sales in those telephone exchanges serving the towns of Oak Ridge and Oliver Springs, at this date, which lie within Roane County, Tennessee.

5. This agreement may be cancelled by either party hereto upon ninety days written notice to the other and upon approval of the Imperial Council, A.A.O.N.M.S.

6. The prior written agreement between Alhambra Temple, A.A.O.N.M.S. and Kerbela Temple, A.A.O.N.M.S. dated May 26, 1937 is hereby revoked.

IN WITNESS WHEREOF, this agreement has been executed by the undersigned on behalf of Alhambra Temple, A.A.O.N.M.S. and Kerbela Temple, A.A.O.N.M.S. on the date first above written.

Alhambra Temple, A.A.O.N.M.S., by

/S/ Everett G. Bullock, Potentate

/S/ Fred J. Oliver, Recorder

Kerbela Temple, A.A.O.N.M.S., by

/S/ Ray F. Akers, Sr., Potentate

/S/ Major M. Meador Recorder

The written agreement has been executed by the Potentate and Recorder of each Temple, as the authorized representatives of their respective Temples. Furthermore, the Temples want you to know that your permission will be sought to withdraw item 20 upon your approval of the ratification of the agreement.

Your committee commends the Officers of both Temples for reaching an accord. They acted in the best interest of their Temples and the best interest of this Order.

Your committee is unanimous in its request that the Imperial Council approve and ratify the agreement.

Imperial Sir, if there are no questions concerning this report, I move that the Imperial Council, pursuant to S.337.5 of our Bylaws, approve and ratify the agreement dated June 26, 1987 between Alhambra Temple and Kerbela Temple.

... The motion was duly seconded ...

IMPERIAL POTENTATE ANTHONY: You have before you the motion and the second to approve and ratify the agreement as presented.

Is there any discussion?

... There being no discussion, the motion to approve and ratify the agreement was voted upon and declared to be carried ...

NOBLE AURIE THOMPSON: And now, Imperial Sir, now that the agreement has been approved and ratified, I would recommend that you now call upon the proponent of item 20, Illustrious Potentate Ray F. Akers, Sr., who will request permission of the Imperial Council to withdraw item 20.

ILLUSTRIOUS SIR RAY F. AKERS, SR.: Imperial Sir, Imperial Sirs and Fellow Representatives: May I respectfully request that item 20 be withdrawn from the Call?

IMPERIAL POTENTATE ANTHONY: As you know, this is going to require the unanimous vote of this body.

First of all, is there a second to withdrawal?

... The request for withdrawal was severally seconded ...

IMPERIAL POTENTATE ANTHONY: I presume you all understand what we are going to do, which is something we have done in several instances here already.

Again, this requires a unanimous vote and so I am now going to put the question.

All in favor of withdrawal of item 20 please say aye; are there any in opposition? I hear no indications in opposition and so I will declare the motion unanimously carried for withdrawal.

NOBLE PETTIT: Imperial Sir, inasmuch as the Representatives have unanimously consented to withdraw item 20, I again move that the Jurisprudence and Laws Committee and any other committee to which this proposal has been referred, be discharged from further report.

... The motion was duly seconded, was voted upon and declared to be unanimously carried ...

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE ANTHONY: The Chairman will recognize Walt Pettit.

NOBLE PETTIT: If I may, Imperial Sir, I have before me now a request to withdraw item 2 from the Call of the Annual Session, which reads as follows:

"I hereby request the permission of this Imperial Council Session to withdraw item 2 on the Call for the Annual Session of 1987."

This is signed by Illustrious Sir Edward G. Maag, the proponent of the proposal.

Imperial Sir, the request to withdraw requires the unanimous consent of the Representatives.

Therefore, I recommend that you ask the Representatives whether or not they grant their unanimous consent to the withdrawal and, if they do, I move that the Jurisprudence and Laws Committee and any other committee to which this proposal has been referred be discharged from further report.

IMPERIAL POTENTATE ANTHONY: You have before you a request for the withdrawal of proposal 2 as indicated in the Call. It requires a unanimous vote for withdrawal.

All in favor of withdrawal indicate by saying aye; are there any in opposition? I hear none and so the motion to withdraw is declared to be passed unanimously.

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE ANTHONY: I will call upon Illustrious Sir Lake for the presentation of Item 17 in the Call.

NOBLE LAKE: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, item number 17 on Call of the Annual Session of 1987, located on page 23 of the Call. It is a proposal to amend S.335.10 of Article 35 of the Bylaws of the Imperial Council, an Iowa Corporation, so that the following language will be deleted in its entirety:

ARTICLE 35
Prohibited Practices

Section 335.10 Female Organizations

(a) A Temple may not organize, or sponsor, a female unit or any uniformed body of women.

(b) A Temple may not organize, or sponsor, any body of women, or men and women, purporting to be an organization connected with the Order composed of Nobles and female relatives or requiring such relationship as the prerequisite for membership in the organization.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon proposer Illustrious Sir Gilbert L. Martin, for an appropriate motion.

IMPERIAL POTENTATE ANTHONY: I will call upon Illustrious Sir Gilbert L. Martin for an appropriate motion.

ILLUSTRIOUS SIR MARTIN: Imperial Sir, I would move adoption of item 17 in the Call.

... The motion was duly seconded . . .

IMPERIAL POTENTATE ANTHONY: I will ask the proposer to make his presentation at this point.

ILLUSTRIOUS SIR MARTIN: Imperial Sir, Imperial Sirs and Representatives: This is item 17 in the Call.

I think it is important to know my reasons for proposing this legislation and it is not to ever encourage or include ladies and Shriners in our great organization. If we ever do that, I am going to volunteer to be permanent Senior Deacon in my Blue Lodge.

The purpose of this is that last year, during the adverse publicity we had, this was interpreted to mean that no group of ladies who were married to our Director's staff or to the organization could continue to function in a way that they had in the past.

Now, in the past, our ladies organization had raised some \$35,000 a year for our hospitals. However, since last year, that ladies unit has been unable to assemble enough members to even meet. This, in turn, has had a devastating effect.

My purpose is to not sponsor organizations such as Daughters of the Nile or any Temple organization but to allow them to be a part of us and in support of us and, therefore, on that basis, I am encouraging the passage of this resolution.

IMPERIAL POTENTATE ANTHONY: Is there further discussion?

... The question was severally called for . . .

IMPERIAL POTENTATE ANTHONY: I see nobody at the microphones and so I believe you are ready to vote on this proposal. The recommendation is to adopt.

All in favor of adoption please indicate by saying aye; those opposed. I will declare this proposal defeated by the necessary two-thirds majority. The motion did not carry.

I will now call on Walter Pettit to address item 1 on the Call. Well, the Chair apologizes. I understand this has been handled and it was not crossed off on my list.

NOBLE PETTIT: Item 1 was withdrawn from the Call.

... Business was transacted in the Colorado Corporation at this time . . .

IMPERIAL POTENTATE ANTHONY: The Chair recognizes Walter Pettit.

NOBLE PETTIT: Imperial Sir, a point of personal privilege.

I want to express my appreciation to all of you for the judicious job you have done with a tremendous amount of legislation. I honestly feel as though you have given all the items the appropriate consideration and have done so in an exemplary manner and my Fez is off to you and you have appreciation from me and every member of the committee for the way you have handled yourselves concerning our legislation.

We will now proceed with item 22 on the Call for the Annual Session.

To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, item number 22 on the Call of the Annual Session of 1987, located on page 25 of the Call. Such resolution reads as follows:

RESOLUTION

WHEREAS, the Executive Director is expected and required to travel extensively and frequently by air in order to discharge the responsibilities assigned to him by the Imperial Council, A.A.O.N.M.S.; and

WHEREAS, it has proven advantageous to the corporation for such individual to conduct his business at various airports throughout our jurisdiction in order to make optimum use of his time; and

WHEREAS, the Board of Directors, in recognition of the foregoing, authorized the appropriation of funds for the purchase of airline club membership for this individual, as being in the best interests of the corporation.

NOW, THEREFORE, BE IT RESOLVED, that it is acknowledged that:

1. The foregoing individual is expected and required to frequently travel by air in order to perform the responsibilities assigned to them;

2. The optimum allocation of his time requires the use of meeting rooms and other amenities available at airports for airline club members; and

3. The appropriation of funds for the purchase of airline club membership for this individual is in the best interests of the corporation and the action of the Board of Directors in expending funds for this purpose is ratified.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon Illustrious Sir Mahlon Hessey, for an appropriate motion.

IMPERIAL POTENTATE ANTHONY: The Chair recognizes Mahlon Hessey.

NOBLE MAHLON HESSEY: I move the adoption of this resolution.

. . . The motion was duly seconded . . .

NOBLE HESSEY: Imperial Sir, I would like to say one short thing.

The reason this is in the Call is because there was a substantial dissatisfaction expressed from the floor last year with respect to the use of airline club membership cards of the Board of Directors and the Board of Trustees.

We have authorized the expenditure of airline club memberships to the individuals mentioned in this resolution and because our conduct has been called into question, we did not want any of you Representatives to feel that something was being done behind your back.

Therefore, upon the direction of the Joint Boards, we then ordered this resolution to be placed in the Call so that you would know what was going on.

Also, I would just like to take a moment of personal privilege to thank Jim Singley for his previous remarks. (See Colorado Transcript, page 121)

... The question was severally called for ...

NOBLE SINGLEY: Imperial Sir, in order to show that this body is behind those members and that we have our own Board and wish them to continue in operation, I move that this matter be tabled.

... The motion was severally seconded ...

IMPERIAL POTENTATE ANTHONY: You have before you a motion and a second to table this issue. There is no discussion on tabling.

All in favor indicate by saying aye; opposed. It is tabled by the necessary two-thirds majority.

ILLUSTRIOUS SIR EVERETT W. LARSON [Potentate, Sesostri Temple]: Imperial Sir, does this action that tabled these two resolutions permit the Board to go ahead and purchase these or does this mean that they cannot?

IMPERIAL POTENTATE ANTHONY: Just one moment, I will check with my Parliamentarian.

NOBLE TED CORSONES: Imperial Sir, Imperial Sirs and Representatives: The answer to your question, just as Jim Singley has pointed out to you quite correctly, is that the Board of Directors of the Colorado Corporation and the Board of Directors of the Iowa Corporation have the authority to conduct business as any other body.

They did purchase these airline club memberships because of, last year, a question being raised and that Mahlon Hessey, in turn, said that this would be brought to your attention.

By your action, you have now given them a vote of confidence. All you are doing by that vote is indicating a vote of confidence.

... Cries of "no, no" ...

NOBLE CORSONES: Well, Representatives, that is the way I understood Jim Singley's remarks and, Jim, if I am wrong, you can correct me.

NOBLE JIM SINGLEY: Let me say that it was my intention to tell these Boards that these are matters of operation that should not be brought to this forum because we are not running the Board of Directors—we are a policy-making organization. They are the operators and, therefore, we should not have to take their place.

Now, as I tried to say previously, if we do not have confidence enough in them to let them run it, then they ought not to be there.

ILLUSTRIOUS SIR LARSON [Potentate, Sesostri Temple]: I agree wholeheartedly but, on the other hand, my question was this—that by failure to ratify, were we defeating that aspect of it? I agree with you 100 percent.

IMPERIAL POTENTATE ANTHONY: Thank you for bringing that to our attention.

... Business was transacted in the Colorado Corporation at this time ...

NOBLE JAMES SINGLEY: Imperial Sir, I have been requested to again take the microphone for the purpose of saying that some are in doubt as to whether or not we have approved the actions of our Boards by purchasing these airline membership cards for certain designated people.

Now, there is some doubt as to whether or not we have confidence in them and that is the matter I wish to discuss.

REPRESENTATIVE: Imperial Sir, a point of order.

There is no motion on the floor.

IMPERIAL POTENTATE ANTHONY: This is a point of personal privilege, I believe.

NOBLE SINGLEY: Now, in order to get the matter on the floor, I move that our actions be reversed and that we now pass these resolutions approving these.

IMPERIAL POTENTATE ANTHONY: You are moving to take from the table, is that correct?

NOBLE SINGLEY: Taking them off the table and putting them back on the floor. In other words, we take them off the table, then I would move approval of those actions so we will not have further doubt.

IMPERIAL POTENTATE ANTHONY: The motion before you is to remove these from the table. Was there a second?

... The motion was duly seconded ...

IMPERIAL POTENTATE ANTHONY: Is there any discussion concerning removal from the table?

ILLUSTRIOUS SIR BOWMAN [Potentate, Al Amin Temple]: Imperial Sir, we do not come to these Boards and give them permission to buy paper clips or magazines or literature or anything of that type. Therefore, I do not think that is a bit necessary and I would ask we defeat that.

IMPERIAL POTENTATE ANTHONY: Is there further discussion?

If not, all in favor of the motion to take off the table indicate by saying aye; opposed nay. The motion to remove from the table is declared to be defeated.

INSURANCE

... The following report concerning Temple Insurance was not presented at the Imperial Session but, at the request of Imperial Sir Burton Ravellette, is included in this record as follows, together with the Temple Insurance Study based on responses from 127 Temples

Unless you have been living in a vacuum for the past couple of years, you are aware that we have been suffering through the worst insurance crisis in history. Unfortunately, the Shrine has not been exempt from the effects of the crisis. The major effects have been substantial premium increases, reductions in coverage or even total unavailability of coverage. The financial stability of some Temples is jeopardized by the cost of insurance.

In the past, the Imperial Council has been instrumental in establishing a voluntary insurance program which is underwritten by Travelers. Although this program has offered many advantages of group purchasing, it, too, has suffered considerable set backs.

In an attempt to provide relief from the current crisis, I asked that a questionnaire be developed and distributed to the Temples so that insurance data could be obtained. The data received to date has been compiled and analyzed. We feel our best approach is to explore two distinct alternatives.

First, we are approaching the insurance markets with the idea of establishing a conventional insurance program which would require the participation of all Temples. This method might include some type of risk sharing below the catastrophic protection of an umbrella. If loss history proved to be better than projected, then the savings could either be used to reduce future premiums or be returned to the Temples.

Second, we are investigating the option of establishing a self-insurance program through either a risk retention group or a captive. This self-insurance program would serve as the 'insurance company' for all Shrine Temples. A risk retention group has been made possible by recent federal legislation which allows companies or associations to self-insure in all states by becoming licensed in only one state. The advantages of a risk retention group include:

- The elimination of insurance company profit and
- Premium increases which are determined by the losses of the group itself and actuarial calculations rather than insurance industry cycles.

A minute ago, I mentioned that I directed that a questionnaire be distributed in order to compile certain basic underwriting information. To those of you who have completed the questionnaire, I thank you for your cooperation. To those Temples who have not provided the necessary information, consider this a swift kick in your backside. We need the data ASAP because we are now at a critical point in our study. The sooner you submit the information, the sooner we can develop the options which could provide us all with some relief from the whims of the insurance carriers.

I look forward to seeing this project through to its completion, but I must have your cooperation.

IMPERIAL POTENTATE ANTHONY: Now, I believe we are about to finish up and, according to my sheet here, we have completed all of the legislation that we have to address at this particular time.

Are there any other resolutions that need to be addressed at this time?

Now, we will call for the report of the Time and Place Committee and I would first like to call on our Imperial Potentate-Elect, Imperial Sir Voris King.

IMPERIAL SIR VORIS KING: I would like to extend a cordial invitation to all of you to be with us next year in New Orleans, where we are going to put a wonderful program together and show you the best time you have ever had.

Now, of course, I know that you had a good time here and we hope we can top this meeting. We are certainly planning on it.

We are going to have a lot of fun. I want all of you to come. We are going to have one of the largest Mardi Gras Balls and finest meetings that you have ever attended.

I just would like to tell all of the Potentates that we are going to have a big party at the Rivergate and each of you will be able to purchase tickets for your troops and their ladies. You are all going to have a wonderful time.

We are going to have floats the same way the Mardi Gras affair does. Further, you will be allowed to ride on these floats, of course, for a nominal fee. (Laughter) Also, for the first time in your life, you are going to be part of a Mardi Gras parade where you can throw things. So I say that you are going to have a lot of fun.

You will be notified. Again, we are going to have a great time in New Orleans and I would urge all of you to plan to come because we are going to give you a good time. We do have a lot of things planned.

I might further say that although, at New Orleans, we had a wonderful World's Fair, nobody came. (Laughter) Therefore, now they are able to house all of us within a six-block area and we are going to look forward to having you. (Applause)

IMPERIAL POTENTATE ANTHONY: Thank you very much, Imperial Sir Voris.

We are now going to have a report from our Deputy Imperial Potentate-Elect, Edward G. McMullan, C.D.

IMPERIAL SIR MCMULLAN: Thank you, Dr. Anthony, D.V.M.

Gentlemen and Nobles, it gives me a great deal of pleasure to invite you to Toronto, Canada in 1981 and I would now like to call on my Director General, Peter Rhodes, from Rameses Temple, Toronto, Ontario, Canada.

NOBLE RHODES: Thank you.

Imperial Sir, Imperial Sirs, Representatives and Nobles All: In behalf of all of us from Canada, we invite you to Canada, July 2-7, 1989.

I am not going to say very much at this time because I had asked Imperial Sir Voris King as to how long he would like us to speak and he said "thirty seconds" and so, at this time, I would like to urge all of you to make your plans to attend.

We have the best place in the world—have some 30,000 rooms. At the present time, we have 14,000 rooms reserved in connection with this convention but, as I say, we have a total of 30,000 rooms just waiting to be occupied.

Thank you very much. We look forward to seeing you. Come up and see us. We are a great host. (Applause)

IMPERIAL POTENTATE ANTHONY: Thank you very much.

I am now going to call upon the Imperial Chief Rabban-Elect, George Powell.

IMPERIAL SIR POWELL: Thank you, Imperial Sir.

Good morning to everybody.

Your Imperial Session will be held in Chicago on July 2-6. I can assure you that the things that are being planned are for your interest and I can think of no reason why we will not have a real good time.

Please come. (Applause)

IMPERIAL POTENTATE ANTHONY: Thank you very much.

I would now like to call on our Chairman of Jurisprudence and Laws.

NOBLE WALTER PETTIT: Nobles, I am still concerned, as your Chairman of Jurisprudence and Laws, about items on the Call that were tabled.

Those resolutions, if you would read them, were made for the purpose of ratifying the actions of the Board of Directors of the Iowa Corporation and the Colorado Corporation. The tabling of these motions, in my opinion, as your Chairman of Jurisprudence and Laws, have meant a negative rather than a positive response for the actions of those Boards of Directors.

I am concerned with respect to these matters being in the minutes in those forms and I would propose that a motion be in order to take these matters from the table and to present them to you again as joint matters for ratification, which would mean your approval, direct approval of the actions of those Boards.

IMPERIAL POTENTATE ANTHONY: Let me ask you, is there such a motion?

... The motion was severally made and severally seconded ...

NOBLE SINGLEY: However, Imperial Sir, I believe that before we can act in relation to what Illustrious Sir Pettit has indicated, it would be appropriate to take the matter from the table and I would so move.

... The motion to take from the table was then duly seconded, voted upon and declared to be carried ...

IMPERIAL POTENTATE ANTHONY: The motion has been taken off the table and is now before us.

NOBLE PETTIT: I would suggest a motion be made to approve Items 22 and 32, which are the ratifications of the actions of the Boards of Directors of the Colorado and Iowa Corporations.

Is there such a motion?

... The motion was duly made and seconded ...

IMPERIAL POTENTATE ANTHONY: Is there any discussion in relation to this?

REPRESENTATIVE [Ainad Temple]: Is it appropriate to request a roll call?

... Cries of "no, no" ...

IMPERIAL POTENTATE ANTHONY: That is not in order.

I will now put the question.

NOBLE PETTIT: Let me say that a "yes" vote indicates ratification of the actions of the Colorado and Iowa Boards of Directors.

IMPERIAL POTENTATE ANTHONY: Do you all understand what is being said here?

... Cries of "yes" ...

... There being no further discussion, the motion was voted upon and declared to be carried by the necessary majority vote ...

IMPERIAL POTENTATE ANTHONY: Continuing with the report on Time and Place, I will recognize Imperial Sir Joe Padgett.

IMPERIAL SIR PADGETT: In 1991 we will welcome you to San Francisco.

That is all I need say at this time. Further reports will be given later.

Thank you very much. (Applause)

Also, the exact dates will be presented to you next year.

IMPERIAL POTENTATE ANTHONY: Thank you very much.

Now, are there any closing remarks at this time that the Director General would like to make? Well, he is not here and so evidently does not want to make any remarks.

Therefore, at this time, the Chair will recognize Imperial Sir Jack Streight for a report of the Resolutions Committee.

IMPERIAL SIR JACK STREIGHT: To the Representatives of the Imperial Council:

WHEREAS, this One Hundred Thirteenth Annual Session of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America convened in the City of Las Vegas, State of Nevada, to the delight of those Nobles and Ladies who have won more than just honors.

WHEREAS, the warm hospitality of the people of Las Vegas accorded our Nobles, families and friends has made this Session most enjoyable.

WHEREAS, much of the success of this Annual Session can be credited to Zelzah Temple, the host Temple, and to the Director General, Dick Land.

WHEREAS, it is impossible to record the countless names of those who have made their contributions to this memorable meeting, nevertheless, we deserve to call special attention

to the efforts of our Imperial Potentate, Russell H. Anthony, D.V.M., his Imperial Divan, to the Past Imperial Potentates, the Board of Trustees and the Grand Masters who dignified and inspired the Session with their presence and guidance.

WHEREAS, the Oldsmobile Division of General Motors Corporation by providing a fleet of beautiful Oldsmobiles has added to the comfort and convenience of the Imperial Family and Potentates.

THEREFORE, be it resolved that we officially express our grateful appreciation for everything that has been done for our convenience and comfort, and to government and city officials, police, radio, television, press and many others, our expression of thanks for making this Session successful.

Respectfully submitted,
 COMMITTEE ON RESOLUTIONS
 Jack M. Streight, Q.C., Chairman
 Burton E. Ravellette, Jr.
 Robert B. Bailey
 John Ketelsen
 Merritt S. "Bud" Jones
 Richard S. Land

Imperial Sir, I would move the adoption of this resolution.

. . . The motion was duly seconded, was voted upon and declared to be carried . . .

IMPERIAL POTENTATE ANTHONY: Now, I am going to turn the microphone over to our Imperial Recorder, Jack Jones, for the next three items.

Well, just a moment, I will turn the gavel over to our Imperial Potentate-Elect, Imperial Sir Voris King.

. . . The gavel was tendered to Imperial Sir Voris King . . .

IMPERIAL SIR KING: I would like to recognize Imperial Sir Everett Evans.

IMPERIAL SIR EVANS: Imperial Sir, Imperial Sirs and Representatives: It is customary every year at this time that we compile a book of all of the travels and all things that the Imperial Potentate has done this year and present it to him at this point.

Therefore, Imperial Sir, I present to you this book of clippings denoting your activities during the past year.

. . . Presentation of book and applause ensued . . .

IMPERIAL POTENTATE ANTHONY: Thank you very much.

I certainly want to tell you how much I appreciate this and I want to tell all of you individuals sitting out there that I could not have had any better Imperial Divan to work with during this past year. I certainly appreciated the cooperation of all of them and, of course, certainly likewise appreciated your cooperation during this Session.

Thank you very much. (Applause)

IMPERIAL SIR VORIS KING: I believe that our Imperial Marshal would now like to come to the podium.

IMPERIAL SIR RAVELLETTE: I would like to publicly acknowledge all the help and assistance we have received from our Imperial Marshal's Aides. We certainly appreciate what they did for us and I think every Noble here appreciates what they did. They indeed had a tremendous responsibility this year, especially in relation to our parade, and I certainly would like to thank them for everything they did for all of us.

If there is no objection, Imperial Sir, I would like to have Bob Bailey come to the podium.

IMPERIAL SIR BAILEY: Imperial Sir, Imperial Sirs and Fellow Representatives: In relation to the Captain of the Guard Aides, I would also like to thank all of them for the time and work they gave and to thank the Representatives for being very cooperative with the Captain of the Guard Aides in order to make this such an outstanding convention.

Thank you very much.

IMPERIAL SIR JOHN VERMAAS: Imperial Sir, Imperial Sirs and Representatives: I, too, on behalf of the Outer Guard Aides, would like to thank everybody that helped in relation to that contingent.

We will look forward to seeing you all back here again next year.

... The gavel was then returned to Imperial Potentate Anthony ...

... Business was transacted in the Colorado Corporation at this time.

IMPERIAL SIR JONES: Imperial Sir, I would move, sir, that all of the acts and transactions of those who have acted as Officers and Directors of the Iowa Corporation for the past year and those taken at this Session be ratified and approved.

... The motion was duly seconded, was voted upon and declared to be carried ...

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE ANTHONY: I am now going to call on Imperial Sir Daniel Bowers, Past Imperial Potentate, to proceed with the Installation of the Imperial Officers.

IMPERIAL SIR BOWERS: First of all, let me say that I appreciate the honor and opportunity to serve in this capacity.

... At this time, the Officers to be installed were placed in their appropriate position ...

IMPERIAL SIR BOWERS: The Officers have been placed in their respective positions and I am going to ask each of you to raise your right hand, say "I" and repeat after me.

... The Officers, in unison, then repeated their Oath of Obligation ...

IMPERIAL SIR BOWERS: And now to you, Imperial Potentate-Elect, you have to give me answers to the following vows that I will present to you.

... Whereupon, Imperial Sir King repeated his answers to the vows as presented by Imperial Sir Bowers ...

IMPERIAL SIR BOWERS: By the authority invested in me, I now declare each of you duly installed into your respective Offices for the ensuing year and may the blessings of the Lord be upon each of you as you do your work across this country for the good of our great Shrine and the cause of our great philanthropy.

And now, I will ask the Jewel of his Office be presented to our newly elected Imperial Potentate, Imperial Sir Voris King.

PAST IMPERIAL POTENTATE ANTHONY: Imperial Sir Voris, it is a great honor for me to present to you the Imperial Potentate's Jewel of North America. Wear it with pride and honor.

... Presentation of Imperial Potentate's Jewel and applause ensued ...

IMPERIAL SIR BOWERS: And I will now next recognize our Imperial Potentate, Imperial Sir Voris King.

IMPERIAL POTENTATE KING: Russ, you have had a fine year as our Imperial Potentate. The Imperial Council thanks you and I am happy to present to you your Past Imperial Potentate's Jewel at this time.

... Presentation of Past Imperial Potentate's Jewel then ensued ...

IMPERIAL SIR BOWERS: And now I will ask our outgoing Imperial Chaplain to present the Jewel of the Imperial Chaplain to his successor.

... Presentation of Imperial Chaplain's Jewel to Noble King, newly appointed Imperial Chaplain, ensued ... (Applause)

IMPERIAL CHAPLAIN KING: And, likewise, Imperial Sir, you have had an outstanding year and the Shrine of North America appreciates all the good you have extended to all of us during your year of service. Your words of wisdom have been excellent. God bless you.

... Whereupon, Dr. Herbst was presented with his Past Imperial Chaplain's Jewel ... (Applause)

IMPERIAL POTENTATE KING: And now, Billy, it is with much love and knowing that you will have a great year in this Office, that I present to you your Imperial Chaplain's Fez.

... Presentation of Imperial Chaplain's Fez to Noble King then ensued ... (Applause)

IMPERIAL SIR BOWERS: And now, Voris, it is a distinct pleasure for me to present to you your Imperial Potentate's Fez. I know you have been looking forward to this for a long, long time. I am sure you will wear this Imperial Potentate's Fez, Voris, with honor and dignity. We are looking forward to great things from you.

... Presentation of Imperial Potentate's Fez and applause ensued ...

IMPERIAL POTENTATE KING: Let me say that this is the most wonderful day in my life, to be here and be installed into the Office of Imperial Potentate and to tell you that it will be my greatest endeavor to serve you well during the coming year.

I have had some ten wonderful years in arriving to this high position in the Shrine of North America.

I have had a wonderful year following our Immediate Past Potentate now, Russell Anthony. Let us give him a big hand.

... Applause ensued ...

IMPERIAL SIR BOWERS: It is now a great pleasure for me to call on Imperial Sir Randolph Thomas, Past Imperial Potentate, to Fez his good friend, Lew Brantley from Morocco Temple as the new Imperial Outer Guard.

IMPERIAL SIR THOMAS: Thank you, Imperial Sir.

Now, Imperial Sir Brantley, it gives me a tremendous amount of pleasure to place upon your head at this time, with the help of your Potentate and my Potentate, the three-star Fez of Imperial Outer Guard.

... Presentation of three-star Fez and applause ensued ...

IMPERIAL SIR BRANTLEY: Thank you very, very much.

IMPERIAL POTENTATE KING: Also, Lew, let me say that we are glad to have you on the team and I know that your Fez is a little bit small today but in a few days your head will shrink to it. (Laughter)

Now, I am again pleased to tell all of you Nobles and Representatives that this is the happiest day in my life.

Also, I know that some of you are interested in the appointments of the standing committees. I understand that, at this time, I am supposed to present them to you.

... Whereupon, Imperial Potentate King read his appointments to the various standing committees ...

IMPERIAL POTENTATE KING: In conclusion, let me tell you that I have served for a long time and I also want to tell the members of the Imperial Divan and the members of the Board of Trustees how pleased I am to be able to serve one more year with each of you.

Thank you very much. (Applause)

Now, before we leave, I would like to call on my Imperial Chaplain to close this Session with prayer.

IMPERIAL CHAPLAIN KING: Let us pray.

Our Heavenly Father, we are grateful for these past few days to gather as Shrine Masons. May the work we have done be pleasing in Thy sight. May we also all look forward, with your guidance, to the activities of the coming year and may we all depart to our various places with your blessings upon us.

This we pray in your Holy Name. Amen.

IMPERIAL POTENTATE KING: Thank you very much.

I will now declare this Session closed. (Gavel)

... Whereupon, at twelve-ten o'clock p.m., the One Hundred Thirteenth Annual Imperial Council Session was adjourned sine die ...

ANNUAL REPORT OF WEBBER C. HARRINGTON
IMPERIAL TREASURER, A.A.O.N.M.S.

January 1-December 31, 1986

Imperial Potentate Russell H. Anthony, D.V.M., Officers and Members of the Imperial Council, A.A.O.N.M.S., in meeting assembled at Las Vegas, Nevada, June, 1987:

Imperial Sir, Imperial Sirs, Illustrious Sirs and Nobles:

The report of our auditors, KPMG Peat Marwick, included in this book of Reports, should be carefully reviewed by all members of the Imperial Council.

Supplementing the report of our auditors, I have prepared and am appending hereto a summary of the revenues, expenses and changes in fund balance of the Imperial Council for the ten years ended December 31, 1986. I hope that this summary will provide the members of the Imperial Council with important information regarding the recent financial history of the Iowa Corporation. In the following paragraphs I shall try to highlight some of the important items which have affected the finances of the Iowa Corporation.

Inasmuch as each calendar year covers approximately one-half of the term of office of two Imperial Potentates and two groups of officers and committee chairmen it is not possible to attribute responsibility for operations for any particular year, and the appended schedule is not provided for that purpose. Rather, it is a financial road map of where we have been, where we are now, and perhaps a word of caution with respect to the future.

The principal items which have affected our revenues have been the following:

1. The increase of annual dues from \$1.85 to \$3.00 per capita, effective in 1983.
2. Refund of unused per capita tax for Imperial Council sessions, effective 1981 with respect to 1980 and subsequent annual sessions.
3. The rise (1977 through 1981) and fall (1982 through 1986) in interest income due to corresponding increases and decreases in interest rates.
4. Reduction of initiation fees during the entire ten year period, and of annual per capita dues, since the increase in 1983, due to declining membership.
5. Revenues from data processing services (net of direct expenses) during the past five years.

With respect to expenses, by far the most significant matter was the adoption at the 1984 session, effective 1985, of a revision in the method of paying mileage and per diem. Each Representative who attends an Imperial Council Session is now paid a mileage allowance for himself, and also for his spouse if she accompanies him, for a round-trip comparable to, but not in excess of, the lowest unrestricted discount air fare or, if such is not available, the lowest coach or most economical air fare, from the departure airport to the destination airport.

This change of method of paying mileage and per diem has resulted in impressive savings to the Imperial Council because of the outstanding cooperation of the Imperial Representatives. We are cognizant of the fact that there may still be some inequities, but we believe that in all material respects it is the fairest and most equitable system that we have ever used.

While the original budget approved at the Atlanta session projected an excess of expenses over revenues of \$466,983, adjustment was recommended by the Committee on Finance and Accounts and approved at the Los Angeles session reducing the budgeted excess of expenses over revenues to \$69,833. I am happy to report to you that our actual 1986 operations resulted in an excess of revenues over expenses of \$122,249.

We have reason to be pleased with our results of operations for the past four years. However, we must recognize that the budgets for Imperial Council sessions constitute a large part of the total budgets of the Iowa Corporation, as shown on the appended schedule. We have no assurance that air fares will remain as low as they have been in recent years. That is the principal reason that the budget adopted at the Los Angeles session projected a deficit of \$761,833 for 1987. I hope that the Committee on Finance and Accounts will be able, after review of information currently available, to propose a reduction of the 1987 budgeted deficit.

A comparison of actual vs. budgeted amounts for each category of income and expense for the budget year 1986 is shown in the report of the Finance and Accounts Committee in this Book of Reports. A report on both the 1986 and 1987 Iowa Corporation budgets will be made by the Finance and Accounts Committee at the Imperial Session.

Respectfully submitted,

Yours in the Faith,

Webber C. Harrington
Imperial Treasurer

ANNUAL REPORT OF JACK H. JONES
IMPERIAL RECORDER, A.A.O.N.M.S.

To: *Imperial Potentate, Officers and Members of the Imperial Council,
A.A.O.N.M.S.:*

GREETINGS:

The following detailed statements of transactions of the General Offices for the fiscal period January 1, 1986 to December 31, 1986 are submitted for your information.

The report of the Imperial Auditor, showing complete information on all receipts in the General Offices and all remittances made to the Imperial Treasurer, together with the record of payment of all bills, checks for which are prepared in the General Offices, has been submitted and your attention is directed thereto.

The 1987 Election Returns of the 188 Temples reflect that there are Representatives to the 1987 Imperial Council as follows:

	Total Number	Total Votes
At Large	13	13
Ad Vitam	18	18
Emeritus	116	95
Elected	745	<u>745</u>
Total.....		871

At the end of 1986, the Temple's Annual Reports showed a total of 847,484 Nobles plus 5,776 Associate Members on the active rolls of membership. Permanent Contributing Membership Certificates were held by 64,381 Nobles, which relieves them from paying the Annual Shriners Hospital Assessment.

The net loss in Shrine membership for the year 1986 was 20,359 Nobles. Our net losses have progressively increased each year since 1979. There are two major problems confronting us—declining number of creations and the high number of suspensions. Last year, we created only 20,942 and suspended 17,228. It is imperative that we find ways to attract new members and we must develop programs to retain our present members. In order to maintain a healthy growth posture, the Shrine must annually create approximately 40,000 new Nobles, twice the number we created in 1986; and we must substantially reduce the number of suspensions.

The membership details reflected in Annual Temple reports are printed as a part of this report. It should be noted that only 21 Temples reported a net gain in membership while 167 had losses during the year. There was one new Temple under dispensation.

Every Potentate should make membership the number one priority in his Temple. He must analyze his Temple's past programs, closely scrutinize its present operation, and develop innovative programs that will enhance membership. Here are some thought provoking questions. Does your Temple have the best qualified Noble as Membership Committee Chairman? Does he have a realistic budget? Does your Temple have plenty of activities—social and otherwise—to keep the

interest of its members? How is your Temple's image in the communities throughout your jurisdiction? Is your mosque building in good condition? Is it located in a desirable area of town and is there adequate parking? If you don't have your own mosque, is your meeting place and Temple office located in a building that projects the best image for your Temple? Do you have a good public relations program to let the public know what you are doing as Shriners for the good of your community and country?

Imperial Potentate Dr. Russell Anthony designated his Imperial year as "The Year of the Shrine Mason." It is very important that all Temple officers work in close harmony with all Masonic organizations to develop programs that will benefit our Masonic family. We must work hand in hand with the Scottish Rite, York Rite, and Blue Lodge officers to develop programs for positive growth, thereby perpetuating our great fraternities.

During this Shrine year, a great deal of attention was given to the Order of DeMolay. It is a part of the philosophy of Masonry to help and encourage youth, and what better way is there to invest a part of our time and money than in prospects for future members. Besides, even those who don't join Masonry will become better citizens because of what they are taught in DeMolay. They need our help. Please contact the DeMolay Executive Officer of your state or province to find out how your Temple can help.

Imperial Potentate Russell Anthony has done a tremendous job throughout the year in promoting the best interest of our fraternity. He has been unselfish in giving of his time, talent and leadership on behalf of all Shrine Masons, and for this I commend him for an enormous job extremely well done.

We have many new Recorders in our ranks to whom I extend a warm welcome. To all Recorders and their staff, my sincere thanks for your wonderful cooperation during the past year. Keep up the good work!!

The following pages contain specifics that have been compiled for your use. Please study them and compare the history of membership in your Temple with that of others. Work hard to promote the best interest of our great fraternity and insure the future of our hospitals, the World's Greatest Philanthropy.

ES SELAMU ALEIKUM

Respectfully submitted,

JACK H. JONES

Imperial Recorder

THE IMPERIAL COUNCIL OF THE ANCIENT

MYSTIC SHRINE FOR NORTH AMERICA

We have examined the balance sheet of THE IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER OF THE NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA (an Iowa Corporation) as of December 31, 1986 and 1985, and the related statements of revenues, expenses, and changes in fund balance and of changes in financial position for the years then ended. Our examinations were made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, such financial statements present fairly the financial position of THE IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER OF THE NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA at December 31, 1986 and 1985, and the results of its operations and the changes in its financial position for the years then ended, in conformity with generally accepted accounting principles applied on a consistent basis.

NOTES TO FINANCIAL STATEMENTS

1—Summary of Significant Accounting Policies

Organization—The IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER OF THE NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA (Imperial Council) is a nonstock, nonprofit corporation incorporated under the laws of the State of Iowa. The organization is exempt from U.S. Federal income tax under Section 501(c)(10) of the Internal Revenue Code.

The Imperial Council is the supreme authority of the Shrine temples of North America. The Shrine is an international fraternity of approximately 865,000 members who belong to 189 temples throughout the United States, Canada, Mexico and the Panama Canal Zone. Each temple is a separate unincorporated association with its own governing body and finances.

Dues and Fees—The Imperial Council's principal source of revenue consists of per capita dues and fees received from its subordinate temples. Per capita dues are assessed effective December 31 of each year and are remitted by the temples to the Imperial Council during the subsequent year. Included in the annual dues of \$3.00 per capita is \$.20 which is designated for the annual Imperial Council Session and is credited as a liability to the session.

Automobiles—Automobiles, used by employees of the Imperial Council, are carried at cost. Depreciation is computed using the straight-line method over the estimated useful lives of the automobiles.

2—Due from Imperial Council Session Corporations

A separate corporation is formed for each of the annual Imperial Council Sessions. Per capita tax amounts are advanced to the Imperial Council Sessions to assist in defraying the expenses of these convention corporations including the reimbursement of travel costs of the Central Office staff. Any unused per capita tax advances are required to be repaid to the Imperial Council.

Estimated repayment of unused per capita tax from the 1985 Atlanta Convention Corporation of \$50,000 was included in receivables at December 31, 1985 and received in 1986. Additional refunds of unused per capita tax totalling \$17,766 were received in 1986 from the Atlanta Convention Corporation and are included in current year revenues. Reimbursement of costs of \$26,952 from the 1986 Los Angeles Convention Corporation are included in receivables at December 31, 1986 and were received on January 7, 1987. The amount, if any, to be received from the Los Angeles Convention Corporation for refund of unused per capita tax, was not determinable at December 31, 1986.

3—Transactions with Shriners Hospitals for Crippled Children

Shriners Hospitals for Crippled Children (SHCC), a separate charitable organization(s) was established by the Imperial Council. Hospital assessments, donations and other receipts from Shrine temples are collected and remitted to SHCC by the Imperial Council. The Imperial Council bears a portion of the operating expenses of the National Headquarters building owned by SHCC. The two organizations also prorate salaries and other costs based on the estimated value received by each organization. Amounts of \$224,674 and \$(444,244) were due from (to) SHCC at December 31, 1986 and 1985, respectively.

4—Retirement Plans

The employees of the Imperial Council are included under the Shriners Hospitals for Crippled Children Revised Retirement Plan. There was no contribution to the plan in 1986 or 1985 and consequently no cost was allocated to the Imperial Council.

In addition, employees are covered under either a deferred compensation plan or the Voluntary Individual Retirement Annuity Savings Plan. Voluntary contributions by employees, up to 6% of eligible compensation, are matched by the Imperial Council up to 1.5% of eligible compensation. The total expense incurred under these plans, which were adopted in 1986, was \$6,447.

SHRINE PROTOCOL

Revised
January, 1987

PROPER DISPLAY OF NATIONAL FLAGS

It is the desire of the Imperial Potentate that each Temple of this Order provide and display at all Shrine parades, functions, and meetings, the three national flags under which Shrine Temples chartered by the Imperial Council operate (United States, Canada, and Mexico).

It has been noted that many Temples improperly display one or more of the three national flags primarily in parades and at meetings.

All nations designate the position on the *right* as the position of honor. International usage dictates that when flags of two or more nations are displayed together, they should be flown from separate staffs of the same height and should be approximately equal in size.

In an Auditorium

At Shrine functions and meetings the three national flags should be displayed in the position of honor at the Potentate's or speaker's *right* as he faces the audience. It doesn't matter whether the flags are behind, alongside, or in front of the speaker, on raised platform or not; they should always be to his right. Another important point: The flag of the country in which they are being displayed should be on the speaker's extreme right. (Canadian law does state that when three are flown together, the Canadian flag should occupy the central position.)

At Parades

When in procession, the flag of the country in which they are being paraded should be either on the *marching right*, that is, the flag's own right, or if there are a great number of other flags, it may be in front of the center of that line. It is strongly suggested that the three national flags (United States, Canada, and Mexico) always be paraded side-by-side, in front of state, province, or other local flags, with the flag of the country in which they are being paraded having the position of honor on the *marching right*.

Other flags which Temples may wish to parade should be in a line immediately following the three national flags in the following marching order, beginning on the right: state or province flag; Shrine Temple flag; Imperial Potentate's flag; Past Imperial Potentate's flag; other flags.

One of the most common violations of international flag usage is the dipping of national flags at reviewing stands, during the playing of the national anthems and other occasions. *National flags should never be dipped to any person or thing.* However, all other flags should be dipped as a mark of honor.

In Front of Shrine Temples and Club Buildings

When the three national flags are displayed in front of a Shrine Temple or club building, they should be flown from separate staffs.

of the same height and the flags should be of approximately equal size. The flag of the country in which they are being displayed should be in the position of honor on the extreme right; that is, a person's own right as he faces outward of the building's front entrance.

When a nation in which the flags are displayed proclaims that its flag should be flown at half staff, it would be improper to fly the other two flags at full staff; therefore, the flags of the other two nations should not be flown during that period.

CORRESPONDENCE TO IMPERIAL POTENTATE

The Imperial Potentate's schedule is such as to keep him away from his home and office for weeks at a time. For this reason, it is requested that *copies of all correspondence sent directly to him by Temples and Representatives be sent to the Executive Director at the General Office in Tampa, Florida.* This practice will assure an expeditious handling of all such correspondence.

Temples are reminded that complaints or correspondence from individual Nobles on Imperial Council or Temple matters must be handled in accordance with Article 38 of Imperial Council Law.

VISITATION OF IMPERIAL POTENTATE

The Imperial Potentate is the number one Noble of the International Shrine and must be accorded the protocol pattern and respect befitting his high office. Protocol dictates that careful plans and arrangements be made prior to his visitation and completed during his visitation.

The host Temple Potentate, Director General, Association President, or their official representative should be at the airport to meet the Imperial Potentate upon his arrival. An automobile and driver must be provided who is responsible for transporting the Imperial Potentate, his party, and luggage to the hotel. The driver should be available at all times.

Honor guard, color guard, or their Uniformed Units are often used to provide pomp and ceremony for the Imperial Potentate's arrival. Their use is not mandatory, however. Motorized Shrine Units or official police may be used as motorized escorts from the airport to the hotel.

A suite of rooms should be provided for the Imperial Potentate. Normal courtesies are appreciated, and should any additional information be required, please contact the Executive Director at the International Headquarters in Tampa.

The host Temple Potentate traditionally presents the Imperial Potentate and/or his first Lady a commemorative remembrance during their visitation.

When an Imperial Officer is assigned by the Imperial Potentate as his official representative, that Imperial Officer is accorded the

same protocol pattern appropriate for the Imperial Potentate. These same courtesies apply to all visiting Imperial Officers.

Should your Temple have as a member an Imperial Officer, the same courtesies should be extended when he is invited to a function as any other Imperial Officer.

The Imperial Potentate's host and his assigned aide or driver are responsible for the departure arrangements. These arrangements include transportation of the Imperial Potentate, his party, and luggage to the airport. Sufficient time should be allowed so as to assure the Imperial Potentate's arrival at the airport at least one hour prior to the departure flight time.

No impersonations of ethnic groups, females, or political figures are allowed in parades. Throwing of candy or other objects along the parade route is strictly forbidden. Reckless behavior with motor vehicles is also forbidden. Movement should always be forward, and minimal distance between Units should be maintained in all parades.

CIVIC PARADES

Units that participate in non-Shrine parades may do so *only* with approval from their Potentate. Should they be requested to participate in the jurisdiction of another Temple, they will also need the permission of the Potentate of that Temple. Practice good Shrine etiquette when parading in non-Shrine parades and follow the protocol set up by the host sponsor of the parade.

Non-Shriners are not permitted to participate in Shrine Units in civic parades.

Night Parade will follow the same formation, except that the Uniformed Units of the Temple of the Imperial Potentate-Elect will immediately follow (10) Uniformed Units of Imperial Potentate's Temple.

NOTE: Frequently the Imperial Potentate must appoint another Imperial Officer as his official representative. When this happens, that Imperial Officer is accorded the same protocol pattern appropriate for the Imperial Potentate as outlined in the following sections.

CEREMONIALS AND RECEPTIONS

Ceremonials or Receptions

The Potentate should provide suitable transportation from the hotel to the place of the meeting for all Imperial Officers (Present and Past). An aide designated by the Potentate should be available at all times.

When a Temple desires the presence of one or more Imperial Officers at a special activity of that Temple, a written request should be submitted to the Imperial Potentate, with a copy to the

Executive Director, detailing as much information about the activity as possible. If the requesting Temple has an Imperial Officer, they may invite him directly, without going through the Imperial Potentate.

Reception for Ladies

At receptions or other functions where only Ladies are present, the Ladies of Imperial Officers follow the same order of precedence as for Imperial Officers.

Reception Receiving Line

At receptions or functions where a Receiving Line is used, the Imperial Potentate is the last one in the order of reception, with others stationed as indicated below. When Ladies are present, they should stand with their escorts.

Introduction and Reception of Guests

The Imperial Potentate and Imperial Officers should be made as comfortable as possible and not subjected to a long-standing wait for their turn to be received and introduced. The order of reception should be as follows:

1. Visiting Divans, Past Potentates, Potentates.
2. Visiting dignitaries and celebrities.
3. Distinguished guests (Board of Trustees, Shriners Hospitals for Crippled Children).
4. Most Worshipful Grand Masters.
5. Past Imperial Officers (in reverse order of their seniority rank).
6. Imperial Officers (presented individually in reverse order of their official station). The Nobility will stand after 3 raps of the gavel, on the presentation of the Imperial Officer of highest rank in attendance.
7. Imperial Potentate.

NOTE: Always be sure that Distinguished Guests are introduced to each other as well as to the assemblage. If at all possible, allow some time for informal discussion between Distinguished Guests.

Introduction of Imperial Potentate at receptions, banquets, ceremonials, or business meetings.

When uniformed bodies are used in receiving the Imperial Potentate, Imperial Officers and Past Imperial Officers and Potentates, the unit used to form the Honor aisle should, at the command of the Officer in charge, Salaam. (Military salute prohibited.)

The escort appointed by the Potentate to introduce the Imperial Potentate walks at the left of the Imperial Potentate, and upon

reaching the point on the floor from where the introduction is to be made, should Salaam the Potentate and make such remarks as he deems proper, and conclude with the following:

"Illustrious Potentate, I have the honor of presenting the Imperial Potentate of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America, Imperial Sir.....of..... Temple,(City), (State or Province.)"

or

"Illustrious Potentate, I have the honor of presenting Imperial Sir.....of..... Temple, of.....(City),.....(State or Province), the Imperial Potentate of the Shrine for North America."

Potentate: "You will conduct the Imperial Potentate to the East."

The Potentate concludes his remarks of welcome to the Imperial Potentate with the following:

"Nobles, I have the honor of presenting the Imperial Potentate of the Shrine of North America, Imperial Sir

The Gavel should be presented to the Imperial Potentate, who, upon receiving same, returns Gavel to the Potentate.

The only ADDRESS should be made by the Imperial Potentate.

WHERE OTHERS WILL BE ASKED TO SPEAK, THE IMPERIAL POTENTATE WILL ALWAYS BE THE LAST SPEAKER.

Ceremonial or program then proceeds as arranged.

In the absence of the Imperial Potentate, the senior Imperial Officer invited will act in his place.

Seating at Banquet:

The Potentate should personally escort the Imperial Potentate to the Banquet table. The Imperial Potentate should be seated at the immediate right of the Potentate. When ladies are present at banquets the Imperial Potentate should be seated at the right of the Potentate; the Imperial Potentate's lady at the left of the Potentate; the Potentate's lady at the right of the Imperial Potentate; with the other Imperial Officers, Past Imperial Officers seated with their ladies alternately at the right and left of the central group. The Imperial Potentate at his discretion may invite others to sit at the table. In the event no other Imperial Officer is present, the Officers of the local Divan should be seated according to seniority. Place cards should be provided to expedite seating. Many years of experience have proven that it is wisest to design a seating chart ahead of time so that any changes can be charted easily.

At Shrine Association banquets, the Shrine Association President will take the place of the Potentate, as listed above, and the other Officers of the Shrine Association, and their ladies, will follow by rank, immediately after Imperial Officers.

At a Uniformed Unit or Shrine Club banquet or any function where protocol seating is required, follow the same procedure listed in the above paragraph, with this exception: The President and his Lady should have priority seating. The Potentate should be seated at the immediate right of the President, etc. If an Imperial Officer is present, he should be seated at the immediate right of the President and the Potentate on the left.

Seating at Ceremonials, Receptions, and Business Meetings

The Imperial Potentate should be seated at the immediate right of the Potentate; Chief Rabban at the left of the Potentate; the Assistant Rabban at the right of the Imperial Potentate; the High Priest and Prophet at the left of the Chief Rabban; and the other Officers of the Divan seated alternately at the right and left of the central group. When other Imperial Officers or Past Imperial Officers are present they should be seated beginning at the immediate left of the Potentate according to rank in the Imperial Divan, to be followed by the Past Imperial Potentates, alternately at the right and left of the central group. When all of the Officers of the Imperial Divan are present, the Imperial Officers should occupy seats in front of the Temple Divan, seated alternately at the right and left of the Potentate of the local Temple.

Seating on Reviewing Stands

In Imperial Session parades, a Reviewing Stand should be reserved for the exclusive use of the Imperial Potentate, Imperial Officers and Past Imperial Officers and such other guests as invited by the Imperial Potentate.

The Imperial Potentate (or ranking officer) receives the Salute of all Temples. When Temples from an Imperial Officer's state or province pass in review, that Officer receives the Salute of these Temples with the Imperial Potentate.

At Association or Temple parades, the ranking Imperial Officer along with the Association President or Potentate (as appropriate) receives the salute of all Temples. Other Imperial and Association officers will follow the same procedure as above.

QUESTIONS ON SEATING

Should you have questions on seating, please call the Executive Director at the General Offices in Tampa, Florida.

CANADIAN PROTOCOL**Banquets:**

In Canada a toast is always given to Her Majesty, The Queen: "Ladies and gentlemen you will rise and drink a toast to Her Gracious Majesty, The Queen."

Response: "The Queen."

And then a toast to the "Office" of the President of the United States.

Salute to the Office of the President of Mexico (when appropriate).

In Canada smoking is never permitted until after the toast to the Monarch.

Toast to the Piper:

As the Piper has piped in the head table, V.I.P., and Imperial Potentate and/or Imperial Officer[s], the Potentate or his representative, after he has requested all to be seated, will raise his

glass to the Piper who will return the greeting [slang enough] by raising his glass to the Potentate. No one else is included in the toast.

PROTOCOL FOR SHRINE ASSOCIATIONS

Since the Imperial Council is the parent organization over all Temples and Shrine Associations there is only one protocol procedure that can be followed by a Shrine Association and that is the protocol procedure as adopted by the Imperial Council and will be found in the front of the Directory of the Imperial Council.

Officers of Shrine Associations will participate in protocol procedure throughout this entire protocol in the position as outlined for distinguished guests and, in accordance with Imperial Council protocol, the Officers of the Imperial Council will take precedence over the Officers of Shrine Associations at all times. At any meeting of a Shrine Association at which there is not in attendance any of the Imperial Officers, then and in that event the Officers of the Shrine Association will take their place and position as distinguished guests in accordance with Imperial Council Protocol.

When an Association desires the presence of one or more Imperial Officers at a special activity of that Association, a written request should be submitted to the Imperial Potentate, with a copy of the Executive Secretary for Fraternal Affairs, detailing as much information about the activity as possible. If the requesting Association has an Imperial Officer(s) they may invite him directly, without going through the Imperial Potentate.

In accordance with the above, Shrine Association Officers will occupy position No. 9 in Association/Temple Parades and position No. 3 in "Introduction and Reception of Guests." In Shrine Association Parades, Units of Temples will form in the order determined by that Association.

VISITATIONS TO SHRINE CLUBS OR TEMPLE UNITS

It should always be remembered that Shrine clubs and units are under the control of the Potentate of the chartering Temple. Invitations to Imperial officers, Temple officers from that Temple or any other Temple, Shrine association officers, etc., who are not members of the club or unit, must be cleared with the Potentate *in writing* before the invitation is issued.

DRESS

The Fez

The Imperial Council has adopted the fez as the exclusive type of head covering to be worn by *all* Nobles of the Mystic Shrine when appearing as such. This means any Noble *must* wear his fez at all Stated (Regular) Meetings, Ceremonials (Initiations), Shrine Parades and Caravans, special Shrine events, or any other Shrine-related activity. The fez is never worn at a Masonic Lodge meeting. As a Noble of the Mystic Shrine, you are particularly

admonished never to wear your fez in any company or place in which you would decline to introduce your mother, wife, sister, or daughter. Never forget this. No other person is ever allowed to wear your fez at any time.

The fez is not a display case or bulletin board. Titles of the Imperial Chaplain, Potentates, Past Potentates, Recorders, Grand Masters and Divan members may be embroidered in small letters in gold or silver bullion, silk or rhinestone jewels *on one line* beneath the emblem on the fez. Active members of official uniformed units or official clubs of a Temple may likewise have the names of their units or clubs *on one line* beneath the emblem on the fez. Any official appointee of an Imperial Potentate or Potentate may have his title beneath the emblem as above for the term of his appointment. The fez shall be worn in its proper shape without crushing, creasing, or alteration, and one pin is allowed to hold the tassel in place on the left side. No other device, ornament, title, wording or adornment is permitted. It should be worn and adorned only as permitted by Article 13 of the Imperial Bylaws.

It is advisable to set up a procedure to order fezzes through the Recorder's Office. This allows the Temple Officers to see that proper fezzes are purchased since most Nobles are not aware of what constitutes a legal fez.

Shrine Pins

A Shrine pin should be worn on the left lapel of the suit coat, sports coat or blazer. Every Noble is requested to wear his Shrine pin anytime he wears his suit coat, sports coat, or blazer. The occasions for wearing the Shrine pin may or may not be Shrine related. It should always be worn so that a Noble of the Mystic Shrine is always identifiable, proudly and justifiably so, to a Brother Noble, Brother Mason, or the public in general.

ACCEPTED SALUTATIONS, ETC.

The Salaam

A Noble addressing the Potentate while he is presiding in the East should *always* give the Salaam. The Potentate should give the sign of the Order in return.

The Potentate and his Divan should always Salaam when receiving the Imperial Potentate or any other Imperial Officer. The Imperial Officer does not Salaam in return but gives the sign of the Order.

The Salaam is given by the leader of a Uniformed Unit that is performing for the Potentate, and the Potentate gives the sign of the Order in return. No other Unit member Salaams.

As an Imperial Officer or Potentate proceeds through an honor guard, only the first rank on either side of the aisle Salaam in unison. The remainder of the honor guard stands at attention. The Imperial Officer and Potentate may or may not be escorted through the honor guard, depending upon the pleasure of either. The escort is always to the left of the Officer.

Salutations

Any Imperial Officer, as well as a Past Imperial Officer, is always addressed, "Imperial Sir." A Potentate or Past Potentate is always addressed as "Illustrious Sir." The prefix "Past" should not be used when addressing a Past Imperial Potentate or Past Potentate. Members of an Elective Divan of a Temple should be referred to by the title of their office, or by Noble.

A Noble, when making a salutation at a Shrine meeting with an Imperial Officer in attendance, should do so in the following manner: Imperial Sir, Illustrious Sir, Illustrious Sirs, Members of the Divan, and Nobles. If the Imperial Potentate and one or more Imperial Officers, guests, and ladies are in attendance, the Noble would make the following salutation: Imperial Sir (Imperial Potentate), Imperial Sirs, Most Worshipful Grand Master, Illustrious Sir (Potentate), Illustrious Sirs (Past Potentates), Members of the Divan, Nobles, ladies, and guests.

Salute

The Military Salute is used when reciting the Shrine Pledge of Allegiance and during the singing and playing of the National Anthem of the United States, Canada, and Mexico. The fez is *never* removed when the Military Salute is used. *The Military Salute is used by the leader of a Uniformed Unit* when passing in review, and the reviewing officers return the salute.

Salute to the Flag

A Noble who is wearing his Fez will execute a right-hand salute when the Colors are within six paces of him; he will not remove his Fez. After the Colors have passed, he should drop his right hand. *In an auditorium he should hold the salute until the Colors are posted after the pledge and/or playing of the National Anthems.*

When not wearing the Fez the right hand should be held over the heart.

Shrine Pledge of Allegiance

"I pledge allegiance to my Flag and to the Country for which it stands; one Nation under God, Indivisible, with Liberty and Justice for all."

Each Noble is reminded that his fez is not removed and that he gives the Military Salute when reciting the Shrine Pledge of Allegiance.

National Anthems**MEXICO**

"Mexicans, when the trumpet is calling.
Grasp your sword and your harness assemble,
Let the guns with their thunder appalling
Make the earth's deep foundation to tremble.
Let the guns with their thunder appalling make the
Earth's deep foundations to tremble."

O CANADA!

O Canada! Our home and native land!
 True patriot love in all thy sons command.
 With glowing hearts we see thee rise.
 The true North, strong and free!
 From far and wide, O Canada,
 We stand on guard for thee.
 God keep our land glorious and free!
 O Canada, we stand on guard for thee.
 O Canada, we stand on guard for thee.

THE STAR-SPANGLED BANNER

Oh! say can you see.
 By the dawn's early light,
 What so proudly we hail
 At the twilight's last gleaming,
 Whose broad stripes and bright stars,
 Through the perilous fight,
 O'er the ramparts we watched,
 Were so gallantly streaming.
 And the rockets' red glare,
 The bombs bursting in air
 Gave proof through the night
 That our flag was still there.
 Oh! say does that Star-Spangled Banner yet wave
 O'er the land of the free
 And the home of the brave.

Prayer

During the offering of a prayer, the fez shall be removed and held in the right hand over the heart. The prayer shall be non-denominational in content.

How To Address Shrine Dignitaries

Proper letter writing and proper addressing of Shrine dignitaries are part of Shrine protocol. The following are some examples:

<i>Title</i>	<i>Address</i>	<i>Salutation</i>	<i>Close</i>

Salutation

"Aleikum Es Selamu"—This is Arabic for "On You be the Peace."

MEMORIAL—BURIAL SERVICE

A Shrine Memorial or Funeral Service should be permitted under unusual circumstances, where the deceased Noble's family requests it. Neither Service should preferably be held in place of the traditional Blue Lodge or other Masonic Service or Religious Rites. It may supplement the Blue Lodge Service but, except under unusual circumstances, should not take the place thereof. Both Services are intended as a tribute to Nobles who have performed unusual and meritorious service in behalf of a subordinate Temple, and the Shrine in particular.

The following protocol is suggested:

Upon arrival at the Church or graveside where the Memorial or Funeral Service is to be held, uniformed bodies are used to form the Honor aisle (from the curb to the entrance of the building or graveside).

The order of reception should be as follows:

1. Visiting Potentates, Past Potentates and Divans.
2. Visiting Dignitaries and celebrities (other than that listed below).
 - a. Most Worshipful Grand Master
3. Past Imperial Officers
4. Imperial Officers (in reverse order of their official station).

5. Imperial Potentate.

The escort appointed by the Potentate walks at the left of the Imperial Potentate and conducts the Imperial Potentate to the pew where the Imperial Divan is seated.

Seating at Memorial or Funeral Service:

Should be the same protocol as described in the seating of the Imperial Potentate and others at Ceremonials or Receptions.

The Imperial Potentate, Imperial Officers, and Nobles should remove their Fez upon entering the church edifice, undertaking establishment, or Memorial site (as well as the graveside) and remain uncovered until they return to the street curb.

Upon retiring, the same protocol should be followed as used in the entrance.

To avoid any embarrassing conflicts with traditional Masonic Services or Religious Rites, the following simple program is offered merely as a suggestion:

The Potentate can preside if he so desires or appoint another Noble or clergyman to conduct the Service. Shrine musical organizations and soloists can be used to good effect.

The following order of Service is suggested:

1. Organ or band in processional music.
2. Prayer.
3. Scriptural reading. Suggestion: 90th Psalm.
4. Biographical sketch of deceased Noble.
5. Hymn.
6. Address by Minister, Rabbi, or guest speaker.
7. Hymn.
8. Benediction.
9. Processional.

Temple Jurisdiction and Waivers

- § 328.1 **Sovereign.** Each temple, subject to Shrine law, whether acting under dispensation or charter, is sovereign in its own territorial jurisdiction in all matters pertaining to the Order.

§ 328.2 **Extent.**

(a) Unless otherwise determined in Part IV of these bylaws, the territorial jurisdiction of each temple extends in all directions to ½ the distance by direct line between itself and the nearest temple.

(b) In no case can jurisdiction extend beyond the limits of the state in which the temple is located unless there is an agreement between it and the other temples affected, or for the limited purpose authorized by § 328.6(e), or upon the vote of the Imperial Council in accordance with § 328.3(d).

Amend. 1976

(c) Temples in the same state may agree upon concurrent jurisdiction within the state or an equitable division of their territory.

(d) Unless otherwise determined every temple has exclusive jurisdiction in the city and county in which the temple is located, except that a second temple may exist in the same county in any city, not having a temple, having a population of not less than 200,000 as determined by the official statement of the state Chamber of Commerce or an equally responsible state or district authority for the current year.

(e) A signed copy of any agreement between temples affecting or fixing territorial jurisdiction must be filed with the Imperial Recorder.

§ 328.3 **Change in jurisdictional lines.**

(a) Application for the establishment or change of jurisdictional lines must be filed with the Imperial Recorder at least sixty days prior to the session of the Imperial Council at which it is to be submitted. Every such proposal shall be published with the notice of the session.

Amend. 1984

(b) The Imperial Recorder must notify the temples affected

and give full information on the application so that objections to the change may be presented to the Imperial Council.

(c) If the application for the establishment or change of jurisdictional lines is refused by the Imperial Council, no further application may be made until the 3rd annual Imperial Council session thereafter.

(d) By appropriate amendment to Part IV of these bylaws, the Imperial Council may declare concurrent jurisdiction or an equitable division of territory between all temples, if it appears for the best interests of the Order to do so:

Amend. 1976

§ 328.4 Waivers.

(a) A temple may not act upon a petition for initiation of any one residing within the exclusive jurisdiction of another temple, without first obtaining a waiver from that temple.

(b) A temple may waive its jurisdiction and permit another temple to initiate a candidate residing within its jurisdiction.

(1) Where the fee of the temple granting a waiver is greater than the fee of the temple requesting a waiver, the candidate must pay to the requesting temple a fee equivalent to that he would have paid to the temple granting the waiver.

(2) The requesting temple then shall remit the difference in fee to the Imperial Recorder and that amount is paid over to the Hospitals.

(c) Where 2 or more temples hold concurrent jurisdiction over territory, a waiver from each is necessary to enable a petitioner of that jurisdiction to be created a Noble of a temple in any other jurisdiction.

(d) The Potentate does not have the power to grant a waiver, but it is given only by authority and under the seal of the temple granting it.

(e) A temple may not grant a blanket waiver.

§ 328.5 Another temple may initiate.

(a) A temple may request, under seal, another temple to initiate an elected candidate as a favor to the requesting temple.

(b) The temple initiating the candidate must certify that fact, under seal, to the temple in which the candidate was elected.

(c) The temple which elected the candidate enters this official communication upon its record, places his name upon its membership list and he then becomes a member of that temple.

§ 328.6 Where petitioner must apply.

(a) A petitioner, actually residing within a temple jurisdiction, may not petition elsewhere for initiation without a waiver from the temple.

(b) A temple retains jurisdiction over an elected petitioner until his initiation, but not longer than one year, even though he subsequently removes from its territorial jurisdiction.

(c) A candidate must present himself for initiation within one year after his election; thereafter his petition and election are void.

(d) Temples in concurrent jurisdiction must notify each other of the names and addresses of all petitioners rejected or to whom objections have been made, residing in the territory of concurrent jurisdiction.

(e) Notwithstanding any other provisions of this Article, a petitioner who resides in a city or county in which no temple is located and when no temple is located within 50 miles of petitioner's residence in petitioner's state of residence may petition for membership in the nearest temple located in an adjoining state to his state of residence, if the location of that temple is within 25 miles of his residence; and no waiver from any temple is required. For the purposes of this subsection, mileage shall be measured in a straight line from the front door of the building in which is located the office of the temple to which the petition is presented.

Amend. 1976

Amend. 1979

(f) A temple which initiates a petitioner under § 328.6(e) shall notify the temple in the petitioner's state of residence and nearest such residence within 30 days after the initiation.

Amend. 1979

§ 328.7 Affiliation by demit. The holder of a demit from a temple is governed by the following:

(a) He may affiliate with a temple within the jurisdiction of which he is and for at least 6 months has been an actual resident, and may be accepted only under the provisions of § 323.5.

(b) If he resides in concurrent jurisdiction, he cannot demit from one temple and affiliate with another temple holding the same jurisdiction without the consent of the temple granting the demit.

(c) He may affiliate with any temple if the temple, within

whose jurisdiction he has been an actual resident for the preceding 6 months, grants a waiver.

(d) If for the preceding 6 months he has been a resident of the jurisdiction of the temple which issued his demit, and with which he desires to reaffiliate, he must submit his written application with the original demit attached, and may be returned to membership without a vote of the temple. The application must be accompanied by written evidence that he is in good standing in his prerequisite body. The reaffiliation must be reported to the temple at its next stated meeting and recorded in the minutes.

ARTICLE 29

Dispensation and Charter for New Temple

§ 329.1 **Petition for Dispensation.** Dispensation for a new temple may only be granted by the Imperial Council after a petition is filed with the Imperial Recorder. The petition must be signed by Nobles who are in good standing in the Order at the time the petition is filed with the Imperial Recorder, and who reside in the proposed territory of the new temple.

Amend. 1984, 1985

§ 329.2 **Meeting Place.** The petitioners must give satisfactory evidence that they have the ability to procure a suitable place of meeting together with an agreement to procure proper furniture and paraphernalia for the use of the new temple.

Amend. 1984

§ 329.3 **Required Signatures and Effect on Other Temples.**

(a) **General.** The petition must be signed by 1,000 Nobles, and the membership of any temple in the same jurisdiction or the nearest temple in another jurisdiction must not be reduced to less than 3,000 members by the withdrawal of the petitioners for dispensation.

Amend. 1987

§ 329.4 Application, form and procedure.

(a) The application for dispensation must be in the prescribed form furnished by the Imperial Recorder and must have printed therein in red ink § 329.6. However, the Imperial Recorder may not issue the prescribed form to requesting Nobles unless he determines that there can be compliance with the requirements of § 329.3.

Amend. 1983

(b) It must be in duplicate, one copy for the Imperial Recorder, and the other kept by the applicants for reference.

(c) The application as filed, must bear the date it was issued by the Imperial Recorder and will be void after the passage of 24 months from that date, unless specifically extended by appropriate action of the Imperial Council.

(d) Every name on the application must be the actual signature of a Noble who is one of the applicants, and when signed the name cannot be withdrawn from the application except as provided in (e) and (f).

(e) A signature may be withdrawn upon the written request of the signer and may be for no other reason than that his signature was obtained by false representations. The written request for the withdrawal showing the reasons therefor must be attached to the application for the dispensation when presented to the Imperial Council, otherwise the original signature must stand.

(f) If, after the application for a dispensation is filed with the Imperial Recorder, in accordance with (g), a signer of the application desires to withdraw his name, he must send his request in writing stating the reasons therefor directly to the Imperial Recorder who shall erase the name from the application, if the reasons are as provided in this section, and attach the authority for the erasure to the application before presenting it to the Imperial Council, and furnish the list of the withdrawing signatories to the applicants, or their representatives, proposing to organize the new temple.

(g) The application must be filed with the Imperial Recorder at least 90 days prior to the annual session of the Imperial Council, and notice of the application must be published in the official call for the Imperial Council session. Unless the application is filed and published as herein provided, it must lie over until the next annual session of the Imperial Council. Supple-

mental lists of names may be added to the application for dispensation providing they are filed with the Imperial Recorder at least 60 days prior to the annual session of the Imperial Council.

Amend. 1980, 1984

(h) When an application for a dispensation becomes void, no further application may be issued until the expiration of one year thereafter. If a second or further application for a dispensation becomes void, no further application may be issued until the expiration of two years thereafter.

Amend. 1981

§ 329.5 Action by Imperial Council.

(a) Dispensation

(1) When the application for a dispensation is received by the Imperial Recorder he must notify the temples which might reasonably be affected at least 30 days prior to the session of the Imperial Council, giving full information in regard to the application, in order that objections to the granting of the dispensation may be presented to the Imperial Council.

(2) Every report of the Committee on Dispensations and Charters which recommends the granting of a dispensation for a new temple must contain a specific designation of the territorial jurisdiction of the new temple. This jurisdiction is determined on recommendation of the Committee on Dispensations and Charters and the Committee on Jurisdictional Lines, acting jointly, after affording all affected temples an opportunity to be heard on the matter at a joint meeting of the Committees.

(b) Charter

(1) A charter may not be granted to any temple under dispensation until it has been under dispensation for a period of at least the time elapsing between 2 annual sessions of the Imperial Council.

Amend. 1974, 1984

(2) If the temple under dispensation has provided itself with a proper place of meeting and the necessary paraphernalia for ceremonials, and has shown a satisfactory increase in membership, then the Imperial Council, at the first annual session following the grant of the dispensation may grant it a charter.

Amend. 1974, 1982, 1984

(c) Spokesman

The applicants for a dispensation or charter may designate one of their number as their spokesman, and he shall have the

privileges of the floor at the Imperial Council Session, but not the right to vote.

Amend. 1981

§ 329.6 Effect if dispensation is granted.

(a) If he dispensation is granted, the members of the temple under dispensation are liable for dues for the fractional part of the year remaining after the date of the dispensation, and the temple is liable in full to the Imperial Council for the hospital levy and fees for new members created.

(b) A Noble who signs an application for a dispensation becomes a member of the temple under dispensation on the date the dispensation is granted, and is amenable only to it thereafter for dues, hospital levy and assessments. The temple of which he was a member prior to the dispensation may retain the dues and assessments already received from him for the current year.

§ 329.7 Status of temple under dispensation.

(a) A temple under dispensation has a legal existence and jurisdiction, and, whether it works or not, this jurisdiction cannot be interfered with except by action of the Imperial Council.

(b) It cannot adopt bylaws until a charter is granted and it is regularly constituted.

(c) It is governed by Shrine law to the extent applicable.

(d) It has no power to elect officers, but must retain its provisional officers until its charter is granted.

(e) The provisional potentate of a temple under dispensation is not entitled to the rank of past potentate, nor is the temple entitled to representation in the Imperial Council.

(f) Any vacancy in an office of a temple under dispensation shall be filled by appointment by the Imperial Potentate from its Nobles.

(g) When a charter is granted, the members of the new temple must hold an election of officers as soon thereafter as possible, in order that the elected officers may be installed at the same time the temple is constituted.

§ 329.8 Effect if dispensation is refused.

(a) When a dispensation for a new temple is refused by the Imperial Council, no further application may be made until the 3d annual session thereafter. If a second or further application for dispensation is refused, no further application may be made until the 5th annual session thereafter. Notwithstanding the foregoing pro-

visions of this subsection, if the application is refused despite recommendations by the Dispensations and Charters Committee and the Jurisdictional Lines Committee that it be granted, then the life of the application shall be extended and it may be again presented at the next annual session of the Imperial Council.

Amend. 1974

Amend. 1981

(b) All Nobles who signed the petition remain members of their respective temples.

§ 329.9 Effect if charter is granted.

A Noble who is a member of a temple under dispensation becomes a charter member of that temple when such temple receives its charter.

§ 329.10 Effect if charter is refused.

All Nobles who signed the petition for dispensation are thereby restored to membership in the temples in which they were members prior to the dispensation. All members created by the temple under dispensation are entitled to certificates to that effect from the Imperial Recorder. These certificates have the force of demits for the purpose of affiliation.

ARTICLE 30

Discipline by Temple

§ 330.1 Jurisdiction. A Noble is subject to discipline by the temple of which he is a member, or by the temple within whose jurisdiction he resides, for conduct unbecoming a Noble of the Mystic Shrine or for violation of Shrine Law.

§ 330.2 Fair Play and Substantial Justice. This Article is intended to provide the guidelines for the determination of whether an accused Noble should be disciplined, the extent of such discipline if appropriate and to assure fair play and substantial justice as these concepts are understood and practiced in North America. To this end the temple and its officers shall cooperate fully with the complaining Noble, the accused Noble, the grievance committee and the trial committee. All temple records concerning the complaint or charges shall be made available to the foregoing for copying.

§ 330.3 Definitions. In addition to the definitions set forth in § 101.3, the following terms are defined for the purposes of this Article.

(a) "Complaining Noble" is the Noble or Nobles who file a complaint with the Potentate of a temple pursuant to this Article.

(b) "Complaint" is the written, signed and dated statement of the acts or conduct of an accused Noble, which the complaining Noble asserts is a violation of Shrine law or constitutes conduct unbecoming a Noble of the Mystic Shrine.

(c) "Accused Noble" is the Noble or Nobles against whom a complaint is filed.

(d) "Grievance Committee" is a committee of five (5) impartial Nobles appointed by the Potentate and charged with the duty of thoroughly investigating a complaint.

(e) "Trial Panel" is the panel of nine (9) impartial Nobles appointed by the potentate from which the trial committee is selected.

(f) "Trial Committee" consists of the five (5) members of a trial panel who are selected to try the charges brought against the accused Noble.

(g) "Charges" is a written, signed and dated statement apprising the accused Noble of the nature and character of the offense or offenses being brought by and on behalf of the temple.

(h) "Prosecutor" is the Noble representing the temple in the trial of the accused Noble.

(i) "Impartial" is having no direct knowledge of the acts or conduct set forth in the complaint or charges; not having formed an opinion as to the merits of the complaint or charges; not being related by blood or marriage, nor being so closely associated with the complaining Noble, the accused Noble or any material witness as to be likely to affect the Noble's judgment.

(j) "Notice notify, provide, deliver or file" means to mail, first class, postage prepaid, a copy of the document in question to the last known address of the Noble involved or to deliver the document to the Noble in person. Unless a greater time is specifically allowed, this should be done immediately. No notice of proceedings hereunder is required to be given temple membership.

(k) "Witness" is a person, male or female, Shriner or non-Shriner, called to give testimony.

§ 330.4 **Procedure.** Proceedings for the discipline of any Noble by a temple are as follows:

(a) Before trial.

(1) Any Noble complaining against another Noble of conduct unbecoming a Noble of the Mystic Shrine or for violation of Shrine law, must state the nature and character thereof in writing, sign and date the complaint, and deliver it to the Potentate

of the temple. The complaint must be filed within the time period provided in § 101.9(b).

(2) Immediately upon the receipt of a complaint it is the duty of the Potentate to notify the Imperial Potentate and to deliver a copy of the complaint to the accused Noble and to appoint a grievance committee of 5 impartial members of the temple, giving preference to Past Potentates, whose duty it is to thoroughly investigate the complaint. The complaining Noble and the accused Noble shall be afforded an opportunity to be heard before the grievance committee. The complaining Noble may withdraw the complaint anytime prior to the determination of the existence of probable cause by the grievance committee and, in such event, the grievance committee is discharged from further consideration of the matter and the complaint is dismissed. If the complaint is not withdrawn, the grievance committee by majority vote, must determine whether there is probable cause for believing an offense has been committed by the accused Noble, and shall report to the Potentate. The report must be made within 60 days after appointment of the committee, be in writing, and signed by those voting in the majority, and copies shall be delivered to the complaining Noble and the accused Noble. If no probable cause is found, the proceedings shall terminate, subject only to the rights of the complaining Noble to appeal as provided by § 330.4(c)(2).

(3) Immediately upon the receipt of a report from the grievance committee finding probable cause, it is the duty of the Potentate to refer the matter to the Assistant Rabban, or, if he is disqualified from acting, to an impartial Noble of the temple designated by the Potentate to serve as alternate, and it is the duty of the Assistant Rabban, or of the alternate, to cause formal written charges to be preferred in the name of the temple against the accused Noble. The charges, in plain and concise language, must apprise the accused Noble of the offense charged, and when signed by the Assistant Rabban, or the alternate, shall be filed with the Recorder of the temple, and a copy shall be delivered to the Potentate, the complaining Noble and the accused Noble.

(4) Immediately upon the filing of the charges, it is the duty of the Potentate to appoint a trial panel of 9 impartial Nobles of the temple, and to designate a date for the trial, which shall

be not less than 15 nor more than 30 days from the date of the selection of the trial panel. The Potentate may for good cause postpone the trial to a subsequent date not later than 60 days from the date of the selection of the trial panel. The names of the trial panel shall be provided to the complaining Noble, the accused Noble and the temple. Neither the complaining Noble, the accused Noble, the temple nor anyone representing them shall have any contact whatsoever with the trial panel or vice versa regarding the case.

(5) If any officer named in this section is the complaining Noble, is the accused Noble or is not impartial as the term is defined in § 330.3(i), he shall be disqualified to act. If a member of the grievance committee or the trial panel is disqualified, it is the duty of the Potentate to fill the vacancy with an impartial Noble.

(6) Unless an officer or a Noble is disqualified under the provisions of (5), or excused by the Potentate, he is required to serve. Any Noble who wilfully violates any provision of Article 30 is subject to discipline under the Article.

(7) In the event the Potentate is disqualified under (5), or for good cause disqualifies himself, the Chief Rabban acts in his stead; if both are disqualified, the Potentate shall appoint the highest ranking qualified officer to act. And, if all officers are disqualified, the Potentate shall appoint an impartial Noble to act in his stead.

(8) It is the duty of the Recorder of the temple to cause to be served upon the accused Noble a certified copy of the charges, together with a notice apprising the accused Noble of the time and place of the trial. Service shall be in person by a Noble, or by certified mail, addressed to the last known address of the accused Noble. The affidavit of the Noble making service, or of the Recorder of the mailing is prima facie evidence of the service of the notice and charges upon the accused Noble.

(9) It is the duty of the Assistant Rabban or the alternate, in the name of the temple, to prosecute the charges, and the temple may have the assistance of counsel in the presentation of the charges, provided the counsel is a Noble. The accused Noble also shall have the right of counsel, provided the counsel is a Noble.

(10) The accused Noble may file written answer to the charges at least five days prior to the time set for the trial.

(b) Trial.

(1) Upon the date set for trial, the prosecutor may excuse 2 of the trial panel chosen by the Potentate, and the accused Noble has the right to excuse 2 of the trial panel, leaving a trial committee of 5. If the accused Noble or the Prosecutor fails or refuses to exercise his challenges, then the trial committee of 5 shall be chosen by lot. Prior to exercising their challenges, both the accused Noble and the prosecutor shall have the right to inquire of the trial panel and to challenge any Noble for cause. Cause shall consist of showing that the Noble in question is not impartial. The Potentate shall rule on all challenges. The Potentate shall immediately appoint a substitute impartial trial panel member for any Noble excused for cause.

(2) The trial committee selects one of its members as chairman. The chairman has charge of the conduct of the trial and may have an attorney who is a Noble present during the trial for the purpose of advising the trial committee concerning procedural and legal issues. Such attorney shall serve at the expense of the temple. The Chairman administers the oath to all witnesses who are Nobles upon their honor as Nobles. All witnesses who are not Nobles shall be sworn by any officer qualified to administer oaths.

(3) Both the temple and the accused Noble have the right to summon witnesses, and disobedience of a summons subjects an offending Noble to discipline under Article 30. Request for the issuance of a summons to a witness shall be made of the Recorder, who shall issue, sign and deliver the summons at least five days prior to trial.

(4) The testimony of all witnesses shall be taken by a competent stenographer, male or female, so that it may be preserved as are transcripts in a court proceeding.

(5) Either the temple or the accused Noble may take depositions of witnesses who cannot attend the trial, provided reasonable notice of the time and place of the taking thereof is given the opposite party. The accused Noble and the temple shall provide each other with copies of all known documents that are to be used at the trial at least five (5) days prior to the trial.

(6) Any Noble of the temple is permitted to attend the trial; however, notice of the trial date to temple membership is not

required. The deliberations of the committee upon guilt or innocence and fixing of punishment are secret. All deliberations must be in person and in the presence of each member of the trial committee.

(7) The trial committee hears the evidence adduced on behalf of the temple and the accused Noble, and shall conduct the trial in an informal manner not being bound by the technical rules of evidence except for those relating to privileged communications. The trial committee hears the arguments of counsel, including appropriate arguments regarding punishment in the event guilt may be found, and then proceeds with its deliberations, and ascertains the guilt or innocence of the accused Noble. If the committee finds the accused Noble guilty, it shall fix the punishment, which may be either reprimand, expulsion, suspension for an indefinite period, or suspension for a definite period.

(8) A majority vote of the committee upon the question of guilt and upon the fixing of punishment shall be required. The report of the trial committee must be signed by those voting with the majority. The report is then immediately sealed to be opened by the Potentate at the next stated meeting.

(9) At the next stated meeting of the temple after the trial, the report shall be unsealed by the Potentate and read to the Temple. This reading of the report is the pronouncement of judgment. The judgment dates from the time of the pronouncement of judgment by the Potentate, and from that date is final, unless the same is reversed or modified on an appeal therefrom to the Imperial Council. Any Noble revealing the contents of the report before the pronouncement of the judgment is subject to discipline.

(c) Appeal.

(1) Either the temple or the accused Noble has the right within 30 days to appeal to the Imperial Council from any judgment rendered.

(2) The complaining Noble has the right within 30 days to appeal to the Imperial Council from the decision of the grievance committee finding no probable cause.

(3) Notice of appeal under (1) or (2) must be filed with the Imperial Recorder within 30 days.

(4) In the event of an appeal, it is the duty of the temple

to file a complete transcript of the proceedings with the Imperial Recorder at least 30 days prior to the next annual session of the Imperial Council. The Imperial Recorder thereupon shall transmit all the papers pertaining to the appeal to the chairman of the Grievances and Appeals Committee of the Imperial Council.

(5) If an appeal is taken, the party appealing must pay all the costs and expenses of the transcript of the evidence, unless in the judgment of the Potentate the party appealing is unable to pay the expenses, in which event the temple must pay.

(d) Restoration.

(1) If the member is suspended for an indefinite period, he is not permitted to petition for restoration until after the expiration of one year from the date of judgment of suspension. Any Noble suspended for an indefinite period may be restored in the following manner: He must present an application for restoration, which shall be read at a stated meeting and laid over until the next stated meeting, and notice of the application must be sent to the members. At the next stated meeting after the presentation of the application, the following question must be put: "Shall the Noble be restored?" If $\frac{2}{3}$ rds of the members present vote for his restoration, he is restored. If a less number than $\frac{2}{3}$ rds vote for restoration, he remains suspended, and is not permitted to petition again for a period of one year thereafter.

(2) If the member is expelled, he cannot be restored but may petition again the temple from which he was expelled for membership as if he had never before been a member. However, if he wishes to become a member of any other temple, he must obtain a waiver from the expelling temple before the temple having jurisdiction of his petition can vote thereon. This application for a waiver shall be acted upon at a stated meeting of the expelling temple and it must be approved by a majority vote of the members present and voting.

(a) Proposed bylaws or amendments must be presented in writing in the form of a resolution at a stated meeting.

(b) The resolution must be laid over to the next stated meeting or to a special meeting called for action thereon. The notice of the meeting must be sent to every member of the temple and must recite the text or substance of the proposed bylaws or amendments.

(c) The temple then may adopt the proposed bylaws or amendments.

(f) Upon approval, the Imperial Potentate shall forward them to the Imperial Recorder, who shall retain one copy for the records of the Imperial Council, and shall forward the other copy to the temple.

§ 331.3 Time for filing. All proposed temple bylaws and amendments must be in the office of the Imperial Recorder at least 30 days before the session of the Imperial Council.

§ 331.4 Action by Imperial Council.

(a) At each session of the Imperial Council the Imperial Recorder must present a list of all new or amended bylaws which have been approved by the Committee on Jurisprudence and Laws and approved by the Imperial Potentate during the recess of the Imperial Council.

(b) The Imperial Recorder also must submit a list of any bylaws or amendments rejected by the Committee on Jurisprudence and Laws or the Imperial Potentate, giving their reasons for the rejection.

(a) When a change is made by the Imperial Council affecting Shrine law, and the change affects the bylaws of any temple, the bylaws of the temple are changed, ipso facto to conform with those of the Imperial Council.

(b) It is the duty of every temple to make this change in its bylaws immediately upon receiving the printed copy of the proceedings of the Imperial Council from the Imperial Recorder.

(c) Thereupon the Recorder of the temple must send to the Imperial Recorder a properly certified copy showing that the change was made, and must send copies to the Imperial Potentate and to the Committee on Jurisprudence and Laws for approval and confirmation.

PREFACE

These annotations are not "Shrine law". See § 101.3(l). They are simply references to rulings, decisions, and interpretations of the Imperial bylaws made by various Imperial Potentates in the past. As such, however, they are precedents which will probably influence future rulings, decisions, and interpretations under like or similar circumstances.

ANNOTATIONS TO BYLAWS

(Iowa)

§ 101.3

1972 *Proceedings*, p. 155. *Obedience to Shrine law, as defined in § 101.3(l) is not optional but is required of all Shriners and of every Temple.*

1973 *Proceedings*, p. 99. *According to § 206.5(a)(4), General Orders expire at the conclusion of the Imperial Council Session next following their issuance; and, by the terms of § 101.3 (l), General Orders which have expired are no longer Shrine law.*

§ 101.4

1975 *Proceedings*, p. 20. *By the provisions of § 101.4, Robert's Rules of Order governs parliamentary procedure at Temple meetings; and the Potentate must permit a full discussion of any pending matter before putting it to a vote unless the Nobility adopts a motion calling for the previous question.*

§ 101.7

1966 *Proceedings*, p. 208. *Independent organizations are not subject to supervision or control of Temple Potentate simply because they are composed wholly of Shriners.*

§ 101.9

1966 *Proceedings*, p. 208. *Individual Nobles are subject to discipline for violation of Shrine law in connection with activities not directly related to membership in the Shrine.*

1987 *Proceedings*, p. 118. *"Absent clear and persuasive evidence of breakdown of Article 30 procedure, Imperial Potentate will not interfere.*

§ 203.1

1976 *Proceedings*, p. 177. *An ad vitam and emeritus Representative who demits and affiliates with another Temple becomes an ad vitam and emeritus Representative of the Temple with which he affiliates.*

1966 *Proceedings*, p. 211. *General Orders of an Imperial Potentate are not amendments to bylaws of Imperial Council.*

1970 *Proceedings*, p. 96. *The Imperial Potentate may suspend from office a Representative to the Imperial Council.*

1973 *Proceedings*, p. 99. *According to § 206.5(a)(4), General Orders expire at the conclusion of the Imperial Council Session next following their issuance; and, by the terms of § 101.3 (l), General Orders which have expired are no longer Shrine law.*

§ 207.3

1976 *Proceedings*, p. 176. *While the minutes of the Boards of Directors and Trustees must be produced and read to the Imperial Council upon its order, a Representative does not have the right to demand that copies of such minutes be routinely sent to him for his inspection.*

§ 208.6

1971 *Proceedings*, p. 97. *Nobles who believe the Potentate's exercise of his discretionary powers to have been arbitrary and capricious may file a grievance for consideration by the Grievances and Appeals Committee under § 208.6.*

ANNOTATIONS TO BYLAWS (IOWA)

tentate made pursuant to § 206.5(a)(13) is made to the Imperial Council and should be referred to the Grievances and Appeals Committee in accordance with § 208.6.

§ 209.1

1966 Proceedings, p. 211. Shrine Club not eligible for membership in Shrine Association.

§ 210.1

1972 Proceedings, p. 154. Temples are neither required nor permitted under §§ 210.1 and 323.3 to look beyond membership in the prerequisite bodies for further certification of Blue Lodge membership.

§ 211.5

1965 Proceedings, p. 39, 43. Annual per capita tax not passed on to life members. Also, 1966 Proceedings, p. 208.

Also, 1984 Proceedings, p. 109.

§ 213.1

1967 Proceedings, p. 83. The use of straw fezzes is prohibited.

1978 Proceedings, p. 88. Section 213.1(e) states that the fez may be worn only at meetings and gatherings of Nobles held under the authority of some legal body of the Order; and this does not include meetings of ladies' organizations, because they are not a part of the Order.

§ 213.2

1972 Proceedings, p. 154. None but the Imperial Council itself should have exclusive rights to Shrine emblems described in § 213.2 and registration by an association of units of a trademark which includes such emblems is forbidden.

§ 322.5

1967 Proceedings, p. 83. Construction of a Mosque within the urban area of the seat of the Temple but beyond its corporate limits does not work a change in the location of the Temple.

1970 Proceedings, p. 93. Removal of a Temple from one municipality to another, even within the same urban area, may be effected only after compliance with this section.

1973 Proceedings, p. 99. A temple may not be moved to a city which is located in territory over which it holds only concurrent jurisdiction.

1975 Proceedings, p. 19. The removal of a Temple from one address to another within the corporate limits of the city named in its charter is not a change of location within the meaning of § 322.5.

1976 Proceedings, see p. 176. Approval by the Imperial Council for the change of location of a Temple may be given only by the Imperial Council itself at an annual session in accord with § 322.5(f).

§ 323.2

1967 Proceedings, p. 84. A petition for membership should not be signed by those who recommend the petitioner until the petition has been completed and signed by the petitioner.

§ 323.3

1967 Proceedings, p. 83. Expulsion of a member of his Grand Lodge does not terminate Shrine membership until there has been a loss of Scottish or York Rite membership and that loss has become final.

1972 Proceedings, p. 154. Temples are neither required nor permitted under §§ 210.1 and 323.3 to look beyond membership in the prerequisite bodies for further certification of Blue Lodge membership.

1973 Proceedings, p. 98. Under § 323.8 a Noble is required to maintain

ANNOTATIONS TO BYLAWS (IOWA)

membership in a prerequisite body in order to retain membership in the Shrine; but according to § 323.3(b) no temple may add to that a requirement that its members provide certification of membership in symbolic lodges.

1979 Proceedings, p. 169. The Symbolic Lodge is not one of the "prerequisite bodies" as that term is used in the bylaws of the Imperial Council.

§ 323.5

1975 Proceedings, p. 20. § 323.5 requires that petitioners for initiation be elected by ballot, which by its very nature is secret; and a voice vote on petitions for initiation is contrary to Shrine law.

§ 323.7

1973 Proceedings, p. 97. Under § 323.7(b), the jurisdictional requirements for associate membership are the same as those relating to affiliation by demit under § 328.8. A Noble who lives in the jurisdiction of one temple may not petition another temple for associate membership without a waiver from the first.

1973 Proceedings, p. 97. Under § 323.7(b) a Noble who resides within the jurisdiction of one temple may apply for associate membership in another temple upon receiving a waiver from the temple in the jurisdiction of which he resides.

1973 Proceedings, p. 97. Under § 323.7(g) an associate member may hold office in a Shrine club of a temple which otherwise disqualifies members of other temples from office in its Shrine clubs.

1975 Proceedings, p. 19. § 323.7 does not prohibit the holding of associate membership in more than one Temple.

1976 Proceedings, p. 177. Under § 323.7(g) associate members have all of the rights and privileges of regular membership except that of holding elective office in the Temple itself, so a Potentate may not forbid their holding office in Shrine Clubs or Units on the basis of their associate membership alone.

1976 Proceedings, see p. 177. One who holds associate membership in a Temple and wishes to convert that membership to regular membership must obtain a demit from his "mother" Temple and make an application for regular membership by affiliation in the second Temple under § 328.8.

1977 Proceedings, p. 162. By virtue of § 323.7(b), the 1976 amendments to §§ 328.2(b) and 328.6(e) apply to Associate Members.

1979 Proceedings, p. 169. Each assessment resolution must be interpreted in accordance with its own terms; but, inasmuch as § 332.7(a) makes no provision for the exclusion of associate members from an assessment, associate members are subject thereto in the same fashion as are regular members.

§ 323.8

1967 Proceedings, p. 82. A suspended member is entitled to be automatically restored to membership upon demonstrating that he has been restored to good standing in the prerequisite body, but payment of dues cannot be required for any full year of suspension.

1973 Proceedings, p. 98. Upon receipt of official written notice from a prerequisite body that a demit has been granted to one of its members who does not hold membership in the other prerequisite body, a temple must treat the member as suspended in accordance with § 323.8(c) for having failed to maintain the requirements of § 323.3(a).

1979 Proceedings, p. 169. The Symbolic Lodge is not one of the "prerequisite bodies" as that term is used in the bylaws of the Imperial Council.

1983 Proceedings, p. 212. When a Noble is suspended from his prerequisite body the suspension therefrom must have become final and the suspended Noble's temple must receive an official written notice from the prerequisite body, before the Noble is suspended from the Shrine.

§ 323.9

1967 Proceedings, p. 83. Conviction of a crime, in the absence of Temple disciplinary proceedings or termination of prerequisite memberships, does not result in a loss of Shrine membership.

1972 Proceedings, p. 154. By the provisions of § 323.9(b) membership is terminated by expulsion, and one who has been expelled must apply again for membership under Article 30.

1975 Proceedings, p. 21. The issuance of a demit does not terminate one's membership in the Order, but under § 323.9 simply suspends his rights of membership in the Temple which issues the demit; so, under § 330.1, a demitted Noble is subject to discipline by the Temple in the jurisdiction of which he resides.

1978 Proceedings, p. 87. A Noble against whom a complaint has been lodged but as to whom the formal written charges described in Article 30 have not been filed, is "free from charges" within the meaning of § 323.9(b) and may resign his Temple membership.

§ 323.10

1971 Proceedings, p. 97. After adoption by the temple of an assessment pursuant to § 332.7, a demit may be granted under 323.10(a) only if the assessment is paid.

1972 Proceedings, p. 155. A Noble who requested a demit before the levy of an assessment is not required by § 323.10(a) to pay the assessment before issuance of his demit, even though issuance be delayed until after the assessment has been levied.

1973 Proceedings, p. 97. To either withhold a demit from one who qualifies under § 323.10(a) or to delay its issuance beyond a reasonable time, for any reason, is a violation of § 323.10 (b).

§ 323.11

1978 Proceedings, p. 88. Under § 323.11(d) a Noble who has been suspended for nonpayment of dues may be restored upon terms authorized by the Temple, and such terms may be expressed either by the Temple By-laws or otherwise in accordance with § 324.8.

§ 323.12

1967 Proceedings, p. 84. A life member of a Temple who took a demit is entitled to be restored to life membership status upon reaffiliation.

1973 Proceedings, p. 97. Imperial bylaw §§ 323.13 and 332.6 are permissive only, so that a temple must itself establish the conditions upon which it will grant life membership.

1973 Proceedings, p. 97. So long as the minimum requirements expressed in §§ 323.13 and 332.6 are met, a temple is free to fix its own policies with respect to creation of life members.

§ 323.13

1965 Proceedings, p. 43. Honorary membership to Nobles only. Majority vote of Temple.

§ 324.1

1972 Proceedings, p. 152. So long as the Temple holds at least one stated meeting during each calendar quarter, as required by § 324.1, Temple By-laws may include a provision which permits the Potentate to dispense with other stated meetings.

1973 Proceedings, p. 97. The stated meeting of a temple is not the appropriate forum for debate of either a suspension Order issued by the Imperial Potentate or Masonic charges pending against a member of the Order.

1975 Proceedings, p. 20. A Temple may take action only at a stated or specially called business meeting, and cannot be bound by a mail referendum. Proxies are not permitted.

§ 324.2

1972 Proceedings, p. 154. By virtue of § 328.1 a Temple is sovereign in its own territorial jurisdiction and, accordingly, it may attach conditions to

ANNOTATIONS TO BYLAWS (IOWA)

any consent given under § 328.7(d) that another Temple may hold a ceremonial within its jurisdiction.

1974 Proceedings, p. 25. A special dispensation from the Imperial Potentate may be issued under § 324.2 for a ceremonial to be held aboard ship in the Caribbean during a Temple cruise.

§ 324.3

1978 Proceedings, p. 87. Inasmuch as §324.3 proscribes the transaction at a special meeting of business other than that specified in the notice, an election to fill a vacancy created by the promotion of an officer at a special election may not be conducted unless the notice of the special meeting so provides, notwithstanding the discretionary provisions of §325.13(b) which permit the filling of such a vacancy if notice is given.

§ 324.5

1985 Proceedings, Page 111. Section 324.5 does not require first class mailing of notice. Neither is receipt of notice required. Only certificate of mailing not less than one week in advance.

1987 Proceedings, p. 117. This section of the Imperial Bylaws requires a notice of each stated meeting not less than one week in advance. Blanket notice in the first issue of a Temple publication is not sufficient compliance.

§ 324.7

1972 Proceedings, p. 154. § 324.7 does not authorize the Potentate to select a Past Potentate to preside when the former is absent from a meeting or session of his Temple.

§ 324.8

1966 Proceedings, p. 211. The use of proxies or voting by mail is prohibited.

1970 Proceedings, p. 93. Any action of Temple officers or committees, unless pursuant to powers and duties expressly delegated to them, is subject to review and rescission by the Temple.

1974 Proceedings, p. 26. It is manifest from the provisions of § § 327.5, 324.8 and 334.4 that so long as it complies with Shrine law, the Temple itself has ultimate authority with respect to all of its financial affairs, including those of appendant or affiliated corporations.

1975 Proceedings, p. 20. In the absence of a Temple bylaw delegating to some officer or committee the authority to dispose of Temple assets, § 324.8 requires specific authorization by the Temple itself to sell an asset belonging to the Temple.

1979 Proceedings, p. 171. In the absence of Temple bylaw provisions delegating powers and fixing responsibilities of the Temple Trustees, such Trustees simply hold the bare legal title of property for the benefit of the Temple, and § 324.8 empowers the members of the Temple, at meetings thereof, to take such action as may be necessary for the operation and maintenance of the properties.

§ 325.1

1971 Proceedings, p. 95. A noble may not at the same time hold both the offices of Potentate and Recorder of his temple.

§ 325.2

1982 Proceedings, p. 169. A Noble who has served part of the year as assistant rabban and part of the year as chief rabban of his Temple is eligible to serve his Temple as Potentate the following year as he has served "at least one term as either Chief Rabban or Assistant Rabban of a Temple" as required by §325.2(c) of the By-laws.

1985 Proceedings, Page 112. Matters concerning election procedures not

ANNOTATIONS TO BYLAWS (IOWA)

specifically governed by the Imperial bylaws are to be governed by Roberts Rules of Order pursuant to Section 101.4 and by the concept of due notice to all of the Nobility, common sense, and fair play.

§ 325.3

1981 Proceedings, p. 165. A resolution which would require the election of the appointive divan was properly ruled out of order for inconsistency with § 325.3.

§ 325.5

1967 Proceedings, p. 84. There is no objection to a waiver of rules and the adoption of a motion for casting a unanimous ballot for an unopposed candidate for Temple office.

1975 Proceedings, p. 20. Under § 325.5 Temple officers must be elected as individuals and the Nobility may not be required to vote for one or the other of two "slates" of candidates.

§ 325.6

1980 Proceedings, p. 29. The making of announcements, reports, and presentations while ballots are being counted during a Temple election is not a violation of § 325.6 if no action of the Temple is required or taken on such announcements, reports, and presentations.

§ 325.7

1967 Proceedings, p. 83. A Temple may create, by appropriate bylaw, the office of Recorder Emeritus or Treasurer Emeritus.

1974 Proceedings, p. 26. Unless pursuant to § 325.7 a Temple has made provision in its By-laws for such officers, it may not elect an Assistant Treasurer or an Assistant Recorder.

1974 Proceedings, p. 27. Neither the Potentate nor the Board of Directors of a Temple may create additional Temple offices, for which provision may be made only by the Temple bylaws pursuant to § 325.7.

§ 325.8

1978 Proceedings, p. 88. The practice of suspending the rules in order that unopposed nominees may be elected by the casting of one ballot comes within the exception expressed in § 101.4. Roberts Rules of Order, Newly Revised.

§ 325.9

1983 Proceedings, p. 212. A proposed amendment to a temple's bylaws which makes the chief rabban a representative to the Imperial Council by virtue of his office is in conflict with the bylaws of the Imperial Council. All representatives are to be elected by written ballot at the annual meeting of the temple.

§ 325.10

1965 Proceedings, p. 40. Use of written devices prohibited.

1968 Proceedings, p. 121. Shrine Club Meeting Notice cannot recommend candidates for Temple office.

1971 Proceedings, p. 97. The distribution among members of the temple of an "information sheet" containing the name of a proposed candidate for temple office and listing his Masonic history, military service record, and civilian work record is a violation of §325.10(a) even though the office to which he aspires is not mentioned.

1972 Proceedings, p. 154. The editors of unit and Shrine Club newsletters are responsible for violations of § 325.10(a) in publishing solicitations for support of candidates for Temple office.

1972 Proceedings, p. 153. A Temple bylaw provision which prohibits

the expenditure of money for gifts, favors or entertainment on behalf of candidates for Temple office is not inconsistent with Article 25.

1975 Proceedings, p. 19. A Temple is free to regulate campaigns for Temple office so long as the regulations are consistent with Article 25 of the Imperial bylaws; but without a trial under Article 30, only the Imperial Potentate may suspend one who violates such regulations or declare the election void.

1981 Proceedings, p. 165. Election of Imperial Representatives at a second meeting instead of at the annual meeting and without notice of election required by § 325.10 (c) is improper; and a new election with proper notice is required.

1983 Proceedings, p. 212. The distribution of written material to the members of a temple by a Noble thereof opposing the re-election of the recorder by asserting in the material, inter alia, that "it's time for a change" is a violation of §335.10(a).

1984 Proceedings p. 110. Breach of temple level election procedure which does not violate the basic rules of justice and fairness and are not violations of Shrine law will not ordinarily require the Imperial Potentate to order a new election.

1987 Proceedings, p. 119. "Distribution and circulation of pin-on button containing the name of a candidate, violates this section."

§ 325.12

1977 Proceedings, p. 162. A Temple officer who lives in an area which becomes a part of the jurisdiction of a newly organized Temple does not lose his office thereby, because § 325.12 requires only that he live within the jurisdiction of the Imperial Council.

1977 Proceedings, p. 163. A Temple bylaw which restricts eligibility for Temple office to certain counties of residence is inconsistent with § 325.12 and void.

1984 Proceedings, p. 110. Question of "physical incompetence" of Temple officer to a degree creating a vacancy in such office is an issue which must be decided by the membership following due notice under Section 324.5.

§ 325.13

1967 Proceedings, p. 83. Shrine law does not permit the election and installation of a Potentate, accepting his resignation from office, and the election and installation of his successor at the same meeting.

1970 Proceedings, p. 96. A special election should be held to fill a vacancy created by the suspension of a Representative to the Imperial Council.

1972 Proceedings, p. 152. The Oriental Guide is not required to resign from his office in order to be a candidate for the office of High Priest and Prophet at a special election held pursuant to § 325.13; and, if he is elected, the vacancy in his office thus created may be filled at the same meeting.

§ 325.14

1976 Proceedings, p. 176. A vacancy in the office of Representative to the Imperial Council may be filled only by election, except in the special circumstances mentioned in § 325.14(a).

§ 326.1

1968 Proceedings, p. 121. The obligation of a Temple officer cannot be taken by proxy.

§ 326.3

1966 Proceedings, p. 211. Elected Temple officer continues to hold office until his successor is both elected and installed.

§ 327.1

1966 Proceedings, p. 212. Failure of officers having custody of Temple books and records to make them available for inspection or audit by authorized persons is contrary to Shrine Law.

1974 Proceedings, p. 27. The Potentate has no authority to suspend a member of his Temple; but, if he is of the opinion that the Noble is guilty of conduct unbecoming a Noble of the Mystic Shrine, he should see to the institution of proceedings under Article 30.

1979 Proceedings, p. 171. The Potentate has no authority to order the confiscation of a Noble's fez, even for alleged misconduct, without a trial under Article 30. Only the Imperial Potentate has the power to suspend a Noble without a trial.

1979 Proceedings, p. 169. A Temple bylaw provision which requires appointment of Temple committees by an Executive Committee is contrary to § 327.1(c) and void.

§ 327.3

1966 Proceedings, p. 208 and 209. Temple Recorder has custody and control of Records, subject to provisions of Temple bylaws or direct action of the Temple.

1967 Proceedings, p. 83. The duties of the Recorder cannot be delegated by a Temple By-laws to a "Scribe" appointed by the Potentate.

1972 Proceedings, p. 155. The Imperial bylaws do not prohibit the employment by a Temple of a business manager, but none of the Recorder's responsibilities may be transferred to him, even by specific provision of the Temple By-laws under § 327.3(b), because he is not an officer of the Temple.

1973 Proceedings, p. 97. The duties which would otherwise be those of the Recorder under § 327.3(b) may not be assigned to a "business manager" employed by the Executive Committee of the temple.

1974 Proceedings, p. 26. The Recorder must submit the documents or reports referred to § 327.3(a) with his own signature affixed, and such documents or reports signed by an "Executive Secretary" are not acceptable.

1975 Proceedings, p. 19. Unless there is some provision in the Temple By-laws to the contrary, employees of the Temple are to be hired by the Recorder, with the consent of the elective Divan, under § 327.3(a)(7).

1975 Proceedings, p. 21. While under § 327.1(a) the Potentate has the right to appoint officers and committees of his Temple, under § 327.3(a)(7) the Recorder, with the consent of the Divan, has the power to hire employees, unless by the Temple bylaws that power is vested elsewhere.

1978 Proceedings, p. 87. Any reassignment of duties among Temple officers or employees must be accomplished in accordance with or by amendment to the Temple bylaws in a manner consistent with the Imperial bylaws, and not simply by action of the Temple Board of Trustees in contravention of §§ 327.3 and 327.4.

1980 Proceedings, p. 29. Under provisions of §§ 327.3, 327.4, and 327.5, Temple financial officers are required to report financial transactions to the Temple at its meetings; and, under §§ 334.5 and 334.6, they are required to submit the financial records to an audit, which is made available routinely to members of the Temple at its annual or budget meeting.

1975 Proceedings, p. 20. Under § 327.4(f) and § 327.5 both the Treasurer and the Temple Trustees must account to the Temple for the expenditure of Temple funds in accordance with appropriations made pursuant to § 334.4(d).

ANNOTATIONS TO BYLAWS (IOWA)

1977 Proceedings, p. 163. Where Temple bylaws do not specifically assign the duties listed under § 327.4 to another officer, the Treasurer must sign all checks drawn on Temple funds; and, where the Temple bylaws make him a member of the Finance Committee, he may not be excluded from its meetings.

1978 Proceedings, p. 87. Any reassignment of duties among Temple officers or employees must be accomplished in accordance with or by amendment to the Temple bylaws in a manner consistent with the Imperial bylaws, and not simply by action of the Temple Board of Trustees in contravention of §§ 327.3 and 327.4.

1980 Proceedings, p. 29. Under provisions of §§ 327.3, 327.4, and 327.5, Temple financial officers are required to report financial transactions to the Temple at its meetings; and, under §§ 334.5 and 334.6, they are required to submit the financial records to an audit, which is made available routinely to members of the Temple at its annual or budget meeting.

1966 Proceedings, p. 209. By-laws may not disqualify any Noble in good standing.

1970 Proceedings, p. 93. Temple Boards of Trustees do not have arbitrary control over Temple funds.

1972 Proceedings, p. 152. In the absence of a Temple By-law otherwise providing, the Potentate as an ex-officio member of the Temple Board of Trustees has the same rights and voting privileges as other members of the Board.

1973 Proceedings, p. 90. Under § 327.5, temple bylaws may delegate specific powers to boards or committees subject to review by the temple at stated meetings; and the Potentate has no authority to countermand any lawful decisions properly within the scope of the responsibilities of such boards or committees.

1975 Proceedings, p. 20. Under § 327.4(f) and § 327.5 both the Treasurer and the Temple Trustees must account to the Temple for the expenditure of Temple funds in accordance with appropriations made pursuant to § 334.4(d).

1976 Proceedings, p. 176. According to § 327.5 the financial affairs of a Temple may not be vested exclusively in Temple Trustees, and any Temple bylaw having relation to the Temple's financial affairs must be read in light of § 327.5.

1979 Proceedings, p. 171. In the absence of Temple bylaw provisions delegating powers and fixing responsibilities of the Temple Trustees, such Trustees simply hold the bare legal title of property for the benefit of the Temple, and § 324.8 empowers the members of the Temple, at meetings thereof, to take such action as may be necessary for the operation and maintenance of the properties.

1979 Proceedings, p. 170. All Temple funds, including those of its circus, are subject to the control of the Temple through either § 334.4 or § 327.5, or both.

§ 327.7

1980 Proceedings, p. 29. While members of the Temple need not be given unlimited access to all of the books and records kept by its financial officers, any member may question the financial officers at a Temple

ANNOTATIONS TO BYLAWS (IOWA)

meeting; and a Temple, by action taken at a meeting, may authorize an individual or a special committee to examine any of the books or records kept by its financial officers or, indeed, it may require them to turn over such books and papers to such person and at such time as the Temple directs, pursuant to § 327.7.

§ 328.1

1972 Proceedings, p. 153. By virtue of § 328.1, the Potentate of one Temple has the power to prohibit the solicitation of advertisements within the jurisdiction of his Temple by or for the benefit of another Temple.

§ 328.2

1970 Proceedings, p. 93. Measurement of distance is by direct line, rather than by either rail or highway mileage.

1972 Proceedings, p. 152. Agreements made pursuant to § 328.2(a) may be rescinded by any of the Temples involved unless an amendment to the appropriate sections of Part IV has been adopted by the Imperial Council.

§ 328.6

1966 Proceedings, p. 209. Applies to both petitions for initiation and affiliation.

1977 Proceedings, p. 161. Measurements of distances involved in the application of § 328.6(e) are made from the city limits of the city named in the Temple's charter to the street address of the place where the petitioner in good faith makes his home, and in a direct line. § 328.6(e) applies to petitions for affiliation as well as to petitions for initiation.

§ 328.7

1967 Proceedings, p. 83. A Temple may not waive jurisdiction over a demitting member so as to permit his affiliation with a Temple in whose jurisdiction he has resided for less than six months.

1975 Proceedings, p. 20. A vote of the Temple is not required for the re-affiliation of one who meets the requirements of § 328.7.

1976 Proceedings, p. 177. According to § 328.7(b) one who lives in concurrent jurisdiction may not demit and affiliate with another Temple holding the same concurrent jurisdiction without the consent of the Temple of which he was first a member.

1976 Proceedings, p. 177. One who holds associate membership in a Temple and wishes to convert that membership to regular membership must obtain a demit from his "mother" Temple and make an application for regular membership by affiliation in the second Temple under § 328.7.

1977 Proceedings, p. 161. While a Noble who lives in concurrent jurisdiction is entitled to a demit if he meets the requirements of § 323.10(a), he may not affiliate with another Temple holding the same concurrent jurisdiction without consent of the Temple from which he demits in accordance with § 328.7(b).

1980 Proceedings, p. 29. One who holds a demit may reaffiliate with the Temple which issued his demit, without a vote of the Temple, if he meets the requirements of § 328.7(b).

§ 329.6

1971 Proceedings, p. 94. One who belonged to Al Sihah Temple when he signed an application for a dispensation for Cahaba Temple became a member of Cahaba Temple under § 329.6(b) notwithstanding his affiliation with Zamora Temple before the dispensation to Cahaba Temple was granted.

1979 Proceedings, p. 169. By the provisions of § 329.6 (b), a Noble who signs an application for a dispensation for a new Temple becomes a member of that Temple when its dispensation is granted; and he need not apply for affiliation to that Temple.

ANNOTATIONS TO BYLAWS (IOWA)

1971 Proceedings, p. 94. Pursuant to §§337.4 and 329.6 (a), a Shrine club located within the exclusive jurisdiction of a temple under dispensation is under the control of that temple.

§ 330.1

1974 Proceedings, p. 27. The Potentate has no authority to suspend a member of his Temple; but, if he is of the opinion that the Noble is guilty of conduct unbecoming a Noble of the Mystic Shrine, he should see to the institution of proceeding under Article 30.

1986 Proceedings, Page 151. Section 330.4(a)(7) requires where Potentate has been disqualified, "Highest ranking qualified officer" shall act. Such ranking is determined by § 325.1.

§ 331.1

1977 Proceedings, p. 162. Notwithstanding an inconsistent Temple bylaw, § 331.1 requires the affirmative vote of 2/3rds or more of the members present and voting to adopt an amendment to Temple bylaws.

1982 Proceedings, p. 169. To approve an amendment to a Temple bylaw, the proposal must be approved by at least 2/3rds of the members present and voting, as required by §331.1 and cannot be approved when 95 members are present and voting and there are 62 votes in favor, 31 votes against and 2 ballots disqualified as not legible.

§ 331.2

1966 Proceedings, p. 210. Proposed amendment may be circulated among members.

1974 Proceedings, p. 26. A revision of Temple bylaws having been disapproved pursuant to § 331.2(e), the Temple continues to operate under the By-laws in effect prior to the adoption of the revision.

1977 Proceedings, p. 162. Inasmuch as § 331.2(e) requires approval by the Imperial Potentate of any Temple By-laws, which become effective only upon his approval, a Board of Trustees constituted by Temple By-laws may not act prior to such approval.

1985 Proceedings, Page 111. Notice under this section and Section 324.5 is one week. Unless provided by Temple bylaws, first class mailing is not required.

§ 332.1

1972 Proceedings, p. 152. A tour, the price of which is the same to all participants but which for candidates includes their initiation fees, violates § 332.1.

1972 Proceedings, p. 153. Payment of transportation expenses for candidates initiated at a ceremonial held outside the Temple's jurisdiction is contrary to § 332.1(e).

1973 Proceedings, p. 96. Offering candidates for membership reduced fare to an out-of-state ceremonial violates § 332.1.

1975 Proceedings, p. 19. The payment of transportation expenses for candidates initiated at a ceremonial within the jurisdiction of a Temple is a proper expense of the ceremonial itself and not prohibited by § 332.1(e).

1976 Proceedings, see p. 176. The fee for conferring the order having been established by the bylaws of a Temple, it may be changed only by an amendment to the bylaws pursuant to §§ 331.1 and 331.2 and not by simply adopting a Resolution at a stated meeting.

1976 Proceedings, p. 176. Offering candidates for initiation reduced

ANNOTATIONS TO BYLAWS (IOWA)

fares to an out-of-state ceremonial at which they are to be initiated is a violation of § 332.1(e).

1977 Proceedings, p. 163. The offer by a Temple to prospective candidates of jeweled fezzes, pins, bolo ties, or credits on ceremonial trips outside the Temple's jurisdiction is a violation of § 332.1(e).

§ 332.7

1972 Proceedings, p. 152. An assessment levied pursuant to § 332.7 must apply to all members of the Temple except life members, who are exempt unless specifically included under § 332.7(a).

1976 Proceedings, p. 177. All revenues derived from an assessment, the Resolution for which provided that it be used solely for the reduction of an outstanding mortgage, must be used for that purpose only; and any revenues collected by such assessment beyond those needed to retire the mortgage must be ratably refunded to the members of the Temple, and may not be transferred to the general funds of the Temple.

1977 Proceedings, p. 162. A Noble who joins a Temple after its adoption of an assessment resolution must pay the assessment in accordance with the terms of the resolution.

1979 Proceedings, p. 169. Each assessment resolution must be interpreted in accordance with its own terms; but, inasmuch as § 332.7(a) makes no provision for the exclusion of associate members from an assessment, associate members are subject thereto in the same fashion as are regular members.

1979 Proceedings, p. 170. § 332.7 does not require that an assessment resolution lay over from one meeting until another but simply requires publication of a notice that it will be proposed at the meeting at which action is to be taken.

1979 Proceedings, p. 170. Without specific reference to life members in an assessment resolution, § 332.7(a) precludes its application to them.

1983 Proceedings, p. 212. Money received from a temple assessment must be used for the purposes stated in the resolution adopted by the temple, unless a new resolution is properly warned and adopted by the temple.

§ 332.8

1982 Proceedings, p. 171. If assessment is payable in installments a Noble is current if he has paid the installment due for the year and he is entitled to a certificate of demit.

§ 334.4

1967 Proceedings, p. 83. A Temple bylaw provision that the Potentate and Finance Committee can depart from the Temple budget provided the overall total is not exceeded, will not be approved.

1967 Proceedings, p. 83. Bylaws of a Temple cannot authorize departures from the budget adopted by the Temple membership.

ANNOTATIONS TO BYLAWS (IOWA)

1966 Proceedings, p. 212. If done at a special meeting, timely notice required pursuant to § 324.3.

1970 Proceedings, p. 96. A Temple budget may be amended only by action of the Temple.

1972 Proceedings, p. 155. Under § 334.4(c)(2) any member of the Temple may insist that he be given an opportunity to review the budget in written form before the Temple is called upon to adopt it.

1973 Proceedings, p. 97. Expenditure of funds for uniformed units must be from appropriations made in the temple budget adopted under § 334.4.

1973 Proceedings, p. 98. Inasmuch as the Uniform Chart of Accounts does not provide for "contingency" appropriations, a temple budget which does so is violative of § 334.4(a).

1974 Proceedings, p. 26. It is manifest from the provisions of §§ 327.5, 324.8 and 334.4 that so long as it complies with Shrine law, the Temple itself has ultimate authority with respect to all of its financial affairs, including those of appendant or affiliated corporations.

1976 Proceedings, p. 175. A Temple budget may be amended only by action of the Temple itself under § 334.4(e), and Temple officers may not transfer appropriations from one budget classification to another.

1976 Proceedings, p. 176. Capital expenditures as well as operating expenses must be included in the Temple budget in order that appropriations may be made therefor in accordance with § 334.4.

1977 Proceedings, p. 161. Notwithstanding a provision of the Temple By-laws vesting control of all Temple funds other than those budgeted for operating expenses in the Temple Trustees, under § 334.4(e) the Temple may amend its budget at any meeting of the Temple and may increase the amount budgeted for operating expenses without consent of the Temple Trustees.

1977 Proceedings, p. 163. By § 334.4(d) the adoption of a budget by the Temple constitutes the appropriation of funds for the purposes indicated in the budget; but some officer, committee or other agent of the Temple must make judgments as to specific expenditures and determine whether such expenditures are within the scope of the appropriations. That power may be delegated to a Finance Committee by the Temple bylaws, and if such be done, the Potentate may not interfere with the Finance Committee in carrying out its responsibilities.

1977 Proceedings, p. 163. Neither the Potentate nor the Finance Committee may transfer funds from one budget classification to another, because the budget may be amended only by the Temple at a meeting thereof in accordance with § 334.4(e).

1979 Proceedings, p. 170. All Temple funds, including those of its circus, are subject to the control of the Temple through either § 334.4 or § 327.5, or both.

1980 Proceedings, p. 29. Under provisions of §§ 327.3, 327.4, and 327.5, Temple financial officers are required to report financial transactions to the Temple at its meetings; and, under §§ 334.5 and 334.6, they are required to submit the financial records to an audit, which is made available routinely to members of the Temple at its annual or budget meeting.

1980 Proceedings, p. 29. In order to amend a budget adopted pursuant to § 334.4, a Temple must consider specific proposals and may not simply authorize its Potentate to "use his own judgment."

1981 Proceedings, p. 164. After the temple budget is adopted pursuant to § 334.4, funds cannot be transferred from one account to another except by amendment of the budget, which must be done by the members of the temple at a meeting thereof.

1983 Proceedings, p. 212. A Noble is entitled to inquire about the finances, records and reports of his temple and the appropriate officers thereof must respond to his inquiries at reasonable times and places.

1984 Proceedings, p. 110. The nobility, at a regularly stated meeting of

ANNOTATIONS TO BYLAWS (IOWA)

the Temple are authorized to amend the Temple budget under Section 334.4(e).

1985 Proceedings, Page 112. Under provisions of Section 334.4, contracts entered into by Temple officers when appropriations are made by the Temple, contracts requiring additional expenditures require Temple approval and appropriation of funds therefor by amendment of the budget.

1987 Proceedings, p. 119. "Temple specific project authorization and budgeting granting the Board of Trustees supervisory control, is exclusive in nature and no other committees or Temple officers may interfere with the fulfillment of the Board's responsibility.

§ 334.5

1980 Proceedings, p. 29. 1985 Proceedings, Page 111. The 1983 amendment made May 1, date for filing audit report with Imperial Recorder. Nevertheless, where possible, sound judgment would suggest selection of a qualified auditor who could complete the audit prior to the annual meeting of the Temple.

1973 Proceedings, p. 97. Any member of the temple is entitled to examine an audit of the temple's accounts, which should be made available routinely to the members at the annual or budget meeting under § 334.6; and he may likewise examine audit reports concerning the accounts of temple-affiliated corporations.

1980 Proceedings, p. 29. The audit and financial reports mentioned in § 334.6 should be made available to any member of the Temple at any reasonable time and place.

1980 Proceedings, p. 29. Under provisions of §§ 327.3, 327.4, and 327.5, Temple financial officers are required to report financial transactions to the Temple at its meetings; and, under §§ 334.5 and 334.6, they are required to submit the financial records to an audit, which is made available routinely to members of the Temple at its annual or budget meeting.

1970 Proceedings, p. 94. Fund raising plans for a building program do not require approval by the Imperial Potentate, unless secured or long term obligations are involved.

1970 Proceedings, p. 94. An unauthorized corporation may not be used as the vehicle for a building project or attendant obligation.

1975 Proceedings, p. 20. The use of a business card showing a photograph of a Noble in his Fez is a violation of § 335.2(a).

1979 Proceedings, p. 170. Repeated use of a reference to "Nobles" throughout an advertisement, in the guise of an open letter from an insurance company to the members of the Temple, is a violation of § 335.2 (a); and casting such advertisement in the guise of a fund raising project for Shriners Hospitals without the approval of the Boards of Directors and Trustees is a violation of § 503.6.

1980 Proceedings, p. 28. Placement of a sign on a Unit vehicle indicating that it was furnished by a lending institution is prohibited by § 335.2.

1986 Proceedings, Page 152. Section 335.2(a) establishes qualifications for elective office as members in good standing. Additional qualifications may only be imposed by appropriate amendments to this Imperial bylaw.

§ 335.3

§ 335.6

1965 Proceedings, p. 42. Permission to print Temple roster denied.

1966 Proceedings, p. 208. Lists for social use not prohibited. Business or advertising purposes prohibited.

1967 Proceedings, p. 83. Promotion of a Shrine circus is not such a business purpose as precludes the use of a list of a Temple membership in such activity.

1967 Proceedings, p. 84. Publication of a roster of the units of a Temple is not prohibited provided there is imprinted in block letters and contrasting colors a legend prohibiting its use for business purposes.

1977 Proceedings, p. 162. The use of a Temple mailing list by the Building Fund Committee of a Masonic Temple Association, which owns the building in which the Temple is housed, to solicit funds to remodel the building is not proscribed by § 335.6(a) because the use is not for a business purpose.

ANNOTATIONS TO BYLAWS (IOWA)

1979 Proceedings, p. 171. § 335.6(a) relates to circulation of members of a Temple for business purposes, and it does not forbid the use of Temple mailing lists for promotional purposes by the Scottish Rite.

1982 Proceedings, p. 171. Abou Saad Temple and its Nobles are to abide by the laws of the Republic of Panama when they are within its jurisdiction, and its flag is to be accorded the "position of honor."

§ 335.16

1972 Proceedings, p. 153. Application to Congress for a federal charter of a proposed corporation, the purpose of which is related to Shrine activities, may not be made without permission of the Imperial Potentate in accordance with § 335.16.

§ 336.1

1967 Proceedings, p. 84. The formation of a holding company to acquire and hold property for a Temple unit is not permitted under Shrine law.

1970 Proceedings, p. 93. Control of uniformed units, including unit money and property is vested in the Potentate by this section.

1971 Proceedings, p. 95. Money raised in the name of the Order by uniformed units of a temple must be turned over to the temple to be handled in the same manner as all other temple funds.

1973 Proceedings, p. 98. By reason of § 336.1 uniformed units are under the direct control of the Potentate and by reason of § 337.3 Shrine clubs are likewise under his direct control, so Shrine clubs may not themselves organize or control uniformed units.

1973 Proceedings, p. 98. In view of § 336.1 all funds raised by uniformed units are income to the temple. That section taken together with §§ 334.4 and 327.5 requires that the expenditure of funds for or by uniformed units be consistent with the budget adopted by the temple.

1975 Proceedings, p. 19. Any funds held by a Unit which is disbanded by the Potentate under § 336.1 must be turned over to the Temple.

1975 Proceedings, p. 21. Under § 336.1 the Potentate has the power to suspend members of Units and, indeed, to disband the Units themselves.

trol uniformed units, which are integral parts of the Temple under § 336.1 and directly controlled by the Potentate.

1979 Proceedings, p. 170. Aside from the requirement that all members must be Nobles, § 336.1 leaves qualifications for membership in a Temple Unit to the discretion of the Potentate.

1982 Proceedings, p. 170. Incorporation of a Temple unit is not permitted under the Imperial bylaws.

§ 336.2

1972 Proceedings, p. 155. The Southeast Clown Association has no authority to exclude from any parade a non-member clown unit which has permission to participate in such parade from the Potentate of its own Temple under § 336.2(b) and from the Potentate of the Temple in the jurisdiction of which the parade is held under § 336.2(c).

1973 Proceedings, p. 98. § 336.2(d) does not prohibit the reimbursement of direct expenses of a parade or exhibition, but it forbids the recovery of expenses which would have been incurred even without such parade or exhibition.

1976 Proceedings, p. 175. While under § 336.2(d) a unit may be reimbursed for direct expenses of a parade or exhibition, it may not accept compensation or other remuneration in the guise of "expense money".

1977 Proceedings, p. 162. A Temple uniformed unit is prohibited by § 336.2(c) from making a public appearance within the jurisdiction of another Temple without the consent of the Potentate of the Temple within the jurisdiction of which such public appearance is made.

1979 Proceedings, p. 171. In playing private engagements for compensation, a musical group composed of Shriners may not use a name which identifies them with their Temple.

1981 Proceedings, p. 165. The provisions of § 336.2(c) do not apply to public appearances by units of a temple in the jurisdiction which that temple holds concurrently with one or more other temples; and "public appearances by units," as referred to in § 336.2(c), differ from "activities" referred to in § 328.9.

§ 337.1

1967 Proceedings, p. 84. Oriental and Arabic names are reserved for Temples, and should not be a part of the names of Shrine clubs or holding companies.

1974 Proceedings, p. 26. The formation of a "social club" composed of members of various Shrine Temples living within the exclusive jurisdiction of another Temple is in violation of § 337.1 unless authority is obtained from the Potentate of the Temple in the jurisdiction of which the club is formed.

1977 Proceedings, p. 163. A so-called "alliance" of members of a single Temple constitutes a Shrine Club under § 337.1 and may not be organized within the exclusive jurisdiction of another Temple without the permission of the Potentate of such Temple in accordance with §§ 337.4 and 337.5.

1978 Proceedings, p. 87. Inasmuch as § 337.2 reserves to the authorizing Temple control over its Shrine clubs, the Temple bylaws may properly contain provisions related to the ownership of real estate by such Shrine clubs.

1984 Proceedings, p. 109. Imperial Bylaws do not authorize a Shrine Club to be a member of a corporation with other non-Shrine fraternal organizations.

§ 337.3

of the Potentate by a provision in its bylaws that one-half of one percent of its members shall not be Shriners.

1967 Proceedings, p. 83. A Shrine club at the seat of the Temple with a membership including all members of the Temple is not authorized by Shrine law.

1978 Proceedings, p. 87. The Potentate has control of the Shrine clubs of his Temple pursuant to §337.3, and he may require changes in the By-laws of such Shrine clubs even though such bylaws were approved by his predecessors in office.

1985 Proceedings, Page 113. Potentate has control of Shrine Club pursuant to Section 337.3. He may lawfully interpose his edicts regarding management, organization of the club, suspend its operations entirely during the term for which he holds office so long as such edicts are not arbitrary, capricious or penal in nature.

1986 Proceedings, Page 153. Temple Potentate has absolute control over a Shrine Club's existence. He may suspend all rules and/or suspend the club from activity during his term as Potentate.

§ 337.5

1972 Proceedings, p. 152. Section 337.5(c) applies to an existing Shrine club in jurisdiction which becomes concurrent by the issuance of a dispensation to a new Temple.

1974 Proceedings, p. 25. Pursuant to § 337.5(c) a Shrine club located in concurrent jurisdiction remains subject to the jurisdiction of the Temple by the authority of which it was formed, even though it is closer to a new Temple thereafter created.

1974 Proceedings, p. 25. An agreement with respect to the formation of Shrine clubs in concurrent jurisdiction must be authorized by the membership of both Temples under §§ 337.5 and 324.8.

1976 Proceedings, p. 175. The burden of establishing the existence of an agreement such as is contemplated by § 337.5(c) with respect to control of Shrine clubs is on the Temple which claims such agreement to exist.

§ 337.6

1979 Proceedings, p. 170. Activities regularly carried on on a continuing basis before and after May 1, 1975, constitute "activities planned and publicized prior to May 1, 1975" within the meaning of that language in § 337.6(b); so that such activities may be continued on an annual basis after the adoption of § 337.6(b).

1987 Proceedings, p. 117. Unauthorized and wrongful solicitation in concurrent jurisdiction by a Temple's Shrine Club requires repayment of all receipts from solicitation and apology to offended Temple.

§ 337.7

1967 Proceedings, p. 82-83. All members, directors and officers of a Shrine club holding company must be Nobles and members of the Shrine club.

1967 Proceedings, p. 83. The incorporation of a Shrine club to procure a liquor license and otherwise function as a club is prohibited.

1968 Proceedings, p. 121. Shrine Club Holding Corporations are required to submit operating statements and balance sheets annually to the Imperial Recorder.

1970 Proceedings, p. 93. The Potentate may require dissolution of a Shrine Club holding company.

1974 Proceedings, p. 26. If the Trustees of a Shrine club holding corporation refuse to dissolve the corporation upon the Potentate's direction, he may remove them from office under § 337.7(c)(3) and appoint others who will comply with his order.

1975 Proceedings, p. 20. If membership in a proposed corporation is conditioned upon membership in a Shrine Club, the proposed corporation is related to the activities of the Order and may be organized only under § 337.7 or § 335.17.

**IMPERIAL COUNCIL A.A.O.N.M.S.
ACCOUNTING AND FINANCIAL REPORTING REQUIREMENTS
FOR SHRINE TEMPLES**

The bylaws of the Imperial Council, A.A.O.N.M.S., an Iowa Corporation, contain various requirements as to accounting and financial reporting. This addendum has been prepared to supplement the bylaws requirements. Because of their numerous and diverse activities, many questions confront temples concerning accounting requirements. The American Institute of Certified Public Accountants Industry Audit Guide "Audits of Certain Non-Profit Organizations" which incorporates Statement of Position No. 78-10 entitled "Accounting Principles and Reporting Activities for Certain Nonprofit Organizations" contains comprehensive guidelines to accounting and reporting practices for fraternal organizations.

All funds under the control of the temple, charitable or otherwise, and all activities, including circuses, and all funds and activities of the units of the temples, should be included in the temples' financial statements. When the corporation is a separate legal entity, such as a temple holding corporation, the financial statements should be presented in a combining format which shows in columnar form the separate entities and then presents a combined total.

Temple units are not permitted to maintain funds which are not under the control of their temples. In certain cases, such as where the units maintain records and do not keep them at the temple office, the auditor may not believe, from a practical standpoint, that he is in a position to audit the funds. In such cases, the temple's financial statements should be prepared without the units' funds. Appropriate disclosure that such funds exist and are excluded should be contained in the notes to the financial statements. Even though such funds may be excluded from the temple's audited financial statements, such funds must be included in the temple's annual reports to the Internal Revenue Service.

The accrual basis or modified accrual (wherein certain items would be handled in a cash basis rather than being recorded as a receivable or as a liability) of accounting is required for all temples. Financial statement formats with sample notes to financial statements and examples of supplementary financial information are attached (see Form #21). These are guidelines which are required to be followed by all temples. More important aspects of these guidelines are as follows:

1. The financial statements and notes should be comparative and present financial information for two years.
2. The financial statements should be presented in a combined format to reflect all of the financial activities of the temple including all fund raising activities, charitable funds, and financial information of separately incorporated entities such as temple holding corporations.
3. Supplementary financial information should reflect all activity of individual restricted funds (including the Hospital Patient Transportation Fund) if not separately presented in the primary financial statements.
4. Supplementary financial information should include details of all fund raising activities segregated into charitable and fraternal categories listing each fund raising event.
5. All transactions with related parties which include payments to members of the divan, commissions to Shrine clubs and units, checks drawn to the temple from restricted funds for administrative expense reimbursements, etc. are required to be disclosed in the notes to the financial statements.
6. Audited (or reviewed in the case of temples with less than 3,000 members) financial statements must be filed with the Imperial Council by May 1.

An engagement letter is required to be signed with the temples' auditors prior to the beginning of the audit, which establishes the responsibility of the auditor and of the temples' divan as regards the audit of the financial statements of the temple. An example is included with this addendum (see Form #22). This example acknowledges, among other things, the requirement of the auditor to comply with these financial and reporting requirements. Any engagement letter entered into with an auditor must include the items identified in the example.

A representation letter should be furnished to the auditor at the completion of his examination. An example is included with this addendum (see Form #22). The actual representation letter furnished the auditor must, at a minimum, be signed by all members of the divan and include all items identified in the example.

Included with this addendum is a uniform chart of accounts for Shrine temples (see Form #20). This chart is designed to assist the temples in conforming to more modern financial reporting practices. The chart may be used with some flexibility in that it is not necessary for the temple to maintain all of the detail expense accounts that are set out in the chart. The temple may also add accounts as necessary.

SAMPLE AUDIT ENGAGEMENT LETTER

(Date)

ABC Temple

(Address)

Dear ABC Temple:

We are confirming our understanding of the services to be provided in connection with our planned examination of the balance sheet of ABC Temple (the Organization) at December 31, 19..., and the related statements of revenues, expenses and changes in members' equity and changes in financial position for the year then ended.

The purpose and scope of our examination will be to express an opinion on the financial statements. Our examination will be made in accordance with generally accepted auditing standards. Accordingly, we will selectively test the accounting records of the Organization and related data, and will perform other auditing procedures by methods and to the extent we deem appropriate.

We understand that the financial statements are required to conform to the sample financial statements provided by the Imperial Council A.A.O.N.M.S. In this regard all entities affiliated with the Temple and under its control (Shrine units, country clubs, mosques, etc.) will be included in the financial statements. We also understand that we are required to report on and separately disclose individual designated funds, restricted funds and fund-raising activities (by those that are for fraternal purposes and those for charitable purposes).

As part of our examination, a letter of representation will be requested from the Divan confirming (a) certain representations made orally during our examination that are not reflected in the Organization's books of account and other records and (b) certain other representations implicit in the books and records maintained by employees of the Organization. That letter will deal with matters such as the Divan's acknowledgement of its responsibilities for the fair presentation of the financial statements, information concerning related party transactions, plans or intentions that may affect the carrying value or classification of assets and liabilities, and similar matters.

We will advise you promptly if we discover conditions which cause us to believe that material errors or defalcations or other irregularities may exist or if we encounter other circumstances that require us to extend our work significantly. However, an examination based on selective testing is subject to the inherent risk that material errors or irregularities, if they exist, will not be detected.

At the conclusion of our examination we will submit our report with respect to the financial statements. We will separately advise you of any material weaknesses in internal accounting control that come to our attention during our examination and make any recommendations we may have for strengthening those controls. We will also make recommendations for improving operational procedures to the extent that such matters come to our attention.

(optional) As part of our engagement, we will prepare the federal tax return Form 990 (and 990-T, if required) of the Organization for the year ended 19... We will not prepare any other tax returns unless specifically requested to do so.

If the above arrangements are acceptable to you and if the services outlined are in accordance with your requirements, please sign the copy of this letter in the space provided and return it to us.

Very truly yours,

CERTIFIED PUBLIC ACCOUNTANTS

SAMPLE REVIEW ENGAGEMENT LETTER

(Date)

ABC Temple

(Address)

Dear ABC Temple:

We are confirming our understanding of the terms and objectives of our arrangement to review the balance sheet of ABC Temple as of December 31, 19..., and related statements of revenues, expenses and changes in members' equity and changes in financial position for the year then ended. We understand that all books and records will be prepared by Temple employees or volunteers.

It is also understood that the nature of our work and related report on the financial statements intended here shall be in accordance with professional standards established by the American Institute of Certified Public Accountants. These financial statements, which will include the reference "See accompanying notes to the financial statements and accountants' review report" on each page, will be accompanied by our report which is expected to be in the following form:

We have reviewed the accompanying balance sheet of ABC Temple as of December 31, 19..., and the related statements of revenues, expenses and changes in members' equity and changes in financial position for the year then ended, in accordance with standards established by the American Institute of Certified Public Accountants. All information included in these financial statements is the representation of the management of ABC Temple.

A review consists principally of inquiries of Organization personnel and analytical procedures applied to financial data. It is substantially less in scope than an examination in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statement taken as a whole. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with generally accepted accounting principles.

NOTE: Reviewed Financial Statements are only permitted for temples with less than 3,000 Nobles.

We understand that the financial statements are required to conform to the sample financial statements provided by the Imperial Council A.A.O.N.M.S. In this regard all entities affiliated with the Temple and under its control (Shrine units, country clubs, mosques, etc.) will be included in the financial statements. We also understand that we are required to report on and separately disclose individual designated funds, restricted funds and fund-raising activities (by those that are for fraternal purposes and those for charitable purposes).

Our report may need to be modified for circumstances such as a departure from generally accepted accounting principles. Also, material uncertainties of which we become aware would be set forth in a separate explanatory paragraph.

If for any reason, we are unable to complete our review of your financial statements, we will be unable to issue a report on such statements as a result of this engagement.

The financial statements are the representations and the responsibility of Temple management. However, if any questions should come to our attention regarding the accuracy or completeness of the statements, we will, of course, bring them to your attention promptly.

It is understood that our assignment is limited to an accounting service and, therefore, does not constitute an audit of your financial statements in accordance with generally accepted auditing standards. Further, the services involved in this engagement are not designed and cannot be relied upon to disclose errors, irregularities, or illegal acts, including fraud or defalcations, should any exist. We will inform you, however, of any matters that come to our attention which cause us to believe that such a condition exists. We request that you do not record this service as an "audit" engagement in your minutes nor describe our services as "auditing" in your books of account.

As part of our review, a letter of representation will be requested from management confirming (a) certain representations made orally during our review that are not recognized in the Organization's books of account or other records and (b) certain other representations implicit in the books and records maintained by employees of the Organization. That letter will deal with matters such as management's acknowledgment of its responsibilities for the fair presentation of the financial statements, information concerning related party transactions, plans or intentions that may affect the carrying amount or classification of assets and liabilities, and similar matters.

(Optional) As part of our engagement, we will prepare the federal tax return Form 990 (and 990-T, if required) of the Organization for the year ended 19... We will not prepare any other tax returns unless specifically requested to do so.

We shall be pleased to discuss this letter with you at any time. If the above terms are acceptable to you, and the services outlined are in accordance with your requirements, please sign the copy of this letter in the space provided below and return it to us.

Very truly yours,

CERTIFIED PUBLIC ACCOUNTANTS

(Address)

Gentlemen:

In connection with your examination of the balance sheet of ABC Temple as of December 31, 19.., and the related statements of revenue, expenses and changes in members' equity and changes in financial position for the years then ended; for the purpose of expressing an opinion as to whether the financial statements present fairly the financial position, results of operations, and changes in financial position of ABC Temple in conformity with generally accepted accounting principles, you have requested that we confirm certain representations made to you during your examinations. Accordingly, we confirm, to the best of our knowledge and belief, the following representations:

1. We are responsible for the fair presentation in the financial statements of financial position, results of operations, and changes in financial position in conformity with generally accepted accounting principles (or other comprehensive basis of accounting).
2. We have made available to you all financial records and related data. Minutes of the meetings of the Divan, copies of which have been supplied to you, are complete and authentic records of proceedings at all such meetings held between January 1, 19.. and (date of letter).
3. We understand that you have selectively tested the accounting records of the Temple and obtained other supporting evidence by methods and to the extent you deemed appropriate for the purpose of expressing an opinion on the financial statements, but that such test examination will not necessarily reveal all errors or irregularities. (The term irregularities refers to intentional distortions of financial statements or misappropriations of assets.) There have been no irregularities involving:
 - Management or employees who have significant roles in the system of internal accounting control.
 - Other employees who could have a material effect on the financial statements.
4. We have no plans or intentions that may materially affect the carrying amount or classification of assets or liabilities in the financial statements.

5. Related party transactions and related amounts receivable or payable, including sales, purchases, loans, transfers, leasing arrangements, and guarantees have been properly recorded or disclosed in the financial statements. (Related parties include, as a minimum, members of the Divan and Shrine Clubs and Units.)
6. The following have been properly recorded or disclosed in the financial statements:
 - a. Arrangements with financial institutions involving compensating balances or other arrangements involving restrictions on cash balances, and line of credit or similar arrangements.
 - b. Agreements to repurchase assets previously sold or options to purchase property or equipment.
7. There are no violations or possible violations of laws or regulations whose effects should be considered for disclosure in the financial statements or as a basis for recording a loss contingency.
8. We are not aware of any pending or threatened litigation, claims or assessments, or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with Statement of Financial Accounting Standards No. 5 "Accounting for Contingencies," and we have not consulted a lawyer concerning litigation, claims or assessments.
9. There are no other material liabilities or gain or loss contingencies that are required to be accrued or disclosed by Statements of Financial Accounting Standards No. 5.
10. Federal tax returns through December 31, 19... have been examined by the Internal Revenue Service. Returns of years since that date are still open.
11. The Organization has satisfactory title to all owned assets, and there are no liens or encumbrances on such assets nor has any asset been pledged.
12. There are no material transactions that have not been properly recorded in the accounting records underlying the financial statements. All material leases have been properly recorded or disclosed in the financial statements.
13. We have complied with all aspects of contractual agreements that would have a material effect on the financial statements in the event of non-compliance.
14. No events have occurred subsequent to the balance sheet date that would require adjustment to, or disclosure in, the financial statements.
15. We have complied with Imperial Council bylaws and General Orders, more specifically Section 335.3 of the by-laws of the Imperial Council, A.A.O.N.M.S. regarding fund-raising activities. In regards to all fund-raising activities that benefited Shriners Hospitals:
 - (a) Permission was received from the Imperial Council and Shriners Hospitals to hold the fund-raising activity.
 - (b) 100% of the net proceeds from the fund-raising event were distributed to Shriners Hospitals, or with written permission up to 50% to the Hospital Transportation Fund with the balance to Shriners Hospitals.
 - (c) All related charity activity forms have been completed and submitted to the Imperial Council A.A.O.N.M.S.
 - (d) No allowable administrative expenses have been charged to the activity nor have any transfers to other funds occurred. (Other than to the Hospital Transportation Fund).

- (e) No interest earned on charitable funds was transferred to the Temple for non charitable purposes.

In regards to all fraternal fund-raising activities, a statement has appeared on all promotional literature that 100% of the proceeds from the activity will benefit the Temple.

16. We have properly forwarded to Shriners Hospitals for Crippled Children all bequests and donations for the benefit of the Hospitals. Any bequests and donations which have been received by the Temple that could be possibly construed as being for charitable purposes have been communicated to General Counsel.

Very truly yours,

ABC Temple, A.A.O.N.M.S.

Explanation of the Calendar

The Mohammedan year contains twelve months of thirty and twenty-nine days alternately, except leap years (indicated by a star), when the twelfth month has thirty days. The small numbers (printed in red) from 1 to 365 are the days of the Gregorian year, and are affixed to corresponding days in both calendars.

EXAMPLE

The 5th day of the 7th month, Rajab, 1408 (marked 150 in red) is the 27th day of February, 1988 (also marked 150 in red).

What day in the Mohammedan year is June 9, 1988?

Finding June 9, 1988 in the Gregorian calendar it is found to be marked 283 in the red figures. The corresponding figure in red on the Mohammedan calendar is found to be the 20th day of the 11th month, Dhu-l-Qu-dah, 1408 (also marked 283 in red).

AFTERNOON SESSION
WEDNESDAY, JUNE 24, 1987
ONE-FORTY O'CLOCK P.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, reconvened at the Las Vegas Hilton Hotel, Las Vegas, Nevada, at one-forty o'clock p.m., Imperial Potentate Russell Anthony, D.V.M., presiding.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE ANTHONY: I would now like to call on Imperial Sir Jack Jones.

IMPERIAL SIR JONES: Imperial Sir, I would like to nominate the following persons, by virtue of their Office as Imperial Officers, to serve one year on the Board of Trustees of Shriners Hospitals for Crippled Children.

Imperial Potentate-Elect, Voris King.

Deputy Imperial Potentate-Elect, Edward G. McMullan.

Imperial Chief Rabban-Elect, George W. Powell.

Imperial Treasurer, Webber C. Harrington.

Junior Past Imperial Potentate (almost), Russell H. Anthony, D.V.M.

IMPERIAL POTENTATE ANTHONY: Is there a second?

... The nominations were duly seconded ...

IMPERIAL POTENTATE ANTHONY: Is there any discussion?

... There being no discussion, the motion was voted upon and declared to be unanimously carried ...

IMPERIAL POTENTATE ANTHONY: Now, nominations are in order for three three-year terms for the Board of Trustees. I would ask that the candidates come forward who are, Imperial Sir Robert J. Turley, Imperial Sir Walker S. Kisselburgh, Illustrious Andy Hibbert, Illustrious John Nobles and Illustrious Robert C. Lake, Jr.

At this time, I would like to have Illustrious Sir Edward Maag please present himself to the microphone for the purpose of nominating Imperial Sir Walker S. Kisselburgh.

NOBLE MAAG: Imperial Sir, Imperial Sirs, Distinguished Guests and My Fellow Members of the Colorado Corporation: I appear before you today to nominate for Trustee, Walker S. Kisselburgh, Past Imperial Potentate, 1986.

I have known Walker now for some fourteen years and I have observed him and so have you.

Walker is a distinguished Mason, has had a distinguished Masonic career. He is a York Rite and Scottish Rite Mason, a member of the Royal Order of Scotland, the Red Cross of Constantine, the DeMolay Legion of Honor, was Grand Orator of the Grand Lodge of California and Hawaii and is a Past Master of his Lodge.

Walker has some very distinguished Masonic credentials but, more importantly than those Masonic credentials is the fact that Walker actually believes and practices in his own life the Masonic precepts we are taught to obey. He literally practices what he preaches.

His dedication to humanity led him to join the Shrine and, subsequently, Al Malaikah Temple recognized his qualities of leadership and he became Potentate of Al Malaikah Temple, a Past Potentate, and then ran for the Imperial Line and was subsequently elected as Imperial Outer Guard.

He has served our Fraternity and our philanthropy on the Imperial Line now, on the Joint Boards, for some eleven years and a remarkable eleven years they have been, too.

He has proven, by his service on the Imperial Divan, that he is a temperate, kind, cooperative and innovative individual. His ability to work cooperatively with others has been appreciated by all of us who have had the opportunity to work with him.

I want you Nobles who have been here for several years to think back on the great joy that we all shared over a ten-year period as we watched two fine and distinguished Shrine leaders, Walker Kisselburgh and Gene Bracewell, work arm and arm together to make this Fraternity and this philanthropy grow. They brought joy to our hearts. They made happiness and they made successes where there had been failures or inequities.

Walker is a tireless worker for Shriners Hospitals for Crippled Children. During his eleven years of service on these Joint Boards, he has been a member of the Planning Committee,

the Investment Committee, the Salary and Personnel Committee but there is one committee that he served upon that singularly distinguishes this great Shrine Mason—the Endowments, Wills and Gifts Committee, and if you need any proof, if you need any proof of his leadership and his ability to inspire others to great deeds for our philanthropy, I respectfully submit the figures given to us yesterday at a breakfast for Emeritus Representatives in relation to what the Endowments, Wills and Gifts Committee did between 1977 and 1986. This was during the years of Walker Kisselburgh on the Imperial Divan.

In those ten years, the Endowments, Wills and Gifts Committee that he was Chairman of for seven years, generated \$955 million for our philanthropy—almost a billion dollars. That was a 267 percent increase in gifts to our philanthropy during the years that great committee was under his leadership.

I would submit that Walker is a Trustee in whom you may put your trust. I would trust him with my money, my wife or my life. (Laughter)

Therefore, I would respectfully suggest to you that he is worthy of your trust and confidence.

Thank you very much. (Applause)

IMPERIAL POTENTATE ANTHONY: I now would appreciate it if Imperial Sir Gene Bracewell would present himself at the microphone for the purpose of placing in nomination Imperial Sir Robert J. Turley.

PAST IMPERIAL POTENTATE BRACEWELL: Thank you, Imperial Sir.

Imperial Sir, Imperial Sirs, Distinguished Masonic Leaders, Illustrious Sirs and My Fellow Nobles: I have been honored today to have been asked to place in nomination for another three-year term on the Board of Trustees a Noble who, in my estimation, is one of the most dedicated, devoted, hard working Shriners that I have ever known or had the pleasure of serving and working with.

This Noble has served on probably every major committee in the past of this Shrine organization. He is truly a hard worker.

This Noble has been a Representative to this Imperial Council since 1960. He has been an Imperial Representative for twenty-seven years.

In addition, Bob Turley has served in the following capacities: Imperial Recorder; Chairman of the Jurisprudence and Laws Committee for twelve years and now is Chairman Emeritus; served as General Legal Counsel for our Fraternal corporation as well as our charitable corporation and prior to having been elected to his current position on the Board of Trustees, Bob has served on the Board of Governors of both our Cincinnati Burns Unit as well as our Lexington Orthopaedic Unit.

Then, some six years ago, you saw fit to elect him to the National Board of Trustees.

Now, having all of the above credentials and all of the experience that I have just mentioned to you, I asked Bob to give me some information prior to making this nomination with regard to civic and business accomplishments and I am here to tell you today, fellows, that in his chosen profession, which is as an attorney-at-law and in his civic involvement, his experience far exceeds even the accomplishments that he has achieved in our organization.

Bob Turley is a busy, busy man. He is a native Kentuckian, resides in Lexington, where he has been practicing law for some thirty-seven years as the senior partner of his law firm.

Bob Turley is a Past Master of his Lodge, Past Potentate of Oleika Temple and he is a dedicated member of both the Scottish and the York Rite bodies.

I will tell you something, my fellow Representatives, that when a tough job comes along or a particular special project that you want to have handled, you start thinking about people that can help you do this job and, when that happens, the name of Bob Turley quickly rises to the top of the list because you know that when you give him a particular job, it is as well as done.

Since 1984, Bob has served as Chairman of the Long Range Planning Committee for Shriners Hospitals for Crippled Children and, at the same time, has served on or Chaired many of our major committees in Shriners Hospitals for Crippled Children.

However, I really know that down deep in his heart, probably his greatest joy and accomplishment that he prizes the highest or most highly was his Chairmanship of the

Special Committee that handled the planning, development and finally completion of our twenty-second Orthopaedic Hospital, the beautiful sixty-bed Tampa Unit located in Tampa, Florida.

My fellow Nobles, I ask for your vote for Bob Turley. He will appreciate your support. He will appreciate your confidence and, certainly, he will appreciate your vote and, most of all, your election of Bob Turley to another three-year term on the National Board of Trustees will ensure you and your hospitals of the finest in dedication, devotion and ability.

Thank you very much. (Applause)

IMPERIAL POTENTATE ANTHONY: Thank you, Imperial Sir Gene.

I would now appreciate it if Illustrious Sir John B. Fannin will present himself to the microphone for the purpose of nominating W. "Andy" Hibbert, Jr., for the Office of Trustee.

ILLUSTRIOUS SIR JOHN B. FANNIN [Potentate, Ben Hur Temple]: Thank you, Imperial Sir.

Imperial Sir, Imperial Sirs, Illustrious Sirs and Fellow Representatives: As Potentate of Ben Hur Temple, I have the honor of nominating for office, a member of our Temple.

I consider it a privilege to nominate Past Potentate Dr. W. "Andy" Hibbert, Jr., as a member of the Board of Trustees for our hospitals.

Dr. Hibbert has the time, the ability and desire to serve our hospitals.

His Masonic background, civic service, professional training and experience have exhibited his successful accomplishments and capable performance and are worthy of recognition. Those achievements have been outlined to you in letters you have received from him and so I will not dwell on this.

I heard some Nobles say that when Andy visited their Temples or Association meetings, he did not ask for a commitment in relation to his campaign for Trustee—he asked only for their consideration. I am not sure that we, as voting delegates, should make commitments in advance to any candidate but we should consider the qualifications and commitments of each candidate in their willingness, ability and desire to serve.

Andy has the willingness, ability and desire to serve, having demonstrated this by serving one full six-year term on the Board of Governors of the Galveston Burns Institute.

I wish that all of you knew Dr. Hibbert as I do. He is a dedicated and faithful Noble. He is a practicing surgeon with a tremendous amount of proven administrative and management experience. His talent is available to us.

I hope you will join me in recognizing his merits and cast your vote for him.

I hereby nominate Past Potentate Dr. W. "Andy" Hibbert, Jr., as a candidate for Trustee.

Thank you very much. (Applause)

IMPERIAL POTENTATE ANTHONY: Thank you very much Illustrious Sir.

I would now appreciate it if Illustrious Sir Doug Mayes would present himself to the microphone for the purpose of nominating Illustrious Robert C. Lake, Jr.

NOBLE DOUG MAYES: Imperial Sir, Imperial Sirs, Distinguished Guests and My Fellow Representatives: It is my honor and privilege to place in nomination for the Office of Trustee, Shriners Hospitals for Crippled Children, the name of the Honorable and Illustrious Sir, Noble Bob Lake of Hejaz Temple, Greenville, South Carolina.

Noble Lake has served his hometown, his county, state, the nation and the Shrine of North America with dignity and honor for many years.

He learned to serve his fellow man and society from his late father, Noble R. C. Lake, Sr., who, for forty-five years, was Superintendent of the Newberry County Schools in Whitmore, South Carolina, where, also, our nominee's mother was a teacher. Also, both of his brothers have dedicated their lives to service, with his brother, Noble John Lake, being a dentist and his other brother, Noble Kemper Lake, being a medical doctor.

Illustrious Sir Bob took his law degree at the University of South Carolina in 1949, later getting his Juris Doctor Degree. In 1981, Noble Bob was awarded an Honorary Doctor of Laws Degree from Newberry College for his dedication and financial support.

A life long Presbyterian, he has served as a Sunday School teacher, an Elder, a moderator of the South Carolina Presbytery and this year Noble Bob serves as a delegate to the General Assembly of the Presbyterian Church in Biloxi, Mississippi.

In 1968, Noble Bob Lake became Senator Bob Lake, when he was elected to the South Carolina State Senate, where he served for seventeen years, until his district was reapportioned.

He is a member of the Newberry County Bar, the South Carolina Bar Association, the American Bar Association, the South Carolina Trial Lawyers Association and the American Trial Lawyers Association. Last year, the State Legislature elected him a Trustee of the Medical University of South Carolina.

Noble Lake was raised as Master Mason at Roseboro Lodge No. 195 in 1950. He is a member of both the York and Scottish Rites and was initiated a Noble in Hejaz Temple in 1952. He served Hejaz Temple as Temple Attorney from 1962 until the present. Then, in 1972, Illustrious Sir Bob was elected Potentate of Hejaz, where he set records for contributions to the Shriners Hospitals.

Noble Bob has served as a member of the Board of Trustees of the Greenville Unit of Shriners Hospitals.

He has served as an elected Representative of Hejaz Temple since 1970 and two years ago, became an Emeritus Member of the Imperial Council. In 1982, Illustrious Bob was appointed a member of the Jurisprudence and Laws Committee and for his fifth year, he has been working at our Imperial Sessions.

Nobles, we have here a man with a proven record of service. He wants to continue to serve you and me and the Shrine and more important, the little children as Trustee.

I urge you to join me and elect a man who is qualified, dedicated and motivated—Illustrious Sir Bob Lake, as a Trustee.

Thank you very much. (Applause)

IMPERIAL POTENTATE ANTHONY: Thank you very much.

I would now ask that Illustrious Sir Howard Bozeman present himself to the microphone for the purpose of nominating for the Office of Trustee, Illustrious Sir John Nobles.

NOBLE HOWARD BOZEMAN: Imperial Sir, Imperial Sirs, Distinguished Masonic Brethren and My Fellow Representatives and Members of the Colorado Corporation: I am extremely pleased to come before you today to place in nomination the name of John Nobles to be a member of the Board of Trustees for Shriners Hospitals for Crippled Children.

As you know, I have served you for the past ten years as a member of this Board. It has been a wonderful and enlightening experience and I believe that experience gives me a special insight and understanding of the qualifications necessary to serve on this Board.

If I were to create the ideal candidate for Trustee of Shriners Hospitals for Crippled Children, it would be a man who has proven his dedication to the Shrine of North America; a man who has proven ability in the business world; and a man who has compassion and sensitivity to deal with all of the aspects that involve our crippled and burned children. John Nobles is a man who has these qualifications.

Since first becoming a Mason some thirty years ago, John has proven himself in the Masonic Order as a member of both the York Rite and the Scottish Rite and has attained the Thirty-Third Degree in Scottish Rite Masonry.

He is a member of the National Sojourners, the Royal Order of Jesters and was the Illustrious Potentate of El Maida Shrine Temple in El Paso, Texas, in 1984.

In his Shrine career, John has served as Chairman of all committees in his Temple, presently serving on the Finance Committee and, of course, he is an elected Representative to this Imperial Council.

As you Nobles are aware, the Shrine of North America is big business. The Board of Trustees is responsible for the operation of our twenty-two hospitals and we are engaged in a renovation program and the equipment and construction of facilities in excess of \$300 million.

John Nobles knows about big business and he knows the construction business. As the owner of a large construction company, he has been responsible for the building of hospitals and medical facilities. As a Director of a large financial institution in Texas, John has been involved in decisions involving millions and millions of dollars.

John Nobles has received valuable experience while serving for six years on the Board of Governors for the Galveston Shrine Burns Center. On that Board he has served on the

Executive Committee and as Chairman of the Building and Equipment Committee. During his tenure on that Board, John was also involved in establishing the first outpatient clinics for not only the Galveston Unit, but also the Mexico City and Salt Lake City Units.

It may be easy for some of us to serve on Boards of Directors in your own hometown or within 250 miles; however, I ask you to consider this. During the six years that John Nobles has served on the Board of Governors of the Shrine Burns Center in Galveston, he has traveled 800 miles each way and during those years, has been absent less than a handful of times. It requires real interest and dedication to travel 1,600 miles to a Board meeting.

John is that that kind of guy. With his many Masonic and Shrine activities and with the many duties he must perform with his large and very successful business, John Nobles still finds time to be active in his church and in his community.

He serves the El Paso community in many ways. He was awarded the El Paso Man of Vision Award in 1979. He served as the Vice President of the Texas Society to Prevent Blindness. He is a Counselor of the Methodist Youth Fellowship. He is Vice Chairman of Kids of El Paso, serves on the El Paso Young Life Committee and he is a Director of the Sun Bowl Association.

Yes, Nobles, I am indeed honored and privileged to nominate a Noble whom I feel is most qualified for the Office of Board of Trustees—a man who has proven that he cares about the young people of North America—an outstanding Mason and Shriner, a man with good business judgment and vision to serve now and for many years to come.

I place into nomination for the Office of Trustee, Shriners Hospitals for Crippled Children, the name of Past Potentate, John Nobles of El Maida Temple and thank you for your favorable consideration of him. (Applause)

IMPERIAL POTENTATE ANTHONY: Thank you very much.

I will now call upon the Chairman of the Tellers Committee to give you instructions prior to balloting.

NOBLE HATHAWAY: Imperial Sir, Imperial Sirs and Representatives All: The ballot you will use for the three-year term on the Board of Trustees will be ballot 16. Now, you must vote for three members. Use only this particular ballot or your ballot will be void.

IMPERIAL POTENTATE ANTHONY: Thank you.

Again, it is ballot 16, the salmon colored ballot.

... Whereupon, balloting and collection of ballots ensued ...

IMPERIAL POTENTATE ANTHONY: Now, let me ask, would anybody else care to ballot at this particular time? Does anyone else care to cast a ballot at this particular time? Does anyone care to cast a ballot at this particular time?

Hearing no further comments, I now declare the ballot closed and I will ask the Tellers to proceed with their duties. (Gavel)

... Business was conducted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE ANTHONY: I will now call upon the Chairman of Endowments, Wills and Gifts, Imperial Sir Jack Dean, to give a most excellent report.

IMPERIAL SIR DEAN: Imperial Sir, Imperial Sirs, Illustrious Sirs, Most Worshipful Grand Masters, Members of the Divans and My Fellow Representatives: It is always a privilege for me to make this most excellent report as the Imperial Potentate referred to because I usually kid everybody on the Imperial Divan.

However, at this time, I would like to ask three Potentates to come forward and also the Chairman of the Board of Governors of the Chicago Unit to come forward, Illustrious Sir Earl Brown and also Past Imperial Potentate and Chairman of the Board of Trustees, Gene Bracewell, to also please come to the stage.

Now, while they are coming up here, let me ask you—how many of you were not present at the Seminar that was held this spring in Des Moines, Iowa?

... Several hands arose at this point ...

IMPERIAL SIR DEAN: Well, Nobles, at that Seminar, I reviewed with everybody the donor recognition program and for those of you that have observed the EWG display on the outside of this room, you have no doubt seen the different awards we present in a manner in which we can recognize all of the donors that give to Shriners Hospitals over the course of the years.

Now, we do have two societies that I do wish to mention. One of these is the Gold Book Society and I am sure that a lot of you have heard me say this before but then there is a reason for doing this at the present time.

We have the Gold Book Society, which involves from a one-star to a six-star award program.

Then we also have the Philanthropic Society, in relation to which we award a bronze medallion, a silver medallion and a gold medallion to be put on the wall of our hospitals.

You know, over the years we have heard a lot of criticism of the fact that the Imperial Officers and the Past Imperial Potentates never participate in these programs. However, I am here to tell you that today this is not the case.

I am here to tell you, for example, that Imperial Sir Gene Bracewell, Dr. Anthony, Voris King, Ed McMullan, myself, Walker Kisselburgh and Winner Delp are all members of the Gold Book Society and it is a pleasure for me at this time, to call upon Imperial Sir Gene Bracewell, the Chairman of the Board of Trustees, to, as a part of my report, make an announcement to you that I think will please everybody.

IMPERIAL SIR BRACEWELL: Thank you, Imperial Sir Jack.

This is certainly a delightful pleasure for me—to have the opportunity of making this presentation.

Now, Jack just briefly explained to you about the Philanthropic Society. I have, at this time, an award that I would like to present to Illustrious Sir Earl Brown who, in turn, will take it back to the Chicago Unit and see that it is put at the appropriate place on the Philanthropic Wall and to send with him our best wishes and sincere appreciation for the generosity to Shriners Hospitals for Crippled Children by Past Imperial Potentate, Imperial Sir Tom Seay, who gave a gift of approximately \$1.5 million. (Applause)

So, Earl, as Chairman of the Board of Governors, please again convey our best wishes and sincere appreciation to Past Imperial Potentate, Imperial Sir Tom Seay.

ILLUSTRIOUS SIR EARL BROWN: Imperial Sir, Imperial Sirs and Nobles All: I am sure that Medinah Temple in Chicago and all of the hospitals in this great system are very proud of Tom Seay.

Imperial Sir Tom Seay was the Potentate of our Temple in 1956 and Imperial potentate in 1967-1968. I know that we do have a big future and we look to the past for help as well as we look to ourselves and I can promise you this, as I promised Tom Seay, that it certainly will be put on the wall of our hospital this coming Monday.

Thank you very much. (Applause)

IMPERIAL SIR DEAN: Thank you very much, Illustrious Sir.

Let me say that Earl Brown has been very helpful to us in coordinating this gift. He worked very hard on it but, in addition to that, our Executive Vice President, Lew Molnar, of whom Past Imperial Potentate Tom Seay is very fond, really was likewise instrumental in getting this taken care of and, so, Lew, we would also like to thank you for that.

Thank you very much.

I have to tell you that it is really a pleasure to be able to say to you that we have a Past Imperial Potentate who is going to have his name put on the wall of that hospital while living.

Now, since this program has started, we have presented 291 one-star awards, 172 two-star awards, 114 three-star awards, 25 four-star awards, 55 five-star awards and 100 six-star awards.

How many of you were present when we were at the Seminar? Well, at that time, I told everybody that the one-star award is earned for a gift of \$2,000; that the two-star award is presented when the gift goes to \$5,000; that the three-star award is presented when the gift gets to \$10,000; that the four-star award is presented when the figure gets to \$25,000; that the five-star award is presented when it goes to \$50,000 and that the six-star award is presented when you get to a figure of \$100,000. Also, let me add that these are cumulative so that you can collect each award.

Now, I wish that you would all get these various dollar figures through your heads so that if somebody asks you as to what an award is for, you will be able to tell them.

Again, let us see if we cannot do it one more time.

It is \$2,000, \$5,000, \$10,000, \$25,000, \$50,000, \$100,000.

Now, of course, I am not treating you as children because I treat the Imperial Divan the same way. I make them repeat these figures at every Board meeting because I, too, want them to be able to explain it when asked to do so.

We are very proud of what we have done.

We have given out, in relation to our Philanthropic Society, which is a minimum of \$250,000, 25 bronze awards, 12 silver awards and 8 awards for contributions in excess of \$1 million.

Also, I am privileged to report to you that, in addition to all of this, Dr. Bowers just came back from the Daughters of the Nile Convention and the Daughters of the Nile have exceeded this year again the amount of money they have raised, as they do each year. In other words, each year they increase the amount they are giving and this year they gave us \$1.3 million and I think that is great. (Applause)

Now, fellows, when you go home, or if your wives are here and they are members of the Daughters of the Nile, please tell them that you are grateful for this and that you, in turn, see that it is published so that everybody learns we appreciate what is being done for our hospitals.

Also, in addition to that, we want you to know that last year, in new monies, we raised \$152 million. That is the largest year we have ever had. It tops the year before, which was \$138 million and the year before that, which was \$132 million, and so we are moving ahead and trying to keep the program moving.

I have asked three Potentates to come forward at this point, the Potentates of Araba, Bagdad and Zenobia Temples.

Let me say to you, fellow Nobles, that each of these Potentates, for their Temples, during the last year, reached 100 percent level in relation to the Hundred Million Dollar Club. They will be receiving an award, a trophy. However, we do not have the trophies here with us because we found that carrying those trophies back, especially when they stand as high as they do, is a little bit too cumbersome in relation to getting them on and off the airplanes. So they will be sent to them individually.

However, I do want to congratulate each and every one of these Potentates. I also know the Imperial Potentate wants to thank you and so if you will just turn around, they are going to take a picture of you here.

... Picturing taking ensued ...

IMPERIAL SIR DEAN: That concludes this most excellent report and, Imperial Sir, I would move for its adoption.

... The motion was duly seconded, was voted upon and declared to be unanimously carried ...

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE ANTHONY: I would now like to call upon Noble Jim Johnston of Nile Temple, to please come to the rostrum, and also Imperial Sir Gene Bracewell, the Chairman of the Board of Trustees, who would like to greet him at the rostrum.

IMPERIAL SIR BRACEWELL: Thank you, Imperial Sir.

Fellow Representatives, we are well aware of the fact that it takes a lot of effort from many, many people and organizations to enable us to support our hospitals and take care of the literally thousands of children we care for each year.

Now, we always try to express our appreciation to all of our benefactors for their generosity and support.

However, every once in awhile an individual comes along whom we feel we must single out for some specific recognition and that is the case today with a company by the name of Alaska Airlines.

Today we have with us Jim Johnston, who is one of the Senior Vice Presidents from Seattle, Washington—Noble Jim Johnston, a member of Nile Temple and, Jim, I would like to present to you this plaque as a small token of our appreciation for what Alaska Airlines has done for Shriners Hospitals for Crippled Children.

Just as an example, since 1984, Alaska Airlines has been transporting children to our

Orthopaedic and Burn Units and they have flown some 239 children from the State of Alaska to various hospitals, totally over 750,000 miles, all of this being done totally free of charge.

Last year, Alaska Airlines transported over 200 children, estimated at a cost of \$70,000, again totally free of charge to us—at no cost to us.

We, as Shriners Hospitals for Crippled Children, are certainly indebted to Alaska Airlines for the part they are playing and, at this time, I would like to present to you, Jim, this beautiful plaque, presented to you as a representative of Alaska Airlines and ask you to take it back to the corporate headquarters with our sincere thanks and appreciation.

The plaque reads as follows.

... Whereupon, the inscription on the plaque was read . . .

IMPERIAL SIR BRACEWELL: Noble Jim, we are delighted to make this presentation of this plaque here to you today.

... Presentation of plaque and applause ensued . . .

NOBLE JIM JOHNSTON: Imperial Sir, Imperial Sirs, Illustrious Sirs and Delegates: Truly, in behalf of Alaska Airlines, let me say that you honor us with this prestigious award and, of course, in behalf of Al Aska Temple and Nile Temple, we work in joint sponsorship in providing transportation from the State of Alaska to particularly Portland and Spokane and other centers.

I want to assure you that this plaque will be prominently displayed in our corporate offices and will also be rotated throughout our system.

Again, as I initially said, you honor us with this presentation but, more importantly, I wish to add not only our thanks but continued pledge in this most worthwhile endeavor.

Thank you so very, very much. (Applause)

IMPERIAL POTENTATE ANTHONY: Thank you, Imperial Sir Gene and, I noticed that you all stood in a rising round of applause and, in the process, you joined somewhat of a sense of relief. Therefore, at this point, I am going to declare a brief, two minute recess so that you can get your circulation worked up again and then we will proceed.

... A brief recess ensued . . .

IMPERIAL POTENTATE ANTHONY: Now, if you will be seated, we will continue with our program.

Let me ask that anybody that has any checks they would like to present to the Chairman of the Board of Trustees for our hospitals, please do that now.

Are there any contributions that anybody desires to present to the Chairman of the Board of Trustees at this time? He is there ready, willing and able to receive your contributions.

ILLUSTRIOUS SIR FRANK MOONEY [Potentate, Islam Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs, Most Worshipful Grand Masters and Representatives: Islam Temple is presenting this from the East-West Shrine Football game held in San Francisco. We, of course, always try to put on a good show for you but this check would not have been possible without participation of the Temples that participate in our program.

Therefore, this check, in the amount of \$350,269 comes from the proceeds of the East-West Shrine Football Game.

... Presentation of check and applause ensued' . . .

IMPERIAL SIR BRACEWELL: That is fantastic. Thank you very, very much.

ILLUSTRIOUS SIR ROBERT WAGNER [Potentate, Saladin Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs, Distinguished Guests and Representatives: In behalf of the Nobles of Saladin Temple, we would like to make this presentation to you at this time.

This is something that we started about a year ago, at which time our Temple was 100 years old. At that time, we gave \$100,000 and this year, which will be our 101st year, I would like to present this check for \$101,000.

... Presentation of check and applause ensued . . .

IMPERIAL SIR BRACEWELL: Thank you very much Illustrious Sir, and we certainly congratulate the Temple. You know, we are looking forward to when you have your 200th birthday.

IMPERIAL POTENTATE ANTHONY: Are there further presentations.

ILLUSTRIOUS SIR JACK C. PHELPS [Potentate, Al Menah Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs and Nobles All: I bring you greetings from Al Menah Temple located in Nashville, Tennessee and our check from our sale in the amount of \$640,000.

... Presentation of check and applause ensued ...

IMPERIAL SIR BRACEWELL: Our thanks and appreciation to you for that fantastic donation.

IMPERIAL SIR TONY BUKEY: Imperial Sir, I had the pleasure of representing the Imperial Potentate last night at the Association of Shrine Oriental Bands and, in relation to the project they sponsored, called "Ladder of Smiles," they are making a contribution to Shriners Hospitals in the amount of \$28,866.20 and I would like the record to indicate as having presented this to you. Thank you.

IMPERIAL SIR BRACEWELL: Thank you, Imperial Sir Tony. I will assure you that the Association of Oriental Bands will be properly notified of our acceptance of this money and our sincere appreciation as well.

ILLUSTRIOUS SIR WILLIAM PADGETT [Potentate, Hamasa Temple]: On behalf of the 5,052 members of Hamasa Temple, it gives me a great deal of pleasure to present this check to the hospitals in the amount of \$40,000. Also, in the fall, after our paper sale, there will be more forthcoming. Thank you very much.

IMPERIAL POTENTATE BRACEWELL: That is fantastic and, again, thank you for the wonderful job you do.

ILLUSTRIOUS SIR AL A. PREMIER [Potentate, Isis Temple]: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, Representatives and Nobles All: It indeed gives me a great deal of pleasure, in behalf of Isis Temple and the Shrine Bowl of Kansas to present a check in the amount of \$41,000.

It certainly is our pleasure, in behalf of some 23,000 Shriners in the state who work very hard to do this, to present this check to you.

IMPERIAL SIR BRACEWELL: Illustrious Sir, certainly this august body does commend the fine Temples of the great State of Kansas for your efforts in generating the funds that you have for Shriners Hospitals. Again, thank you very much.

IMPERIAL POTENTATE ANTHONY: Thank you, gentlemen, and Imperial Sir Gene.

At this point, I am going to have to cut off the presentations temporarily because we do have the results, election results and I would now like to call upon the Chairman of the Tellers Committee, Noble Jim Hathaway, to please give that report to us at this time.

NOBLE JAMES HATHAWAY: Imperial Sir, Imperial Sirs, Most Worshipful Sirs and Fellow Representatives: It is a pleasure to give you the results of ballot 16 for the election to the vacant offices on the Board of Trustees.

Dr. Hibbert received 339; Noble Lake, 478; Noble Nobles 515; Imperial Sir Kisselburgh, 629 and Imperial Sir Robert Turley, 635.

IMPERIAL POTENTATE ANTHONY: I now declare Imperial Sir Robert Turley, Imperial Sir Walker Kisselburgh and Illustrious Sir John Nobles duly elected members of the Board of Trustees of the Colorado Corporation for the ensuing three years.

My congratulations to you gentlemen and I am sure you will all add much prestige to this already august group of Nobles.

IMPERIAL POTENTATE ANTHONY: We are going to deviate just a little bit from the agenda. At this time we have some bookkeeping work, so called, that has to be done and so I am going to turn this portion of time over to Imperial Sir Jack Jones, Imperial Recorder, to get on with the business of the election of Officers of the Colorado Corporation and also the election of Directors of the Colorado Corporation.

... The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, was recessed at four-fifty o'clock, p.m. ...

MORNING SESSION
THURSDAY, JUNE 25, 1987
NINE O'CLOCK A.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, reconvened at the Las Vegas Hilton Hotel, Las Vegas, Nevada, at nine o'clock a.m., Imperial Potentate Russell Anthony, D.V.M., presiding.

IMPERIAL POTENTATE ANTHONY: Will you please take your seats so that we can get our session started.

... Business was transacted in the Iowa Corporation at this time.

IMPERIAL POTENTATE ANTHONY: Now, it gives me a great deal of pleasure and honor to present to you the Chairman of the Board of Trustees, Shriners Hospitals for Crippled Children, for the purpose of presenting his report.

IMPERIAL SIR BRACEWELL: Thank you, Imperial Sir.

With your permission, Imperial Sir, I would like to call upon Imperial Sir Burton Ravellette, the Chairman of our Building and Equipment Committee, to give you a status report concerning the building and renovation program involving our various hospitals.

IMPERIAL SIR RAVELLETTE: Thank you, Imperial Sir Gene.

Imperial Sir, Imperial Sirs, Illustrious Sirs, Distinguished Guests, Fellow Representatives and Nobles All: It is a great pleasure, at this time, to present to you a brief overlook of your hospital construction program.

Shriners have provided orthopaedic health care for indigent children since 1922. We entered into the field of burns care in March, 1966, with the inauguration of our Galveston Unit. Our commitment to crippled children has been total and consistent for over sixty-five years.

Even though we have made every effort to keep our hospitals in top physical condition, continuous advances in the medical sciences and methodology of delivering health care services have forced us to continuously update our facilities to comply with all the codes, rules and regulations of the JCAH and to equip our doctors and staff with facilities necessary to enable them to deliver the finest possible medical care and attention to our children.

With the dedication of the new Chicago Unit in June of 1981, Shriners Hospitals embarked on a very ambitious program of new construction and renovation that is designed to bring our orthopaedic and burns hospitals to state-of-the-art status in pediatric health care as quickly as possible within our financial and managerial capabilities. Over the last five years, we have expended over \$156 million to improve our physical plants and facilities.

At the present time, we have \$88 million committed to new construction and \$11 million for routine replacement of equipment.

Four of our twenty-two Temples of Mercy—Chicago, Portland, Shreveport and Tampa—have been completely rebuilt from scratch.

Los Angeles and Montreal have been entirely refurbished with a combination of renovation and new construction.

Erie and Intermountain have been substantially upgraded to hold them for the next seven to nine years.

Honolulu, Houston and Mexico City are undergoing various additions, improvements and cosmetic face lifting to maintain their effectiveness as viable patient care facilities until we can schedule them into our long range schedule of priorities. In the case of Mexico City and Honolulu, these additions are substantial.

New Units are under construction at Lexington and Greenville. It is contemplated that the new Lexington Unit will be ready for occupancy in the spring of 1988 and Greenville should be ready for use by March of 1989. Lexington has been rebuilt as a free standing Unit while Greenville is physically adjacent to and connected with Greenville Memorial Hospital.

The new Unit at Twin Cities is in the process of being designed for construction on the present site.

St. Louis is presently in the schematic design phase for total renovation to make that unit state-of-the-art.

Spokane, Springfield and Philadelphia Units are all scheduled for replacement, consistent with our ability to manage the work load. In Spokane, we have just completed acquisition of a site adjacent to Deaconess Hospital. Initial space planning studies have been conducted. Final functional relationship for that hospital should be completed in the very near future. Construction should follow promptly.

Nowhere have the advances in medical technology had a heavier impact than at our three burns institutes. All three burn centers are scheduled for replacement.

At Cincinnati, a new site has been acquired and the functional program and space planning is in its final stages. We anticipate the selection of an architect in September or October of this year.

Galveston presented its own set of special problems. Consideration was given to other sites in Texas, but after careful review by the Special Committee and with the advice of the Burns Advisory Board, and we also had substantial cooperation from the City Fathers at Galveston, with the assistance of the Moody and Sealy Foundations and the University of Texas Medical Branch at Galveston, a better and larger site was made available. With the new site, we will be physically able to tie into the John Sealy Hospital. We are presently

reworking the functional program and space plan to accommodate the new site. Construction should follow promptly.

Boston also presents some special problems due to space limitations and the inability to acquire a site which we believe would be adequate to provide additional space required to meet modern standards. We are continuing to explore all possibilities to upgrade this unit.

The cost of these new construction programs approximate \$300 million, of which \$88 million has been committed, as previously stated. In order to fund these construction projects, the Joint Boards authorized the transfer of \$146 million from 1986 realized capital gains on investments to the capital reserve fund. This transfer, together with accumulated interest, should provide the necessary funds for this ambitious program.

According to the experts in the field of health care, the life cycle of our Units, due to ever advancing technology, is approximately twenty years. This means that once we have completed this construction program, we shall be perpetually renovating or rebuilding at least one of our Units each year in order to maintain them as centers of excellence. We firmly believe that these hospitals are the heart and soul of the Nobles of the Mystic Shrine.

Nobles, in closing I would like you to know that your Building and Equipment Committee is dedicated to and constantly striving for the "Pursuit of Excellence."

Thank you, Nobles, for your kind attention and may God, in his infinite wisdom, see fit to bless our efforts.

... Applause ensued ...

IMPERIAL SIR BRACEWELL: Thank you, Burt, for a very fine report. You and your committee have done an excellent job.

My fellow Representatives, I would like to ask you at this time to allow me the privilege to say "thank you" for having confidence once again to elect me as Chairman of the Board of Trustees.

It has been my pleasure over the past year to continue to attempt to operate your hospitals at the level of excellence that you expect.

There is no question but that during the past year we have had some challenges that have had to be met but thanks to the support of the Board of Directors and the Board of Trustees and, more importantly, thanks to you for your support, we have not only been able to meet these challenges but, in each and every case, have been able to take a significant step forward.

Your belief in the work being done in Shriners Hospitals has helped us to keep our hospitals at the so-called cutting edge of orthopaedic and burn treatment.

You have just heard Imperial Sir Burt Ravellette tell you about the state-of-the-art concerning the facilities and equipment involving our hospitals. We all know that these are essential if we are to continue to provide for our children state-of-the-art care.

Your Boards have taken action to make your building and renovation program a long range priority. At the same time, we have selected and elected, from the finest talent available, our new Administrators as well as Chiefs of Staff.

Now, in order for us to utilize these facilities and personnel to their fullest and, therefore, provide the best hospital care for our children, we have instituted many programs of the type and quality of care we will be providing at our hospitals in relation to some of these major programs which have been established during the past year or recently. I would like to, at this point, enumerate a few of them.

There has been an expansion of services in relation to myelodysplasia programs that are now in operation in about half of our orthopaedic hospitals.

There has been the development of regional subspecialties of an orthopaedic and burns network of information between our twenty-two hospitals.

There has likewise been a great increase in our research efforts, expanding our treatment program and last, but certainly not least, the follow-up of the care of our children both in the short and long run as well.

These are only some of the changes that have been initiated and progress made therein. This, of course, is absolutely mandatory if we are to be the leaders in the field of orthopaedic and burns care.

Further, all of this will mean very little unless we are able to locate the children who need our help and then, in turn, get them into our hospitals where they can receive that needed care.

During the past year we have placed renewed emphasis on patient recruitment programs or, as Dr. McCollough, our Director of Medical Affairs refers to it, "patient referral." In fact, during the last meeting of our Joint Boards, the largest budget ever was approved for such programs.

We feel we need these types of programs to enable us to find the children out there who are desperately in need of our help so that, as I said, we can get them into our hospital units.

Likewise, we have continued and expanded the program concerning our outreach clinics. These clinics are held as an expanded arm of our hospitals, being located in areas where our patients can easily get to them. Further, these clinics are doing a fantastic job and, together, these efforts have also enabled us to greatly increase the number of patients we are caring for throughout the hospital system.

Now, let me interject one important point here.

Many of you may have heard that our patient census is low, that our patient census is dropping and that sounds terrible, that sounds bad. However, let me clarify this situation a little bit further for you at this point.

First of all, it is true that our patient census level has dropped but it is also true that the actual number of children which we are caring for in Shriners Hospitals has significantly increased. You may say, "Well, how can we be taking care of more patients and, at the same time, have less numbers of patients available?" Well, quite simply, it is because of better and more efficient care.

The average patient stay at our Orthopaedic Units is down to fourteen and one-half days. The drop in length of stay simply means that we are bringing these children to our hospitals, providing them with the care they need and getting them back as quickly as possible to their family and friends.

In addition, we are now also performing more and more procedures on an outpatient basis. Again, this enables us to keep these children in school rather than in our hospitals.

In other words, Nobles, the thought in mind is this—we are doing what is best for the children and I think that Shriners have always done that and will always continue to do that.

Now, my fellow Representatives, Burt and I have told you just a few things which, in my opinion, will enable us to do a better job of providing care and treatment for our children.

However, for those who have not had an opportunity recently to visit one of our hospitals, you may think that this sounds just like a lot of empty words. However, that is not true.

Now, you may have heard of a little girl by the name of Helena. This little girl, while swimming last October down in Florida, was attacked by a shark.

Now, first of all, let me say that there is very, very little known about treatment for this kind of catastrophe. Shark bites are rare. However, that did not phase in any way the Chief of Staff of our Tampa Hospital, Dr. John Ogden.

The little girl was rushed to the Tampa Unit where, Dr. Ogden, our Chief of Staff, went to work on her immediately.

Of course, the first concern of Dr. Ogden and his staff was to save her life and, if at all possible, save her leg. He was not even sure that could be done. However, we knew that it was possible for Dr. Ogden and his team of doctors to make it happen.

Now, in case you have not heard about this incident, I would like, at this time, to show you a video tape of what I think is a very, very special story because I think this brings home, I would venture to say, both to me and to you, a perfect explanation of what Shriners are all about.

... Whereupon, a brief video presentation concerning this incident was presented ... (Applause)

IMPERIAL SIR BRACEWELL: That will give you an illustration of what happened and what the Tampa Unit medical staff was faced with.

Now, Everett Evans, the Chairman of our Public Relations Committee, does some excellent public relations work for the Shrine. However, my fellow Representatives, I am

delighted, at this time, to have the pleasure of introducing and presenting to you the Chief of Staff of the Tampa Hospital—Noble Dr. John Ogden. (Applause)

Let me say, John, we are extremely delighted and pleased to have you with us today and to see the type of video footage as to what you have done, which, I am sure, really makes us all very proud to be Shriners and, also, we are very pleased to be able to say "Noble" Dr. John Ogden.

With that, John, the microphone is yours.

DR. (NOBLE) JOHN OGDEN: Thank you, Imperial Sir, I very much appreciate this opportunity to join with you.

You know, I am a new kid on the block in many ways, both as a member of the Brotherhood and, I suppose, since I moved down to Tampa as the Chief of Staff of your newest hospital.

I believe it was four or five years ago that I received a call from your office asking if I might be interested in a challenge of joining you to open a new hospital. I was, at that time, a little reticent but, nevertheless, I got on an airplane and came to Tampa and spent several hours speaking to the members of the staff and, subsequently, made a decision which I think was one of the most pleasurable ones that I have ever made in my life, which was to join you. This, in turn, has given me an opportunity to provide care for children in a system that does not ask questions and I think it is important that you realize that, mainly because our patients and their families do have to answer questions when they go elsewhere in order to get care.

Now, many of you may not be familiar with the new concept in American medicine—it is called "wallet biopsy." (Laughter) Families are constantly confronted with that.

Back at Yale, and the same way with my colleagues at the University of Southern Florida, when we see little children with problems, we expect to be able to take care of them in the teaching hospitals and private hospitals around us. However, if the families involved cannot come up with sufficient funds to pay deposits, even if they may have insurance, they do not get into that hospital.

There are many of these children out there who are waiting for each and every one of us to recruit them and find them.

We are also facing, at least in Florida, if not throughout many parts of the country, a malpractice crisis that is possibly being blown out of all proportion but, nevertheless, its presence is real and so, again, you are going to find that many physicians, even those with admirable intentions, are not going to be interested in tackling the problems that our little children pose due to this situation.

These, in general, are children with congenital deformities that insurance companies do not wish to insure because of long term ramifications of their care. They are also children with complicated decision making processes that other physicians do not often want to be involved in because of the fear of what might happen if they make the wrong decision.

You have given me, as well as the Chiefs of Staff of our nineteen Orthopaedic Hospitals and three Burns Units, a unique opportunity to provide individual care for these children.

Now, even though I realize the extent of your medical advancements and medical accomplishments, it certainly did not prepare me for what I, as a physician, was going to contribute last October in connection with this little girl and what we were able to do for her, both as a group of physicians who had been assembled at our Unit and as physicians who had the capacity to look at the experience of other physicians in our other Units and throughout the country and, also, the team of health care workers that you have allowed us to assemble at Tampa, which, in this particular care, was to take a little girl with a very devastating injury—a little girl who is an example of what we take care of every day but, in a unique situation and, through our best efforts, be able to give this little girl a chance to become a productive member of society.

Now, in the video presentation, you have seen pictures of her—you have seen a picture of her lying in bed; you heard my conjectures last October about what we would be able to do but, I might add, that those interviews were followed by some fourteen different operations and this little girl, as of today, probably faces five or six more in order for us all to accomplish what we hope to do.

As you know, we do the same for all of our children. I know that you do not see every one of the children we take care of but you certainly see the ones in connection with those involved with your particular Temples.

Now, Imperial Sir Bracewell and I thought that you would like the opportunity today to see the fruits of our labors in relation to this particular episode because, in just a moment or two, we are going to have walk down the aisle this little girl, Helena, who now has her leg, has a nerve that involves regrowing and regenerating and I hope that in the next two to three years, she will be able to walk without the benefit of the crutch that she now uses, without benefit of the brace and, really, to be an independent, productive little member of society.

With that, I would now like to give you Helena as she walks down the aisle.

... Whereupon, the assembled Representatives arose and applauded as Helena, escorted by her mother and Imperial Potentate's Aides, was escorted to the podium ...

DR. OGDEN: Let me say to all of you, Helena is a little shy.

Do you wish to say something? Well, apparently not, but perhaps her mother would desire to make a few brief comments at this point.

... Whereupon, Helena's mother very briefly thanked the Shrine and all of the Nobility for the efforts expended in behalf of Helena's recovery and indicating her profuse thanks to all of Shrinedom for all that had been done for her daughter to bring her to her present day condition ...

IMPERIAL SIR BRACEWELL: Well, fellow Nobles, I can only say one thing and that is this—this is what it is all about. We certainly owe a debt of gratitude for Dr. Ogden and the staff at the Tampa Unit for all of their efforts to bring Helena to the condition she is in today. Of course, as Dr. Ogden indicated, there will be several more operations necessary for her full and complete recovery and this we are pledged to do for her.

Let us give her, her mother and Dr. Ogden and the staff at the Tampa Unit a tremendous hand for all they have done for her.

... Rising applause again ensued ...

IMPERIAL SIR BRACEWELL: Again, thank you, Dr. Ogden, for the great job you have done at the Tampa Hospital Unit with regard to the recovery of this little girl.

Now, there is one additional thing that I would like to have the opportunity to do today.

As you will remember, yesterday we did have the opportunity to make a presentation to Alaska Airlines for their support with regard to the transportation of our children. Now, some two years ago, at the Atlanta Session, we made a similar presentation to Delta Airlines and at this time I would like to ask Mr. William Mahaffey to step forward.

Bill is Marketing Manager for Delta Airlines and they are still providing that free transportation for our children.

As an example of what they have recently done, they flew from Florida to Las Vegas and will be flying them back again to Florida, Helena, her mother, her sister and father, free of charge. (Applause)

MR. MAHAFFEY [Delta Airlines]: Thank you, Gene, for that recognition.

It is indeed a pleasure to be with you today and say "Welcome to Las Vegas" and, of course, we hope that you are leaving our city a little happier than when you came because what you leave here, as previously indicated, will help pay for the education of the children in this community.

On behalf of Delta Airlines, I would like to say that we salute you for the good work that you do throughout our nation and a very good example of it is this young lady that we have seen here. It gives us just great pleasure to play a little part in making your efforts go a little further.

Now, I have a few small gifts to present at this point.

First of all, I would like to present to Helena, as a memento of her trip to Las Vegas, this miniature Delta airplane. We hope she will take that home with her and put it on the shelf in her room as a memento of this occasion, this special occasion in her life.

I have also here a little shirt that says, "Las Vegas" on it in order to remind you of your days here in Las Vegas. It may be a little large for you at this time but I am sure you will eventually grow into it.

... Presentation of gifts and applause ensued ...

MR. MAHAFFEY: Also, again, thank you for allowing us to play a part in this program.

IMPERIAL SIR BRACEWELL: Thank you very much, Bill, and again, we express our thanks to Delta Airlines for your many courtesies in behalf of our children.

Now, Imperial Sir, that concludes my report as Chairman of the Board of Trustees as well as the report of Imperial Sir Ravellette concerning the present building and renovation status in relation to our various hospitals.

We appreciate your kind attention this morning and, again, thank you all so very, very much for listening. (Applause)

IMPERIAL POTENTATE ANTHONY: Before you get too far away, Imperial Sir Gene, I would like to have you perform another duty, if you would, please. And, in reality, it is a duty that we would essentially like to have you perform as Chairman of the Board of Trustees of Shriners Hospitals for Crippled Children at this time.

IMPERIAL SIR BRACEWELL: Thank you, Imperial Sir.

At this time, my fellow Representatives, I would like to recognize Imperial Sir Peter Val Preda for what I am sure will be appropriate remarks concerning a resolution or motion.

IMPERIAL SIR VAL PREDA: Imperial Sir, Imperial Sirs, Illustrious Sirs, Representatives and Guests: It is with a great deal of pleasure that I have the opportunity today to place in nomination the name of this Noble as an Emeritus Member of the Board of Trustees.

It was during my year as Imperial Potentate when he and I became acquainted in New York City and, through that acquaintance, he became a member and served in his various capacities very, very well.

For example, during his time on the Board of Trustees, he has Chaired or been on most of the Board's committees. For example, in looking through the Book of Proceedings, just glancing through it yesterday, I noticed that he has been involved with the Building and Equipment Committee, the Planning Committee, the Research Committee, the Budget Committee, the Evaluation Committee, the Portland Unit and Twin Cities Liaison Committees and he has likewise been Chairman of the Montreal reconstruction and development that has been taking place over the past two or three years.

He has done a wonderful job in connection with whatever has been assigned him and at his request, and having served more than nine years and having served the Board of Trustees of Shriners Hospitals for Crippled Children diligently for more than three consecutive three-year terms, he has now requested status as a Trustee Emeritus.

Therefore, pursuant to Section 508.8 of our Hospital Bylaws, it gives me a great deal of personal pleasure to move that Illustrious Sir C. Howard Bozeman be elected as a Trustee Emeritus to the Board of Trustees of Shriners Hospitals for Crippled Children and, Imperial Sir, I would so move.

... The motion was severally seconded ...

IMPERIAL SIR BRACEWELL: You have heard the motion and the second.

Is there discussion?

If not, all in favor indicate by saying aye; opposed. The motion is unanimously carried. (Applause)

I wonder, Howard, if you would join me at the podium here?

Howard, these Representatives have just elected you unanimously as a Trustee Emeritus and, as Chairman of the Board of Trustees of Shriners Hospitals for Crippled Children, it gives me a great feeling of pleasure to present to you at this time the beautiful plaque, which denotes you as having been elected as Trustee Emeritus and is signed by our Imperial Potentate, Imperial Sir Russ Anthony and myself as Chairman of the Board of Trustees.

Congratulations to you, Howard.

Now, with this presentation, this is not intended to mean that you will have to stop working in behalf of Shriners Hospitals.

... Presentation of plaque and applause ensued ...

NOBLE HOWARD BOZEMAN: Imperial Sir Gene, Imperial Sir Peter, I thank you very much for the opportunity you have given me for these last ten years.

You have elected me to the Board of Trustees four times throughout this period of time and I have tried to serve you well.

I would like to thank my Temple, Kerbela, and the other Temples in Tennessee who encouraged me in this endeavor. I shall always be with you through the years, working for our Shriners Hospitals for Crippled Children.

Again, thank you very much. (Applause)

IMPERIAL SIR BRACEWELL: The Chair, at this time, would like to recognize Imperial Sir Jack Dean for some remarks and a motion.

IMPERIAL SIR DEAN: Imperial Sir, Imperial Sirs, Grand Masters and Fellow Representatives: Back in 1976, when I was Potentate, I had the privilege of addressing this body and placing in nomination the name of Winner F. Delp as a Trustee for the Colorado Corporation.

At that time and for a number of years prior to that, the Board of Trustees has been made up almost exclusively of Past Imperial Potentates and it was my understanding at that time that we had never had anyone elected from the floor. However, it later turned out that this was incorrect but, nevertheless, I nominated Winner Delp because he was Executive Vice President of a large corporation, had founded his own business, was an excellent businessman, had been Chairman of the Philadelphia Hospital for eight years.

Now, during all of that time, Winner has served us most excellently. He has served us for some eleven years. He served a two-year term and then subsequently served three consecutive three-year terms as a Trustee, during which time he served as a member of the Planning Committee, served as Vice Chairman of the Building and Equipment Committee, served as Chairman of many special committees and, as a matter of fact, I do not think there is a committee in this organization that he has not served on at one time or another and, indeed, served us very well.

I cannot think of a finer person to be associated with and I think I speak for everyone that knows him when I speak of his qualifications and service to the Shrine.

Now, Imperial Sir, in view of the fact that Winner Delp has served three consecutive terms of three years each, he has now requested status as a Trustee Emeritus and, therefore, pursuant to Section 508.8 of our Hospital Bylaws, it gives me a great deal of personal pleasure to move that Winner Delp be elected as a Trustee Emeritus of the Board of Trustees of Shriners Hospitals for Crippled Children.

... The motion was duly seconded ...

IMPERIAL POTENTATE ANTHONY: You have heard the motion and the second.

Is there discussion.

If not, all in favor say aye; opposed. The motion is unanimously carried.

IMPERIAL SIR BRACEWELL: Illustrious Sir Winner Delp, your fellow Representatives have just unanimously elected you to the status of Trustee Emeritus and, as Chairman of the Board of Trustees of Shriners Hospitals for Crippled Children, it gives me a great deal of pleasure to present this beautiful plaque to you, which does appropriately note you, Winner Delp, elected to the position of Trustee Emeritus. This is signed by our Imperial Potentate Russell Anthony and myself as Chairman of the Board of Trustees.

Congratulations to you, Winner.

... Presentation of plaque and applause ensued ...

NOBLE WINNER DELP: Thank you, Imperial Sir Jack.

You know, what Gene said is true but what Jack has said, only some of it is true. (Laughter)

However, I do want to thank my friends from Lu Lu Temple who have supported me for these elections because without your help I could not have accomplished it.

It has been a great pleasure serving for these eleven-odd years as your National Trustee and I thank you all so much for giving me this honor.

In conclusion, God bless. (Applause)

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE ANTHONY: While we are waiting for the Emeriti Membership recipients to get organized, I would again like to call on Imperial Sir Gene Bracewell, Chairman, Board of Trustees of Shriners Hospitals for Crippled Children.

IMPERIAL SIR BRACEWELL: At this time, I would like to ask the Potentates and Representatives of the Carolina Temples to please come to the stage.

At this time, Nobles, I would recognize Illustrious Sir Tommy Arakas, Potentate, Oasis Temple.

ILLUSTRIOUS SIR ARAKAS [Potentate, Oasis Temple]: Imperial Sir, Imperial Sirs and Representatives: It gives me great pleasure, on behalf of the Illustrious Potentates of the six Shrine Temples of North and South Carolina, which are Oasis, Omar, Sudan, Hejaz, Jamil and Amran, sponsors of the Shrine Bowl of the Carolinas, to present to you our check for Shriners Hospitals for Crippled Children in the amount of \$2,587,421.07.

... Presentation of check and rising applause ensued ...

IMPERIAL SIR BRACEWELL: That is fantastic. Thank you all so very, very much for this outstanding contribution.

IMPERIAL POTENTATE ANTHONY: Again, this is what the Shrine is all about. You know, I am amazed each year as to what these Temples are able to do. God bless all of you.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE ANTHONY: I will now recognize Sam again for the report of the Finance and Accounts Committee concerning the Colorado Corporation.

NOBLE ERICKSON: To the Representatives of the Imperial Council: Your Committee on Finance and Accounts submits to you for approval, the following reports with respect to income and expenditures for the Colorado Corporation.

1. Report for the year 1986.
2. Adjusted Budget Report for the year 1987.
3. Proposed Budget for the year 1988.
4. Estimated Capital Reserve and Building Fund for 1987 and 1988.

REPORT FOR THE YEAR 1986

The report for 1986 has been reported to you in the Book of Reports, which you have already received. No inquiries having been received, your committee recommends ratification and approval of the report as shown in the Book of Reports.

Imperial Sir, I move the approval and adoption of the report for the year 1986 as submitted.

... The motion was duly seconded, was voted upon and declared to be unanimously carried ...

NOBLE ERICKSON: Included in your registration package, you have a breakdown of the operating expenditures showing amounts appropriate for 1987 including the adjustments made by the Joint Boards and the proposed figures for 1988.

We shall give you a summary of the total figures which will be followed by detail, by classification, of the proposed items of the year 1988. Your proposed budget will be more accurately presented for your approval at a subsequent Imperial Council Session. Also, the estimated Capital Reserve and Building Fund balances for 1987 and 1988.

Let me say that in your registration package you received a complete description of the approved amount from Los Angeles, with adjustments made to the 1987 adjusted budget and the 1988 proposed budget.

Total revenues projected for 1987, in line 6, are \$155 million. For 1988, the figure is \$170,364,000.

On line 10, total hospital expenses from your adjusted 1987 budget is \$116,973,000.

For 1987, you have a research budget of \$14 million; administrative expenses of \$7,390,000; depreciation, \$8,621,000; other fixed costs of \$6,300,000; contingencies of \$1,333,000; total expenses of \$155 million. Therefore, the line 17 projection is a break-even point.

For 1988, total revenues, projected, are \$170,364,000. Your total hospital expenses are \$170,355,000, for an excess of revenue of \$9,000.

The capital reserve fund, the balance for the audit report, which you were given in your yellow books, was \$81,812,000. There was an addition to this fund from the April, 1987 Board meeting of \$146,332,000—for a total dollar amount available of \$228,244.00.

The committed unexpended construction and major renovations amounts to a figure of \$87,792,276.

Building and equipment approvals during the January, April and June Board meetings for

building and equipment amounted to \$10,790,449 and so the balance that was not committed as of June 17 is \$129,561,095.

Imperial Sir, if there are no questions, I move the ratification, approval and adoption of the adjusted budget for the year 1987 and the year 1988 proposed budget be approved as submitted.

Respectfully submitted,
COMMITTEE ON FINANCE AND
ACCOUNTS

D. Sam Erickson, Chairman
William Sibley
Gene B. Lock

... The motion was duly seconded ...

IMPERIAL POTENTATE ANTHONY: You have before you the motion and the second concerning ratification, approval and adoption of the adjusted budget for the Colorado Corporation for the year 1987 and the 1988 proposed budget. Is there any discussion concerning any of these figures?

... There being no discussion, the motion was voted upon and declared to be unanimously carried ...

... Business was transacted in the Iowa Corporation at this time ...

... The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, was recessed at twelve o'clock noon ...

AFTERNOON SESSION
THURSDAY, JUNE 25, 1987
ONE-FORTY O'CLOCK P.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, reconvened at the Las Vegas Hilton Hotel, Las Vegas, Nevada, at one-forty o'clock p.m., Imperial Potentate Russell Anthony, D.V.M., presiding.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE ANTHONY: Let us give attention to the Chairman of the Board of Trustees, Imperial Sir Gene Bracewell, at this time.

IMPERIAL SIR BRACEWELL: I would like to introduce to you the Potentate of Jaffa Temple, Illustrious Sir Kenneth B. Moore, who has a check he would like to present for our hospitals at this time.

ILLUSTRIOUS SIR KENNETH MOORE [Potentate, Jaffa Temple]: Imperial Sir, Imperial Sirs and Representatives: You know, I have never had so much trouble trying to give money away. (Laughter)

However, I have here a check that was made out to Jaffa's Hundred Million Dollar Club for \$200,000 and I would like to turn this over at this time. (Applause)

IMPERIAL SIR BRACEWELL: Thank you so very much, Illustrious Sir, for that presentation.

Let me ask, are there any other checks to be presented for our hospitals? We certainly will be happy to take them if there are any others out there.

ILLUSTRIOUS SIR MCLYNN SHARPE [Potentate, Kazim Temple]: It gives me, Imperial Sir, a great deal of pleasure, in behalf of the 3,800 Nobles of Kazim Temple, to present to you a check totaling \$203,051.13. (Applause)

IMPERIAL SIR BRACEWELL: That is certainly fantastic.

Thank you, Illustrious Sir.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE ANTHONY: I am now going to call upon our Imperial Treasurer, Webb Harrington, to make his Treasurer's report concerning the Colorado Corporation.

IMPERIAL SIR HARRINGTON: Imperial Sir, Imperial Sirs, Illustrious Sirs and Fellow Representatives: I hope that every Representative has taken the time to review the printed Treasurer's Report for Shriners Hospitals for Crippled Children. It is shown on pages 1 through 4 of the Book of Reports. It contains a lot of information in a form that I hope that will be easy to read and understand. There are few important points in this report that I should like to highlight for you.

On page 1 of the report there is a summary showing how revenues are credited under policies established by the Joint Boards, to each of the funds; namely those designated for operations, those designated for the capital reserve fund and those designated for the investment (endowment) fund. With this background, I urge you to study Schedules 1 and 2 on page 3 and of the report, which show the revenues, expenses and changes in fund balances for the past ten years.

If you will look at the middle of the page of Schedule 1, on the line reading "Excess (deficit) of revenues designated for operations over operating expenses" in 1986 for the first time in many years, under the present policy of designation of revenues, Shriners Hospitals for Crippled Children had a deficit. The Combined Statement of Revenues, Expenses and Changes in Fund Balance, included in the report of our auditors and shown on page 7 of the Book of Reports shows the same information; a deficit of \$1,139,000.

The 1987 adjusted budget and the 1988 recommended budget for the Colorado Corporation, which were presented in detail by the Finance and Accounts Committee and which was included in your registration packets, projects essentially a break-even for both years after crediting to operating revenues a portion of anticipated realized capital gains of \$6,246,000 and \$15,000,000 for 1987 and 1988, respectively. This is the first time that any portion of realized capital gains has been allocated to current operations, all such realized gains having previously been credited to the principal of the investment (endowment) fund.

Obviously, with such operating results we must review carefully our operating expenses as well as the designation of revenues to the respective funds.

At the April, 1987 Joint Boards meeting, a committee was appointed by the Chairman of the Board of Trustees, to review the policies of the Joint Boards concerning the financial and budgeting process and prepare recommendations regarding these matters at the fall meeting of the Joint Boards. In the meantime, the short term solution of allocation of a portion of realized capital gains mentioned in the preceding paragraph was recommended by the Colorado Corporation Budget Committee and approved by the Joint Boards at its meeting immediately preceding this Session.

I feel that it is my duty as Treasurer to present the financial information to the Joint Boards and to you, the Representatives, in as clear a manner as possible so that the Boards and the Representatives have the information on which to make informed decisions.

If you should have questions or desire additional information regarding the data covered by the printed report, I shall be pleased to respond to the best of my ability either here at the Session or subsequently by telephone or letter.

Imperial Sir, I would move the receipt of this report.

... The motion was duly seconded ...

IMPERIAL POTENTATE ANTHONY: It has been moved and seconded that the report of the Treasurer concerning the Colorado Corporation be received.

Is there discussion on any of the phases of this report?

If not, all in favor of the receipt of this report please indicate by saying aye; opposed no. It is unanimously carried.

Now, I would like to call upon Imperial Sir Bob Turley.

IMPERIAL SIR ROBERT TURLEY: Imperial Sir, Imperial Sirs and Representatives: I do not want you to be frightened by this report. I join with the Imperial Treasurer in the hope that you will take a look at the Book of Reports.

I particularly did not want you to be frightened when he talked about the deficit. The Colorado Corporation is in good shape.

When he speaks of a deficit in the operating fund, that is because the Board of Directors

has chosen to classify certain receipts, certain revenues into the operating account and, anytime the Board of Directors chooses, it can classify other receipts into the operating account and there need not be a deficit.

If you will look at the Book of Reports, you will find in Schedule 2 on page 4, which is a part of the Imperial Treasurer's report to you, that in the ten years that he has listed there, there has been an addition of money into the Endowment Fund of \$1.3 billions of dollars.

If you will look further at the report of the Auditors, you will see that in 1986, the fund balances in Shriners Hospitals for Crippled Children increased by \$311,903.006.

Therefore, please do not be frightened about the future of our hospitals. (Applause)

IMPERIAL POTENTATE ANTHONY: I will next recognize Imperial Sir Jack Dean.

IMPERIAL SIR DEAN: Imperial Sir, Imperial Sirs and Representatives: You have just heard from Robert Turley, one of the respected members of our Board of Trustees. However, I have to tell you, my fellow Representatives, that there is a philosophical difference within our Joint Boards that comes to light very rapidly.

If we were to spend and base our budget on how much the Endowment Fund is going to make every year by way of capital gains or by way of something else rather than by way of income, we would be in deep trouble because we would never have built the Endowment Fund up to where we are.

At the current time, when you see what all of your capital gains are, it looks good but then all of you, I am sure, know what the market is. You know, for example, that the market has been going crazy and if we are to cash all of those things in and go around and say, "Okay, fellows, let us go," we would be in trouble.

You know, very simply put, the largest return we can get on the Endowment Fund is where your Investment Committee is and, of course, they want to get as big a return as they can.

Now, one of the problems that we have is that if you take an eight percent cash return, which was difficult to get in last year's market—eight percent on \$2.3 billion, which is what your Endowment Fund was last year, that figure would have been \$184 million and your budget for this year is \$185 million.

So, I do not happen to believe that we have all the money we need.

This becomes a very difficult thing. I do not want to stand here and belabor it all the time but I cannot let my friend, Robert Turley, who holds himself out as a fiscal conservative but actually is a fiscal liberal, to have us do away with our spending money out of our Endowment Fund and spend it for other programs and have us get in the same position as the federal government. I cannot let the record reflect that and I resent the fact we are getting into this position in front of all of you but if it has to be, it has to be and you are entitled to know and I want you to know.

IMPERIAL POTENTATE ANTHONY: You know, we are spending a lot of time on this and we are going to have to move on.

I will recognize our Imperial Treasurer, Webb Harrington.

IMPERIAL SIR HARRINGTON: Imperial Sir, you know, I am delighted that this discussion took place and for this reason—I hope that you will recognize there is valuable information contained within the Book of Reports.

Therefore, please read it and you will all be better informed.

Thank you very much.

MORNING SESSION
FRIDAY, JUNE 25, 1987
NINE O'CLOCK A.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, reconvened at the Las Vegas Hilton Hotel, Las Vegas, Nevada, at nine o'clock a.m., Imperial Potentate Russell Anthony, D.V.M., presiding.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE ANTHONY: We are now going to move on to item 27 on the Call of the Annual Session of 1987 and at this time I would recognize Ted Corsones.

NOBLE CORSONES: Please note, Representatives, that this is a Colorado matter.

To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, item number 27 on Call of the Annual Session of 1987, located on page 40 of the Call. It is a proposal to amend S.506.6 of Article 6 of the Bylaws of the Colorado Corporation, a Colorado Corporation, by adding a new subsection (c) which will read as follows:

ARTICLE 6 Board of Directors

Section 506.6 Meetings; Notice and Waiver

(c) Except in case of emergency, no meeting of the Board of Directors may be held at any location other than the general offices of this corporation, a city in which a hospital unit owned by this corporation is located or a city in which the Annual Meeting, or a special meeting, of the members of this corporation is being held; and if an emergency is declared requiring a meeting at a location other or different than that specified in this subsection, the nature and character of the emergency shall be explained to the members of this corporation at the next Annual Meeting following the occurrence of the emergency.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Respectfully submitted,

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon the proposer Illustrious Sir Edward G. Maag, for an appropriate motion.

IMPERIAL POTENTATE ANTHONY: The Chair will recognize Edward Maag.

NOBLE EDWARD MAAG: Fellow Members of the Colorado Corporation, I would move for the adoption of this resolution.

... The motion was duly seconded ...

IMPERIAL POTENTATE ANTHONY: The motion has been duly made and seconded.
Please proceed.

NOBLE MAAG: Fellow members of the Colorado Corporation, this proposed legislation has been drafted by me. However, last year I did not know anything about where Imperial Sir Voris King wanted to hold a Board meeting, not until I arrived here and found out he had made a speech to some folks that this would prevent him from going to Cancun, Mexico and having a Board meeting.

However, I would like to tell you what this is really all about.

I spent some seven years inside the Joint Boards.

The Board meetings of the Colorado Corporation and the Iowa Corporation are business meetings and should be conducted for business purposes. They are not vacations.

I must say to you that there has grown up a custom on the part of the Joint Boards to meet one time out of four in every year at some vacation spot and I would like to tell you what some of them have been in the last ten years.

Before doing that, however, let me say that the reason this was brought to the floor was that we had received severe and grievous criticism from the press saying that we were using

Colorado Corporation funds for frivolous recreational and fraternal purposes—in other words, that we were having fun at the expense of our charitable fund. That was the accusation made against us.

Now, Imperial Sir Everett Evans, in relation to the efforts of his Public Relations Committee, spent almost \$1 million in public relations damage control to put down that kind of image and I say to you that we can affirmatively lay to rest any possible criticism if we say to our Joint Boards, "Please meet at our National Headquarters or a site where a hospital unit is located and transact your business in a businesslike way instead of meeting at these types of locations which bear very little relationship to the business of the Fraternity."

For example, at Miami, Florida, we met there on a cruise ship in January of 1978. In January of 1979, it was on the Island of Maui in the Hawaiian Island Chain, no relationship to hospital purposes. In January of 1981, we met at the Ponte Vedra Club in Florida. In April of 1982, we met at the World's Fair, Knoxville, Tennessee. In January of 1983, the Acapulco Princess Hotel at Acapulco, Mexico. In April of 1984, at the Hyatt Regency Hotel, Hilton Head, South Carolina. In April of 1985, at the Cerromar Beach Hotel in San Juan, Puerto Rico and in January of 1986 at the Ocean Reef Racquet Club in Key Largo, Florida.

My fellow members of the Colorado Corporation, I respectfully suggest that our charitable business ought to be transacted at businesslike locations.

I would move for the adoption of this resolution. (Applause)

IMPERIAL POTENTATE ANTHONY: Is there further discussion?

Microphone 2. Please state your name and Temple.

ILLUSTRIOUS SIR EVERETT W. LARSON [Potentate, Sesostris Temple]: Let me say that your presentation was very good but, you know, there are a lot of us in this particular organization who represent states, cities and areas where there are no hospitals and where there are no cities large enough to handle a convention of this size and I would submit to you that this legislation precludes the group from ever meeting in any of our particular states or any of our particular cities and, further, Illustrious Sir Ed, I do not think this group is going to want to preclude any of that and I hope not.

Thank you very much.

IMPERIAL POTENTATE ANTHONY: Microphone 1. Please state your name and Temple.

ILLUSTRIOUS SIR WAYNE HOWELL [Potentate, Rameses Temple]: Imperial Sir, I oppose this legislation.

If I understand the resolution that is being put forward, it means that the Board of Trustees or Board of Directors can only meet in the City of Montreal in my country and we have a big country over there in Canada and this would deprive the rest of our Temples and anybody else from ever holding a meeting anywhere in our country and, personally, I do not think that is fair.

Therefore, I ask my fellow Representatives to help me defeat this motion. (Applause)

NOBLE MAAG: I would like to answer that Noble's question.

You will note that this legislation only applies to the Colorado Corporation. There is nothing that prevents the Iowa Corporation Board from meeting at any location in the United States or Canada. This does not prohibit Iowa at all. It only relates to the business of the hospitals, which is the Colorado Corporation.

It is true that the business of the hospitals, under this resolution, could be conducted in any city of the United States, Canada or Mexico where a hospital unit is located or at National Headquarters. I respectfully request that there are enough locations and enough places to spend charitable money.

IMPERIAL POTENTATE ANTHONY: The Chair recognizes microphone 2. Please state your name and Temple.

ILLUSTRIOUS SIR DUKE BOWMAN [Potentate, Al Amin Temple]: I am from Al Amin Temple which, at this moment, probably has more children in the hospital system than any other Temple in the country, mainly because we have all over Mexico to draw from and we do draw from them.

Now, let me say that Corpus Christi, Texas, is one of the most beautiful, restful places in

the world in which to conduct meetings and I will also say that it is the least expensive because I can guarantee you the best kind of first-class hotel room at \$35 a day and you cannot believe what we will do. It is better than anything you have here.

I, for one, cannot believe that you can hamstring a group of men that we have elected to conduct our business for us by saying that they can only go to twenty-one or twenty-two places.

You know, having been an executive previous to my retirement, I know that businessmen must conduct their business in a very pleasant atmosphere. Now, it does not have to be the greatest resort city in the world but it does have to be in an atmosphere conducive to friendship and quality of talk and making things come to fruition in a beautiful manner.

I submit that Corpus Christi if you are going to limit it to that many places and a few other cities perhaps, where they can really be on the ground and find out what is happening with the children. We want them to see, when they come to Corpus Christi, what we are doing down there. We want them to see our clinic.

However, I do not think you can limit it to just twenty-one or twenty-two cities in relation to where these Boards meet.

Thank you, Imperial Sir. (Applause)

... The question was severally called for ...

IMPERIAL POTENTATE ANTHONY: I believe there have been two proponents and two opponents.

NOBLE HOWARD BOZEMAN: Imperial Sir, I rise for the purpose of making an amendment to this resolution.

First of all, for the record, my name is Howard Bozeman and I am from Kerbela Temple in Knoxville, Tennessee, where the Joint Boards have met not only once but twice.

Now, we do not have a hospital in our community but we do have a Temple and we have a lot of Nobles and we are exposed to your children and to our Shriners Hospitals in Lexington, Greenville and Cincinnati. In fact, we send more kids to Lexington and Greenville than anybody else and it is because of exposure.

I want to amend this motion where, following the word "held" in the fifth line of the second paragraph, we add the words—"within the jurisdiction of a Shrine Temple, A.A.O.N.M.S."

Therefore, it would provide that these Boards could meet anywhere within the jurisdiction of a Shrine Temple in North America to carry on the business devoted to Shrinedom.

I would move for the adoption of this amendment.

... The amendment was duly seconded ...

IMPERIAL POTENTATE ANTHONY: You have before you the amendment, which has also been seconded.

Are you ready to discuss the amendment at microphone 3?

ILLUSTRIOUS SIR JOHN JAMES [Potentate, Sabbar Temple]: Imperial Sir, I agree 100 percent.

We have a jurisdiction in our place, too. We would like to have you come to Tucson.

IMPERIAL POTENTATE ANTHONY: Thank you.

We are now only on the discussion of the amendment.

NOBLE WILLIAM LATIMER [Syria Temple]: I will speak in opposition to the amendment because I am in opposition to the proposal and I feel that Ed Maag has done a great service for this group by bringing to our attention, as he did yesterday, some of the problems we may have in census. Also, I am sure that the Board of Directors and Imperial Divan are very much aware of those problems and that they are also very much aware of the need to curtail, to watch our expenditures, to show the world that we really are truly interested in using every charitable dollar given for our hospitals.

Therefore, I think we must leave it to the discretion of our leaders that we presently have and which we continue to elect to do the right thing and that we do not, through this kind of legislation, try to tell our Officers and Directors what to do.

It is a very limited and very unlikely way of dealing with various problems.

... The question was severally called for ...

IMPERIAL POTENTATE ANTHONY: Again, we are just discussing the amendment.

I will recognize Ted Corsones.

NOBLE CORSONES: Imperial Sir, Imperial Sirs, Members of the Corporation: As your General Legal Counsel, I seldom rise to address you on the merits of a proposal. My position is to be your General Counsel. However, nonetheless, a matter of this importance, which seeks to directly compel your elected Board of Directors to where they meet calls me to the microphone.

Now, Ed has called to your attention a few cities where these meetings have taken place but let me tell you where they have all taken place in the last three years.

July, 1984, at the Imperial Council.

October, 1984, at Tampa.

January, 1985, at Tampa.

Also, in 1985, at San Juan, Puerto Rico, where there is a clinic for crippled children.

July, 1985, at the Imperial Council Session.

October of 1985, at Tampa.

January, 1986, at Winner Delp's home at Key Largo, Florida.

In April of 1986, at Tampa.

July of 1986, Imperial Council Session.

October of 1986, Tampa.

January of 1987, San Francisco.

April of 1987, Tampa.

June, 1987, Imperial Council Session.

The reason that I make these remarks to you as well as members of the Colorado Corporation is that you, hopefully, will agree with me that your Board of Directors has not abused the trust and confidence you reposed in them.

I state to you as your General Legal Counsel, that these people have been most prudent in selecting where they meet and I also am highly in favor of Howard's motion or defeat of the entire proposition.

IMPERIAL POTENTATE ANTHONY: I will next go to microphone 1. Please state your name and Temple. Please remember you are speaking on the amendment.

NOBLE DAVID H. LIBBY [Kora Temple]: I think the amendment would preclude the meeting and the spending of money which, if it got into the right newspapers, could embarrass all of us because, as has been indicated, this is hospital money—this is money for the hospital corporation—this is not money for the Fraternal corporation that we are talking about.

Also, many of us have been faced and questioned by some of these newspaper and also television reports and sometimes we find it very difficult to make excuses or try and eliminate a question that comes up from another newspaper in relation to which we may have to make excuses toward spending money.

Now, when it comes to the Colorado Corporation, I think that maybe you people get the message that we out here feel that we want to keep the executive expenses as low in the Colorado Corporation as possible. If this amendment were to help that, then I would be absolutely for it.

... The question was severally called for ...

IMPERIAL POTENTATE ANTHONY: I will take one more over here. Please give us your name and Temple.

NOBLE ROBERT HUGHES [Hasan Temple]: Let us get on with this. Let us defeat both the amendment and the main motion and then, if these people on the Joint Boards waste our money, we will come back next year and vote them out of office.

... Cheers and applause ensued ...

IMPERIAL POTENTATE ANTHONY: With that, we are now going to vote on the amendment. Would any of you like to have that read?

... Cries of "no" ...

IMPERIAL POTENTATE ANTHONY: We are going to call for the question. This is the question on the amendment.

All in favor of the amendment please say aye; opposed nay. I will declare the amendment defeated.

We are now going to vote on the original motion.

All those in favor please say aye; opposed nay. The proposal is defeated by the necessary two-thirds majority. It did not pass.

I will now recognize the Chairman of Jurisprudence and Laws.

NOBLE PETTIT: Imperial Sir, Imperial Sirs and Fellow Representatives: There is a request from the proposer to withdraw legislation concerning item 29 of the Call.

Imperial Sir, in line with that request for withdrawal, I ask you to request permission from the Representatives of the Imperial Council, and it does require a unanimous vote, to approve the withdrawal of this item.

IMPERIAL POTENTATE ANTHONY: The proposer of item 29 has requested withdrawal. It requires a unanimous vote. I am going to put the question at this time.

All in favor of the withdrawal indicate by saying aye; are there any opposed? I hear no opposition and so it is unanimous and the item is considered to be withdrawn.

NOBLE PETTIT: I move that all committees to which this matter had been referred will be withdrawn from consideration and I am sure that is understood and agreed.

IMPERIAL POTENTATE ANTHONY: I believe that is well understood by the Representatives.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE ANTHONY: We will next proceed to the consideration of item 28 on the Call of the Annual Session of 1987.

NOBLE DAVIS: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, item number 28 on Call of the Annual Session of 1987, located on page 41 of the Call. It is a proposal to amend Article 7 of the Bylaws of the Imperial Council, a Colorado Corporation, by adding a new Section 507.5 which will read as follows:

ARTICLE 7

Officers

Section 507.7 Prohibited Practices. Except at the Annual Meeting no Officer of this corporation may engage in electioneering or campaigning for corporate office in this corporation or any other corporation, either on his own behalf or for, or against, another candidate for corporate office at any meeting or gathering attended by members of this corporation where such corporate officers' expenses for travel, food or lodging at said meeting were paid, in whole or in part, either directly or indirectly, from funds of this corporation.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Respectfully submitted,

COMMITTEE ON JURISPRUDENCE AND
LAWS

Walter S. Pettit, Jr., Chairman

Robert E. Cooper

Theodore Corsones

Robert C. Lake

William A. Buckaway, Jr.

Gerald L. Davis

J. M. Tingle

Imperial Sir, If there are no questions or comments on this report, I recommend that you now call upon the proposer Illustrious Sir Edward G. Maag for an appropriate motion.

IMPERIAL POTENTATE ANTHONY: The Chair will recognize Illustrious Sir Edward G. Maag for an appropriate motion concerning this issue.

NOBLE EDWARD G. MAAG: Imperial Sir, Imperial Sirs and Representatives: I would move for the adoption of this proposed amendment.

... The motion was duly seconded ...

IMPERIAL POTENTATE ANTHONY: You have before you the motion and the second to adopt this amendment.

I will ask the proposer to continue with his comments.

NOBLE MAAG: The purpose of this is to declare and make a part of our law that there are no second-class members in this corporation—that we are all equal.

We all have an equal right to politick, to run for office, to run against anybody but none of us, whether we be officers or not, ought to expect to campaign politically in this corporation with corporate funds.

It is just that simple.

If you and I go to a function, if you are assigned to go there by the Imperial Potentate or Chairman of the Board, assigned to go to a Shrine meeting and your way is paid with corporate funds, you ought not to campaign for yourself or for or against another.

This legislation was drafted by me based on a situation which arose and which came to a head at a meeting of the Dixie Shrine Association one year ago.

In the spring of 1986, two corporate officers went to that association as representatives, Imperial Officers, members of the Colorado Corporation, where they were called upon by the officers of the Dixie Shrine Association to say a word to the membership there assembled.

One corporate officer saw fit to use that opportunity at the podium to talk against the candidacy of a Noble who was then running for Trustee of the hospitals. The Noble whose candidacy he spoke against was that of Dr. Andy Hibbert.

Now, what the corporate officer did not know was that Dr. Hibbert, although from Austin, Texas, came from Pensacola, Florida, and his father was the first Potentate of the Temple at Pensacola, Florida and, as a result of that, all of the Divan members of that Temple knew him and just could not understand how a representative of our Imperial Officers would come to the Association and talk against his candidacy. As a matter of fact, Andy was broken hearted about it. He called me.

I knew him for many years and he said, "You know, I do not understand how a corporate officer could use corporate funds and come and campaign against me." Well, I do not either and I do not think it is proper.

I do not want to muzzle anybody. I want our corporate officers to run for office. I just say that if you are going to be a politician, if you are going to campaign for yourself or against somebody else, do not expect the corporation to pay your way to the meeting to do it.

Do it just like Lew Brantley and others did it this year—campaign on your own funds. Do not expect the corporation to subsidize you. (Applause)

NOBLE HOPKINS: Imperial Sir, a point of personal privilege.

The first Potentate of that Temple was me. (Laughter)

IMPERIAL POTENTATE ANTHONY: I will next recognize Imperial Sir Everett Evans.

IMPERIAL SIR EVANS: Imperial Sir, Imperial Sirs and Representatives: First of all, let me tell you that I have never been to the Dixie Shrine Association. (Laughter)

Secondly, if I had been there, I would have paid my own way.

Now, let me say to you that when I became interested in earnest in this job, I ran all over this country and campaigned for this job. Many people asked me questions and when they asked me a question, I made an honest effort at all times to give them an honest answer.

Now, I hope that you will take a close look at the broad base of this proposal you have up here.

You know, in my case and in connection with the assigned duties I have, I practically work for the Shrine twenty-four hours a day, when I am not trying to run my business. I do not think that, as members of the Imperial Divan and Trustees, when we attend meetings involving the Shrine, should be muzzled in relation to questions we are bound to be asked, as long as they are answered in good Masonic propriety and in all seriousness and honesty.

IMPERIAL POTENTATE ANTHONY: Thank you, Everett.

Are there any proponents available? If not, then I will go on to microphone 2.

ILLUSTRIOUS SIR DUKE BOWMAN [Potentate, Al Amin Temple]: You know, I cannot for the life of me understand how people can propose legislation such as this, especially when we have elected these officers, put them into these positions they are in and then, by the same token, we turn around and want to tell them how to do their jobs.

You know, in the case of my Temple, I just do not want a man on the bottom line, especially when I am Potentate, with whom I cannot work or I disagree with wholeheartedly or, on the other hand, who does not have the talent necessary at the time to do the job that is planning to be done.

I feel, with this kind of legislation, you are trying to hamstring your own Representatives. I do not think you should do it and, further, as Everett has said, I do not care where you are in connection with any of your Shrine duties, somebody is going to be bound to come up and ask you a question. In answering them, of course, you have to be truthful. You just cannot completely evade the question.

Therefore, I would ask that you defeat this legislation.

. . . The question was severally called for . . .

IMPERIAL POTENTATE ANTHONY: Thank you.

The Chair will recognize Illustrious Sir Ed Maag.

NOBLE MAAG: To answer that Noble, if I may, let me say that this legislation does not prevent any corporate officer from presenting his judgments or opinions on any issue. This legislation does not prevent any corporate officer from campaigning for himself or anybody else but if he does campaign for himself or against or for somebody else, then all it does is say, "Do not do it if your way is being paid by the corporate funds."

You know, the question of fundamental fairness is at issue here. We elect these Nobles to be our officers but we do not elect them to be there in perpetuity. They should run like everybody else runs, on their own money, not on corporate money. That is what that proposal says and it does not intend to muzzle anybody.

IMPERIAL POTENTATE ANTHONY: I will recognize microphone 1.

NOBLE SEWELL LAMDIN: I want to make two points and I will be very brief.

I am speaking now as a Representative and that is the reason I came down here to the floor.

You know, there are two things in this legislation that give me an awful lot of trouble. The first thing is this—how in the world are you going to police it?

The second thing is that I may not agree with what you say but, on the other hand, I will defend with all of my might your right to say it.

You know, the First Amendment of our Constitution of this great democratic country says everyone has a right to speak. Gentlemen, I think this is a violation of our First Amendment rights. Therefore, I urge you to defeat it.

IMPERIAL SIR DEAN: Mr. Chairman, a point of personal privilege.

IMPERIAL POTENTATE ANTHONY: You are in order. Please proceed.

IMPERIAL SIR DEAN: Imperial Sir, Imperial Sirs and Representatives: I am the person that this legislation is directed against. I resent the way it was presented to you and I think you deserve to have the facts.

I went to the Dixie Shrine Association. I arrived late due to a death in our family.

I spoke on Saturday morning in front of the whole Association. I was very much aware of the fact that Andy Hibbert's dad was a Past Potentate of the Temple. As a matter of fact, the Divan of that Temple will tell you I have been very close to that Temple and have known them very well.

I gave my speech, I talked about the subject. I chose that particular day for my talk and, I was the last person to speak.

Now, in concluding my speech, I made the mistake of saying, "Are there any questions that any of you have out there on the floor?"

A Past Potentate got up and said, "Yes, would you please tell us what the story is on the election of the Board of Trustees and Chairman of the Board?" My response to him was I would prefer to talk to him elsewhere about that, that it was not proper for me, as an Imperial Office there, to speak to him about this issue at that particular time, especially from the podium.

I further indicated to him that I did not want to spend all weekend there, that I was there only for a short period of time and that, therefore, what I would do was, at that assembly, explain the details in connection with the question but, before starting, if there was one person in that room who did not want me to explain it, I would not talk any further on the subject. Well, nobody spoke.

I further indicated that I refused to speak as an Imperial Officer. I told them that I would speak as Jack Dean. I took off my Fez, took off my Jewel and said, "I am speaking for myself as an individual."

I then went on to say there were four candidates for Trustee and that, at that time, in my opinion, there were only three viable candidates for the Trustee position in that year. I told them that Andy was a nice guy but, I said, "Insofar as I can understand, he really is not a viable candidate because, in my opinion, Gene Bracewell was going to get elected and the other position was going to be between Randy Thomas and Dr. H'Doubler and that effectively was going to be the fight.

Randy did call me on the telephone and, in our conversation, I told him I said that, did not deny it. He was surprised that I did not deny it. However, let me say that if I made a mistake in speaking that way, I apologize to each and every one of you.

I did not get up there to campaign—did not go to the Dixie Shrine Association to campaign. However, as all of you know, when you ask any type of question of Jack Dean, you get a response.

I did try to talk in front of the group and I think that the fellows that were present there will tell you that what I am saying is correct.

Thank you very much. (Applause)

IMPERIAL POTENTATE ANTHONY: Microphone 3.

REPRESENTATIVE: Imperial Sir, I was at that meeting at that time. Imperial Sir Dean was asked a question and he answered the question, told it like it was and, therefore, I would like to call for the question so that we can get on with our business.

IMPERIAL POTENTATE ANTHONY: I will recognize microphone 1.

NOBLE JAMES A. SKELTON [Hamasa Temple]: Let me say that I am a Past President of the Dixie Shrine Association and also Secretary-Treasurer of that Association for many years.

It has been my pleasure to request, for many years, that Imperial Sir Jack Dean attend our Shrine Conventions, as you well know. He attends these conventions with us each year.

Now, we had him down in the Meridian, Mississippi, this year for the Dixie Shrine Association convention, along with our Imperial Recorder, Jack Jones. We want them to keep coming back.

Now, in relation to the way Jack Dean explained it, that is the way I remember it because he did remove his Fez and Jewel. I also believe quite seriously that Jack Dean would not stand up at that microphone and tell us a lie.

If there are any other members in this audience, members of the Dixie Shrine Association convention, who would like to come to the microphone and add to this, I would be happy to see that done.

... Cries of "no, no" ...

NOBLE SKELTON: Well, you are talking about the voracity of one of your Imperial Officers and if they want to do it, I think they should be so honored.

... The question was severally called for ...

IMPERIAL POTENTATE ANTHONY: We have had a call for the question and I am now going to ask you to vote on closing debate.

All in favor of closing debate on this issue please say aye; opposed. The motion to close debate is carried.

Now, we are going to vote on the original motion, the proposed amendment to the Bylaws. However, before voting, perhaps I should have this clarified again by the Chairman of Jurisprudence and Laws.

NOBLE PETTIT: To clarify what we are doing now for all of you, let me say that you are on the motion to amend the Bylaws as presented by Illustrious Sir Maag. A vote in the affirmative will be a vote in favor of the adoption of the proposal; a negative vote will be against the proposal. Again, you are voting on proposal 28.

NOBLE SEWELL LAM DIN: Again, to clarify, you are on item 28 on page 41, I believe it is, of the Call. This is the one just presented by Edward Maag.

IMPERIAL POTENTATE ANTHONY: Are we now all clear? You know, this is very important legislation.

All in favor of the motion or proposal indicate by saying aye; opposed nay. The amendment is defeated by the necessary two-thirds majority.

NOBLE LAMDIN: Again, for clarification, the first vote that you took was to close debate on the issue and the second vote was on the proposal as printed in the Call.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE ANTHONY: I will recognize the Chairman of Jurisprudence and Laws, Walter Pettit.

NOBLE PETTIT: Imperial Sir, I have before me a written request to withdraw item 30 which appears on page 42 of the Call and it reads as follows:

"I hereby request the permission of this Imperial Council Session to withdraw item 30 on the Call for the Annual Session for 1987."

It is signed by Illustrious Sir Edward G. Maag, the proponent of the proposal.

Imperial Sir, again, the request to withdraw requires the unanimous consent of the Representatives. Therefore, I recommend that you ask the Representatives whether or not they grant the unanimous consent to the withdrawal and, if they do, I move that the Jurisprudence and Laws Committee and any other committee to which this proposal has been referred be discharged from further report.

IMPERIAL POTENTATE ANTHONY: Again, we have a proposal for withdrawal of item 30 in the Call. This, as indicated, requires unanimous consent.

All in favor of withdrawal indicate by saying aye; are there any in opposition? Hearing none, I will declare that by a unanimous vote, item 30 has been withdrawn.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE ANTHONY: I will now call on Gerald Davis to present item 32 on the Call of the Annual Session of 1987.

NOBLE DAVIS: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, item 32 on Call of the Annual Session of 1987, located on pages 42 and 43 of the Call. Such resolution reads as follows:

RESOLUTION

WHEREAS, the Executive Vice President, Assistant General Counsel, Controller, Director of Medical Affairs and Executive Administrator are expected and required to travel extensively and frequently by air in order to discharge the responsibilities assigned to them by Shriners Hospitals for Crippled Children;

WHEREAS, many airports provide rooms and other amenities to travelers who are airline club members for the general conduct of business, including meetings and conferences, as well as rest facilities;

WHEREAS, it has proven advantageous to the corporation for these individuals to conduct their business at various airports throughout our jurisdiction in order to make optimum use of their time; and

WHEREAS, the Board of Directors, in recognition of the foregoing, authorized the appropriation of funds for the purchase of airline club memberships for these individuals, as being in the best interests of the corporation.

NOW, THEREFORE, BE IT RESOLVED, that it is acknowledged that:

1. The foregoing individuals are expected and required to frequently travel by air in order to perform the responsibilities assigned to them;

2. The optimum allocation of their time requires the use of meeting rooms and other amenities available at airports for airline club members; and

3. The appropriation of funds for the purchase of airline club memberships for these individuals is in the best interests of the corporation, and the action of the Board of Directors in expending funds for this purpose is ratified.

The committee reports that the proposed resolution is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon Imperial Sir Mahlon Hessey for an appropriate motion.

IMPERIAL POTENTATE ANTHONY: The Chair recognizes Imperial Sir Mahlon Hessey.

NOBLE MAHLON HESSEY: Imperial Sir, I move the adoption of the resolution and if anyone has any questions, I will be happy to answer them.

... The motion was then duly seconded ...

IMPERIAL POTENTATE ANTHONY: Are there any questions?

NOBLE SINGLEY [Hamasa Temple]: Imperial Sir, Imperial Sirs and Representatives, I rise for just one thing.

I feel like we have reached a sad day when our Board of Directors has to come to us and get this kind of permission. You know, we elected these men to run this organization and if we cannot trust them to get what they need without having to come back to us for permission, I think that is wrong.

Therefore, Imperial Sir, I would move that the matter be tabled and that if we cannot trust our Officers, then we can act upon that particular aspect of it later on. Therefore, I would move that the matter be tabled.

IMPERIAL POTENTATE ANTHONY: I believe we need a second to the motion to table.

... The motion was duly seconded ...

IMPERIAL POTENTATE ANTHONY: There is no discussion on a motion to table.

All those in favor of tabling indicate by saying aye; opposed nay. I declare the motion tabled by the necessary two-thirds vote.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE ANTHONY: We will now proceed to item 31 in the Call.

NOBLE CORSONES: to the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, item number 31 on Call of the Annual Session of 1987, located on page 42 of the Call. It is a proposal to amend S.511.3 of Article 11 of the Bylaws of the Imperial Council, a Colorado Corporation, so that it will read as follows:

ARTICLE 11 Fiscal and Legal

Section 511.3 Imprest Account. The Board of Directors may establish a special account, not exceeding \$100,000, for the prompt payment of expenses and obligations employing the imprest system, and authorize checks to be drawn thereon upon either the signature of any officer or the signatures of any two of such other persons as may be designated by the Board.

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon Illustrious Sir Sam Erickson of the Finance and Accounts Committee for its report.

IMPERIAL POTENTATE ANTHONY: The Chair will now recognize Sam Erickson.

NOBLE ERICKSON: To the Representatives of the Imperial Council: The proposed amendment to Section 511.3, Article 11 of the Bylaws of the Colorado Corporation found in item 31 of the Call has been referred to your Finance and Accounts Committee for report to you.

There is no effect on the projected financial position of the Colorado Corporation if this amendment is passed. It raises the imprest fund from \$50,000 to \$100,000. This fund is used for the prompt payment of budgeted expenses and would be considered a good and proper business procedure.

SHRINERS HOSPITAL

ANNUAL REPORT OF WEBBER C. HARRINGTON, TREASURER,
SHRINERS HOSPITALS FOR CRIPPLED CHILDREN

January 1-December 31, 1986

Imperial Sir Russell H. Anthony, D.V.M., Board of Trustees of Shriners Hospitals for Crippled Children and Members of the Imperial Council, A.A.O.N.M.S., at the One Hundred Thirteenth Annual Imperial Council Session at Las Vegas, Nevada, June 1987:

Imperial Sir, Imperial Sirs, Illustrious Sirs and Nobles:

The comments in this report should be considered in conjunction with a careful review of the report of our auditors, KPMG Peat Marwick, which shows the financial position, results of operations and supplementary data regarding Shriners Hospitals for Crippled Children. I shall attempt in this report to provide the members of the Colorado Corporation and other interested readers with certain additional information regarding the financial position of Shriners Hospitals for Crippled Children, operating trends and significant data regarding our endowment fund.

As I advised you last year, our ten-year forecast of revenues and expenditures, which is updated each year, indicated a narrowing of the gap between operating revenues and expenses. This situation was exacerbated during 1986 by a reduction of interest received on our bond portfolio and short-term investments, and a continuing increase in operating expenses of our hospitals due to expansion of services, higher operating costs of new hospitals, increase in research activities and continued escalation of medical care costs in excess of regular CPI increases. As shown on attached Schedule 1, the operating expenses exceeded revenues designated for operations by \$1,139,065 for the year 1986.

Under policies established by the Board of Directors, revenues are credited to funds as follows:

Designated for operations:

- Income from investments (endowment fund)
- Annual assessments from Shriners
- Gifts and bequests for exclusive use of particular hospitals (effective January 1, 1986)
- Reimbursements from Canadian provinces
- Income from investments in capital reserve fund (effective January 1, 1987)

Designated for capital reserve fund:

- Investment income on assets in capital reserve fund (through 1986)
- Realized gains from sales of assets in capital reserve fund

Designated for investment (endowment) fund:

- Life memberships from Shriners
- Gifts and bequests, (except those for the exclusive use of a particular hospital), and charitable fund raising activities
- Realized gains from sales of assets in investment fund

On April 13, 1987, the Board of Directors specified that the income earned on the Capital Reserve Fund should be designated for credit to current operating revenues, effective January 1, 1987. As may be seen on Schedule 1, such revenue has been credited to the Capital Reserve Fund for the past several years.

To assist the members of the Colorado Corporation, many of whom are not familiar with the financial details regarding the operating, capital reserve and investment funds of Shriners Hospitals for Crippled Children, I have prepared and am appending to this report the following statements of revenues, expenses and changes in fund balances for the ten years ended December 31, 1986:

- | | | |
|---------------------------------|---|------------|
| Funds Designated for Operations | - | Schedule 1 |
| Capital Reserve Fund | - | Schedule 1 |
| Investment Fund | - | Schedule 2 |

The figures shown on the attached schedules have been taken from the reports of our independent accountants for the respective years, with certain reclassifications to facilitate comparison between years. These schedules show very graphically the fine growth in our investment fund, the earnings on which provide approximately 94% of the revenues necessary to cover the operating expenses of our hospitals (net of reimbursement from Canadian provinces).

In the nine years from December 31, 1977 to December 31, 1986 the carrying value of our investment fund increased from \$700,268,451 to \$1,992,974,111, an increase of 185%, while the market value increased even more dramatically, approximately 230% in the nine-year period.

The increase in our investment fund reflects the wonderful support which we have received from Shriners and the public at large in gifts and bequests. Also, in recent years, due to the strong growth in the stock market and good performance by our investment managers, we have had large increases in both realized and unrealized gains in our equity portfolio. As shown on attached Schedule 2, the 1986 realized gains on sales of investments amounted to \$152,504,030, from which, on April 13, 1987, the Board of Directors authorized the transfer of \$146,331,782 from the Investment Fund to the Capital Reserve Fund in order to fund anticipated future hospital construction projects.

Unrealized gains at December 31, 1986, with comparative figures at December 31, 1985, may be shown as follows:

	<i>Market Value</i>	<i>Carrying Value</i>	<i>Excess of Market Over Carrying Value</i>
1986	\$ 2,195,432,325	\$ 1,908,744,850	\$ 286,687,475
1985	1,818,900,586	1,542,812,904	276,087,682
Increase	<u>\$ 376,531,739</u>	<u>\$ 365,931,946</u>	<u>\$ 10,599,793</u>

While it is very gratifying to see the wonderful growth in our investment fund, it is important to compare it to the even greater increase percentage-wise in the operating expenses of our hospitals, which have increased in a nine-year period from \$39,744,558 to \$140,070,295 or 252%. In comparing the operating expenses, net of reimbursement from Canadian provinces, the increase for the nine-year period is 264%.

Inasmuch as the operating expenses of our hospitals have increased percentage-wise more than our investment fund has increased over the past nine years, we have a greater challenge than ever to continue to favorably impress upon our members and the public that we are indeed the world's greatest philanthropy and therefore worthy of even greater support. At the same time we must make sure that our funds are wisely spent so that we do the greatest amount of good for the dollars expended in the care of crippled and burned children.

Respectfully submitted,

Yours in the Faith,

Webber C. Harrington, *Treasurer*
Shriners Hospitals for Crippled Children

THE BOARD OF DIRECTORS
SHRINERS HOSPITALS FOR CRIPPLED CHILDREN

We have examined the combined balance sheet of Shriners Hospitals for Crippled Children as of December 31, 1986 and 1985, and the related combined statements of revenues, expenses, and changes in fund balance and of changes in financial position for the years then ended. Our examinations were made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, such financial statements present fairly the combined financial position of Shriners Hospitals for Crippled Children at December 31, 1986 and 1985, and the combined results of their operations and the combined changes in their financial position for the years then ended, in conformity with generally accepted accounting principles applied on a consistent basis.

NOTES TO COMBINED FINANCIAL STATEMENTS

1—Summary of Significant Accounting Policies

Combined Organizations—The combined financial statements of Shriners Hospitals for Crippled Children (the Hospitals) include the accounts of the following organizations:

Shriners Hospitals for Crippled Children, a Colorado Corporation
Shriners Hospitals for Crippled Children, a Canadian Corporation
The Shriners' Hospital for Crippled Children, a Massachusetts Corporation
Shriners Hospitals for Crippled Children, a Mexican Association
Shriners Hospitals for Crippled Children (Quebec) Inc.

All organizations are exempt from federal income taxes.

Gifts and Bequests—Assets received by gift or bequest are recorded at estimated market value at date of receipt. The values of bequests in the process of administration are not included in these financial statements. Income earned by estates during administration is treated as a part of the bequest.

Gifts or bequests made for the exclusive use of a particular hospital are transferred to the operating account of that unit. Beginning in 1986, such gifts and bequests are included in revenues designated for operations. In 1985, such gifts and bequests totalling \$1,590,187 were included in nonoperating revenues designated and restricted for investment.

Securities—Marketable equity securities are carried at the lower of aggregate cost (or estimated market value at date of receipt) or market determined at the balance sheet date. The cost of marketable equity securities sold is based on average cost. Other securities are carried at cost (or estimated market value at date of receipt).

Property, Plant and Equipment—Property, plant and equipment are carried at cost, if purchased, or at estimated market value at date of receipt if acquired by gift. Depreciation is computed using the straight-line method. When assets are retired or otherwise disposed of, the cost and related accumulated depreciation are removed from the accounts, and any resulting gain or loss is recognized currently. The cost of maintenance and repairs is charged to expense as incurred whereas significant renewals and betterments are capitalized. Deduction is made for retirements resulting from renewals or betterments.

Deferred Charges—The Hospitals incur legal fees, taxes and other expenses in connection with obtaining gifts and bequests. These costs are deferred and charged against the subsequent receipt of the gift or bequest.

Inventories—Inventories of supplies are stated at the lower of cost (first-in, first-out method) or market.

Retirement Plans—The Hospitals, effective for the year ended December 31, 1986, adopted the principles of "Statement of Financial Accounting Standards No. 87, Employers' Accounting for Pensions," which requires use of the "projected unit credit" actuarial method for financial reporting purposes. The Hospitals also adopted this method for funding purposes. Prior to 1986, the Hospitals used the "aggregate cost method" for both financial reporting and funding purposes.

Designation and Restriction of Revenues—Under policy established by the Board of Directors, generally only the income from investments, annual assessments from Shriners, and gifts and bequests made for the exclusive use of a particular hospital are used for operations.

Receipts from gifts and bequests from Shriners and non-Shriners (excluding gifts and bequests made for the exclusive use of a particular hospital), life memberships from Shriners, fund raising activities, and gains from investment sales are designated by the Hospitals for investment.

The Hospitals do not generally maintain separate accounting records for funds restricted by outside sources since their policy is to retain gifts and bequests for investment purposes. Management does not believe that the total of funds restricted by outside sources and retained for investment is significant in relation to total investments.

Foreign Currency Translation—Foreign currency transactions and financial statements are initially translated into the currency in which the Organization conducts its business ("functional currency"). Gains and losses resulting from such translations are included in the determination of excess of revenues over expenses for the period in which the exchange rate changes. The functional currency financial statements are subsequently translated into U.S. dollars using current exchange rates, and these gains and losses are accumulated in the balance sheet caption, "Cumulative foreign currency translation adjustment," a separate component of fund balance.

Total charged to expense	<u>\$6,873,929</u>	<u>\$4,831,621</u>	

During 1985, the old Portland hospital building and site was sold for \$1,500,000, and the resulting gain of \$607,305 is included in other nonoperating revenues.

4—Capital Reserve Fund

The Capital Reserve Fund is used for property, plant and equipment expenditures. The Hospitals fund depreciation by a cash transfer from operations to the Capital Reserve Fund. All investment income of the Capital Reserve Fund is retained within the fund. Property, plant and equipment expenditures for the Montreal Unit, including the recently completed renovation of the Montreal Unit, are paid from Canadian funds designated for investment.

The Board of Directors approved transfers of \$7,000,000 and \$15,000,000 from funds designated for operations to the Capital Reserve Fund in 1986 and 1985, respectively. These transfers were made to fund future hospital construction.

On April 13, 1987, the Board of Directors authorized the transfer of \$146,331,782 of 1986 realized investment gains included in Funds Designated and Restricted for Investment to the Capital Reserve Fund (See Note 10 Subsequent Event). Such transfer is to fund future hospital construction projects which have been identified by the Hospital Priority Needs Committee and are in addition to the above commitments already made by the Board of Directors. The total estimated cost of these projects is expected to exceed \$180,000,000.

5—Transactions with the IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER OF THE NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA

The Shriners Hospitals for Crippled Children organizations were founded by the IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER OF THE NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA (Imperial Council). Hospital assessments, donations and other receipts are collected and remitted to the Hospitals by the Imperial Council.

The National Headquarters building and equipment is owned by Shriners Hospitals for Crippled Children. A portion of the building is occupied by the Imperial Council which bears a share of the operating costs and depreciation of the building and equipment. The allocation of the cost is based upon the portion of the building occupied by the Imperial Council in relation to the total occupied space in the building.

The Hospitals and the Imperial Council also share other costs based on the estimated value received by each organization.

Amounts of \$(224,674) and \$444,744 were due (to) from the Imperial Council as of December 31, 1986 and 1985, respectively.

6—Fund Raising Activities

The Shriners Hospitals system is financially supported through each Shriner's annual hospital assessment, income from investments, gifts and bequests from Shriners and non-Shriners and certain fund raising activities conducted by Shriners. Such fund raising activities generally consist of paper sale donations, football games, circuses and other miscellaneous activities. Shrine temples and Shriners raise funds for both fraternal and charitable purposes. The name "Shriners Hospitals for Crippled Children" may be used in connection with any fund raising activity by a Shrine temple or Shriner only with the written consent of the Imperial Council and Shriners Hospitals. Such revenues from fund raising activities are not significant in amount in relation to total receipts from gifts, bequests and fund raising activities.

7—Retirement Plans

The employees of U.S. hospitals are included in the Shriners Hospitals for Crippled Children Revised Retirement Plan. The benefits are based on years of service and the employees' compensation during the highest five consecutive years of employment. The organization made no contributions to the Plan in 1986 and 1985 because it is fully funded under Internal Revenue Code Sections 404 and 412.

8—Other Liabilities

Other liabilities at December 31, 1986 and 1985, include annuities payable of \$1,741,380 and \$1,572,699, respectively, under certain deferred compensation agreements with staff doctors. An asset equal to the liability is included in mortgages, real estate, and miscellaneous assets in the investments category of the accompanying combined balance sheet.

Also included in other liabilities are annuities of \$3,902,370 and \$3,106,053 at December 31, 1986 and 1985, respectively, payable to beneficiaries of various donors. By agreement, the Hospitals are required to pay specified annual amounts to these beneficiaries during their lifetime.

9—Contingencies

The Hospitals are a party to various claims and legal actions arising in the ordinary course of business. Management does not believe that the outcome of any pending claims or suits will have a material adverse effect on the financial position of the Hospitals.

10—Subsequent Event

On April 13, 1987, the Board of Directors authorized the transfer of \$146,331,782 of 1986 realized investment gains included in Funds Designated and Restricted for Investment to the Capital Reserve Fund. Such transfer is to fund future hospital construction.
